Item 1.01. Entry into a Material Definitive Agreement

On February 2, 2016, United Fire Group, Inc. (the "Company"), as borrower, entered into a Credit Agreement (the "New Credit Agreement") by and among the Company, the lenders from time to time party thereto and KeyBank National Association ("Key Bank"), as administrative agent, swingline lender and letter of credit issuer. The New Credit Agreement provides for a \$50 million four-year unsecured revolving credit facility that includes a \$20 million letter of credit subfacility and a swingline subfacility in the amount up to \$5 million. The New Credit Agreement allows the Company to increase the aggregate amount of the commitments thereunder by up to \$100 million, provided that no event of default has occurred and is continuing and certain other conditions are satisfied.

The New Credit Agreement is available for the Company's general corporate purposes, including liquidity, acquisitions and working capital. All unpaid principal and accrued interest under the New Credit Agreement is due and payable in full at maturity on February 2, 2020. Based on the type of loan, advances under the New Credit Agreement would bear interest on either the London interbank offered rate or a base rate plus, in each case, a calculated margin amount.

The unused commitments under the New Credit Agreement will be subject to a commitment fee that will be calculated at a per annum rate. The applicable margins for borrowings under the New Credit Agreement and the commitment fee thereunder will be determined by reference to a pricing grid based on the Company's issuer credit rating by A.M. Best Company, Inc.

The New Credit Agreement contains customary representations, conditions to borrowing, covenants and events of default, including certain covenants that limit or restrict, subject to certain exceptions, the ability of the Company and its subsidiaries to sell or transfer assets, enter into a merger or consolidate with another company, create liens, impose restrictions on subsidiary dividends, enter into sale-leaseback transactions, make investments or acquisitions, enter into certain reinsurance agreements, pay dividends during any period of default, enter into transactions with affiliates, change the nature of its business, or incur indebtedness. The New Credit Agreement also includes financial covenants that require the Company to (i) maintain a minimum consolidated net worth, (ii) maintain a minimum consolidated statutory surplus and (iii) not exceed a 0.35 to 1.0 debt to total capitalization ratio.

The foregoing summary is qualified in its entirety by reference to the New Credit Agreement, a copy of which is filed herewith and incorporated by reference.
