- o To waive the Investors' compliance with the lock-up provisions of the Purchase Agreement and allow them to sell shares of the Company's common stock that they may receive upon exercise of the warrants, and
- o To accelerate the date the Company is required to file a registration statement registering the resale of the shares of the Company's common stock that the Investors may acquire upon exercise of warrants to May 15, 2005.

Including the above, the Company has now extended the maturity of \$450,000 principal amount of promissory notes that were due on September 8, 2005 to June 30, 2006. The remaining \$300,000 principal amount of promissory notes, issued in September 2004, are due September 8, 2005.
