ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 10, 2006

This Proxy Statement is furnished to the shareholders of ADA-ES, Inc. (the "Company," "we," or "us"), a Colorado corporation, in connection with the solicitation of proxies by the Company's ("our") Board of Directors (the "Board"), to be voted at our ANNUAL MEETING OF SHAREHOLDERS (the "Meeting") to be held on Wednesday, May 10, 2006, at the offices of the Company at 8100 SouthPark Way, Unit B, Littleton, Colorado. This Proxy Statement and accompanying form of proxy is first being mailed or given to our shareholders on or about April 10, 2006. The shares represented by all proxies that are properly executed and submitted will be voted at the meeting in accordance with the instructions indicated thereon, and if no instructions are given, then in

Edgar Filing: ADA-ES INC - Form DEF 14A

the discretion of the proxy holder.

VOTING RIGHTS AND VOTE REQUIRED

Our Board of Directors has fixed the close of business on March 31, 2006 as the record date for determination of shareholders entitled to notice of and to vote at the Meeting. At such date there were 5,620,040 shares of our common stock issued and outstanding (hereinafter referred to as the "Common Stock"), each of which entitles the holder thereof to one vote on all matters that may come before the meeting. The Company has no class of voting securities other than Common Stock. An abstention or withholding authority to vote will be counted as present for determining whether the quorum requirement is satisfied. If a quorum exists, actions or matters other than the election of the Board of Directors are approved if the votes cast in favor of the action exceed the votes cast opposing the action unless a greater number is required by the Colorado Business Corporation Act or our Articles of Incorporation. Abstentions will be treated as abstentions and not as a vote against the proposal. A broker non-vote occurs when a nominee holding shares for a beneficial holder does not have discretionary voting power and does not receive voting instructions from the beneficial owner. Broker non-votes on a particular proposal will not be treated as shares present and entitled to vote on the proposal.

A minimum of one-third of the shares of Common Stock issued and outstanding must be represented at the Meeting, in person or by proxy, in order to constitute a quorum. Cumulative voting is not allowed for any purpose. Assuming a quorum is present, the eight nominees receiving the highest number of votes cast will be elected as Directors.

Unless specified otherwise, each proxy submitted will be voted FOR the persons nominated by the Board for directors, being Robert N. Caruso, Michael D. Durham, John W. Eaves, Derek C. Johnson, Ronald B. Johnson, Mark H. McKinnies, Rollie J. Peterson, and Jeffrey C. Smith.

We do not know of any other matter or motion to be presented at the Meeting. If any other matter or motion should be presented at the Meeting upon which a vote must be properly taken, the persons named in the accompanying form of proxy intend to vote such proxy in accordance with that person's judgment, including any matter or motion dealing with the conduct of the Meeting.

Any shareholder who completes a proxy may revoke it at any time before it is exercised by delivering written notice of such revocation to the Company (c/o Mark H. McKinnies, Secretary), 8100 SouthPark Way Unit B, Littleton, Colorado, 80120, by submitting a new proxy executed at a later date, or by attending the Meeting and voting in person.

The Company will pay solicitation expenses. In addition to solicitation by mail, our directors, officers and other employees may, without additional compensation, solicit proxies by mail, in person or by telecommunication.

ELECTION OF DIRECTORS

At the Meeting, the shareholders will elect eight directors of the Company. Each director will hold office until the next Annual Meeting of Shareholders and thereafter until a successor is elected and has qualified. Cumulative voting is not permitted in the election of directors. IN THE ABSENCE OF INSTRUCTIONS TO THE CONTRARY, THE PERSON NAMED IN THE ACCOMPANYING PROXY WILL VOTE IN FAVOR OF

Edgar Filing: ADA-ES INC - Form DEF 14A

THE ELECTION OF THE FOLLOWING PERSONS NAMED AS OUR NOMINEES FOR DIRECTORS:

It is the policy and practice of the Company that all directors attend the Meeting. All of our directors attended our 2005 Annual Meeting of Shareholders.

THE AUDIT, COMPENSATION AND NOMINATING AND GOVERNANCE COMMITTEES
The Board of Directors maintains audit, compensation and nominating and

Edgar Filing: ADA-ES INC - Form DEF 14A

governance committees. In calendar 2005 each committee was composed of John W. Eaves, Ronald B. Johnson, Rollie J. Peterson and Jeffrey C. Smith, who all qualify as "independent directors" as defined in NASD Rule 4200(a)(15). Mr. Ronald Johnson served as the Chairman of each committee. The Charters of each committee are available on our website at www.adaes.com under "Investor Relations."

AUDIT COMMITTEE

Mr. Ronald Johnson is the Audit Committee Financial Expert, as determined by the Board. Mr. Johnson is "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934.

The role and functions of the audit committee are set out in the Audit Committee Charter, as amended, originally adopted by the Company's Board of Directors and most recently amended on September 23, 2005. The role of the Company's Audit Committee is one of oversight of the Company's management and the Company's outside auditors in regard to the Company's financial reporting and the Company's controls over accounting and financial reporting. The Audit Committee's functions include the following: reviewing and assessing the Audit Committee Charter annually; reviewing the Company's relationships with its outside auditors and assessing the impact such relationships may have on the auditors' objectivity and independence; taking other appropriate action to oversee the independence of the outside auditors; reviewing and considering the matters identified in Statement on Auditing Standards No. 61 with the outside auditors and management; reviewing and discussing the Company's financial statements with the outside auditors and management; recommending whether the Company's audited financial statements should be included in the Company's Form 10-KSB for filing with the Securities and Exchange Commission ("SEC"); and reporting to the Board of Directors on all such matters. In performing its oversight function, the Audit Committee relies upon advice and information received in its discussions with the Company's management and independent auditors.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has (i) reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2005 with the Company's management; (ii) discussed with the Company's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 regarding communication with audit committees (Codification of Statements on Auditing Standards, AU sec. 380); and (iii) received the written disclosures and the letter from the Company's independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with the Company's independent accountants the independent accountants' independence.

Based on the review and discussions with management and the Company's independent auditors referred to above, the Audit Committee recommended to the

4

Board of Directors that the audited consolidated financial statements as of December 31, 2005 and for the years ended December 31, 2005 and 2004 be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005 for filing with the SEC.

NOMINATING AND GOVERNANCE COMMITTEE

The responsibilities of the Committee, as set forth in the Nominating and Governance Committee Charter, include identifying and recommending to the Board the nominees to be submitted to the Company's shareholders for election as Directors at annual meetings of the shareholders; considering and making recommendations to the Board regarding nominees for Director submitted by the Company's shareholders; and recommending to the Board the election of individuals to fill any vacancies occurring on the Board from time to time. Criteria established for the selection of candidates for the Board of Directors include independence, integrity, understanding and acceptance of the Company's corporate philosophy, commitment to representing the long-term interest of the shareholders and relevant experience and expertise in technical, financial, operational or management areas which would be beneficial to the Company and its shareholders. Director nominees are generally identified by our officers, directors or shareholders based on industry and business contacts. Regardless of the source of the nomination, nominees are interviewed and evaluated by the Nominating and Governance Committee, and other members of the management team or board of directors as deemed appropriate by the Nominating and Governance Committee. The Nominating and Governance Committee then presents qualified candidates to the board of directors for a final discussion and vote.

Under the Nominating and Governance Committee Charter, the Nominating and Governance Committee will consider nominees submitted by our shareholders. Recommendations of individuals that meet the criteria set forth in the Nominating and Governance Committee Charter may be submitted to the Committee in care of Mark H. McKinnies, Secretary, at 8100 SouthPark Way, Unit B, Littleton, Colorado 80120.

The Committee has recommended to our Board the slate of directors for this Annual Meeting as set forth above. The new director nominees standing for election to the Board were recommended by current directors. No third party was used in identifying or evaluating nominees and we received no shareholder recommendations for nominees.

COMPENSATION COMMITTEE

The responsibilities of the Compensation Committee, as set forth in the Compensation Committee Charter, include reviewing our executive compensation programs to analyze their alignment with attracting, retaining and motivating our executive officers to achieve our business objectives; establishing annual and long-term performance goals for our executive officers and evaluating their performance in light of such goals, reviewing and making recommendations concerning our long-term incentive plans and shareholder proposals related to compensation' and administering our equity-based and employee benefit plans.

DIRECTOR COMPENSATION

The compensation plan for our non-management directors is reviewed annually. In addition to the stock and option grants discussed below, under the existing compensation arrangement, each non-management director was paid a fee in 2005 of approximately \$600 per regular meeting, \$300 per committee or telephonic meeting or \$500 per committee meeting for serving as chairman of the committee. The Chairman of the Audit Committee is paid the greater of \$3,000 per month or an amount equal to hours worked times an hourly rate.

Bisque and Bloom and Mr. Lowdermilk received cash compensation of \$4,653 and Messrs. STOCK OPTION PLANS

During 2003, we adopted the ADA-ES, Inc. 2003 Stock Option Plan (the "2003 Plan"). The plan is intended to encourage our key employees, through their individual efforts, to improve our overall performance and to promote profitability by providing these key employees with an opportunity to participate in the increased value they help create. The 2003 Plan is also intended to replace the options previously awarded by Earth Sciences, Inc., which has been cancelled. Options granted under the 2003 Plan may be in the form of "incentive stock options" as defined under section 422 of the Internal Revenue Code of 1986, as amended, or options that are not incentive stock options. The 2003 Plan is administered by our Board's Compensation Committee. The plan was approved by Earth Sciences, Inc. as our sole shareholder prior to the spin-off distribution of our shares. We reserved 400,000 shares of our common stock for issuance under the 2003 Plan. In general, all options granted under the 2003 Plan will lapse ten years from the date of grant. In general, the exercise price of an option will be determined by the Compensation Committee at the time the option is granted and will not be less than 100% of the fair market value of a share of our common stock on the date the option is granted. The Compensation Committee may provide in the option agreement that an option may be exercised in whole immediately or is exercisable in increments through a vesting schedule. Under the 2003 Plan, the grant of options is limited to 20,000 per individual. During 2005, 61,900 options were granted under the 2003 Plan.

During 2004, we adopted the ADA-ES, Inc. 2004 Executive Stock Option Plan (the "2004 ESO Plan"), which did not require shareholder approval. The 2004 ESO Plan

Edgar Filing: ADA-ES INC - Form DEF 14A

authorized the grant of up to 200,000 options to purchase shares of our common stock to our executive officers. The 2004 ESO Plan is intended to promote our growth and profitability by awarding options to purchase our common stock in exchange for services performed and to be performed in the future. Options granted under the 2004 ESO Plan are generally intended to be non-qualified stock options ("NQSO") for federal income tax purposes. The 2004 ESO Plan is administered by our Board's Compensation Committee. In general, the exercise price of an option will be determined by the Compensation Committee at the time the option is granted and will not be less than 100% of the fair market value of a share of our common stock on the date the option is granted. Under the 2004 ESO Plan, the grant of options is limited to 60,000 per individual. The options are exercisable over a 10-year period based on a vesting schedule that may be accelerated based on performance of the individual recipients as determined by our Board's Compensation Committee. During 2004, options were granted under the 2004 ESO Plan to five executive officers, each of whom is a full-time employee. In January 2005 and January 2006, our Board's Compensation Committee authorized the vesting of 27,080 options and 38,428 options, respectively, under the 2004 ESO Plan based on performance targets that were met.

During 2004, we adopted the 2004 Stock Compensation Plan #2 (the "2004 Plan") for the issuance of shares and the grant of options to purchase shares of our common stock to our non-management directors. The 2004 Plan was approved by our shareholders at our 2005 Annual Meeting. The 2004 Plan is intended to compensate our non-management directors by awarding shares and options to purchase shares for services they rendered during 2004 and 2005 and will continue to render in subsequent years. The 2004 Plan provided for the award of 603 shares of our common stock per individual non-management director (4,221 shares in total), and the grant of 5,000 options per individual non-management director (35,000 in total), all of which were formally granted and issued in 2005 after approval of the 2004 Plan by our shareholders. The stock awards and vested portion of the stock option grants to non-management directors represent a portion of compensation for services performed from October 2004 through September 2005. The option exercise price of \$13.80 per share for the stock options granted on November 4, 2004 was the market price on the date of the grant. The options are exercisable over a period of five years and will vest over a three-year period, one-third each year for continued service on the Board of Directors. If such service is terminated, the non-vested portion of the option is forfeited.

During 2005 we adopted the 2005 Directors' Compensation Plan (the "2005 Plan"), which authorized the issuance of shares of common stock and the grant of options to purchase shares of our common stock to non-management directors. The 2005 Plan was approved by our shareholders at the 2005 Annual Meeting. The 2005 Plan is intended to advance our interests by providing eligible non-management directors an opportunity to acquire or increase an equity interest in the Company, create an increased incentive to expend maximum effort for our growth and success and encourage such eligible individuals to continue to service the Company. The 2005 Plan provides a portion of the annual compensation to our non-management directors in the form of awards of shares of common stock and vesting of options to purchase common stock for services performed for the Company. Under the 2005 Plan, the award of stock is limited to 1,000 shares per individual per year, and the grant of options is limited to 5,000 per individual in total. The aggregate number of shares of common stock reserved for issuance under the 2005 Plan totals 90,000 shares (50,000 in the form of stock awards and 40,000 in the form of options). The exercise price is the market price on the date of grant, the shares of common stock underlying the Option will vest at a rate of no more than 1,667 shares per annual period per individual, and any unvested shares of Stock that are outstanding at the date the individual is no longer a director are forfeited. Shares may be issued and options may be granted under the 2005 Plan only to non-management directors of the Company or its subsidiaries.

The 2005 Plan will terminate ten years after the date of its adoption, if not

Edgar Filing: ADA-ES INC - Form DEF 14A

earlier terminated by our Board of Directors. It may be amended, modified or terminated at any time if and when it is advisable in the absolute discretion of

9

the Board, although certain amendments are subject to approval of regulatory bodies and our shareholders. No such amendment may adversely affect any options previously granted under the Plan without the consent of the recipient(s). The 2005 Plan is administered by a committee appointed by the Board, which currently consists of all Board members. In January 2006, the Board of Directors authorized the issuance of 1,000 shares of common stock to each of the seven non-management directors of the Company (a total of 7,000 shares of common stock) representing a portion of their compensation for the period from October 2005 through September 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We executed a Securities Subscription and Investment Agreement (the "Investment Agreement") with Arch Coal in July 2003. Pursuant to the Investment Agreement, in September 2003 Arch Coal purchased a \$300,000 convertible debenture from us, purchased 137,741 shares of our common stock and was granted a five-year option to purchase 50,000 additional shares of our common stock for \$10.00 per share. We also co-market Arch Coal's ADA-M product under an agreement with Arch Coal as described above and perform certain testing and research projects under agreements with Arch Coal. Under these arrangements with Arch Coal, we recorded revenue of \$230,000 and \$25,000 in 2005 and 2004, respectively. We also granted Arch Coal certain "piggyback" rights in the event we register certain other equity securities and certain demand registration rights as part of the transaction. In October 2004, we registered 168,011 shares for resale by Arch Coal, which shares included 50,000 issuable upon the exercise of the option described above. A designee of Arch Coal has been appointed a seat on our Board of Directors and our management has agreed in the future to nominate and to vote all proxies and other shares of stock in the Company which they are entitled to vote in favor of that designee so long as Arch Coal holds no less 100,000 shares of our common stock. Mr. Eaves is Arch Coal's current designee to our Board of Directors.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of ownership with the SEC. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during the fiscal year ended December 31, 2005, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were met.

CODE OF ETHICS

The Company has adopted a Code of Conduct that is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of our Code of Conduct is filed as an exhibit to our Annual Report on Form 10-KSB for 2005 and is posted on our website at www.adaes.com. Any amendments to, or waivers from, any provision of the Code of Ethics applicable to these officers or persons will be disclosed by posting the information on our website at www.adaes.com within

five business days.

RELATIONSHIP WITH INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Hein & Associates, LLP has been the independent accounting firm that audits the financial statements of ADA-ES, Inc. and its subsidiaries since 1989. In accordance with standing policy, Hein & Associates, LLP periodically changes the personnel who work on the audit.

The Audit Committee of the Board has engaged Hein & Associates, LLP as the independent auditors for work to be performed during the calendar year ending December 31, 2006. Consistent with our standard practice, we intend to engage auditors for the audit of the financial statements for the year ending December 31, 2006 in the fourth quarter of 2006. We anticipate that a representative of Hein & Associates, LLP, who conducted the audit for the year ended December 31, 2005, will be present at the Annual Meeting of Shareholders. There have been no disagreements on matters of accounting principles or practices, financial statement disclosures or audit scope or procedures between the Company and Hein & Associates, LLP during the two most recent fiscal years or any subsequent interim periods. The representative of Hein & Associates, LLP will be available to respond to shareholder questions and will have the opportunity to make a statement at that time if the representative desires to do so.

AUDIT COMMITTEE APPROVAL OF SERVICES

The Audit Committee pre-approves all audit or non-audit services performed by its principal accountant in accordance with Audit Committee policy and applicable law. The Audit Committee generally provides pre-approval of audit services and services associated with SEC registration statements, other SEC filings and responses to SEC comment letters (Audit Fees) and services related

to internal control reviews, internal control reporting requirements and consultations with our management as to accounting or disclosure treatment of transactions or events and the impact of rules, standards or interpretations by the SEC and other regulatory or standard-setting bodies (Audit-Related Fees) for each 12-month period within a range of approved fees. To avoid certain potential conflicts of interest, the law prohibits us from obtaining certain non-audit services from our independent accountant. The Audit Committee has delegated authority to approve permissible services to its Chairman. The Chairman reports such pre-approvals to the full Audit Committee at its next scheduled meeting. The Audit Committee pre-approved 100% of the services provided by the independent accountant in 2005. None of the services of the independent accountant in 2005 were of the type specified in Rule 2-01(c)(7)(i)(C) of Regulation S-X.

PROPOSALS OF SHAREHOLDERS FOR PRESENTATION AT THE NEXT ANNUAL MEETING OF SHAREHOLDERS

We anticipate that our next Annual Meeting of Shareholders will be held in May 2007. Any Shareholder of record of the Company who desires to submit a proper proposal for inclusion in the proxy material related to the next Annual Meeting of Shareholders must do so in writing and it must be received at our principal executive offices on or before December 11, 2006. If a shareholder intends to submit a proposal at the meeting that is not included in the Company's proxy statement, and the shareholder fails to notify the Company prior to February 24, 2007 of such proposal, then the proxies appointed by the Company's management would be allowed to use their discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the proxy statement. The proponent must own 1% or more of the outstanding shares or \$2,000 in market value, of the Company's Common Stock and must have continuously owned such shares for one year and intend to continue to hold such shares through the date of the Annual Meeting in order to present a shareholder proposal to the Company.

ANNUAL REPORT ON FORM 10-KSB

We will provide our Annual Report on Form 10-KSB concerning our operations during the calendar year ended December 31, 2005, including certified consolidated financial statements and any financial statement schedules for the year then ended, to our shareholders without charge upon request to Mark H. McKinnies, Secretary, ADA-ES, Inc., 8100 SouthPark Way, B, Littleton, Colorado 80120. Exhibits listed in the Form 10-KSB are available upon request to shareholders at a nominal charge for printing and mailing.
