NEWS RELEASE
(NOVEMBER 12, 2008)

AETERNA ZENTARIS AGREES TO SELL CETROTIDE(R) ROYALTY STREAM FOR \$52.5 MILLION TO COWEN HEALTHCARE ROYALTY PARTNERS

All amounts are in U.S. dollars

QUEBEC CITY, Nov. 12 /CNW Telbec/ - Aeterna Zentaris Inc. (NASDAQ: AEZS; TSX: AEZ), a global biopharmaceutical company focused on endocrine therapy and oncology, today announced that it has signed a definitive agreement to sell to Cowen Healthcare Royalty Partners, L.P. ("CHRP") its rights to royalties on future sales of Cetrotide(R) covered by its license agreement with Merck Serono. The license agreement between Aeterna Zentaris and Merck Serono was signed in 2000 and granted Merck Serono exclusive rights to market, distribute and sell Cetrotide(R) worldwide, with the exception of Japan, in the field of in vitro fertilization. On closing, Aeterna Zentaris will receive \$52.5 million from CHRP. In addition, contingent on 2010 net sales of Cetrotide(R) reaching a specified level, Aeterna Zentaris would receive an additional payment of \$2.5 million from CHRP.

Under the terms of the agreement, if cetrorelix, which is currently in Phase 3 clinical trials for the treatment of benign prostatic hyperplasia, is approved for sale by European regulatory authorities in an indication other than in vitro fertilization, Aeterna Zentaris has agreed to make a one-time cash payment to CHRP in an amount ranging from \$5 million up to a maximum of \$15 million. The amount which would be due to CHRP will be higher the earlier the product receives European regulatory approval.

"We are very pleased with this transaction which is in line with our strategy of generating non-dilutive financing through non-core asset monetization," said Juergen Engel, Ph.D., President and Chief Executive Officer of Aeterna Zentaris. "We now expect to end the year 2008 with approximately \$50 million in cash, providing us with the financial resources for the continued development of cetrorelix in BPH."

"Our investment in Cetrotide(R) is consistent with our strategy to invest in unique commercial-stage products with strong marketing partners, and attractive risk reward profiles," said Todd C. Davis, Co-Founder and Managing Director of CHRP. "There is a growing demand for fertility treatment products around the globe and we believe Cetrotide(R) is well positioned to expand its presence in the market."

The transaction is expected to close within the next 15 business days.

RBC Capital Markets acted as exclusive financial advisor to Aeterna Zentaris in connection with this transaction.

About Cetrotide(R) (cetrorelix)

Cetrotide(R) (cetrorelix) was the first luteinizing hormone-releasing hormone (LHRH) antagonist treatment approved for in vitro fertilization. It is administered to women to prevent premature ovulation in order to increase

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

fertility success rate. Developed in cooperation with Medicine Nobel-Prize winner, Professor Andrew Schally of Veterans Affairs, Miami, Florida, it was launched in Europe in 1999 and in the United States in 2001. Cetrotide(R) is currently marketed worldwide by Merck Serono, except for Japan where it is marketed by Nippon Kayaku and Shionogi.

Cetrorelix is also currently in a Phase 3 program in benign prostatic hyperplasia involving 1,500 patients in North America and Europe. First results are expected in Q3 2009 with an NDA filing to follow in 2010 and potential launch in 2011.

The Seller Parties agree to request the regulatory reports from Merck Serono pursuant to [REDACTED] the License Agreement upon the request of the Buyer. Notwithstanding the foregoing, in the event Merck Serono provides the documents described in (a) and (b) above directly to the Buyer pursuant to the Merck Serono Consent, the Seller Parties shall be obligated to provide such documents only upon the reasonable request of the Buyer.

Section 4.4. AUDIT OF MERCK SERONO. To the extent permitted under the License Agreement, upon the written request of the Buyer, the Seller Parties shall, in cooperation with the Buyer (a) cause an audit of Merck Serono's

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

records with respect to the Royalty Payments to be conducted pursuant to, and in accordance with, [REDACTED] the License Agreement and (b) subject to Section 4.1, furnish to the Buyer copies of all financial information, documents, reports, conclusions and findings of such audit; PROVIDED, that all costs and expenses associated with any such audit of Merck Serono conducted pursuant to this first sentence of this Section 4.4 shall be borne by the Buyer; PROVIDED, FURTHER, that to the extent Merck Serono reimburses the Seller Parties pursuant to [REDACTED] the License Agreement for any costs and expenses incurred in connection with such audit, the Seller Parties shall promptly pay over such amounts to the Buyer less the amount of actual costs and expenses incurred by the Seller Parties in connection with such audit for which the Buyer has not previously reimbursed the Seller Parties pursuant to this Section 4.4. Notwithstanding anything to the contrary in this Section 4.4, the Seller Parties shall be free to exercise the audit rights under [REDACTED] the License Agreement, at the Seller Parties' sole expense, at any time without the Buyer's consent upon five (5) Business Days prior notification to the Buyer.

Section 4.5. ENFORCEMENT OF CERTAIN COVENANTS.

[REDACTED] [Provision regarding enforcement by Parties of certain contractual rights].

Section 4.6. ENFORCEMENT OF THE ZENTARIS PATENT RIGHTS.

(a) In the event that any of the Seller Parties or the Buyer believes that a Third Party may be infringing any Zentaris Patent Rights in the Field in the Territory or infringing the Trademark in the Territory, the Seller and the Buyer agree to consult and cooperate with each other as to the best manner in which to proceed prior to institution of any lawsuit or other proceeding. In the event the Seller and the Buyer fail to agree on a joint program of action and reach an understanding relating thereto with respect to sharing expenses within thirty (30) days

-19-

of the commencement of the consultation set forth in the preceding sentence (the "CONSULTATION PERIOD"), the Seller shall have the right (but not the obligation) to seek to enforce the Zentaris Patent Rights or Trademark against such Third Party infringer, and the Seller shall take such action to enforce the Seller's rights against such Person, including bringing a lawsuit or other proceeding against such Person with counsel of the Seller's choice and, subject to Section 4.6(g), entering into settlement negotiations with such Person, as the Seller deems advisable.

(b) If, after the expiry of the Consultation Period, the Third Party that is so infringing on the Zentaris Patent Rights or the Trademark has not discontinued such infringement and the Seller Parties have not exercised their rights under Section 4.6(a), and Merck Serono has not exercised its rights pursuant to [REDACTED] the License Agreement with respect thereto, the Buyer shall have the right (but not the obligation) to seek to enforce the Zentaris Patent Rights or Trademark against such Third Party infringer, and the Seller Parties shall take such reasonable action to enforce the Seller Parties' rights against such Person, including bringing a lawsuit or other proceeding against such Person with counsel of the Buyer's choice and, subject to Section 4.6(g), entering into settlement negotiations with such Person, as the Buyer may reasonably request.

(c) In the event that an action alleging the invalidity of any of the Zentaris Patent Rights is brought other than pursuant to action brought pursuant to Section 4.6(a) or (b), the Seller Parties and the Buyer agree to consult and cooperate with each other as to the best manner in which to

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

proceed prior to assuming such defense. In the event the Seller Parties and the Buyer fail to agree on a joint program of action and reach an understanding relating thereto with respect to sharing expenses within ten (10) days of the commencement of the consultation set forth in the preceding sentence, the Seller Parties shall have the right (but not the obligation) to assume the defense of such action and the Seller Parties shall take such action, including becoming a party to such action with counsel of the Seller Parties' choice and entering into settlement negotiations with the other party to such action, as the Seller Parties deem advisable.

(d) If, after the fifteenth (15th) day from the commencement of the consultation referred to in Section 4.6(c), the Seller Parties have not exercised their rights under Section 4.6(c) to assume the sole defense of such action, and Merck Serono has not exercised its rights pursuant to [REDACTED] the License Agreement with respect thereto, then the Buyer shall have the right (but not the obligation) to assume the defense of such action and the Seller Parties shall take such reasonable action, including becoming a party to such action with counsel of the Buyer's choice and, subject to Section 4.6(g), entering into settlement negotiations with the other party to such action, as the Buyer may reasonably request.

(e) Any lawsuit, other proceeding or, subject to Section 4.6(g), settlement negotiations brought pursuant to Section 4.6(a) or (c) shall be under the control and direction of the Seller Parties, and the Buyer shall, at the Other Companies' cost, take all actions reasonably necessary to cooperate with the Seller Parties in connection with any such lawsuit, other proceeding or settlement negotiations; PROVIDED, that the Buyer shall have the right (at its own cost) to retain its own independent legal counsel in addition to legal counsel selected by the Seller Parties and to participate in any such lawsuit, other proceeding or negotiations.

-20-

(f) Any lawsuit, other proceeding or settlement negotiations brought pursuant to Section 4.6(b) or (d) shall be under the control and direction of the Buyer, and the Seller Parties shall take all actions reasonably necessary to cooperate with the Buyer in connection with any such lawsuit, other proceeding or settlement negotiations; PROVIDED, that the Seller Parties shall have the right (at their own cost) to retain their own independent legal counsel in addition to legal counsel selected by the Buyer and to participate in any such lawsuit, other proceeding or negotiations.

(g) Neither the Buyer nor the Seller Parties shall agree to any settlement in connection with seeking enforcement of the Zentaris Patent Rights or Trademark brought under Section 4.6(a) or (b), or in connection with the defense of any invalidity action under Section 4.6(c) or (d), as the case may be, without the prior written consent of the other (which consent shall not be unreasonably withheld or delayed). Notwithstanding anything to the contrary in this Section 4.6, no party shall be obligated to take any action (or refrain from taking any action) that would, in that party's reasonable judgment, conflict with, violate (or cause a breach or violation of) the License Agreement, or any applicable law or judgment binding upon that party.

(h) All reasonable out-of-pocket expenses of the Seller Parties (excluding fees and other expenses of the Seller Parties' separately retained counsel) incurred in connection with any actions taken pursuant to Section 4.6(b) or (d), shall be borne equally by the Buyer, on the one hand, and the Other Companies, on the other hand. The Buyer shall reimburse the Seller and the Seller shall reimburse the Buyer, as the case may be, not later than fifteen (15) Business Days after receiving an invoice from the other party (and reasonable substantiation thereof if requested), for one-half of such

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

out-of-pocket expenses incurred by such party. Such invoices shall be submitted to the Buyer and the Seller, as the case may be, once in respect of each calendar month as promptly as practicable after the end of such month, unless otherwise agreed to in writing between the Seller Parties and the Buyer.

(i) Any amounts recovered as a result of any judgment or other monetary award or settlement in respect of an action brought pursuant to this Section 4.6 shall be first applied to reimburse the Seller Parties for their reasonable costs incurred in connection therewith and the remainder, if any, shall be divided as provided in [REDACTED] the License Agreement, with the Buyer entitled to receive all amounts of such remainder that the Seller Parties would be entitled to pursuant to [REDACTED] the License Agreement absent this Section 4.6(i).

(j) Notwithstanding the provisions of this Section 4.6, to the extent that any party hereunder asserts a claim not specifically covered by the matters in this Section 4.6 for which such party may be entitled to indemnification under ARTICLE V, such claim for indemnification shall be governed solely by the provisions of ARTICLE V, and the provisions of this Section 4.6 shall not apply.

Section 4.7. AMENDMENT AND ASSIGNMENT OF MATERIAL CONTRACTS. The Seller Parties shall not, without the Buyer's prior written consent, (a) assign or agree to any assignment by Merck Serono of the License Agreement pursuant to [REDACTED] the License Agreement or otherwise, (b) assign or, subject to the terms of the Tulane Agreement, agree to any assignment by Tulane of the Tulane Agreement pursuant to Section 19 of the Tulane Agreement or otherwise, (c) assign or agree to any assignment by AZG or the Seller of the Asset Purchase,

-21-

License and Supply Agreement, (d) assign any of the Supply Agreements or (e) agree to any assignment by any Supplier of the Supply Agreements, in the case of (e), with such consent not to be unreasonably withheld. The Seller Parties shall not, without the Buyer's prior written consent, agree to any amendment of, or waiver under, (i) [REDACTED] the License Agreement or any of the defined terms used therein, (ii) any provisions of the Tulane Agreement that would affect the rights granted to AZG therein with respect to the Product, (iii) any provisions of the Asset Purchase, License and Supply Agreement, (iv) any provisions of a Supply Agreement if the effect of such amendment would cause any Seller Party to breach its obligations under [REDACTED] the License Agreement. Promptly following receipt by the Seller Parties of a proposed assignment or amendment of the License Agreement, Tulane Agreement, Asset Purchase, License and Supply Agreement or any Supply Agreement, the Seller Parties shall furnish a copy of such assignment, amendment or waiver to the Buyer. All such assignments, amendments and waivers furnished to the Buyer pursuant to this Section 4.7 shall be deemed to be Confidential Information and shall be subject to the provisions of Section 4.1.

Section 4.8. MAINTENANCE OF MATERIAL CONTRACTS. The Seller Parties shall comply with their obligations under the Material Contracts and shall not take any action or forego any action that shall constitute a material breach thereof (after giving effect to any cure periods thereunder). The Seller Parties shall use their best efforts to cure any material breaches by the Seller Parties under the Material Contracts. Notwithstanding the foregoing, nothing contained in this Agreement shall obligate any Seller Party to take any action (or refrain from taking any action) that would conflict with, violate (or cause a violation of) or cause a default or breach under applicable law or Judgment binding upon such Seller Party. The Seller Parties shall use their best efforts to maintain a continuity of supply of Product in order to ensure an adequate supply of Product for delivery at all times to Merck Serono under the License Agreement, or any

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

replacement thereof. Without limiting any other remedies available to the Buyer under this Agreement or the other Transaction Documents, for any periods during which the Seller Parties are in breach of their obligation to supply Product to Merck Serono under the License Agreement, or any replacement thereof, the Seller Parties shall not use or supply Product, or the active pharmaceutical ingredient contained in such Product (to the extent the failure to supply such active pharmaceutical ingredient is the cause of such breach under the License Agreement), to any Third Party without the prior written consent of the Buyer (including, without limitation, for use under the BPH indication). Notwithstanding anything to the contrary in this Section 4.8, the obligations set forth in the foregoing two sentences shall in no way obligate the Seller Parties to supply Product to Merck Serono in quantities greater than those quantities the Seller Parties are obligated to supply pursuant to [REDACTED] the License Agreement. The Seller Parties shall timely pay all amounts due to Tulane as required by the Tulane Agreement.

Section 4.9. TERMINATION OF MATERIAL CONTRACTS. The Seller Parties shall not exercise their rights under any Material Contract, including without limitation, the License Agreement, the Supply Agreement, the Tulane Agreement or the Asset Purchase, License and Supply Agreement, to terminate such Material Contract without the prior written consent of the Buyer; PROVIDED, HOWEVER, that the Seller Parties shall be permitted to terminate any Supply Agreement for the purpose of replacing the applicable Supplier with the prior written consent of the Buyer, which consent will not be unreasonably withheld. Notwithstanding the foregoing, nothing in this Section 4.9 shall obligate any Seller Party to take any action (or refrain from taking any action) that would conflict with, violate (or cause a violation of) or cause a default or breach under any

-22-

applicable law or Judgment binding upon such Seller Party.

Section 4.10. MAINTENANCE OF SEPARATE EXISTENCE.

(a) The Seller, AZG and the Parent shall maintain the separate limited liability company existence of the Seller, with a share capital of at least EUR 25,000, and with respect to AZG and the Parent, shall not consolidate or merge with the Seller or permit the Seller to convey, transfer, sell or lease all or substantially all of its assets in a single transaction or series of transactions to AZG, the Parent or any Third Party. For the avoidance of doubt, nothing in this Section 4.10(a) shall be construed to prevent (i) the disposition of the Purchase Price by the Seller to AZG, the Parent or any Third Party or (ii) the Seller and AZG from forming a fiscal unity (ORGANSCHAFT) for tax or other corporate purposes.

(b) The Seller shall at all times from and after the date hereof through the termination of this Agreement be adequately capitalized in light of its contemplated business.

(c) The Seller shall maintain its assets and transactions separately from those of the Other Companies and any other Person and reflect such assets and transactions in financial statements separate and distinct from those of the Other Companies and any other Person and evidence such assets and transactions by appropriate entries in books and records separate and distinct from those of the Other Companies and any other Person. Notwithstanding anything in the foregoing to the contrary, the Buyer acknowledges that the Parent maintains and reports financial statements including assets and operations of the Seller and Other Companies on a consolidated basis. The Seller shall not hold itself out as having agreed to pay, or as being liable, primarily or secondarily, for, any obligations of the Other Companies and any other Person.

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

(d) The Seller shall not grant a Lien on any of its assets to secure any obligation of any of the Other Companies and any other Person.

(e) The Seller shall not engage in any transaction with any of the Other Companies, except as permitted by this Agreement and the other Transaction Documents. Notwithstanding the foregoing, nothing in this Section 4.10(e) shall be deemed to prohibit the Seller from (i) distributing the Purchase Price to AZG, the Parent or any Third Party or (ii) entering a profit pooling agreement (GEWINNABFUHRUNGSVERTRAG) with AZG, which shall only include provisions customary for a profit pooling agreement.

(f) The Seller shall not incur any Debt other than (i) its obligations under this Agreement and the other Transaction Documents and (ii) trade payables entered into, and accruals arising, in the ordinary course of business on ordinary terms (including in respect of the Supply Agreements).

(g) Neither the Seller nor AZG shall do anything or omit to do anything that would result in or would give grounds for termination of the Asset Purchase, License and Supply Agreement or the Tulane Agreement.

(h) The Seller shall have no operations other than as described in the Transaction Documents.

-23-

Section 4.11. EFFORTS TO CONSUMMATE TRANSACTIONS. Subject to the terms and conditions of this Agreement, each of the Seller Parties and the Buyer will use its Commercially Reasonable Efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary under applicable law to consummate the transactions contemplated by this Agreement. Each of the Seller Parties and the Buyer agrees to execute and deliver such other documents, certificates, agreements and other writings and to take such other actions as may be reasonably necessary in order to consummate or implement expeditiously the transactions contemplated by this Agreement.

Section 4.12. FURTHER ASSURANCES. After the Closing, the Seller Parties and the Buyer agree to execute and deliver such other documents, certificates, agreements and other writings and to take such other actions as may be reasonably necessary in order to give effect to the transactions contemplated by this Agreement. The Seller Parties shall, upon the written request of the Buyer, record and file, at the Buyer's expense, financing statements (and continuation statements with respect to such financing statements when applicable) with respect to the Purchased Interest meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary or appropriate to perfect the sale, transfer and conveyance of the Seller Parties' right, title and interest in and to the Royalty Payments to the Buyer.

Section 4.13. TAXES.

(a) All payments under or pursuant to this Agreement shall be made without any deduction or withholding for or on account of any tax unless such deduction or withholding is required by applicable law. Notwithstanding anything to the contrary in the foregoing, the Buyer shall not make any deductions or withholdings for or on account of any tax with respect to payments made by the Buyer under Section 1.2 or Section 1.5.

(b) If deduction or withholding for or on account of any tax is required by applicable law from any payment under Section 1.6(a) or Section 1.6(b) of this Agreement to the Buyer or from any payment under the License Agreement, the sum payable shall (notwithstanding any limitations on

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

payments under Section 1.6(e)) be increased and paid by the Seller Parties as necessary so that after making all required deductions and withholdings, the Buyer receives an amount equal to the amount that it would have received had no such deductions or withholdings been made, provided that no such increase shall be made to the extent the deduction or withholding is (i) a result of (A) the Buyer's assignment of this Agreement or any rights hereunder to any other Person (other than the assignment by Cowen Healthcare Royalty Partners, L.P. to the First Buyer Assignee), or (B) a change by the Buyer or any of its shareholders, members or limited partners of their organizational form or domicile for tax purposes after the date of this Agreement, and (ii) is not caused solely by a Change in Law.

(c) The parties shall reasonably cooperate with each other to facilitate compliance with any deduction or withholding obligation contemplated by this Section 4.13 and to obtain any exemption, reduction, refund, credit, recovery, reimbursement or exception available under applicable law from any such deduction or withholding from amounts payable hereunder or the License Agreement, including by providing such certifications or other documentation as may reasonably be necessary.

-24-

(d) If the Buyer receives a refund or determines in its reasonable discretion that it has realized a credit in respect of amounts previously deducted or withheld from amounts paid hereunder or under the License Agreement, the Buyer shall pay to the Seller Parties such amount to the extent that the Seller Parties made increased payments to the Buyer pursuant to Section 4.13(b). This paragraph shall not be construed as requiring the Buyer to make available its tax returns, or any other information relating to tax that it deems confidential, to the Seller Parties or any other Person.

Section 4.14. INTELLECTUAL PROPERTY DEVELOPMENT. The Seller Parties shall use Commercially Reasonable Efforts to maintain current Zentaris Patent Rights included in the Intellectual Property and, without any Seller Party being obliged to develop and prosecute new Intellectual Property relating to the Product, where such Intellectual Property is developed, a Seller Party shall seek appropriate protection, including by way of filing patents, with a view to strengthening the Intellectual Property supporting the Product.

Section 4.15. FINANCIAL CAPACITY. The Seller Parties, taken as a whole, shall have at all times during the term of this Agreement, sufficient funds, from cash and cash equivalents on hand and/or from proceeds of credit facilities available to them on an unrestricted basis, for them to meet their respective obligations hereunder, as such obligations become due, including, without limitation, payment by AZG to Tulane of all royalties under the Tulane Agreement, payments by the Seller to the Suppliers under the Supply Agreements and payment by the Seller to the Buyer upon a Reduction in accordance with Section 1.6. Without limiting the foregoing, the Parent and AZG shall ensure that the Seller is adequately capitalized at all times to meet its obligations as they become due. The Seller Parties shall deliver to the Buyer each quarter a written certification that the Seller Parties are in compliance with this Section 4.15.

Section 4.16. NO COMPETING PRODUCTS.

(a) The Seller Parties each acknowledge and agree that from the Closing until the termination of this Agreement pursuant to Section 6.2 hereof, that each Seller Party shall not take any action that is or would reasonably be considered to be promoting the development, regulatory approval, commercialization or manufacture of a Competitive Product. Without limiting the generality of the foregoing sentence, each Seller Party agrees that it will not,

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

without the prior written consent of the Buyer, share Zentaris Know How with any Person for use in connection with a Competitive Product other than (a) Merck Serono prior to termination of the License Agreement, (b) any Third Party involved in the supply of the Product to a licensee of the Intellectual Property, (c) Tulane to meet the reporting obligations of the Seller Parties under the Tulane Agreement or (d) the other Seller Parties. Notwithstanding the foregoing, nothing shall prohibit the Seller Parties from taking any action in connection with the development, regulatory approval, commercialization or manufacture of any product that is not a Competitive Product. [REDACTED] [Confidential competitive information].

(b) [REDACTED] [Confidential competitive information].

Section 4.17. POST-CLOSING SUPPLY COVENANTS.

Section 4.18. INFORMATION RIGHTS.

(a) At any time, upon the request of the Buyer, the Seller shall provide the Buyer and its Representatives with access to and permit inspection of books and records of the Seller at the principal offices of the Seller, in each case at reasonable times and upon reasonable notice.

(b) In the event that the Parent or any successor of Parent ceases having a class of securities listed or quoted on the Nasdaq Stock Market or another public exchange or quotation system, then the Seller Parties shall supply the Buyer with copies of its financial statements within three (3) months after the end of each financial year and forty-five (45) calendar days after the end of each financial quarter.

Section 4.19. PROFIT AND LOSS POOLING AGREEMENT. The Seller Parties agree that AZG and the Seller shall enter into a profit and loss pooling agreement upon terms and conditions set forth in Section 12 of the Asset Purchase, License and Supply Agreement within thirty (30) calendar days after the date of the Closing.

ARTICLE V

INDEMNIFICATION

Section 5.1. GENERAL INDEMNITY. Subject to Section 5.3 and Section 5.4, from and after the Closing:

(a) the Other Companies hereby agree to jointly and severally indemnify, defend and hold harmless the Buyer against and in respect of all Losses suffered by the Buyer to the extent resulting from (i) any breach of any of the representations or warranties (in each case, when made) of the Seller Parties in this Agreement, (ii) any breach in any material respect of any of the covenants or agreements of the Seller Parties in this Agreement and (iii) any failure of Tulane to obtain a waiver from the applicable Governmental Entity of the obligations described in Section 8.6 of the Tulane Agreement, including, but not limited to the effect of such failure under the License Agreement; and

(b) the Buyer hereby agrees to indemnify, defend and hold harmless the Seller Parties against and in respect of all Losses suffered by the Seller to the extent resulting from (i) any breach of any of the representations or warranties (in each case, when made) of the Buyer in this Agreement, (ii) any breach in any material respect of any of the covenants or agreements of the

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

Buyer in this Agreement or (iii) any claim, action, suit or proceeding against the Seller by any Third Party arising out of, or relating to, any action taken or not taken by the Seller at the direction of the Buyer under this Agreement where the Seller is required to act or not to act at the direction of the Buyer (including actions not taken due to the Buyer withholding its consent). For purposes of this Agreement, "third parties" shall, for the avoidance of doubt, include Merck Serono and Merck Serono's Affiliates, Tulane and Tulane's Affiliates, each Supplier and its respective Affiliates and any of the inventors named in the Zentaris Patent Rights and any of their respective successors and assigns.

Section 5.2. NOTICE OF CLAIMS. If either the Buyer or the Seller (each, an "INDEMNIFIED

-26-

PARTY"), has suffered or incurred any Losses for which indemnification may be sought under this ARTICLE V, the Indemnified Party shall so notify the other party from whom indemnification is sought under this ARTICLE V (the "INDEMNIFYING PARTY") promptly in writing describing such Loss, the amount or estimated amount thereof, if known or reasonably capable of estimation, and the method of computation of such Loss, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss shall have occurred. If any claim, action, suit or proceeding is asserted or instituted by or against a Third Party with respect to which an Indemnified Party intends to claim any Loss under this ARTICLE V, such Indemnified Party shall promptly notify the Indemnifying Party of such claim, action, suit or proceeding and tender to the Indemnifying Party the defense of such claim, action, suit or proceeding. A failure by an Indemnified Party to give notice and to tender the defense of such claim, action, suit or proceeding in a timely manner pursuant to this Section 5.2 shall not limit the obligation of the Indemnifying Party under this ARTICLE V, except to the extent such Indemnifying Party is materially prejudiced thereby.

Section 5.3. TIME FOR CLAIMS. No claim may be made or suit instituted seeking indemnification pursuant to Section 5.1 for any breach of any representation or warranty set forth in Sections 3.1(a), 3.1(b), 3.1(h), 3.2(a), 3.2(b) and 3.2(f), unless a written notice is provided pursuant to Section 5.2 prior to the third anniversary of the Closing Date. For the avoidance of doubt, all other representation and warranties under ARTICLE III shall survive through the full term of this Agreement.

Section 5.4. LIMITATIONS ON LIABILITY. Subject to the immediately following sentence, no party hereto shall be liable for any consequential, indirect, punitive, special or incidental damages under this ARTICLE V (and no claim for indemnification hereunder shall be asserted) or as a result of any breach or violation of any covenant or agreement of such party (including under this ARTICLE V) in or pursuant to this Agreement or any of the Transaction Documents. Notwithstanding the foregoing, the Buyer shall not be prohibited from recovering lost profits under this ARTICLE V or as a result of any breach or violation of any covenant or agreement of any Seller Party (including under this ARTICLE V) in or pursuant to this Agreement.

Section 5.5. THIRD PARTY CLAIMS. Upon providing notice to an Indemnifying Party by an Indemnified Party pursuant to Section 5.2 of the commencement of any action, suit or proceeding against such Indemnified Party by a Third Party with respect to which such Indemnified Party intends to claim any Loss under this ARTICLE V, such Indemnifying Party shall have the right to defend such claim, at such Indemnifying Party's expense and with counsel of its choice reasonably satisfactory to the Indemnified Party. If the Indemnifying Party assumes the defense of such claim, the Indemnified Party agrees, at the reasonable request

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

of the Indemnifying Party, to use Commercially Reasonable Efforts to cooperate in such defense; PROVIDED, HOWEVER, that the Indemnifying Party shall bear the Indemnified Party's reasonable out-of-pocket costs and expenses incurred in connection with such cooperation. So long as the Indemnifying Party is conducting the defense of such claim as provided in this Section 5.4, the Indemnified Party may retain separate co-counsel at its sole cost and expense and may participate in the defense of such claim, and neither the Indemnified Party nor the Indemnifying Party will consent to the entry of any Judgment or enter into any settlement with respect to such claim without the prior written consent of the other, which consent will not be unreasonably withheld, unless such Judgment or settlement (a) provides for the payment by the Indemnifying

-27-

Party of money as sole relief (if any) for the claimant (other than customary and reasonable confidentiality obligations relating to such claim, Judgment or settlement), (b) results in the full and general release of the Indemnified Party from all liabilities arising out of, relating to or in connection with such claim and (c) does not involve a finding or admission of any violation of any law, rule, regulation or Judgment, or the rights of any Person, and has no effect on any other claims that may be made against the Indemnified Party. In the event the Indemnifying Party does not or ceases to conduct the defense of such claim as so provided, (i) the Indemnified Party may defend against, and consent to the entry of any Judgment or enter into any settlement with respect to, such claim in any manner it may reasonably deem to be appropriate, (ii) the Indemnifying Party will reimburse the Indemnified Party promptly and periodically for the reasonable out-of-pocket costs of defending against such claim, including reasonable attorneys' fees and expenses against reasonably detailed invoices, and (iii) the Indemnifying Party will remain responsible for any Losses the Indemnified Party may suffer as a result of such claim to the full extent provided in this ARTICLE V.

Section 5.6. EXCLUSIVE REMEDIES. From and after Closing, the rights of the Buyer pursuant to (and subject to the conditions of) this ARTICLE V or under the Security Documents, and the right to seek specific performance as articulated in Section 4.1(e), shall be the sole and exclusive remedies of the Buyer and its Affiliates with respect to any claims (whether based in contract, tort or otherwise) resulting from or relating to any breach of the representations, warranties, covenants and agreements made under this Agreement (other than breach of the Seller Parties' obligations under Section 4.1) or any certificate, document or instrument delivered hereunder, and each party hereto hereby waives, to the fullest extent permitted under applicable law, and agrees not to assert after Closing, any other claim or action in respect of any such breach. For the avoidance of doubt, on the occurrence of an Event of Default, the Buyer shall be entitled to exercise all remedies available to it under the Security Documents to compensate the Buyer for the damages (which, pursuant to Section 5.4, may include lost profits) incurred by the Buyer as a result of such Event of Default. Notwithstanding the foregoing, claims for fraud shall not be waived or limited in any way by this ARTICLE V. For the further avoidance of doubt, in no circumstances, absent claims of fraud, shall the Buyer or the Seller Parties be entitled to seek rescission of this Agreement or any of the other Transaction Documents.

ARTICLE VI

Termination of this Agreement shall not relieve any party of liability in respect of breaches under this Agreement by any party on or prior to termination.

FORM OF PARENT GARANTY (PARENT)

EXECUTION COPY

PARENT GUARANTY

This PARENT GUARANTY, dated as of December , 2008 (as amended, restated

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

or otherwise modified from time to time, being hereinafter referred to as this "GUARANTY"), is made by AETERNA ZENTARIS INC., a Canadian corporation with principal offices at Parc-Technologique Blvd., Quebec City, Quebec, G1P 4PS Canada ("PARENT"), in favor of CETRO INVESTORS L.P., a Delaware limited partnership (the "BUYER").

WITNESSETH:

WHEREAS, AETERNA ZENTARIS GMBH, a limited liability company organized under the laws of Germany with principal offices at Weismullerstrasse 50, 60314 Frankfurt, Germany, ZENTARIS IVF GMBH, a limited liability company, organized under the laws of the Germany with principal offices at Weismullerstrasse 50, 60314 Frankfurt, Germany (the "SELLER"), Parent and the Buyer have entered into a Purchase Agreement, dated as of November 11, 2008 (as hereafter amended, restated, supplemented, renewed or otherwise modified, the "PURCHASE AGREEMENT"), pursuant to which, among other things, at the Closing, the Buyer will purchase and acquire from the Seller the Lump Sum Payments and Variable Royalties, each as payable to the Seller by Merck Serono under the License Agreement, and the Seller will sell, transfer and convey to the Buyer the right to receive Royalty Payments and certain other rights of the Seller under the License Agreement, upon the terms and subject to the conditions set forth in the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, the Parent is required to execute and deliver to the Buyer a guaranty guaranteeing all obligations of the Seller under the Purchase Agreement; and

WHEREAS, Parent has determined that its execution, delivery and performance of this Guaranty directly benefit, and are within the corporate purposes and in the best interests of, the Parent.

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Buyer to enter into the Purchase Agreement, Parent hereby agrees with the Buyer as follows:

SECTION 1. PURCHASE AGREEMENT. Reference is hereby made to the Purchase Agreement for a statement of the terms thereof.

SECTION 2. GUARANTY. Parent hereby unconditionally and irrevocably guarantees the punctual payment and performance, as and when due and payable or to be performed, by stated maturity or otherwise, of all obligations of the Seller under the Purchase Agreement from time to time owing by it, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any bankruptcy event, whether or not a claim for post-filing interest is allowed in such proceeding), fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Seller, being the "GUARANTEED OBLIGATIONS"). Without limiting the generality of the foregoing, Parent's liability shall extend to all amounts that constitute part of the Guaranteed Obligations

and would be owed by the Seller to the Buyer under any Transaction Document but for the fact that they are unenforceable or not allowable due to the existence of any bankruptcy event.

SECTION 3. GUARANTY ABSOLUTE; CONTINUING GUARANTY; ASSIGNMENTS.

(a) Parent guarantees that the obligations of the Seller under the Purchase Agreement (including, without limitation, all payment obligations) will be performed in accordance with the terms of the Transaction Documents,

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Buyer with respect thereto. The obligations of Parent under this Guaranty are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against Parent to enforce such obligations, irrespective of whether any action is brought against the Seller or whether the Seller is joined in any such action or actions. The liability of Parent under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and Parent hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

- (i) any lack of validity or enforceability of any Transaction Document or any agreement or instrument relating thereto;
- (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Transaction Document;
- (iii) any taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;
- (iv) any change, restructuring or termination of the corporate structure or existence of the Seller; or
- (v) any other circumstance (including any statute of limitations) or any existence of or reliance on any representation by the Buyer that might otherwise constitute a defense available to, or a discharge of, any other guarantor or surety (excluding, for the avoidance of doubt, any such defense which would constitute a defense which could be successfully maintained by the Seller) .).

Notwithstanding any other provision of this Guaranty (i) Parent shall not have any obligation to pay or perform any Guaranteed Obligation that arises from any increase in or modification to the Guaranteed Obligations in effect as of the date of the realization by Pledgee (as defined in that certain Share Pledge Agreement, dated December , by and between AZG and the Buyer (the "PLEDGE AGREEMENT")) of the Pledged Shares (as defined in the Pledge Agreement) pursuant to Section 7 of the Pledge Agreement and (ii), in any claim for payment or performance of the Guaranteed Obligations, Parent shall be entitled to assert any defenses that would be available to the Seller if the Seller were the party against which the claim for payment or performance was brought to the same extent as if Parent were the primary obligor with respect to such claim.

-2-

With respect any Guaranteed Obligation for which Parent is also a primary obligor, Parent will not be deemed to waive hereunder any defense which Parent may have as the primary obligor with respect to such obligation

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Buyer or any other Person upon the insolvency, bankruptcy or reorganization of the Seller or otherwise, all as though such payment had not been made.

(b) This Guaranty is a continuing guaranty and shall (i) remain in full force and effect until the cash payment in full of the Guaranteed Obligations (other than indemnification obligations as to which no claim has been made) and all other amounts payable under this Guaranty and the performance

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

in full of all non-payment Guaranteed Obligations, (ii) be binding upon Parent, its successors and assigns and (iii) inure to the benefit of and be enforceable by the Buyer and its successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (iii), the Buyer may pledge, assign or otherwise transfer all or any portion of its rights and obligations under any Transaction Document to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Buyer herein or otherwise, in each case as provided in the Purchase Agreement.

SECTION 4. WAIVERS. Parent hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that the Buyer exhaust any right or take any action against the Seller or any other Person or any collateral. Parent acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 4 is knowingly made in contemplation of such benefits. Parent hereby waives any right to revoke this Guaranty, and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

SECTION 5. SUBROGATION. Parent may not exercise any rights that it may now or hereafter acquire against the Seller or any other guarantor that arise from the existence, payment, performance or enforcement of Parent's obligations under this Guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Buyer against the Seller or any other guarantor or any collateral under the Security Documents, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Seller, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been indefeasibly paid in full in cash. For the avoidance of doubt, the payment or performance by the Seller of any of its obligations that are Guaranteed Obligations shall not be deemed to be amounts paid to or for the benefit of Parent or be in violation of the immediately preceding sentence. If any amount shall be paid to Parent in violation of the first sentence of this Section 5 at any time prior to the indefeasible payment in full, in cash, of the Guaranteed Obligations and all other amounts payable under this Guaranty, such amount shall be held in trust for the benefit of the Buyer and shall forthwith be paid to the Buyer to be credited and applied to the Guaranteed Obligations and all other amounts payable

-3-

under this Guaranty, whether matured or unmatured, in accordance with the terms of the Purchase Agreement, or to be held as collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (a) Parent shall make payment to the Buyer of all or any part of the Guaranteed Obligations, and (b) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall be indefeasibly paid in full in cash and performance in full of all non-payment Guaranteed Obligations, the Buyer will, at Parent's request and expense, execute and deliver to Parent appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to Parent of an interest in the Guaranteed Obligations resulting from such payment by Parent.

SECTION 6. REPRESENTATIONS, WARRANTIES AND COVENANTS. Parent hereby represents and warrants that Parent (a) has read and understands the terms and conditions of the Purchase Agreement and the other Transaction

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

Documents and (b) now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Seller, and has no need of, or right to obtain from the Buyer, any credit or other information concerning the affairs, financial condition or business of the Seller that may come under the control of the Buyer.

SECTION 7. TAXES. All payments made by Parent hereunder shall be made in accordance with Section 4.13 of the Purchase Agreement.

SECTION 8. TERMINATION AND RELEASE.

(a) This Guaranty shall (i) remain in full force and effect until the indefeasible payment and performance in full of the Guaranteed Obligations, (ii) be binding upon the Seller and its respective successors and assigns, and (iii) inure, together with the rights and remedies of the Buyer hereunder, to the benefit of the Buyer and its successors, transferees and assigns.

(b) Upon the occurrence of payment and performance in full of all Guaranteed Obligations, the obligations of Parent hereunder shall terminate. Upon any such termination the Buyer will, at the Seller's expense, execute and deliver to the Seller and authorize the Seller to file or record such documents as the Seller shall reasonably request or deem appropriate to evidence such termination.

(a) This Guaranty shall be governed and construed in accordance with the laws of the State of New York, USA, without giving effect to any choice of law provisions thereof.

(b) Each party hereby submits itself for the purpose of this Guaranty and any controversy arising hereunder to the exclusive jurisdiction of the state and federal courts located in the County of New York, State of New York, USA, and any courts of appeal therefrom, and waives any objection on the grounds of lack of jurisdiction (including, without limitation, venue) to the exercise of such jurisdiction over it by any such courts.

(c) Prior to bringing a legal action against the other party, the parties hereto, or their designees, as the case may be, shall negotiate in good faith to resolve such dispute in a mutually satisfactory manner for up to twenty (20) calendar days. (c) The Pledgee shall give the Pledgor at least one (1) week prior written notice of the Pledgee's intention to realise its interest in the Pledged Shares. The Pledgor hereby expressly agrees that one week's prior written notice to the Pledgor of the place and time of a public auction shall be sufficient. A written notice to the Pledgor is not necessary in the event the Pledgor has generally ceased to make payments or the

6

commencement of insolvency proceedings is filed against the Pledgor by the Pledgor itself or any third party, and, in the latter case, it is not without delay established to the satisfaction of the Pledgee that the application is without merit. The Pledgor shall render all assistance in order to facilitate the realisation of the Pledgee's security interests in the Pledged Shares.

(d) Following the realisation of the Pledged Shares, the Pledgee shall use the proceeds to satisfy the Secured Obligations in accordance with the Purchase Agreement plus any costs as a result of the realisation and enforcement proceedings. Any surplus may be kept with the Pledgee and shall serve as further security for potential claims of the Pledgee against the Pledgor under the Purchase Agreement.

7.2 REALISATION OF PLEDGED SHARES

(a) The Pledgee shall be entitled to seek realisation from, and shall have the right to exercise the power to sell or dispose of, the Pledged Shares by means of a public auction or by any other permitted

proceeding. Notwithstanding Section 1277 of the German Civil Code, the Pledgee shall not be required to obtain a prior court ruling or to present any other executory title or document justifying execution (VOLLSTRECKBARER TITEL). The public auction may be held at any place in the Federal Republic of Germany which will be determined by the Pledgee.

- (b) Following the notification pursuant to CLAUSE 7.1(c) above, all payments on, and performance of, any Ancillary Right shall be due to the Pledgee and any proceeds therefrom shall be applied towards the satisfaction of the Secured Obligations and any costs incurred in the course of the realization and enforcement proceedings..
- (c) The Pledgor shall be entitled to decide on the order of which of the security rights granted by the Pledgor for the Secured Obligations shall be realized to satisfy the Secured Obligations.

8. LIMITATION ON ENFORCEMENT

The enforcement of the security granted by the Pledgor under or pursuant to this Agreement shall be limited to the extent the Pledgor provides security for any obligations of direct or indirect shareholder or of an affiliated company (VERBUNDENES UNTERNEHMEN) of such shareholder within the meaning of section 15 of the German Stock Corporation Act (AKTIENGESETZ) (other than a subsidiary of the Pledgor) to the amount that would not lead to the Pledgor having insufficient net assets (assets minus liabilities minus provisions and liability reserves (REINVERMOGEN), in each case as calculated in accordance with the generally accepted accounting principles in Germany (GRUNDSATZE ORDNUNGSMA[BETA]IGER BUCHFUHRUNG) to maintain its registered share capital (STAMMKAPITAL), provided that for the purposes of calculating the amount not to be enforced (if any) the following balance sheet items shall be adjusted as follows:

- (i) any loans provided to the Pledgor by any members of the group or any of its shareholders shall be disregarded to the extent that such loans are subordinated or qualify under Section 32a Limited Liability Companies Act (GMBH-GESETZ - GMBHG);
- (ii) any loans and other contractual liabilities incurred by the Pledgor in violation of the provisions of any of the Purchase Agreement and/or the Transaction Documents shall be disregarded; and

7

- (iii) any asset that is shown in the balance sheet with a book value (BUCHWERT) that is significantly lower than the market value of such asset, which is not necessary for the Pledgor's business (BETRIEBSNOTWENDIG) and that can be realized (if this is not unreasonably in respect of the Pledgor's business and to the extent legally possible) shall be taken into account with its market value.

9. RELEASE OF SECURITY

After the Secured Obligations have been satisfied in full, the Pledgee will without undue delay upon written request of the Pledgor declare the release of the Pledged Shares in favour of the Pledgor as a matter of record. In case of realisation pursuant to CLAUSE 7 the Pledgee will surrender to the Pledgor any excess proceeds arising from the realisation in accordance with the Purchase Agreement. For the avoidance of doubt, the Parties are aware of that upon full and complete satisfaction of the Secured Obligations the Share Pledge due to its accessory nature (AKZESSORIETAT) will cease to

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

exist by operation of mandatory law.

10. DURATION AND INDEPENDENCE

- 10.1 The Share Pledge shall in no event expire before and unless any and all Secured Obligations have been fully and finally satisfied and discharged and there is no amount outstanding under the Secured Obligations owed to the Pledgee, whether for principal, interest, fees, discounts or other costs, expenses, charges or otherwise.
- 10.2 The Share Pledge shall not cease to exist if the Secured Obligations have been discharged temporarily only.
- 10.3 This Agreement shall constitute a continuing security and no change or amendment whatsoever in and to the Secured Obligations and to any document related with the Secured Obligations shall affect the validity and the scope of the Share Pledge and this Agreement nor the obligations which are imposed on the Pledgor pursuant to it.
- 10.4 This Agreement is in addition to, and independent of, any other security or guarantee the Pledgee may now or hereafter hold in respect of the Secured Obligations. None of such security interests or guarantees shall prejudice, or shall be prejudiced by, or shall be merged or commingled in any way with the Share Pledge.
- 10.5 The Share Pledge shall remain valid notwithstanding any measure taken by the Pledgee against the Pledgor to collect the Pledgee' claims, and in particular if the Pledgee grants payment deferrals, releases guarantors, sureties or collateral or concludes a settlement or another agreement with persons directly or indirectly concerned by this Agreement.
- 10.6 The Share Pledge shall not be affected and shall in any event extend to any and all shares in the Company even if the number or nominal value of the Existing Shares or the aggregate share capital of the Company are inaccurate or deviate from the actual facts.

11. WAIVER OF RIGHTS

The Pledgor hereby waives the rights it may have pursuant to Sections 1211 and 770 of the German Civil Code of revocation (ANFECHTBARKEIT) and set-off (AUFRECHENBARKEIT) and any defense of failure to pursue remedies (EINREDE DER VORAUSKLAGE). In the case of enforcement Section 1225 of the German Civil Code shall not apply.

Provisions of this Agreement regarding the Assigned IP Rights shall apply to this license mutatis mutandis.

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

required in case the transfer, registration of the assignment or recording of change of ownership of the Assigned IP Rights by the Assignee requires any registration, declaration or other act by the Assignor.

5. MAINTENANCE, REPRESENTATIONS AND WARRANTIES

5.1 Any abandonment of the Assigned IP Rights shall only be permissible upon the Assignee's prior written approval.

5.2 The Assignor hereby represents and warrants (GARANTIERT) by way of an independent guarantee (SELBSTANDIGES GARANTIEVERSPRECHEN) within the meaning of Section 311 of the German Civil Code to the Assignee that with respect to the Assigned IP Rights assigned by it to be unrestrictedly entitled to dispose of the claims and rights covered by the assignment under this Agreement, and in particular, that, as of the date hereof

(ii) no third party has any rights to use or licenses in the Assigned IP Rights, except for the sub-licenses as shown in SCHEDULE 1 and SCHEDULE 3.

(iii) the Assignor is not aware that any third party has asserted any right, claim, title, interest, pledge, lien or other encumbrance or charge whatsoever in respect of the Assigned IP Rights.

5.3 All representations and warranties pursuant to the Purchase Agreement shall remain unaffected by the execution or termination of this Agreement.

6. DOCUMENTATION, PROVISION OF INFORMATION

6.1 The Assignor hereby transfers to the Assignee title to the entire documentation (including, but not limited to documents held by its patent attorneys and any original filing documents, and any original documents issued by the relevant patent and trademarks offices existing both currently and in the future) referring to the content, scope, protection and transfer of the Assigned IP Rights which the Assignor hold as legal owner or in respect of which the Assignor has the right to take possession at any time. The delivery of any of the documentation transferred hereunder to the Assignee (including without limitation the assigned materials listed in SCHEDULE 3 hereto) is herewith substituted by an agreement pursuant to which the Assignor shall keep the documentation in custody for the Assignee, free of charge and with the diligence of a prudent businessman and the parties hereby enter into a possessory agreement (BESITZKONSTITUT), pursuant to which Assignor possesses these materials for Assignee. Subject to practicability, the Assignor shall, and

4

shall procure that any third party in possession of any such materials shall, clearly mark all materials as assigned to and owned by Assignee.

6.2 The Assignor undertakes to orderly file any documentation in respect of the Assigned IP Rights assigned by it, any notifications or registrations in connection therewith, or in connection with the use of such Assigned IP Rights. The Assignee shall be entitled to inspect such documentation, subject to prior written notice and, except in case of urgency, during regular business hours.

6.3 If the Assignor becomes aware that any of the Assigned IP Rights assigned

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

by it are contested, used in an unauthorized way, impaired or endangered due to the levying of execution or other measurements by third parties, the Assignor shall be obliged to notify the Assignee thereof without undue delay. If execution is levied, the Assignor shall send a copy of the garnishment order as well as any other documents relevant to raise objections against the execution to the Assignee, and inform the attaching creditor without delay in writing about the Assignee's security rights.

6.4 The Assignor shall notify the Assignee immediately after its occurrence of an Event of Default under the Purchase Agreement.

7. REGULAR PAYMENT OF FEES/DEFENCE OF ASSIGNED IP RIGHTS

7.1 The Assignor shall be obliged to make timely payments of any fees or extension fees payable to maintain the Assigned IP Rights without further request and upon the Assignee's request provide evidence satisfactory to the Assignee relating thereto.

7.2 The Assignor shall be obligated to defend the Assigned IP Rights with the diligence of a prudent businessman against attacks of third parties against the integrity of the Assigned IP Rights and against infringements by third parties.

7.3 Regarding the defence of the Assigned IP Rights in any procedure other than the ordinary application procedures, no matter whether in court or out of court, the defence of the Assigned IP Rights will be conducted by the Assignor taking into account the Assignee's interests under this Agreement. The Assignee shall be entitled to give reasonable instructions to the Assignor in any such procedure if this is necessary to protect its rights under this Agreement. In case of the assigned Patents, where the Assignee has applied for recording the change of ownership or registration of the assignment of the relevant Assigned IP Right, and in other cases the Assignee shall also be entitled to take legal action against such infringing third parties at the reasonable expense of the Assignor after consultation with the Assignor.

8. RIGHT TO USE ASSIGNED IP RIGHTS

8.1 The Assignor shall be entitled, upon prior written consent of the Assignee according to Section 185 paragraph 1 German Civil Code (BURGERLICHES GESETZBUCH), which shall be in the unfettered discretion of the Assignee, to grant non-exclusive, non-transferable, non-sub-licensable sub-licenses regarding the Assigned IP Rights.

For the avoidance of doubt the Parties agree that sub-licenses the Assignor granted before the date of this Agreement shall remain unaffected by the assignment pursuant to this Agreement (Section 15 paragraph 3 German Patent Code (DEUTSCHES PATENTGESETZ)).

5

8.2 Until Assignee's notice of the intention to realize its interest in the Assigned IP Rights according to Clause 9.3, Clause 4.6 of the Purchase Agreement shall apply regarding the right to assert claims for injunction and to collect claims for damages, indemnity, or any other claims against third parties on grounds of past, current or future use, violation or utilization of the respective Assigned IP Rights.

9. RIGHT OF REALISATION

9.1 Upon the occurrence of an Enforcement Event the Assignee shall be entitled

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

to revoke the Assignor's collection rights pursuant to Clause 8.2.

- 9.2 The Assignee shall realize the Assigned IP Rights only to the extent necessary to satisfy the Secured Obligations which are due. The Assignee shall be entitled to decide on the order of which of the Assigned IP Rights or the other security rights granted for the Secured Obligations by the Assignor shall be realized to satisfy the Secured Obligations.
- 9.3 The Assignee shall give the Assignor at least one (1) week's prior written notice of its intention to realize its interest in the Assigned IP Rights. A written notice to the Assignor is not necessary in the event the Assignor has generally ceased to make payments or the commencement of insolvency proceedings is filed against the Assignor by the Assignor itself or any third party, and, in the latter case, it is not without delay established to the satisfaction of the Assignee that the application is without merit. The Assignor shall, at its own expense, render all assistance in order to facilitate the realization of the Assigned IP Rights.
- 9.4 Following the realization of the Assigned IP Rights the Assignee shall use the proceeds to cover the Secured Obligations.
- 9.5 The Assignee shall be entitled to realize its interest in the Assigned IP Rights by way either of a private sale in its own name, or in the name of the Assignor. The Assignee may request that the Assignor proceeds with a sale or other disposal of the Assigned IP Rights in accordance with the instructions of the Assignee, or that the Assignor co-operates in respect of any realization. The Assignor shall immediately deliver to the Assignee all proceeds of any such sale, disposal or realization of the Assigned IP Rights.

10. LIMITATION ON ENFORCEMENT

The enforcement of the security granted by the Assignor under or pursuant to this Agreement shall be limited to the extent the Assignor provides security for any obligations of direct or indirect shareholder or of an affiliated company (VERBUNDENES UNTERNEHMEN) of such shareholder within the meaning of section 15 of the German Stock Corporation Act (AKTIENGESETZ) (other than a subsidiary of the Assignor) to the amount that would not lead to the Assignor having insufficient net assets (assets minus liabilities minus provisions and liability reserves (REINVERMOGEN), in each case as calculated in accordance with the generally accepted accounting principles in Germany (GRUNDSATZE ORDNUNGSMA[BETA]IGER BUCHFUHRUNG) to maintain its registered share capital (STAMMKAPITAL), provided that for the purposes of calculating the amount not to be enforced (if any) the following balance sheet items shall be adjusted as follows:

- (i) any loans provided to the Assignor by any members of the group or any of its shareholders shall be disregarded to the extent that such loans are subordinated or qualify under Section 32a Limited Liability Companies Act (GMBH-GESETZ - GMBHG);
- (ii) any loans and other contractual liabilities incurred by the Assignor in violation of the provisions of any of the Purchase Agreement and/or Transaction Documents shall be disregarded; and
- (iii) any asset that is shown in the balance sheet with a book value (BUCHWERT) that is significantly lower than the market value of such asset, which is not necessary for the Assignor's business (BETRIEBSNOTWENDIG) and that can be realized (if this is not

Edgar Filing: Aeterna Zentaris Inc. - Form 6-K

unreasonably in respect of the Assignor's business and to the extent legally possible) shall be taken into account with its market value.

11. RETRANSFER, RELEASE OF SECURITY

11.1 After all Secured Obligations have been paid in full and finally been discharged, the Assignee shall reassign the rights and claims assigned to it pursuant to the terms of this Agreement to the Assignor, shall make all declarations necessary for the respective reassignment, and shall surrender to the Assignor any excess proceeds arising from any realisation. The Assignee shall further retransfer to the relevant Assignor any title transferred to it pursuant to CLAUSE 6 hereof.

11.2 In case the total value of the aggregate security granted by the Assignor and/or others to secure the Secured Obligations (the "SECURITY") which can be expected to be realised in an Enforcement Event (REALISIERBARER WERT) not only temporarily exceeds 120% of the Secured Obligations, the Assignee is obliged to release and re-assign the rights and claims assigned under this Agreement and exceeding 120% of the Secured Obligations in writing upon request of the Assignee.

12. DURATION AND INDEPENDENCE

12.1 The Assignment shall in no event expire before and until all Secured Obligations have been fully and finally satisfied and discharged and there is no amount outstanding, or performance obligation remaining in respect of, under the Secured Obligations owed to the Assignee.

12.2 The Assignment shall not cease to exist if the Secured Obligations have been discharged temporarily only (it being understood that if any Secured Obligation is subsequently returned to the Assignor or the performance thereof by the Assignor is subsequently voided, whether in an insolvency proceeding or otherwise, such Secured Obligation shall be deemed to have been discharged temporarily only).

12.3 This Agreement shall constitute a continuing security and no change or amendment whatsoever in and to the Secured Obligations and to any document relating thereto shall affect the validity and the scope of the Assignment and this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

12.4 This Agreement is in addition to, and independent of, any other security the Assignee may now or hereafter hold in respect of the Secured Obligations. None of such security interests or guarantees shall prejudice, or shall be prejudiced by, or shall be merged or commingled in any way with the Assignment.

12.5 This Agreement shall remain valid notwithstanding any measure taken by the Assignee against the Assignor to collect the Assignee' claims, and in particular if the Assignee grants payment deferrals, releases guarantors, sureties or collateral or concludes a

7

settlement or another agreement with persons directly or indirectly concerned by this Agreement.

12.6 This Agreement shall not be affected and shall in any event extend to any and all existing and future Assigned IP Rights irrespective of whether the facts as listed in the SCHEDULES hereto or otherwise are inaccurate or deviate from the actual facts.
