INTRODUCTION

On November 15, 2013, Genius Brands International, Inc., a Nevada corporation (“we” or the “Company”) entered into an Agreement and Plan of Reorganization (the “Merger Agreement”) with A Squared Entertainment, LLC, a Delaware limited liability company (“A Squared”), A Squared Holdings, LLC, a California limited liability company and sole member of A Squared (the “Parent Member”) and A2E Acquisition LLC, our newly formed, wholly-owned Delaware subsidiary (“Acquisition Sub”). Upon closing of the transactions contemplated under the Merger Agreement (the “Merger”), which occurred concurrently with entering into the Merger Agreement, our Acquisition Sub merged with and into A Squared, and A Squared, as the surviving entity, became a wholly-owned subsidiary of the Company. As a result of the Merger, the Company acquired the business and operations of A Squared. A Squared is a children’s entertainment production company that produces original content for children and families that provide entertaining and educational media experiences. A Squared also creates comprehensive consumer product programs in the forms of toys, books and electronics. A Squared works with broadcasters, digital and online distributors and retailers worldwide as well as major toy companies, video game companies and top licensees in the kids and family arena.

Pursuant to the terms and conditions of the Merger:

At the closing of the Merger, the membership interests of A Squared issued and outstanding immediately prior to the closing of the Merger were cancelled and the Parent Member received shares of our common stock. Accordingly, an aggregate of 297,218,237 shares of our common stock were issued to the Parent Member.

Upon the closing of the Merger, Klaus Moeller resigned as the Company’s Chief Executive Officer and Chairman and Larry Balaban resigned as the Company’s Corporate Secretary, and simultaneously with the effectiveness of the Merger, Andrew Heyward was appointed as the Company’s Chief Executive Officer, Amy Moynihan Heyward was appointed as the Company’s President and Gregory Payne was appointed as the Company’s Corporate Secretary. Mr. Moeller remains a director of the Company.

Effective upon the Company’s meeting its information obligations under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), Michael Meader, Larry Balaban, Howard Balaban and Saul Hyatt will resign as directors of the Company and Andrew Heyward, Amy Moynihan Heyward, Lynne Segall, Jeffrey Weiss, Joseph “Gray” Davis, William McDonough and Bernard Cahill will be appointed as directors of the Company.

In connection with the Merger, the Parent Member, Andrew Heyward and Amy Moynihan Heyward each executed a lockup agreement pursuant to which they agreed to refrain from selling or transferring securities of the Company they own for a period of time beginning on the closing date of the Merger and ending 90 days after the effective date of the Company’s registration statement filed pursuant to the Financing Registration Rights Agreement (as discussed below). Additionally, the Company and the Parent Member entered into a Registration Rights Agreement (the “Merger Registration Rights Agreement”) pursuant to which the Company granted the Parent Member demand registration rights and piggy back registration rights at any time following (18) months from the date of the closing of the Merger.

At the closing of the Merger, the Company sold an aggregate of 29,642,857 shares of shares of its common stock, \$0.001 par value per share (the “Common Stock”) in a private placement (the “Private Placement”) to certain investors (the “Investors”) at a per share price of \$0.035 for gross proceeds to the Company of \$1,037,500. The shares of Common Stock issued in the Private Placement are subject to price protection and “most favored nations” protection for a period equal to the lesser of three (3) years from the closing of the Private Placement or until no Investor holds any Common Stock purchased in the Private Placement, in the event the Company issues securities at a per share price of less than \$0.035 per share, subject to certain exceptions, or otherwise issues securities to new investors whereby the Investors reasonably believe that the terms and conditions appurtenant to such issuance or sale are more favorable to that which were received by the Investors. In connection with the Private Placement, the Company’s pre-Merger officers and directors executed lockup agreements pursuant to which they agreed to refrain from selling or transferring securities of the Company for a period of beginning on the closing date of the Merger and ending 90 days after the effective date of the Company’s registration statement filed pursuant to the Financing Registration Rights Agreement (as discussed below), subject to certain leak-out provisions.

In connection with the Private Placement, the Company and the Investors entered into a Registration Rights Agreement (the “Financing Registration Rights Agreement”) pursuant to which the Company agreed to file a “resale” registration statement with the Securities and Exchange Commission (the “SEC”) covering all shares of Common Stock sold in the Private Placement within 90 days of the closing of the Private Placement (the “Filing Date”). The Company has agreed to maintain the effectiveness of the registration statement from the effective date until all securities have been sold or are otherwise able to be sold pursuant to Rule 144. The Company has agreed to use its reasonable best efforts to have the registration statement declared effective within 125 days (the “Effectiveness Date”) of the Filing Date.

The Company is obligated to pay to Investors a fee of 1% per month of the Investors' investment, payable in cash, for every thirty (30) day period up to a maximum of 6% upon the occurrence of certain events, including, (i) following the Filing Date that the registration statement has not been filed and (ii) following the Effectiveness Date that the registration statement has not been declared effective.

Employment Agreements

On April 26, 2011, the Company and each of Messrs. Moeller, Meader, Larry Balaban and Howard Balaban (the “Executives”) agreed to terminate all then existing employment agreements for the Executives and enter into new five-year employment agreements unless written termination is provided by either party. Each employment agreement provides for a graduated base salary beginning at \$165,000 per annum retroactive to March 20, 2011, continuing to December 31, 2011, increasing to \$195,000 for 2012 and \$225,000 for 2013. After 2013, the agreement provides for base salary increases at the discretion of the Board of Directors, with a minimum 5% increase. In addition to base salary, each Executive will receive an annual car allowance of \$11,400, and four weeks paid vacation per annum.

Each agreement also provides for a cash incentive bonus determined at the sole discretion of our Board of Directors which shall not be less than 4.5% of the Company’s EBITDA (Earnings Before Interest, Depreciation, Taxes and Amortization) if the Company is EBITDA positive nor be more than 100% of the Executive’s base salary, although the Board has retained discretion to waive the 100% cap. In addition, pursuant to the agreements each Executive has been granted a non-qualified stock option to purchase up to 1,000,000 shares of the Company’s common stock, vesting as to 250,000 shares on the grant date and 250,000 shares per year on the anniversary date of the agreements. The exercise price of options is \$0.44 per share and the options will expire on the tenth anniversary of the date of grant except in the event of a termination for cause under the respective employment agreement, in which case the option will expire in its entirety ninety days after termination of employment. Each Executive has granted the Company a right of first refusal to repurchase any shares of common stock acquired by the Executive pursuant to the option in the event of a termination for cause. The purchase price on the right of first refusal would be the bid price on the date of termination.

The employment agreement provides for payment of severance compensation equal to eighteen months of the Executive’s base salary on the date of termination of the Executive’s employment by the Company other than for cause. Subject to the provisions of Section 409A of the Internal Revenue Code of 1986, as amended, severance will be paid over the course of eighteen months following the termination date and will be made on the Company’s normal payroll dates during the severance period. Severance compensation is in addition to his base salary through the date of termination, accrued vacation and bonus compensation earned but not yet paid on the date of termination.

In addition, the agreements each provide that, upon termination without cause or as a result of a change of control, the unvested portion of any options then held by the Executive will immediately vest. For purposes of these agreements, a “change of control” includes the sale of all or substantially all of the Company’s assets, a merger or consolidation resulting in securities representing 50% of the combined voting power of the outstanding common stock being transferred to persons who are different from the holders immediately preceding the transaction, the acquisition (directly or indirectly) of 50% of the total combined voting power of the common stock pursuant to a tender or exchange offer, or a majority of the members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board before the date of the appointment or election.

Each of the employment agreements includes standard confidentiality, non-competition (including during any severance period), non-solicitation and non-disparagement provisions, provides for twenty days of vacation time per annum, and provides for indemnification of the Executive to the fullest extent allowed by the California Corporations Code and the Company's Articles of Incorporation and Bylaws.

On January 10, 2013, Messrs. Moeller, Meader and Howard Balaban agreed to reduce the amount of payments for salary effective January 1, 2013 through January 19, 2013 to \$165,000 and a further reduction to \$140,000 commencing January 20, 2013, continuing until further notice by each one to the Board of Directors. The agreements with each of Messrs. Moeller, Meader and Howard Balaban include the accrual of unpaid salary, the right to convert any or all of the accrued but unpaid salary to common stock of the Company at a conversion price of \$0.21 per share and an amendment to all outstanding stock option grant notices to allow each to retain all rights until the expiration date upon termination unless for cause, as defined in the employment agreement.

On March 28, 2013, Mr. Meader voluntarily resigned his position as President effective April 1, 2013. The Company agreed that Mr. Meader will retain all stock options granted to him as of the date of termination, with no changes in the vesting and expiration dates in accordance with the original grant notices, in exchange for a general release of all claims against the Company. The Company has entered into a consulting agreement with Mr. Meader to provide continued services for an initial period of twelve months.

On May 2, 2012, the Company entered into a five-year “at will” employment agreement with Jeanene Morgan to serve as the Company’s Chief Financial Officer. The agreement provides a base salary of \$165,000 per annum from January 1, 2012 to December 31, 2012, increasing to \$190,000 on January 1, 2013 and \$215,000 on January 1, 2014. After 2014, the agreement provides for base salary increases at the discretion of the Board of Directors with a minimum 5% increase. Ms. Morgan shall be permitted to participate in all benefit plans of the Company and receive 4 weeks paid vacation.

The agreement also provides for a cash incentive bonus determined at the sole discretion of our Board of Directors which shall not be less than 2.0% of the Company’s EBITDA (Earnings Before Interest, Depreciation, Taxes and Amortization) if the Company is EBITDA positive nor be more than 100% of the base salary, although the Board has retained discretion to waive the 100% cap. In addition, pursuant to the agreement Ms. Morgan has been granted a qualified stock option to purchase up to 2000,000 shares of the Company’s common stock, vesting on December 31, 2014. The exercise price of option is \$0.44 per share and the option will expire on the fifth anniversary of the date of vesting except in the event of a termination for cause under the employment agreement, in which case the option will expire in its entirety ninety days after termination of employment.

The employment agreement provides for payment of severance compensation equal to twelve months of the base salary on the date of termination of employment by the Company other than for cause. Subject to the provisions of Section 409A of the Internal Revenue Code of 1986, as amended, severance will be paid over the course of twelve months following the termination date and will be made on the Company’s normal payroll dates during the severance period. Severance compensation is in addition to her base salary through the date of termination, accrued vacation and bonus compensation earned but not yet paid on the date of termination.

In addition, the agreement provides that, upon termination without cause or as a result of a change of control, the unvested portion of any options then held by Ms. Morgan will immediately vest. For purposes of this agreement, a “change of control” includes the sale of all or substantially all of the Company’s assets, a merger or consolidation resulting in securities representing 50% of the combined voting power of the outstanding common stock being transferred to persons who are different from the holders immediately preceding the transaction, the acquisition (directly or indirectly) of 50% of the total combined voting power of the common stock pursuant to a tender or exchange offer, or a majority of the members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board before the date of the appointment or election.

The employment agreement includes standard confidentiality, non-competition (including during any severance period), non-solicitation and non-disparagement provisions, provides for twenty days of vacation time per annum, and provides for indemnification of the Executive to the fullest extent allowed by the California Corporations Code and the Company’s Articles of Incorporation and Bylaws.

On January 10, 2013, Ms. Morgan agreed to defer the payment of the salary increase which would have become effective January 1, 2013. The deferral will continue until further notice by Ms. Morgan to the Board of Directors. The agreement includes the accrual of unpaid salary, the right to convert any or all of the accrued but unpaid salary to common stock of the Company at a conversion price of \$0.21 per share and an amendment to all outstanding stock option grant notices to allow Ms. Morgan to retain all rights until the expiration date upon termination unless for cause, as defined in the employment agreement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Larry Balaban and Howard Balaban, are brothers.

On February 1, 2008, Isabel Moeller, sister of our former Chief Executive Officer and current director, Klaus Moeller, loaned \$310,000 to the Company at an interest rate equal to 8% per annum. The funds were borrowed from Ms. Moeller in order to reduce outstanding obligations due to Genius Products, Inc. at that time. Subsequent agreements extended the maturity date to January 15, 2015 and reduced the stated interest rate to six (6%) percent per annum. Repayments on the principle balance were made in the aggregate of \$24,000 during February and April 2011. In March 2011, Ms. Moeller subscribed for 1,000,000 shares of our common stock at a purchase price of \$0.20 per share pursuant to a private placement offering conducted by the Company under Rule 506. In lieu of cash payment for the shares, Ms. Moeller agreed to a \$200,000 reduction in the outstanding principal balance of her note effective April 1, 2011. On March 31 2012, Ms. Moeller agreed to convert the remaining balance of outstanding principal and interest, in the amount of \$173,385, to shares of common stock of the Company. The outstanding balance as of December 31, 2012 and December 31, 2011 was \$0 and \$170,823, respectively.

Throughout 2009, 2008 and 2007, the Company borrowed funds from Messrs. Moeller, Meader, Larry Balaban and Howard Balaban in the aggregate principal amounts of \$4,000, \$280,000 and \$444,500, respectively. The proceeds from all officer loans were used to pay operating obligations of the Company. Subsequent agreements amended the stated interest rate to 6% per annum and extended the maturity to January 15, 2015. Repayments were made on February 2, 2011 and April 27, 2011 in the aggregate amounts of \$66,000 and \$30,000, respectively. On March 7, 2012, the four Officers agreed to execute extension agreements to change the maturity date on their respective notes to January 15, 2015, with no change in the terms. At December 31, 2012 and 2011, there was a combined total of approximately \$243,251 and \$229,119, respectively, in principal and accrued interest outstanding under these notes.
