Notes to Financial Statements  
June 30, 2005

NOTE 1 - PRELIMINARY NOTE

The accompanying condensed financial statements have been prepared without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. These interim financial statements include all adjustments, which in the opinion of management, are necessary in order to make the financial statements not misleading. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004.

NOTE 2 - GOING CONCERN

The Company does not have significant assets, nor has it established operations and has accumulated losses since inception. These factors raise substantial doubt about the Company's ability to continue as a going concern. It is the intent of the Company to seek a merger with an existing, well-capitalized operating company. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 3 - RELATED PARTY PAYABLES

A shareholder has paid general and administrative expenses on behalf of the Company, through June 30, 2005, of \$26,789. During the period ended June 30, 2005, a shareholder paid \$1,262 in expenses on behalf of the Company.

Item 2. Management's Discussion and Analysis or Plan of Operation.

Plan of Operation.

The Company has not engaged in any material operations in the period ending June 30, 2005.

Effective as of June 28, 2005, Kentex Petroleum, Inc., a Nevada corporation (the "Company"), and VidRev Technologies, Inc., a Florida corporation ("VidRev"), executed a Termination Agreement by which they mutually terminated the Agreement and Plan of Merger (the "Merger Agreement") by which VidRev was to merge with and into the Company, with the Company being the surviving corporation. As part of the Termination Agreement, the Company also agreed to withdraw the Registration Statements on Forms S-4 and SB-2 that it had filed with the Securities and Exchange Commission pursuant to the Merger Agreement. Each party will bear its own expenses in connection with the negotiation, execution and delivery of the Merger Agreement and the Termination Agreement. The Company and VidRev agreed to terminate the Merger Agreement because of the apparent impossibility of meeting all conditions to closing, including effectiveness of the Company's Registration Statement on Form S-4, in a timely manner. On December 20, 2004, the Company filed with the Securities and Exchange Commission a Current Report on Form 8-K disclosing the material terms of the Merger Agreement. A copy of the Termination Agreement with respect thereto is attached hereto and incorporated by reference.

The Company's only foreseeable cash requirements during the next 12 months will relate to maintaining the Company in good standing in the State of Nevada, keeping its reports "current" with the Securities and Exchange Commission or the payment of expenses associated with reviewing or investigating any potential business venture. Management does not anticipate that the Company will have to raise additional funds during the next 12 months, however, if additional moneys are needed, they may be advanced by management or principal stockholders as loans to the Company. Because the Company has not identified any such venture as of the date of this Report, it is impossible to predict the amount of any such loan. However, any such loan will not exceed \$75,000 and will be on terms no less favorable to the Company than would be available from a commercial lender in an arm's length transaction. As of the date of this Report, the Company has not begun seeking any acquisition.

Results of Operations.

The Company has had no operations during the quarterly period ended June 30, 2005, or for over the past ten years. During the quarterly period covered by this Report, the Company received no revenue and incurred expenses of \$2,235, stemming from general and administrative expenses as well as legal expense. The Company also recognized \$25,000 in forgiveness of debt that was associated with the termination of the VidRev merger.

Liquidity.

At June 30, 2005, the Company had total current assets of \$0 and total liabilities of \$28,152.

Item 3. Controls and Procedures.

As of the end of the period covered by this Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our President and Secretary/Treasurer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on this evaluation, our President and Chief Financial Officer concluded that our disclosure controls

and procedures are effectively designed to ensure that information required to be disclosed or filed by us is recorded, processed or summarized, within the time periods specified in the rules and regulations of the Securities and Exchange Commission. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. In addition, we reviewed our internal controls, and there have been no significant changes in our internal controls or in other factors that could significantly affect those controls subsequent to the date of their last evaluation.
