NICE Posts Another Record Quarter With 2005 Third Quarter Earnings Results

Highlights:

Q3 record revenue at excess of \$82.7 million

Q3 pro-forma gross margin improved to 56.6%

Q3 pro-forma operating margins improved to 11.5%

Pro forma EPS was \$0.43, up 48% from Q3 2004

Integration of Dictaphones CRS business successfully completed

Ra'anana, Israel, November 09, 2005 - NICE Systems (NASDAQ: NICE), the global provider of advanced solutions that enable organizations to extract Insight from Interactions(TM), today announced record results for the third quarter ending September 30, 2005.

Third quarter 2005 revenue was at a company record high of \$82.7 million and represents a 30% increase over \$63.5 million in the same quarter of 2004.

Third quarter pro-forma gross margin, which excludes amortization of acquired intangible assets, was 56.6%, an improvement from the 55.0% reported in the third quarter of 2004.

The company reported a third quarter pro forma operating profit of \$9.5 million and operating margin of 11.5%, compared with \$5.4 million and 8.4% in the third quarter of 2004.

Pro-forma net income was \$9.0 million or \$0.43 per fully diluted share in the third quarter of 2005, up from \$5.4 million or \$0.29 per fully diluted share in the same quarter of 2004.

On a GAAP basis: third quarter gross margin was 55.9%, compared with 54.7% in the third quarter of 2004; operating profit was \$8.4 million and operating margin was 10.2%, compared with \$5.1 million and 8.1%, respectively, in the third quarter of 2004; and third quarter net income was \$7.9 million, or \$0.38 per fully diluted share, compared with net income of \$5.2 million, or \$0.28 per share, on a fully diluted basis, in the third quarter of 2004.

Total cash and equivalents at September 30, 2005 were at \$184.9 million. DSO (days sales outstanding) for the second quarter stood at 70 days.

Commenting on the quarter, Haim Shani, Chief Executive Officer of NICE, said, "Once again, our company showed an outstanding financial performance. After announcing record results last quarter, we are pleased to conclude Q3 with another exceptional achievement. These results and the other successes of the third quarter validate once again our vision for Insight from Interactions, our ability to deliver on that vision to the enterprise and public and security sectors, and also that the effective integration of the Dictaphone CRS business is delivering on its promise."

"Due to the increasing demand for Insight from Interactions across the board and the strong momentum we have been seeing in both the enterprise and public and security sectors we are providing Q4 guidance for revenues of \$87 - \$90 million, and Q4 pro-forma EPS in the range of 53 - 57 cents. This implies that we are raising the guidance for year 2005 to revenues at \$308 - \$311 million, a 22 - 23% increase over 2004; and pro-forma EPS of \$1.62 - 1.66, representing a 36-39% increase over 2004."

"Looking forward to 2006 we expect to continue to enjoy the leverage of our business model, while improving margins and driving stronger bottom line growth. We introduce first time 2006 revenue guidance at \$355 - \$363 million; and first time pro-forma EPS guidance of \$2.05 - \$2.15, which represents a 24 - 33% increase."

Conference Call

NICE will host a conference call to discuss the results and its business outlook today at 8:30 a.m. EST (15:30 Israel). The call will be broadcast live on the internet via NICE's website at www.nice.com. A telephone replay will be available for up to 72 hours after the call. The replay information: US Toll-free: 1-866-276-1485; International: +972-3-925-5930; Israel: 03-925-5930.

Pro forma basis results exclude the amortization of acquired intangible assets of \$1.1 million in Q3 2005 and \$0.2 million in Q3 2004. A reconciliation between results on a GAAP and pro forma basis is provided in a table immediately following the Consolidated Statement of Operations (Pro Forma Basis).

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are based on the current expectations of the management of NICE Systems Ltd. (the Company) only, and are subject to a number of risk factors and uncertainties, including but not limited to changes in technology and market requirements, decline in demand for the Company's products, inability to timely develop and introduce new technologies, products and applications, difficulties or delays in absorbing and integrating acquired operations, products, technologies and personnel, loss of market share, pressure on pricing resulting from competition, and inability to maintain certain marketing and distribution arrangements, which could cause the actual results or performance of the Company to differ materially from those described therein. We undertake no obligation to update these forward-looking statements. For a more detailed description of the risk factors and uncertainties affecting the company, refer to the Company's reports filed from time to time with the Securities and Exchange Commission.
