Telkonet, Inc. (the “Company”) was unable to finalize the terms of the renewal of its engagement with its independent registered public accounting firm by May 15, 2012. As a result, the Company was unable to obtain a final review of its quarterly report on Form 10-Q for the quarter ended March 31, 2012 in time to file it by the prescribed deadline without unreasonable effort and expense. The delay in finalizing the terms of the engagement renewal does not relate to any disagreement with the Company’s independent registered public accounting firm on any matter of accounting principles or practices, financial statement disclosure or similar matters.

The Company is working to finalize the terms of the engagement renewal and expects to file the Form 10-Q by no later than the fifth calendar day following the prescribed deadline, or May 21, 2012; however the Company can provide no assurance that it will be able to file the Form 10-Q within such time period.
