EXPLANATORY NOTE

This Registration Statement as originally filed related to the offering of 8,100,000 shares of PCS Common Stock issuable under the 1990 Stock Option Plan, which was adopted as a subsidiary plan under and pursuant to the 1997 Long-Term Stock Incentive Program (the "1997 Program"), which had been approved by Sprint's shareholders. As previously reported, Sprint's Board of Directors combined the 1990 Stock Option Plan with and into the 1997 Program to form a single plan (the "Plan Combination"). No shares of PCS Common Stock were issued before the two-for-one split of the PCS Common Stock in the 2000 first quarter, leaving all 8,100,000 shares of PCS Common Stock. The two-for-one split of the

## Edgar Filing: SPRINT CORP - Form S-8 POS

PCS Common Stock increased the number of shares of PCS Common Stock remaining under the Registration Statement to 16,200,000 shares of PCS Common Stock.

On February 28, 2004, Sprint's Board of Directors approved the recombination of the PCS Common Stock and the FON Common Stock, effective on April 23, 2004 (the "Conversion Date). None of the 16,200,000 shares of PCS Common Stock were issued upon the exercise of options before the Conversion Date. Following the recombination of the PCS Common Stock and the FON Common Stock, no shares of PCS Common Stock may be issued. Accordingly, the purpose of this Post-Effective Amendment No. 2 is to deregister the 16,200,000 shares of PCS Common Stock covered by this Registration Statement.
