Item 5.02 Departure Of Directors Or Certain Officers; Election Of Directors; Appointment Of Certain Officers; Compensatory Arrangements Of Certain Officers

Reference is made to the disclosure set forth under Item 8.01 of this report with regard to changes in management, which disclosure is incorporated herein by reference.

Item 5.03 Amendment of Articles of Incorporation or Bylaws; Change in Fiscal Year

Reference is made to the disclosure set forth under Item 8.01 of this report with regard to the adoption of the Articles of Incorporation and Bylaws of Energroup Holdings Corporation as the Articles and Bylaws of the Registrant.

Item 8.01 Other Events

At the Special Meeting of Shareholders of Energroup Technologies Corporation, a Utah corporation (the "Registrant"), held on August 14, 2007, the Registrant's shareholders approved proposals to: (i) effect a 1-for-7 reverse stock split in the issued and outstanding shares of the Registrant's common stock; and (ii) change state of incorporation of the Registrant from Utah to Nevada by merging the Registrant with and into Energroup Holdings Corporation, a wholly owned Nevada corporation ("Energroup Nevada"), in connection with which the Articles of Incorporation and Bylaws of Energroup-Nevada would become the Articles of Incorporation and Bylaws of the Registrant. The proposals were described in the definitive Schedule 14C Information Statement, which was filed with the Securities and Exchange Commission on July 23, 2007.

Pursuant to such shareholder approval, effective on August 20, 2007, the Registrant implemented a 1-for-7 reverse stock split in its issued and outstanding shares of common stock which reduced the number of its issued and outstanding shares of capital stock from 13,496,472 shares of common stock to approximately 1,943,812 post-split shares of common stock. In connection with the reverse stock split, no shareholder of record on July 9, 2007, the record date for the Special Meeting (the "Record Date"), who held fewer than 100 shares was affected by the reverse stock split and no shareholder of record on the Record Date who held more than 100 shares had his, her or its ownership reduced to fewer than 100 post-split shares of common stock as a result of the reverse stock split. In addition, effective on August 20, 2007, the Registrant was merged with and into Energroup Nevada and the Articles of Incorporation and Bylaws of Energroup-Nevada became the Articles of Incorporation and Bylaws of the Registrant.

As a result of the actions described above, the symbol for the Registrant's common stock on the OTC Bulletin Board has been changed from "EGRT" to "EGHC" and the Company's common stock began quotation under the new symbol (on a post split, post-merger basis) on August 21, 2007.

The Plan of Merger with respect to merger of the Registrant with and into Energroup Nevada provided that Timothy P. Halter, the sole officer and director Energroup Nevada, would hold the same offices in the surviving corporation following the merger. Accordingly, effective August 20, 2007, the size of the Registrant's board of directors was reduced from three to one, Stephen R. Fry and Thomas J. Howells resigned from their positions as directors of the Registrant and Timothy P. Halter continued in office as President, Secretary, Treasurer and the sole director of Energroup Nevada, which became the registrant.
