DXP ENTERPRISES ANNOUNCES FIRST QUARTER RESULTS

SALES INCREASE 49.6% - NET INCOME INCREASES 193%

Houston, TX, -- April 26, 2006 - DXP Enterprises, Inc. (NASDAQ: DXPE)

today announced net income of \$2,502,000 for the first quarter ended March 31, 2006, with diluted earnings per share of \$.44 compared to net income of \$854,000 and diluted earnings per share of \$.15 for the first quarter of 2005. Sales increased 49.6% to \$62.5 million from \$41.8 million for the first quarter of last year. Sales by the two businesses acquired in 2005 accounted for \$8.7 million of the sales increase. Excluding sales by the two acquired businesses, sales for the first quarter of 2006 increased 28.8% from the first quarter of 2005. The effect of the 2005 gulf coast hurricanes on the results of the first quarter of 2006 is believed to be immaterial.

David R. Little, Chairman and Chief Executive Officer said, "We are pleased with our internal growth and successes in delivering additional product categories and expertise to new and existing customers. Our productivity continues to improve through our efforts in supply chain management and information technology. We are excited about the prospects for 2006 and our outlook continues to be strong."

Mac McConnell, Senior Vice President and Chief Financial Officer said, "The businesses we acquired in 2005 have been successful in the first quarter of 2006. Combined sales for these two businesses increased approximately 42% compared to the pre-acquisition sales of those businesses for the first quarter of 2005. We are proud of our personnel for promptly completing the conversion of both of these businesses to DXP's computer system."

DXP Enterprises, Inc. is a leading products and service distributor focused on adding value and total cost savings solutions to MRO and OEM customers in virtually every industry since 1908. DXP provides innovative pumping solutions, integrated supply and MROP (maintenance, repair, operating and production) services that emphasize and utilize DXP's vast product knowledge and technical expertise in pumps, bearings, power transmission, seals, hose, safety, fluid power, electrical and industrial supplies. DXP's breadth of MROP products and service solutions allows

DXP to be flexible and customer driven, creating competitive advantages for our customers.

DXP's innovative pumping solutions provide engineering, fabrication and technical design to meet the capital equipment needs of its global customer base. DXP provides solutions by utilizing manufacturer authorized equipment and certified personnel. Pump packages require MRO and OEM equipment such as pumps, motors and valves, and consumable products. DXP leverages its MROP inventories and technical knowledge to lower the total cost and maintain the quality of the pump package.

SmartSource, a DXP integrated supply program, allows a more efficient way to manage the customer's supply chain needs for MROP products. The program allows the customer to transfer all or part of its supply chain needs to DXP, so the customer can focus on its core business. SmartSource effectively lowers costs by outsourcing purchasing, accounting, and on-site supply management to DXP, which reduces the duplication of effort by the customer and supplier. DXP's broad range of first-tier products provides an efficient measurable solution to reduce cost and streamline procurement and sourcing operations.
