Item 9. Regulation FD Disclosure.

On August 14, 2001, the company learned that information was unintentionally disclosed regarding an estimated dividend range of between \$0.12 and \$0.15 for the annual period following completion of the outlet portfolio sale and improvements to certain community centers. This information should not be relied upon. As reported in our press release of August 13, 2001, the board of directors is in the process of formulating a new dividend policy following completion of the pending outlet portfolio sale, and no estimate of an annual dividend range has been determined. Any estimate is a forward-looking statement and may prove incorrect depending upon many factors, including the following:

. the timing and amount of improvements to certain community centers;

Edgar Filing: KONOVER PROPERTY TRUST INC - Form 8-K

- . the formulation by the board of directors of a new dividend policy;
- . the financial condition of our tenants;
- . increases in interest rates;
