**Item 3.02**

**Unregistered Sales of Equity Securities**

On December 21, 2009, inContact, Inc. entered into a Securities Purchase Agreement with an investment fund and accredited investor for the sale of 3,428,571 common shares at \$2.45 per share for cash in the total amount of approximately \$8.4 million. The sale and purchase under the Securities Purchase Agreement closed the same day. The shares of common stock sold to the investor will be registered for resale on a registration statement inContact is obligated to file. If the registration statement is not effective within 120 days following the closing of the sale of shares under the Securities Purchase Agreement, inContact is required to pay to the investor an amount equal to one percent of the total investment amount for each month (or portion thereof) that the shares remain unregistered.

We engaged RBC Capital Markets Corporation to provide investment banking and private placement services. A portion of the proceeds from the sale of shares under the Securities Purchase Agreement will be used to pay RBC Capital Markets a fee of approximately \$504,000.

The securities were offered and sold in reliance on the exemption from registration set forth in Section 4(2) of the Securities Act of 1933 and Rule 506 of Regulation D. The investor represented that it is an accredited investor within the meaning of Rule 501 adopted under the Securities Act of 1933. This report does not constitute an offer to sell, or the solicitation of an offer to buy, any securities.

The full terms and conditions of the financing and registration obligation are set forth in the transaction documents included with this report as exhibits.
