## FORWARD-LOOKING STATEMENTS

This Current Report contains certain forward-looking statements, and for this purpose, any statements contained herein that are not statements of historical fact may be deemed to be forward-looking statements. Without limiting the foregoing, words such as may, will, expect, believe, anticipate, estimate, continue or comparable terms are intended to identify forward-looking statements. These statements by their nature involve substantial risks and uncertainties, and actual results may differ materially depending on a variety of factors, many of which are not within our control. These factors include, among others, but are not limited to:

- economic conditions generally in the United States and internationally, and in the markets and industries in which we have and may participate in the future;
- competition within our chosen markets and industries; and
- our business and growth strategies.

We believe that it is important to communicate our future expectations to investors and shareholders. However, there may be events in the future that we are not able to accurately predict or control, including uncertainties and events that may cause our actual results to differ materially from the expectations we have described in our forward-looking statements. Except as required by law, we undertake no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise. All forward-looking statements should be considered in light of our reports and registration statements filed in the Edgar Archives of the United States Securities and Exchange Commission.
