PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE 26, 2002

INTRODUCTION

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Grill Concepts, Inc. (the "Company") for use at the 2002 Annual Meeting of Shareholders of the Company and at any adjournment thereof (the "Annual Meeting"). The Annual Meeting is scheduled to be held at The Grill on Hollywood restaurant in the Hollywood and Highland complex, 6801 Hollywood Blvd., Hollywood, California, on Wednesday, June 26, 2002 at 9:00 a.m. local time. This Proxy Statement and the enclosed form of proxy will first be sent to shareholders on or about April 30, 2002.

Proxies

The shares represented by any proxy in the enclosed form, if such proxy is properly executed and is received by the Company prior to or at the Annual Meeting prior to the closing of the polls, will be voted in accordance with the specifications made thereon. Proxies on which no specification has been made by the shareholder will be voted FOR the election to the Board of Directors of the nominees of the Board of Directors named herein, FOR the ratification of the appointment of the designated independent accountants, and as the proxy holders deem advisable on other matters that may come before the meeting. Proxies are revocable by written notice received by the Secretary of the Company at any time prior to their exercise or by executing a later dated proxy. Proxies will be deemed revoked by voting in person at the Annual Meeting.

Voting Securities

Shareholders of record at the close of business on April 27, 2002 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. On the Record Date, the total number of shares of common stock of the Company, \$0.00004 par value per share (the "Common Stock"), outstanding and entitled to vote was 5,537,071. The holders of all outstanding shares of Common Stock are entitled to one vote for each share of Common Stock registered in their names on the books of the Company at the close of business on the Record Date. Additionally, every shareholder voting for the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held

Edgar Filing: GRILL CONCEPTS INC - Form DEF 14A

by the shareholder as of the Record Date, or distribute such shareholder's votes on the same principle among as many candidates as the shareholder may select, provided that votes cannot be cast for more than the number of directors to be elected. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting prior to the voting of the intention to cumulate the shareholder's votes.

Quorum and Other Matters

The presence at the Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. The Board of Directors is not aware of any matters that are expected to come before the Annual Meeting other than those referred to in this Proxy Statement. If any other matter should come before the Annual Meeting, the persons named in the accompanying proxy intend to vote such proxies in accordance with their best judgment.

Shares of Common Stock represented by a properly dated, signed and returned proxy will be counted as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. Directors will be elected by a plurality of the votes cast at the Annual Meeting. Each of the other matters scheduled to come before the Annual Meeting requires the approval of a majority of the votes cast at the Annual Meeting. Therefore, abstentions and broker non-votes will have no effect on the election of directors or any other matter.

PROPOSAL 1 ELECTION OF DIRECTORS

Seven directors are to be elected to serve until the next annual meeting of shareholders and until their successors are elected and shall have qualified. The Board of Directors has nominated Robert Spivak, Michael Weinstock, Charles Frank, Glenn Golenberg, Lewis Wolff, Stephen Ross and Norman MacLeod to serve as directors (the "Nominees"). Each of the Nominees is currently serving as a director of the Company. Directors shall be elected by shareholders holding a plurality of the shares of Common Stock present at the Annual Meeting. It is the intention of the persons named in the form of proxy, unless authority is withheld, to vote the proxies given them for the election of all of the Nominees. In the event, however, that any one of them is unable or declines to serve as a director, the appointees named in the form of proxy reserve the right to substitute another person of their choice as nominee, in his place and stead, or to vote for such lesser number of directors as may be presented by the Board of Directors in accordance with the Company's Bylaws. The Board of Directors has no reason to believe that any nominee will be unable to serve or decline to serve as a director. Any vacancy occurring between shareholders' meetings, including vacancies resulting from an increase in the number of directors, may be filled by the Board of Directors. A director elected to fill a vacancy shall hold office until the next annual shareholders' meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF ALL NOMINEES NAMED ABOVE TO THE BOARD OF DIRECTORS.

Certain Relationships and Transactions

Since June of 1989, the Company has leased its Cherry Hill restaurant from Denbob Corporation ("Denbob"), a company controlled by Robert L. Wechsler who served as Chairman of the Company from inception until 2000 and who served as a director of the Company until June 2001. The premises are occupied under a twenty year lease with annual rent commencing at approximately \$118,500, plus 6% of annual gross sales in excess of \$1,800,000, 15% of the landlord's cost for leasehold improvements, equipment and fixtures, and a pro rata share of real estate taxes, insurance and other common area charges. After five years, the Company had the option to pay for all or part of any improvements and reduce or eliminate the 15% additional rent. At the end of each five years, the rent and the gross sales level at which the 6% commences increase by 15%. The Company paid rent expense to Denbob for the lease of the Cherry Hill restaurant totaling \$252,000 during fiscal year 2001 and \$248,000 during fiscal year 2000.

The Company has entered into transactions with various entities which

may be deemed to be controlled by Lewis Wolff. Mr. Wolff is the trustee of the Wolff Revocable Trust of 1993 which holds all of the outstanding preferred stock of the Company and may be deemed to be a controlling shareholder of the Company. Mr. Wolff has served as director of the Company since June 2001. Transactions which may be deemed to have been entered into with Mr. Wolff and his affiliates include: (1) lease of the site of the San Jose Grill at the San Jose Fairmont Hotel from an entity in which Mr. Wolff is a part owner, (2) receipt by the Company's 50.05% owned subsidiary of a loan in the amount of \$800,000 in connection with the opening of the San Jose Grill, which loan is repayable, with interest at 10%, from substantially all of the operating cash flows of the San Jose Grill with unpaid principal and interest due January 2018, (3) management of the City Bar & Grill in the San Jose Hilton Hotel, of which Mr. Wolff is a part owner, (4) receipt of a loan in the amount of \$500,000 in connection with the conversion of the Burbank Daily Grill, which loan is repayable, with interest at 10%, out of management fees from the restaurant with unpaid principal and interest due December 31, 2003, and (5) entry into an agreement with Hotel Restaurant Properties, Inc. ("HRP"), an entity controlled by a member of Mr. Wolff's family, pursuant to which HRP will assist the Company in locating hotel locations for the opening of restaurants and pursuant to which HRP is entitled to a portion of the fees or profits from those restaurants. Rents in the amount of \$65,000 and \$92,000 were accrued by the Company with respect to the San Jose Grill during 2001 and 2000, respectively. At December 26, 1999, the Company owed \$198,853 with respect to the loan relating to the Burbank Daily Grill and \$185,000 with respect to the loan relating to the San Jose Grill. Both of those loans were paid in full at December 31, 2000.

In August 1998, the Company entered into an agreement with HRP, of which Mr. Keith Wolff is President. Pursuant to the agreement HRP will assist the Company in locating hotel locations for the opening of restaurants. HRP is entitled to a portion of the fees or profits from those restaurants. The Company paid \$142,987 and \$187,604 of management fees to HRP during fiscal years 2001 and 2000, respectively. The agreement also provides that HRP will repay to the Company amounts advanced to managed units on behalf of HRP. As of December 30, 2001, HRP owed to the Company \$133,000. As of December 31, 2000, the Company owed \$28,813 to HRP.

In July 2000, Lewis Wolff and Michael Weinstock each agreed to guarantee \$750,000 of the Company's bank credit facility. Pursuant to the terms of the guarantee, the Company issued to each of Mr. Wolff and Mr. Weinstock 75,000 warrants exercisable to purchase common stock at \$1.41 per share. In 2001 each of Mr. Wolff and Mr. Weinstock received an additional 75,000 five year warrants exercisable at \$2.12 per share. Additionally, the Company agreed to pay each of Mr. Wolff and Mr. Weinstock interest at the rate of 2% per annum of the average annual balance of the loans guaranteed. Interest accrued or paid to Mr. Wolff and Mr. Weinstock totaled \$19,355 each during the year ended December 30, 2001 and \$10,023 each at December 31, 2000.

In July 2001, the Company completed a series of transactions with Starwood Hotels & Resorts Worldwide, Inc., pursuant to which (1) Starwood acquired, for \$1,000,000.50, 666,667 shares of Common Stock and five year \$2.00 666,667 warrants to purchase shares of the Company's Common Stock, (2) the Company and certain shareholders agreed to take appropriate actions, so long as Starwood owns no fewer than 333,333 shares of Common Stock, to cause one nominee of Starwood to be elected to the Company's board or, in the event the number of restaurants operated pursuant to the Starwood Agreements equals or exceeds ten restaurants, to cause two nominees of Starwood to be elected to the Company's board, and (3) the Company and Starwood agreed to jointly develop the Company's branded restaurants in Starwood properties with Starwood being the exclusive major hotel operator in which the Company's restaurants are developed, managed, operated or licensed.

In conjunction with, and as a condition of, the Starwood transactions,

Edgar Filing: GRILL CONCEPTS INC - Form DEF 14A

the Company was obligated to secure funding, in addition to that provided by Starwood, in an amount not less than \$1,000,000 from the sale of equity securities to other investors on terms not more favorable to the investors than those of Starwood. Pursuant to that obligation, the Company sold, for \$142,500, 95,000 shares of common stock and 95,000 five year \$2.25 warrants to KMWGEN Partners, a partnership of which Lewis Wolff, as Trustee of the Wolff Revocable Trust of 1993, and Keith Wolff, as Trustee of The Keith M. Wolff 2000 Irrevocable Trust, are general partners.

9

Also, in conjunction with the Starwood transactions, the Company sold 65,565 shares of common stock to the Ross Family Trust for \$95,348. The Ross Family Trust and the Mazel Trust, both of which Mr. Ross is co-trustee of, in 2000, loaned \$400,000 to the Company for which it is paid interest of 10% and was issued 40,000 five year warrants exercisable at \$1.40625 per share. In 2001 the trusts were issued an additional 32,058 four year warrants exercisable at \$2.77 per share. In 2002, the Ross Family Trust acquired the loans from the Mazel Trust. At December 30, 2001, the Company owed \$274,416 to the Ross Family Trust. Stephen Ross, co-trustee of the Ross Family Trust was elected as a director of the Company in 2001, following the Starwood transactions.

The Starwood Agreements also provide for the issuance to Starwood, after the aggregate number of branded restaurants covered by management agreements or licensing agreements reaches five, ten, fifteen and twenty (each a "Development Threshold Date"), of warrants (the "Development Warrants") to purchase a number of shares of the Company's Common Stock equal to 4% of the then outstanding shares of capital stock. The Development Warrants will have an exercise price equal to (1) if the fair market value of the Common Stock as of the applicable Development Threshold Date is greater than the fair market value of the Common Stock as of the closing date of the transactions contemplated by the Starwood Agreements (the "Closing Date"), the greater of (A) 75% of the fair market value of the Common Stock on the date of issuance of the Development Warrants or (B) the fair market value of the Common Stock on the closing date as defined in the Starwood Agreements, or (2) if the fair market value of the Common Stock as of the applicable Development Threshold Date is equal to or less than the fair market value of the Common Stock on the closing date, the fair market value of the Common Stock as of the applicable Development Threshold Date.

In addition to the Development Warrants, the Starwood Agreements provide for the issuance of warrants (the "Incentive Warrants") to Starwood to purchase a number of shares of the Company's Common Stock equal to 0.75% of the then outstanding shares of capital stock of the Company on the date of execution of any management agreement or license agreement (the "Initial Incentive Threshold Date") resulting in the total number of restaurants being operated pursuant to the Starwood Agreements exceeding 35% of the total branded restaurants operated by the Company. Additional Incentive Warrants will be issued on each anniversary of the Initial Incentive Threshold Date provided that the incentive threshold continues to be satisfied.

The Company has no existing corporate policy which prohibits or governs the terms of any such transactions. Any such transactions are, however, reviewed by the Audit Committee to determine the fairness of such transactions.

Other than elections to office, no director, nominee for director, executive officer or associate of any of the foregoing persons has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the Annual Meeting.

Compensation Committee Report

The Compensation Committee of the Board of Directors establishes the general compensation policies of the Company with respect to stock options and the compensation plans and specific compensation levels for executives of the Company. The Compensation Committee consists of non-employee Directors who are not eligible to participate in any of the compensation plans or programs it administers, other than the options these individuals receive under the guidelines established for the granting of stock options to Board and Committee members.

The primary consideration of the Compensation Committee in determining overall executive compensation is to motivate, reward and retain the best management team to achieve the company's objective and thus compensation is based upon a combination of overall financial performance of the company, the meeting of long term objectives and each individuals' experience and past performance, while considering salaries of other executives in similar companies.

The executive compensation system consists of three major components: base salary, annual incentive - consisting of participation in a cash bonus program, and long-term incentive compensation - consisting of stock option grants.

10

Base Salary. For fiscal 2001, the base salary of the executive officers, other than the Chief Executive Officer whose salary is determined by an employment agreement, were set based upon the results of the executive's performance review. Each executive is reviewed by the Chief Executive Officer and given specific objectives, which vary with the executive's position and responsibilities. At the next annual review, the actual performance of the executive is compared to the previously established specific objectives. The results of that comparison, along with the Chief Executive Officer's compensation recommendation, is provided to the committee. The Committee then determines what, if any, adjustments should be made to the proposed compensation.

Cash Bonus Program. During 2001, the Compensation Committee established a formula for cash bonuses to be paid to executive officers which is based upon financial performance of the Company. The formula provides for a pool of money to be split among the various executives. The amount of the bonus pool is based upon the Company's financial performance taking into account financial performance of the Company relative to budgeted profitability targets and other performance criteria established by the Compensation Committee. The maximum annual bonus available under the bonus plan ranged from 10% to 50% of base salary during 2001, depending on the individual's position in the Company and measurement of Company financial performance against the foregoing annual incentive compensation criteria.

During fiscal 2001 the Company's performance did not meet the required financial performance goals and thus no cash bonuses were paid.

Stock Options. The Company believes that the granting of stock options serves as a long term incentive to officers and other employees of the Company and its subsidiaries. The 1995 and 1998 stock option plans provide the Company with flexibility in awarding of stock options.

Based on a review of the level of options held and other equity ownership in the Company, stock option grants to officers during 2001 were made to select management personnel.

Edgar Filing: GRILL CONCEPTS INC - Form DEF 14A

2001 Compensation of the CEO. The 2001 salary of the CEO was fixed by an employment agreement entered into in January 2001 based on the Committee's review of Mr. Spivak's prior performance, the Company's future plans and the salaries of CEO's of similarly positioned companies. Mr. Spivak's salary during 2001 was \$225,000. The Company paid no bonus to Mr. Spivak during 2001.

Based on a review of the level of options held and performance versus the Company's plan, during 2001, the Committee granted to Mr. Spivak 100,000 new options at an exercise price representing a 10% premium to the market price and vesting over three years.

Tax Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code contains provisions, which could limit the deductibility of certain compensation payments to the Company's executive officers. The Company believes that any compensation realized in connection with the exercise of stock options granted by the Company will continue to be deductible as performance based compensation. The policy of the Company is to design its compensation programs generally to preserve the tax deductibility of compensation paid to its executive officers. The Committee could determine, however, taking into consideration the burdens of compliance with Section 162(m) and other relevant facts and circumstances, to pay compensation that is not fully deductible, if the Committee believes such payments are in the Company's best interests.

Compensation Committee Interlocks and Insider Participation. Mr. Golenberg and Mr. Frank have both previously served the company in a consulting capacity. Neither Mr. Golenberg nor Mr. Frank provided consulting services to the company during the fiscal year ending 2001.

PROPOSAL 2

INDEPENDENT AUDITORS

The Board of Directors has selected PricewaterhouseCoopers LLP as independent auditors for the fiscal year ending December 29, 2001, and recommends that the shareholders vote for ratification of such appointment. PricewaterhouseCoopers, and its predecessor firm, Coopers & Lybrand LLP, has served as the Company's independent auditors since 1997. In the event of a negative vote on such ratification, the Board of Directors will reconsider its selection.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting, will be afforded an opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate inquiries from shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT ACCOUNTANTS FOR THE COMPANY.

Audit Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 30, 2001 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the 2000 fiscal year were \$99,600.

Financial Information Systems Design and Implementation Fees

PricewaterhouseCoopers LLP did not render any professional services to the Company for financial information systems design and implementation, as described in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X, during the year ended December 30, 2001.

All Other Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for all other services rendered to the Company during the fiscal year ended December 30, 2001, other than audit services, were \$36,000. These "other fees" were primarily for tax compliance and planning services.

Audit Committee Report

The Audit Committee of the Board of Directors of the Company is composed of three directors. The Board of Directors, in its business judgment, has determined that all current members of the Audit Committee are "independent" as required by the listing standards of The Nasdaq Stock Market.

Edgar Filing: GRILL CONCEPTS INC - Form DEF 14A

The Audit Committee operates under a written charter adopted by the Board of Directors and reviewed annually by the committee.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the company's financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of the company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. PricewaterhouseCoopers, the company's independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

13

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Committee certify that the independent auditor is "independent" under applicable rules. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the company's auditors, including the audit scope, audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee and the Board have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the company's independent auditor. The Audit Committee also reviews the results of the audit work with regard to the adequacy and appropriateness of the company's financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees the company's internal compliance programs.

In performing its oversight role, the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Company's independent accountants also provided to the Audit Committee the written disclosures required by Independence Standard No. 1, Independent Discussions with Audit Committees. The Audit Committee has also considered whether the provision of non-audit services by the independent accountants is compatible with maintaining the accountants' independence and has discussed with the independent accountants that firm's independence.

In reliance on the reviews and discussions referred to in this Report, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 30, 2001 for filing with the Securities and Exchange Commission.
