**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**For the Three Months Ended November 30, 2001 and 2002**  
**(unaudited)**

(Dollar amounts in tables expressed in thousands of Canadian dollars)

**1. Operations**

Based in Vancouver, British Columbia, Canada, Peace Arch Entertainment Group Inc., together with its subsidiaries, (collectively, the "Company") is a fully integrated company that creates, develops, produces and distributes film, television and video programming for world-wide markets.

**2. Future Operations**

The interim consolidated financial statements have been prepared on the "going concern" basis, which assumes the realization of assets and the settlement of liabilities in the normal course of operations. The application of the "going concern" basis is dependent upon the Company achieving profitable operations to generate sufficient cash flows to fund continuing operations or, in the absence of adequate cash flows from operations, obtaining additional financing to meet its obligations as they come due. These consolidated financial statements do not reflect adjustments that would be necessary if the "going concern" basis is not appropriate.

The Company has credit facilities with a Canadian chartered bank and long-term debt, all of which are secured by charges on the assets of the Company. As at November 30, 2002, the Company was not in compliance with certain debt covenants and payments relating to its long-term debt. The Company's continued operations are dependent on the continued financial support of its lenders.

The Company has entered into agreements for acquisition, financing and debt restructuring transactions. If the Company is unsuccessful completing these transactions, it may be required to significantly reduce or cease operations and liquidate assets.

**3. Significant Accounting Policies**

*(a) Basis of Presentation*

The interim consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in Canada for interim financial reporting. Accordingly, they do not include all of the information and footnote disclosures necessary for complete financial statements in conformity with Canadian generally accepted accounting principles. The interim consolidated financial statements have been prepared consistent with the accounting policies described in the Company's Annual

# Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

Report for the year ended August 31, 2002 and should be read in conjunction therewith.

The interim consolidated financial statements include the accounts of the Company and its subsidiaries, all of which are wholly owned. All material intercompany balances and transactions have been eliminated.

## (b) Comparative Figures

Certain comparative figures have been restated to conform to the basis of presentation adopted for the current period.

7

## 4. Segmented Information

The Company manages its operations in two business segments: production services for projects in which the Company does not hold a financial interest in a film or video program, and proprietary programming which is programming the Company owns or in which it holds a financial interest. The Company operates only in Canada, although its programs are distributed throughout the world. Selected information for the Company's operating segments, net of inter-company amounts, is as follows:

2001	Production Services	Proprietary Programming	Other	Total
Revenue	\$ 3,218	\$ 660	\$ 24	\$ 3,902
Gross profits	126	556	24	706
Total assets	5,173	27,110	1,565	33,848
<b>2002</b>				
Revenue	\$ 79	\$ 1,544	\$ 10	\$ 1,633
Gross profits	27	284	10	321
Total assets	690	6,419	1,568	8,677

Gross profits are comprised of revenue less amortization of television programming, production costs, and other costs of production and sales.

## 5. Subsequent Event

(a)

The Company has entered into agreements with regard to a series of transactions. Pursuant to such agreements, the Company has agreed to affect a private placement financing, an asset acquisition, a debt restructuring and the release and reconstitution of a loan guarantee (collectively the "Proposed Transactions"), as described below. The Proposed Transactions are each contingent upon certain of the other transactions and will close concurrently.

(i)

### Proposed Private Placement Financing

The Company has agreed to issue 5,000,000 Class B Subordinate Voting Shares at an agreed price of \$0.30 per share, for total cash proceeds of \$1,500,000.

(ii)

### Asset Acquisition

The Company has agreed to acquire a portfolio of assets owned and controlled by CPC Communications Inc. ("CPC") and/or its subsidiaries, unrelated third parties, in exchange for consideration of 8,333,333 Class B Subordinate Voting Shares of the Company at a deemed price of \$0.30 per share. The assets include five films that are in production, certain loans, tax credits and accounts receivable and the future business activities of Greenlight Film and Television Inc., a wholly owned subsidiary of CPC. The assets, described herein, are represented by CPC to have a value of not less than \$2,500,000.

(iii)

**Debt Restructuring**

The Company entered into an agreement to restructure its \$7.6 million of term debt due to FremantleMedia Enterprises Ltd. ("Fremantle"). Fremantle has agreed that the scope of its debt and collateral charged will be restricted to the business, assets, and undertakings of the Company as they exist immediately prior to the closing of the acquisition and financing transactions and any proceeds derived from the pre-existing business of the Company after closing the transactions described in note 21(a)(i) and (a)(ii) in the Company's Annual Report for the year ended August 31, 2002. The Company has agreed that if there is any amount of the Fremantle Debt which remains

8

outstanding as of December 31, 2004, Fremantle will for a period of ninety (90) days have the right to convert such unpaid amount to Class B Subordinate Voting Shares in the capital of the Company at the lesser of either (a) \$5.00 per share or (b) the average trading close price of the shares for the thirty (30) days prior to December 31, 2004, provided that in no event shall the conversion price be less than \$3.00 per share.

(iv)

**Release and Reconstitution of a Loan Guarantee**

The Company has entered into a release and reconstitution agreement with Comerica Bank California ("Comerica") which will reconstitute the Company's guarantee of a third party loan in the amount of a US\$1,075,000 million liability. Repayment of the liability will be restricted to the specific exploitation rights secured under the original loan agreement and, subject to priority interests including repayment to Fremantle, to income streams from the business, assets, and undertakings of the Company as they exist immediately prior to the closing of the transactions described in note 21(a)(i) and (a)(ii) in the Company's Annual Report for the year ended August 31, 2002. If there is any amount of the Comerica liability which remains outstanding as of December 31, 2005, Comerica will for a period of ninety (90) days have the right to convert such unpaid amount to Class B Subordinate Voting Shares in the capital of the Company at a price of \$5.00 per share.
