PROXY STATEMENT

QUESTIONS AND ANSWERS

Why is this proxy statement being made available?

We have made this proxy statement available to you because you own shares of common stock of Walker & Dunlop, Inc. This proxy statement contains information related to the solicitation of proxies for use at our 2016 annual meeting of stockholders, to be held at 10:00 a.m., Eastern Daylight Time, on Thursday, May 12, 2016 at Hilton Garden Inn, 7301 Waverly Street, Bethesda, Maryland for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by Walker & Dunlop, Inc. on behalf of our Board of Directors. Unless otherwise stated, as used in this proxy statement, the terms "we," "our," "us" and the "Company" refer to Walker & Dunlop, Inc. The Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") is first being mailed to stockholders beginning on or about March 31, 2016.

Why did I receive a Notice of Internet Availability in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we are permitted to furnish our proxy materials over the internet to our stockholders by delivering a Notice of Internet Availability in the mail. The Notice of Internet Availability instructs you on how to access and review the proxy statement and 2015 Annual Report to Stockholders over the internet. The Notice of Internet Availability also instructs you on how you may submit your proxy over the internet. We believe that this e-proxy process expedites stockholders' receipt of proxy materials, while also lowering our costs and reducing the environmental impact of our annual meeting.

If you received a Notice of Internet Availability in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability.

What information is presented in this proxy statement?

The information contained in this proxy statement relates to the proposals to be voted on at the annual meeting of stockholders, the voting process, information about our Board of Directors and Board committees, the compensation of our directors and our executive officers for the fiscal year ended December 31, 2015, and other required information.

Who is entitled to vote at the annual meeting?

Only holders of record of our common stock at the close of business on March 14, 2016, the record date for the annual meeting of stockholders, are entitled to receive notice of the annual meeting and to vote at the annual meeting. Our common stock constitutes the only class of securities entitled to vote at the meeting.

When you vote by following the instructions in the Notice of Internet Availability or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, you appoint Richard M. Lucas and William M. Walker as your representatives to vote your common stock at the annual meeting. Messrs. Lucas and Walker, or either of them, will vote your common stock as you instruct. Accordingly, your common stock will be voted whether or not you attend the annual meeting. Even if you plan to attend the annual meeting, we encourage you to vote by following the instructions

Table of Contents

in the Notice of Internet Availability or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, in advance.

Who can attend the annual meeting?

If you are a holder of our common stock at the close of business on March 14, 2016, the record date for the annual meeting, or a duly appointed proxy, you are authorized to attend the annual meeting. You will need to present proof of stock ownership and valid picture identification, such as a driver's license or passport, before being admitted. If your common stock is held beneficially in the name of a bank, broker or other holder of record (i.e., street name), you must present proof of your ownership by presenting a bank or brokerage account statement reflecting your ownership as of the record date.

Cameras, recording equipment and other electronic devices will not be permitted at the annual meeting. For directions to the annual meeting of stockholders, contact Investor Relations at (301) 634-2143.

What are the voting rights of stockholders?

Each share of common stock outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

How do I vote?

If you hold your shares of common stock directly (i.e., not in a bank or brokerage account), you may vote by attending the meeting and voting in person or you may provide your proxy via the internet, telephone or mail in accordance with the instructions provided on the Notice of Internet Availability or, if you requested printed copies of the proxy materials, your proxy or voting instruction card.

If your shares of common stock are held in street name, you should follow the voting instructions provided to you by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by the internet or by telephone to your broker or nominee. If you provide specific instructions, your broker or nominee should vote your shares of common stock as directed. Additionally, if you want to vote in person and hold your shares in street name, you will need a "legal proxy" from your broker to vote at the annual meeting. Contact your broker or nominee for specific information on how to obtain a legal proxy in order to attend and vote your shares at the meeting.

How are votes counted?

If your vote is made in accordance with the instructions in the Notice of Availability or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, and not revoked, the persons designated as proxy holders will vote the shares of common stock represented by that proxy as directed by you. If you return a signed proxy card but fail to indicate your voting preferences, the persons designated as proxy holders will vote the shares of common stock represented by that proxy as recommended by the Board. The Board recommends a vote **"FOR"** the election of all nominees for our Board of Directors named in this proxy statement (Proposal 1); **"FOR"** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year (Proposal 2); **"FOR"** the advisory vote on executive compensation (Proposal 3); and **"FOR"** **"ONE YEAR"** on the advisory vote on the frequency of holding advisory votes of stockholders on executive compensation (Proposal 4).

Table of Contents

In the election of directors (Proposal 1), you may either vote **"FOR ALL"** the nominees or to **"WITHHOLD"** your vote with respect to all, one or more of the nominees. Regarding the ratification of our independent registered public accounting firm (Proposal 2), you may vote **"FOR," "AGAINST"** or **"ABSTAIN."** Regarding the advisory vote on executive compensation (Proposal 3), you may vote **"FOR," "AGAINST"** or **"ABSTAIN."** Regarding the advisory vote on the frequency of holding advisory votes of stockholders on executive compensation (Proposal 4), you may vote **"FOR" "ONE YEAR," "TWO YEARS," "THREE YEARS,"** or **"ABSTAIN."** If you withhold your vote with respect to any director nominee or abstain from voting on the ratification of our independent registered public accounting firm, advisory vote on executive compensation, or advisory vote on frequency of future advisory votes on executive compensation, your shares of common stock will be counted as present, including for purposes of establishing a quorum. Abstentions and broker non-votes will not count as votes cast for a proposal.

Will my shares of common stock be voted if I do not provide my proxy and I do not attend the annual meeting?

If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Proposal 1). Under applicable rules, the bank or broker that holds your shares does not have the ability to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, votes will not be cast on your behalf. Your bank or broker will, however, have discretion to vote any uninstructed shares on the ratification of the appointment of our independent registered public accounting firm (Proposal 2). They will not have discretion to vote uninstructed shares on the advisory vote on executive compensation (Proposal 3), and the advisory vote on the frequency of holding advisory votes of stockholders on executive compensation (Proposal 4). If you are a stockholder of record and you do not cast your vote, votes will not be cast on your behalf on any of the items of business at the annual meeting.

May I change my vote?

Yes. You may change or revoke a previously granted proxy at any time before it is exercised by either (i) submitting a later-dated proxy, in person at the annual meeting or by mail, or (ii) delivering instructions to our Secretary at our principal executive offices located at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814. Please note that attendance at the meeting will not, in itself, constitute revocation of a previously granted proxy.

If your shares of common stock are held in street name, then you may submit new voting instructions by contacting your broker or nominee. You may also vote in person at the annual meeting if you obtain a legal proxy from your broker as described above.

What will constitute a quorum at the annual meeting?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the common stock outstanding on March 14, 2016 will constitute a quorum, permitting the stockholders to conduct business at the annual meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the annual meeting, including for purposes of determining the presence of a quorum at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares.

As of March 14, 2016, there were 31,007,100 shares of common stock outstanding and entitled to vote at the annual meeting.

Table of Contents

How many votes are needed to approve each of the proposals?

Directors are elected by a plurality of the votes cast. Therefore, the seven nominees for election to the Board who receive the most votes will be elected (Proposal 1). Ratification of our independent registered public accounting firm (Proposal 2), the advisory vote on executive compensation (Proposal 3) and the advisory vote on frequency of future advisory votes on executive compensation (Proposal 4) will require the affirmative vote of the holders of a majority of the votes cast.

Will any other matters be voted on?

As of the date of this proxy statement, we do not know of any matters that will be presented for consideration at the annual meeting other than those matters discussed in this proxy statement. If any other matters properly come before the annual meeting and call for a stockholder vote, valid proxies will be voted by the holders of the proxies in accordance with the recommendation of the Board or, if no recommendation is given, in their own discretion.

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of our Board of Directors. We will pay the costs of soliciting proxies, which will consist primarily of the cost of printing, postage and handling. In addition to soliciting proxies by mail, our officers, directors and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse these persons' out-of-pocket expenses.

Is there a list of stockholders entitled to vote at the annual meeting?

The names of stockholders of record entitled to vote at the annual meeting will be available at the annual meeting and for ten days prior to the annual meeting, between the hours of 9:00 a.m. and 4:30 p.m., at our principal executive offices at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814, by contacting the Secretary.

How can I obtain a copy of the 2015 Annual Report and the Annual Report on Form 10-K for the year ended December 31, 2015?

You may access, read and print copies of the proxy materials for this year's annual meeting, including our proxy statement, form of proxy card, and annual report to stockholders, at the following Web address: <http://www.edocumentview.com/WD>.

We file annual, quarterly, and current reports; proxy statements; and other information with the SEC. You may read and copy any reports, statements, or other information we file with the SEC on the Web site maintained by the SEC at www.sec.gov. At the written request of any stockholder who owns common stock as of the close of business on the record date, we will provide, without charge, paper copies of our Annual Report on Form 10-K, including the financial statements and financial statement schedule, as filed with the SEC, except exhibits thereto. If requested by eligible stockholders, we will provide copies of the exhibits for a reasonable fee. You can request copies of our Annual Report on Form 10-K by following the instructions on the Notice of Internet Availability or by mailing a written request to: Walker & Dunlop, Inc., Attention: Investor Relations, 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814.

You should rely only on the information provided in this proxy statement. We have not authorized anyone to provide you with different information. You should assume that the information in this proxy statement is accurate only as of the date of this proxy statement or, where information relates to another date set forth in this proxy statement, then as of that date.

Table of Contents**BOARD OF DIRECTORS AND CORPORATE GOVERNANCE****Proposal 1: Election of Directors for a One-Year Term Expiring at the 2017 Annual Meeting of Stockholders**

Our Board of Directors, or the Board, is currently comprised of eight directors, each with terms expiring at the 2016 annual meeting. During 2016, Mr. Florance informed us that he will not stand for re-election at the 2016 annual meeting. Our Board thanks Mr. Florance for his service. Our Board determined to reduce the size of the Board to seven directors effective upon the conclusion of the 2016 annual meeting. Our Nominating and Corporate Governance Committee has recommended to our Board the seven nominees set forth below, all of whom are currently serving as directors of the Company, for re-election to serve as directors for one-year terms until the 2017 annual meeting and until their successors are duly elected and qualified. Following the Nominating and Corporate Governance Committee's recommendation, our Board has nominated those persons set forth below.

Based on its review of the relationships between the director nominees and the Company, and as discussed in greater detail below, the Board has affirmatively determined that if these nominees are elected, the following five directors are "independent" directors under the rules of the New York Stock Exchange, or NYSE: Alan J. Bowers, Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz.

The Board knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board, or the Board may, as permitted by our bylaws, further decrease the size of our Board.

Vote Required

The affirmative vote of a plurality of all the votes at the annual meeting is necessary for the election of a director. Accordingly, the seven individuals with the highest number of affirmative votes will be elected as directors. Cumulative voting in the election of directors is not permitted. For purposes of the election of directors, shares that are withheld and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast with respect to a proposal, and will have no effect on the result of the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES SET FORTH BELOW.

Director Independence

Our bylaws and Corporate Governance Guidelines conform to the NYSE rules, which require us to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent directors. Under the NYSE listing standards, no director of a company qualifies as "independent" unless the board of directors of the company affirmatively determines that the director has no material relationship with the company (either directly or as a partner, stockholder or officer of an organization that has a

Table of Contents

relationship with such company). In addition, the NYSE listing standards contain the following further restrictions upon a listed company's director independence:

a director who is an employee, or whose immediate family member is an executive officer, of the listed company is not independent until three years after the end of such employment relationship;

a director who has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the listed company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent;

a director who is, or whose immediate family member is, a current partner of a firm that is the company's internal or external auditor is not independent; a director who is a current employee of such a firm is not independent; a director who has an immediate family member who is a current employee of such a firm and personally works on the company's audit is not independent; and a director who was, or whose immediate family member was, within the last three years a partner or employee of such a firm and personally worked on the company's audit within that time is not independent;

a director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the listed company's present executive officers at the same time serve or served on the other company's compensation committee is not independent until three years after the end of such service or the employment relationship; and

a director who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that has made payments to, or received payments from, the listed company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent.

To adequately assess and ensure that (i) at least a majority of our directors qualify as independent and (ii) each of the Board committees is comprised of solely independent directors, the Board assesses annually the independence of all directors and director nominees. In accordance with the independence criteria established by the Board from time to time, our Board considers all relevant facts and circumstances in order to make an affirmative determination as to whether any director has a direct or indirect material relationship to the Company. In assessing the materiality of a director's or nominee's relationship with the Company, the Board considers the issues from the director's or nominee's standpoint and from the perspective of the persons or organization with which the director or nominee has an affiliation. Our Board has evaluated the status of each current director, and has affirmatively determined, after considering the relevant facts and circumstances and the independence standards set forth above, that each of Alan J. Bowers, Andrew C. Florance, Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz is independent, as defined in the NYSE rules, and that none of these directors has a material relationship with us.

Edgar Filing: Walker & Dunlop, Inc. - Form DEF 14A

Table of Contents

The table below summarizes the relevant facts and circumstances that were considered in connection with the independence determinations. None of the relationships described below were considered material relationships that impacted the applicable director's independence.

| Director | Relationship Type | Description of Relationship |
|--------------------|---|---|
| Andrew C. Florance | Immaterial Purchases of Software Subscriptions from CoStar | The Board has examined subscription payments by us to CoStar Group, Inc. ("CoStar") and its subsidiaries, where Mr. Florance is its president and chief executive officer and a member of its board of directors. The relationship is described on page 63. The Board determined that the relationship did not impair Mr. Florance's independence primarily because: (i) the amounts involved were significantly less than 0.15% of the consolidated gross revenues of both us and CoStar; and (ii) the payments were for commercial real estate information and analytic services we have used in the ordinary course of our business for several years prior to Mr. Florance joining our Board. |
| Michael D. Malone | Immaterial Business Relationship with New Senior, on whose Board Mr. Malone is a Member | The Board evaluated Mr. Malone's independence in light of financing transactions containing customary terms and conditions on two portfolios of loans in 2015 between Walker & Dunlop, LLC and an affiliate of New Senior, on whose board of directors Mr. Malone is a member. The Board determined that the financing transactions did not impair Mr. Malone's independence. |

Board Leadership Structure

Mr. Walker serves as the Company's Chairman and Chief Executive Officer. The Board has determined that combining the Chairman and Chief Executive Officer positions is the appropriate leadership structure for the Company, and believes that combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy.

Nevertheless, the Board understands that the structure of the Board must encourage the free and open dialogue of competing views and provide for strong checks and balances. Specifically, an effective governance structure must balance the powers of the Chief Executive Officer and the independent directors and ensure that the independent directors are fully informed, able to discuss and debate the issues that they deem important, and able to provide effective oversight of management.

The Board is committed to maintaining a "Lead Director," as a matter of good corporate governance. The Lead Director is an independent director consistent with criteria established by the NYSE, and will be selected on an annual basis by a majority of the independent directors then serving on the Board. The role of the Lead Director is to serve as liaison between (i) the Board and management, including the Chief Executive Officer, (ii) independent directors and (iii) interested third parties and the Board. The Lead Director serves as the focal point of communication to the Board regarding management plans and initiatives, and ensures that the role between board oversight and management operations is respected. The Lead Director, who is currently the Chairman of the Nominating and Corporate Governance Committee, reviews and provides input on full Board meeting agendas, and plays a central role in developing, managing and overseeing our annual Board self-assessment process. The Lead Director acts as chairman of executive sessions of our independent

Table of Contents

directors and also provides the medium for informal dialogue with and among independent directors, allowing for free and open communication within that group. In addition, the Lead Director serves as the communication conduit for third parties who wish to communicate with the Board. The Company's current Lead Director is Mr. Bowers.

The Board intends to carefully consider its Board leadership structure from time to time based on what the Board believes is best for the Company and its stockholders.

Executive Sessions of Non-Management and Independent Directors

Pursuant to our Corporate Governance Guidelines and the NYSE rules, in order to promote open discussion among independent directors, our Board devotes a portion of each regularly scheduled Board meeting to executive sessions of only independent directors. See " Director Independence" for a list of our independent directors. The Lead Director acts as chairman of each of the executive sessions described above.

Communications with the Board

Stockholders and other interested parties may communicate with the Board by contacting the Lead Director (i) by sending any correspondence they may have in writing to the "Lead Director" c/o the General Counsel & Secretary of Walker & Dunlop, Inc., at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814, who will then directly forward such correspondence to the Lead Director, or (ii) by e-mailing correspondence directly to the Lead Director at leaddirector@walkerdunlop.com. The Lead Director will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board.

Board Meetings and Director Attendance

Pursuant to our Corporate Governance Guidelines, (i) we are required to have at least four regularly scheduled Board meetings in each calendar year and additional unscheduled Board meetings may be called upon appropriate notice at any time to address specific needs of the Company; and (ii) directors are expected to attend, in person or by telephone or video conference, all Board meetings and meetings of committees on which they serve. Our Board held eleven Board meetings in 2015. Each of our directors attended at least 75% of the total regularly scheduled and special meetings of the Board and the committees on which he or she served. Additionally, pursuant to our Corporate Governance Guidelines, the directors are encouraged, but not required, to attend our annual meetings of stockholders. One of the eight directors who were elected to the Board at the 2015 annual meeting of stockholders attended the meeting.

Criteria for Board Membership

The Board has adopted a policy to be used for considering potential director candidates to further the Nominating and Corporate Governance Committee's goal of ensuring that our Board consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board. However, at a minimum, candidates for director must possess:

high integrity;

an ability to exercise sound judgment;

an ability to make independent analytical inquiries;

Table of Contents

a willingness and ability to devote adequate time and resources to diligently perform Board duties; and

a reputation, both personal and professional, consistent with the image and reputation of the Company.

In addition to the aforementioned minimum qualifications, the Nominating and Corporate Governance Committee also believes that there are other qualities and skills that, while not a prerequisite for nomination, should be taken into account when considering whether to recommend a particular person. These factors include:

diversity, age, background, skills and experience;

personal qualities and characteristics, accomplishments, and reputation in the business community;

knowledge and contacts in the communities in which the Company conducts business and in the Company's industry or other industries relevant to the Company's business;

ability and willingness to devote sufficient time to serve on the Board and committees of the Board;

knowledge and expertise in various areas deemed appropriate by the Board;

fit of the individual's skills, experience, and personality with those of other directors in maintaining an effective, collegial, and responsive Board;

whether the person's nomination and election would enable the Board to have a member that qualifies as an "audit committee financial expert" as such term is defined by the SEC; and

whether the person would qualify as an "independent" director under the NYSE's listing standards and our Corporate Governance Guidelines.

Neither the Nominating and Corporate Governance Committee nor the Board has adopted a formal policy with respect to diversity of its directors. However, in connection with its overall director candidate review, the Nominating and Corporate Governance Committee does consider diversity of experience in areas that are relevant to the Company's activities, including, for example, experience in commercial real estate; technology; and finance. Directors must be willing and able to devote sufficient time to carrying out their duties effectively. The Nominating and Corporate Governance Committee takes into account the other demands on the time of a candidate, including, for example, occupation and memberships on other boards.

The Nominating and Corporate Governance Committee will seek to identify director candidates based on input provided by a number of sources, including (i) Nominating and Corporate Governance Committee members, (ii) our stockholders and (iii) others as it deems appropriate. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms to assist in identifying qualified director candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified director candidates.

As part of the identification process, the Nominating and Corporate Governance Committee considers the number of expected director vacancies and whether existing directors have indicated a willingness to continue to serve as directors if re-nominated. Once a director candidate has been identified, the Nominating and Corporate Governance Committee will then evaluate this candidate in light of his or her qualifications and credentials, and any additional factors that it deems necessary or appropriate. Existing directors who are being considered for re-nomination will be re-evaluated as part of the Nominating and Corporate Governance Committee's process of recommending director candidates. The Nominating and Corporate Governance Committee will consider all persons

Table of Contents

recommended by stockholders in the same manner as all other director candidates, provided that such recommendations are submitted in accordance with the procedures set forth in our bylaws and summarized below.

After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee will recommend to the Board the nomination of a number of candidates equal to the number of director vacancies that will exist at the annual meeting of stockholders. The Board will then select the Board's director nominees for stockholders to consider and vote upon at the stockholders' meeting.

Stockholder Recommendations of Director Nominees

For nominations for election to the Board to be properly brought before an annual meeting by a stockholder, the stockholder must comply with the advance notice provisions and other requirements of Article II, Section 12 of our bylaws. These notice provisions require that nominations for directors must be received by the Secretary at our principal executive offices (the "Stockholder Notice") not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting nor earlier than the 150th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, such Stockholder Notice to be timely must be so delivered not earlier than the 150th day prior to such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The Stockholder Notice must set forth:

as to the stockholder giving such Stockholder Notice, (A) the name and address of such stockholder, as they appear on the Company's books; (B) the class or series and number of shares of stock of the Company which are, directly or indirectly, owned beneficially and of record by such stockholder, including through general or limited partnerships, as of the date of the Stockholder Notice, and a representation that such stockholder will notify the Company in writing of such information as of the record date for the meeting; (C) a description of any agreement, arrangement or understanding (including, without limitation, any derivative or short positions, profit interests, options, hedging transactions, and borrowed or loaned shares) that has been entered into by such stockholder as of the date of the Stockholder Notice, the effect or intent of which is to mitigate loss to, manage the risk or benefit of share price changes for, or increase or decrease the voting power of such stockholder or any affiliates, and a representation that such stockholder will notify the Company in writing of any such agreement, arrangement or understanding in effect as of the record date for the meeting; (D) a representation that such stockholder intends to appear at the meeting in person or by proxy to make the nomination or propose the other business specified in such Stockholder Notice, as the case may be; and (E) a representation as to whether such stockholder intends, or is intended to be part of a group (within the meaning ascribed to such term under Section 13(d)(3) of the Exchange Act) that intends, (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding shares of stock required to elect the proposed director

nominee or to approve or adopt the other business proposal, and/or (ii) otherwise to solicit proxies from stockholders in support of such nominee or other business proposal.

For purposes of the bulleted paragraphs above, references to "stockholder" include any beneficial owners on whose behalf the director nomination is made. See also "OTHER MATTERS Stockholder Proposals and Nominations for the 2017 Annual Meeting."

Code of Ethics for Principal Executive Officer and Senior Financial Officers; Code of Business Conduct

We have adopted the Code of Ethics for Principal Executive Officer and Senior Financial Officers, which is applicable to our Chief Executive Officer, Chief Financial Officer and all other senior financial officers. This code is intended to:

deter wrongdoing;

encourage honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

promote full, fair, accurate, timely and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company;

ensure compliance with applicable governmental laws, rules and regulations;

support the prompt internal reporting of violations of the Code of Ethics for Principal Executive Officer and Senior Financial Officers to the appropriate persons identified in the Code of Ethics for Principal Executive Officer and Senior Financial Officers; and

create accountability for adherence to the Code of Ethics for Principal Executive Officer and Senior Financial Officers.

We have also adopted the Code of Business Conduct and Ethics, which is applicable to all of our directors, officers and employees. This code covers areas of professional conduct, including honest and candid conduct, conflicts of interest, disclosure, compliance with all applicable laws, rules and regulations, corporate opportunities, confidentiality, fair dealing and the protection and proper use of Company assets.

We have posted both our Code of Ethics for Principal Executive Officer and Senior Financial Officers and Code of Business Conduct and Ethics to our website and intend to promptly post any waiver or amendment of our Code of Ethics for Principal Executive Officer and Senior Financial Officers to our website.

In addition to the Code of Ethics for Principal Executive Officer and Senior Financial Officers and Code of Business Conduct and Ethics, our Audit Committee has in place a whistleblower reporting procedure that enables it to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters. The procedures in place permit our employees to confidentially and anonymously submit their concerns regarding questionable accounting or auditing matters directly to the Audit Committee. Upon receiving a concern or complaint pursuant to these procedures, the individual designated by our Chief Executive Officer as our compliance officer (currently, our Executive Vice President, General Counsel & Secretary, Richard M. Lucas), or Audit Committee Chairman, will:

determine whether the complaint or concern is an accounting complaint and, when possible, acknowledge receipt of the complaint or concern to the reporting person;

Table of Contents

review the complaint in a manner determined by and with the oversight of the Audit Committee and with input from the compliance officer or such other persons, including any third party investigative parties, as the Audit Committee determines to be appropriate;

appoint one or more internal and/or external investigators to promptly and fully investigate such accounting complaints under the supervision of the compliance officer and, as may be appropriate, the Audit Committee;

provide the reporting person, to the extent possible and appropriate, the name and contact information for the investigator(s) assigned to the accounting complaint;

maintain confidentiality to the fullest extent possible, consistent with the need to conduct an adequate review;

coordinate with other Board committees and government authorities, as appropriate, to the extent that an accounting complaint relates to an ongoing government audit, inspection or investigation;

obtain advice and assistance from and retain, at the Company's expense, investigators, internal or outside legal counsel and other advisors, as may be appropriate; and

take prompt and appropriate corrective or remedial action when and as warranted in the judgment of the Audit Committee.

Risk Oversight

One of the important roles of our Board is to oversee various risks that we may face from time to time. While the full Board has primary responsibility for risk oversight, it utilizes its committees, as appropriate, to monitor and address the risks that may be within the scope of a particular committee's expertise or charter. For example, the Audit Committee oversees our financial statements, internal control over financial reporting, compliance with legal and regulatory requirements and the performance of our internal audit function. Generally, the ongoing monitoring and risk mitigation components of the enterprise risk assessment have been implemented under the oversight of the full Board, which will use the Board committees as appropriate to oversee management's monitoring and mitigation of risks identified by the assessment that are consistent with the respective Committee's oversight authorities. The Board believes that the composition of its committees, and the distribution of the particular expertise of each committee's members, makes this an appropriate structure to more effectively monitor the risks that relate to the committees' respective oversight authorities.

An important feature of the Board's risk oversight function is to receive regular updates from its committees and management, as appropriate. For example, each year our senior management will work with the head of our internal audit function, who reports directly to the Audit Committee, to develop an audit plan designed to address key corporate governance controls, financial reporting and internal control risks and pre-implementation reviews of significant corporate projects. This plan will subsequently be reviewed by the Audit Committee, and our internal auditors will report the audit results to the Audit Committee on a quarterly basis, or more frequently as needed. The internal auditors also meet regularly with the Audit Committee in executive session. In addition, our General Counsel meets regularly in executive session with the Audit Committee and the Nominating and Corporate Governance Committee and provides them with regular updates regarding material litigation and legal and regulatory compliance matters.

The Compensation Committee is responsible for overseeing compensation risk, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. The Compensation Committee is charged with monitoring our equity-based compensation plans, including employee benefit plans. The

Table of Contents

Nominating and Corporate Governance Committee oversees risk related to our overall governance, including Board and committee composition, Board size and structure, director independence and ethical and business conduct.

A committee of senior management comprised of the leaders of our loan origination, loan underwriting, accounting, legal, human resources, information technology, and internal audit groups prepare a written report to the full Board at least quarterly describing key risks faced by us, and how they are addressed. Additionally, the full Board is kept informed of each committee's risk oversight and related activities through standard reports to the Board by each committee chairman, frequent non-member attendance at committee meetings and committee meeting minutes and resolutions which are made available to all directors. Strategic, operational and competitive risks are presented and discussed at the Board's regular quarterly meetings. In addition to getting direct information from its committees, the Board receives updates directly from members of management. As needed between Board meetings, Mr. Walker, our Chairman and Chief Executive Officer, provides reports to the Board on the critical issues we face and the recent developments in our business units, including identified risks. Additionally, Mr. Smith, due to his position as President, is able to frequently communicate with other members of our management and update the Board regularly on the important aspects of the Company's day-to-day operations.

Board Committees

The Board has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. All members of the committees described below are "independent" under NYSE rules as discussed under "BOARD OF DIRECTORS AND CORPORATE GOVERNANCE Corporate Governance Information Director Independence." In addition, the members of the Audit and Compensation Committees satisfy the additional independence criteria applicable to members of such committees under SEC and NYSE rules.

The table below provides membership information for each of the Board committees as of March 14, 2016 and the number of meetings held by each committee in 2015:

Our Board has also determined that each Audit Committee member is "financially literate" as that

term is defined by the NYSE corporate governance listing standards. We have adopted an Audit Committee charter that details the principal functions of the Audit Committee, including oversight related to:

our accounting and financial reporting processes;

the integrity of our consolidated financial statements and financial reporting process;

our systems of disclosure controls and procedures and internal control over financial reporting;

our compliance with financial, legal and regulatory requirements;

the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;

the performance of our internal audit function;

our policies and procedures with respect to risk assessment and risk management, including key risks to which we are subject and the steps we have taken to monitor and control exposure to such risks, which is overseen in consultation with our management, and the full Board, as appropriate; and

review and approval of any related party transactions.

The Audit Committee is responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also prepares the Audit Committee report required by SEC regulations to be included in our annual proxy statement.

Our Audit Committee charter and the corporate governance rules of the NYSE require that in the event a director simultaneously serves on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of that member to effectively serve on our Audit Committee and disclose that determination. None of our Audit Committee members serves on the audit committees of more than three public companies (including our Audit Committee).

The Audit Committee met five times in 2015.

Compensation Committee

Our Compensation Committee consists of Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz, four of our independent directors, with Mr. Rice serving as the Compensation Committee's Chairman. We have adopted a Compensation Committee charter that details the principal functions of the Compensation Committee, including:

reviewing and approving on an annual basis the corporate goals and objectives relevant to our executive officers' compensation, evaluating our executive officers' performance in light of such goals and objectives and determining and approving the remuneration of our executive officers based on such evaluation;

reviewing and approving the compensation of our executive officers, subject to the terms and conditions of any pre-existing employment agreements;

reviewing and evaluating, as it deems appropriate, the compensation for directors, including board committee retainers, meeting fees, equity based compensation and such other forms of

compensation as the compensation committee may consider appropriate and recommend to the board, as appropriate, changes to such compensation;

reviewing our executive compensation policies and plans;

implementing and administering our annual cash incentive plan and equity-based compensation plan;

determining the number and terms of equity awards to be granted to our directors, executive officers and other employees pursuant to these plans;

assisting management in complying with our proxy statement and annual report disclosure requirements;

producing a report on executive compensation to be included in our annual proxy statement; and

reviewing the company's policies and procedures with respect to risk assessment and risk management for compensating all employees, including non-executive officers, and reporting its findings to the Board.

Pursuant to its charter, the Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee consisting of one or more members.

The Board has established a special committee of the Board (the "Non-Executive Equity Award Committee"), currently comprised of Messrs. Walker, our Chairman and Chief Executive Officer and Smith, our President, and delegated to that committee limited authority to grant equity awards to non-executive officers and non-director employees pursuant to the 2015 Equity Incentive Plan. As of March 14, 2016, those grants may not exceed a total of 795,210 shares. The Non-Executive Equity Award Committee's authority does not in any way limit the Compensation Committee's authority to administer the 2015 Equity Incentive Plan.

Under its charter, the Compensation Committee has authority to retain compensation consultants, outside counsel and other advisors that the Compensation Committee deems appropriate, in its sole discretion, to assist it in discharging its duties. The Compensation Committee engaged Towers Watson & Co ("Towers Watson") and Pay Governance LLC ("Pay Governance") in 2015 to act as compensation consultants. Towers Watson and Pay Governance reported directly to the Compensation Committee and the Compensation Committee had the sole authority to terminate each engagement.

Towers Watson's primary roles for 2015 were to:

re-assess the peer group identified by our Compensation Committee in 2014 against which our 2015 performance and non-employee director and executive pay should be examined;

evaluate our executive compensation programs and provide recommendations regarding non-employee director compensation and executive compensation strategy and policies, including a review of philosophy, comparative review of total direct compensation at our peer group companies (for example, base salary, short- and long-term incentives, and mix of pay, as applicable), and provide insight related to potential enhancements and/or modifications;

evaluate and analyze our compensation policies and practices for our named executive officers and our loan origination staff to determine whether they create risks that are reasonably likely to have a material adverse effect on us; and

attend selected Compensation Committee meetings.

Pay Governance's primary role with respect to 2015 was to provide recommendations regarding executive compensation strategy and policies.

Table of Contents

Neither Towers Watson nor Pay Governance provided any other services to the Company. The Compensation Committee concluded that Towers Watson and Pay Governance had no conflicts of interest during fiscal year 2015. In reaching this conclusion, the Compensation Committee considered all relevant factors, including the six independence factors relating to committee advisors that are specified in the NYSE rules. These factors are:

the provision of other services to the company by an advisor's employer;

the amount of fees received from the company by an advisor's employer as a percentage of the total revenue of the advisor's employer;

the policies and procedures of an advisor's employer that are designed to prevent conflicts of interest;

any business or personal relationship of an advisor with a member of the committee;

any stock of the company owned by an advisor; and

any business or personal relationship of an advisor or the advisor's employer with an executive officer of the Company.

For further discussion of the role of the Compensation Committee in the executive compensation decision-making process, and for a description of the nature and scope of Towers Watson's and Pay Governance's respective assignments, see the section titled "COMPENSATION DISCUSSION AND ANALYSIS."

Our Compensation Committee considers the recommendations of Mr. Walker, our Chairman and Chief Executive Officer, regarding any Company and individual performance targets, assessments of performance and compensation levels generally for our named executive officers. Mr. Walker presents a self-assessment of his own individual performance to the Compensation Committee and makes recommendations regarding his own compensation, but the Compensation Committee considers the compensation determination without Mr. Walker and other members of management being present. Senior members of the human resources, legal, finance and accounting departments may also provide input to the Compensation Committee concerning matters relevant to the compensation plans and amounts, including compensation plan structure, individual and company-specific performance achievements and the impacts of the compensation plans and related payments on the Company's financial performance.

The Compensation Committee met 10 times in 2015.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Alan J. Bowers, Andrew C. Florance, John Rice and Dana L. Schmaltz, four of our independent directors, with Mr. Bowers serving as the Nominating and Corporate Governance Committee's Chairman. We have adopted a nominating and corporate governance committee charter that details the principal functions of the Nominating and Corporate Governance Committee, including:

identifying and recommending to the Board qualified candidates for election as directors and recommending nominees for election as directors at the annual meeting of stockholders;

developing and recommending to the Board corporate governance guidelines and implementing and monitoring such guidelines;

overseeing the Board's compliance with financial, legal and regulatory requirements and its ethics program as set forth in the Company's Code of Business Conduct and Ethics and the Code of Ethics for Principal Executive Officer and Senior

Financial Officers;

reviewing and making recommendations on matters involving the general operation of the Board, including board size and composition, and committee composition and structure;

recommending to the Board nominees for each Board committee; and

overseeing the annual evaluation process for the Board, management and the other committees of the Board, as required by applicable law, regulations and the NYSE corporate governance listing standards.

The Nominating and Corporate Governance Committee met six times in 2015.

Table of Contents**AUDIT RELATED MATTERS****Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm**

Our consolidated financial statements for the year ended December 31, 2015 have been audited by KPMG LLP, which served as our independent registered public accounting firm for the last fiscal year. The Audit Committee has appointed KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2016. We have been advised by KPMG LLP that representatives of KPMG LLP will be present at our 2016 annual meeting. These representatives will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. Nevertheless, our Board is submitting the appointment of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment of KPMG LLP, the Audit Committee may reconsider the appointment and may retain KPMG LLP or another accounting firm without resubmitting the matter to stockholders. Even if the stockholders ratify the appointment, the Audit Committee may select another firm if it determines such selection to be in our and our stockholders' best interest.

Vote Required

The ratification of the appointment of KPMG LLP requires the approval of a majority of the votes cast at the meeting. Abstentions and broker non-votes will not count as votes cast with respect to the proposal.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2016.

All services provided by KPMG LLP to us since we became a public company have been pre-approved by the Audit Committee, either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, which concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence from us.

Pre-Approval Policies and Procedures

The Audit Committee's policy is to review and pre-approve either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, any engagement of our independent registered public accounting firm to provide any audit or permissible non-audit service to the Company. Pursuant to the Audit and Non-Audit Services Pre-Approval Policy, which the Audit Committee will review and reassess annually, a list of specific services within certain categories of services, including audit and audit-related services, are specifically pre-approved for the upcoming or current fiscal year, subject to an aggregate maximum annual fee payable by us for each category of pre-approved services. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. Additionally, all audit and permissible non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to specifically pre-approve engagements for the performance of audit and permissible non-audit services, for which the estimated cost for each specified type of service shall not exceed \$100,000. The Audit Committee Chairman must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement, including:

the type of services covered by the engagement;

the dates the engagement is scheduled to commence and terminate;

the estimated fees payable by us pursuant to the engagement;

other material terms of the engagement; and

such other information as the Audit Committee may request.

Report of the Audit Committee

The Audit Committee is currently comprised of Ms. Hallenbeck (Chairman), and Messrs. Bowers and Malone. The members of the Audit Committee are appointed by and serve at the discretion of the Board.

One of the Audit Committee's principal purposes is to assist the Board in overseeing the integrity of our consolidated financial statements. Our management team has the primary responsibility for our consolidated financial statements and the reporting process, including the system of internal control over financial reporting and disclosure controls and procedures. KPMG LLP, our independent registered public accounting firm, audits the annual financial statements prepared by management and expresses an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles, or GAAP. In carrying out its responsibilities, the Audit Committee has reviewed and has discussed our audited consolidated financial statements as of and for the year ended December 31, 2015 with our management and representatives of KPMG LLP. Management represented

to the Audit Committee that our consolidated financial statements for the past year were prepared in accordance with GAAP.

The Audit Committee also is responsible for assisting the Board in overseeing the qualification, independence and performance of our independent registered public accounting firm. The Audit Committee discussed with KPMG LLP the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (the "PCAOB"). The Audit Committee has received both the written disclosures and the letter from KPMG LLP, as well as engaged in a dialogue, as required by the applicable requirements of the PCAOB regarding KPMG LLP's communications with the audit committee concerning independence and has discussed with KPMG LLP the independence of KPMG LLP from us. The Audit Committee also has considered whether the provision of any non-audit services, and any fees charged for such non-audit services, by KPMG LLP are compatible with maintaining the independence of KPMG LLP from us.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board that our audited consolidated financial statements for 2015 be included in our Annual Report on Form 10-K for the year ended December 31, 2015.

Respectfully submitted,
The Audit Committee of the Board of Directors
Cynthia A. Hallenbeck (Chairman)
Alan J. Bowers
Michael D. Malone

COMPENSATION DISCUSSION AND ANALYSIS

This section describes the compensation programs for our Chief Executive Officer and Chief Financial Officer in 2015 as well as our other three most highly compensated executive officers during 2015, all of whom we refer to collectively as our named executive officers or NEOs. Our NEOs for 2015 are:

Chairman and Chief Executive Officer (CEO), William M. Walker;

Executive Vice President, Chief Financial Officer (CFO) and Treasurer, Stephen P. Theobald;

President, Howard W. Smith, III;

Executive Vice President, General Counsel and Secretary, Richard M. Lucas; and

Executive Vice President and Chief Credit Officer, Richard C. Warner

Executive Summary

Overview of 2015 Performance and Pay for Performance

One of the key elements of the Compensation Committee's executive compensation philosophy is that compensation should encourage and reward strong financial and management performance. In furtherance of this philosophy, in 2015, the Compensation Committee established the 2015 annual cash incentive plan with performance goals intended to focus the NEOs on the key financial metrics considered most important in driving Company results and stockholder value, including adjusted EBITDA(1), return on equity and diluted earnings per share. The 2015 annual cash incentive plan also contains individual performance metrics for each NEO relating to corporate leadership and strategic initiatives that were assigned based on the NEO's ability to drive positive performance outcomes. In 2015, under the leadership of our NEOs, we achieved the following exceptional growth in each of the financial performance metrics:

Additionally, in 2015, we achieved record total revenues, record total transaction volume (comprised of both loan originations and investment sales volumes) and launched our investment sales platform. These achievements are reflected in the 64.25% total shareholder return ("TSR") delivered to our investors in 2015. These exceptional 2015 results would not have been achieved without the leadership and efforts of the NEOs, and the results had a direct impact on the compensation decisions

(1)

Adjusted EBITDA is not a financial measure calculated in accordance with GAAP. A reconciliation of adjusted EBITDA to GAAP net income is located on pages 45-47 of our Annual Report on Form 10-K for the year ended December 31, 2015, filed with the Securities and Exchange Commission on February 26, 2016.

and performance-based outcomes for 2015 under the 2015 annual cash incentive plan. Taking into account these and other accomplishments described below, the Compensation Committee awarded the NEOs annual incentive compensation at the maximum levels under the 2015 annual cash incentive plan and awarded each NEO an additional cash bonus of \$200,000. In addition to the financial performance achievements set forth above for 2015, the following is a list of notable performance achievements that were considered by the Compensation Committee in determining 2015 annual cash incentive payments to the NEOs:

earned record total revenues of \$468.2 million, up 30% over the prior year;

earned record net income of \$82.1 million, up 60% over the prior year;

achieved record total transaction volume of \$17.8 billion, up 56% over the prior year;

improved the Company's 2015 operating margin to 29% from 23% in 2014;

launched the Company's new multifamily investment sales business with the acquisition of certain assets of Engler Financial Group; and

maintained our valued culture, as evidenced by our recognition as a Great Place to Work® 2015 Best Small & Medium Workplaces list, as published in *Fortune* magazine.

Additionally, we have voluntarily included in this proxy statement a say-on-pay proposal and a proposal regarding the frequency of future say-on-pay proposals, which the Board recommends be held annually. We believe our stockholders should have the opportunity to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year, which will enhance and reinforce accountability for our compensation practices.

Highlights of Our Compensation Program Practices

What We Do

We Pay for Performance We tie our NEOs' annual cash incentive to financial performance metrics, including total revenues, adjusted EBITDA, return on equity and diluted earnings per share. In 2015, base salary for each NEO represents only 33% of total target direct compensation opportunity (i.e., base salary, annual cash incentive and annual equity award), with the remainder of compensation being variable or "at risk."

We Have Adopted Executive and Director Stock Ownership Guidelines Our executive officers are expected to own shares of our common stock with a value equal to at least three to five times base salary depending on position. Our non-employee directors are expected to own shares in our common stock with a value equal to at least three times the value of the annual cash retainer paid to the directors. See description under " Compensation Policies Stock Ownership Guidelines for our NEOs."

We Use an Independent Compensation Consulting Firm The Compensation Committee utilizes an independent compensation consulting firm that provides no other services to the Company.

We Have Instituted a "Clawback" Policy If we are required to prepare an accounting restatement, then awards under our 2015 Equity Incentive Plan are subject to mandatory forfeiture if the amount earned or vesting of the award is explicitly based on the achievement of pre-established performance goals that are later determined, as a result of the accounting restatement, not to have been achieved. We also have the right to recover any awards to participants under the 2015 Equity

Edgar Filing: Walker & Dunlop, Inc. - Form DEF 14A

Incentive Plan in case of a financial restatement as a result of their knowing or gross negligence or failure to prevent misconduct or to the extent provided by clawback policies that we may adopt in the future.

Table of Contents

We Evaluate Tally Sheets of NEO Compensation In reviewing compensation for 2015, the Compensation Committee reviewed and considered total compensation for each NEO, including reviews of reports that provide the value of: (1) historic and current elements of each NEO's compensation; and (2) equity awards granted to the NEO under our 2015 Equity Incentive Plan.

What We Don't Do

No Hedging All of our directors and employees, including our NEOs, are prohibited from hedging their economic interest in our stock through short-sales, trading in puts and calls, or the use of other derivative instruments.

No Pledging All of our directors and employees, including our NEOs, are prohibited from pledging our stock, including through margin accounts or to secure other loans.

No Single-Trigger "Change in Control" Cash Severance Payments We have employment agreements with NEOs that provide only a limited severance package, and no cash severance payments that are triggered solely upon a "change in control."

No Perquisites We currently do not provide any perquisites and do not intend to provide perquisites exceeding \$10,000 in the aggregate to our executives.

No Income Tax Gross-Ups We currently do not provide excise tax or income tax gross-ups for personal benefits.

Compensation Philosophy

The compensation elements, amounts and target levels for our NEOs as of December 31, 2015 were determined by the Compensation Committee based on our belief that compensation should:

align with stockholders' interests;

support our business strategies and objectives;

pay for performance;

be market competitive; and

encourage short-term and long-term retention.

We use a combination of measures and time horizons to foster and reward performance. The following chart summarizes the relevant 2015 performance measures and time frames used to assess our variable pay elements:

Table of Contents

Role of Board and Management in Compensation Decisions

CEO and other NEO pay is set by the Compensation Committee;

CEO, the Senior Vice President of Human Resources and senior members of the legal and accounting departments provide support to the Compensation Committee. The Senior Vice President of Human Resources and the Secretary or Assistant Secretary attend all Compensation Committee meetings, but neither they, nor any other employee of the Company are present for executive sessions of the Compensation Committee;

CEO provides performance assessments and compensation recommendations for each of the NEOs, including a self-assessment of his own performance, but is not present during deliberations concerning his compensation, which is done without members of management present;

Compensation Committee frequently meets in executive session without members of management present; and

Compensation Committee regularly updates, and receives feedback from, the full Board regarding matters relating to compensation and our equity plans.

Role of Compensation Consultant

The Compensation Committee retained Towers Watson and Pay Governance in 2015 to provide the Compensation Committee with independent compensation data, analysis and advice. Towers Watson and Pay Governance reported directly to the Compensation Committee, and the Compensation Committee had the sole authority to approve the terms of, and terminate, their engagements.

Towers Watson's primary roles in 2015 were to:

re-assess the peer group identified by our Compensation Committee in 2014 against which our 2015 performance and non-employee director and executive pay should be examined;

evaluate our executive compensation programs and provide recommendations regarding non-employee director compensation and executive compensation strategy and policies, including a review of philosophy, comparative review of total direct compensation at our peer group companies (for example, base salary, short- and long-term incentives, and mix of pay, as applicable), and provide insight related to potential enhancements and/or modifications;

evaluate and analyze our compensation policies and practices for our NEOs and our loan origination staff to determine whether they create risks that are reasonably likely to have a material adverse effect on us and

attend selected Compensation Committee meetings.

Pay Governance's primary role in 2015 was to provide recommendations regarding executive compensation strategy and policies.

For additional information regarding the Compensation Committee's use of Towers Watson and Pay Governance, refer to "BOARD OF DIRECTORS AND CORPORATE GOVERNANCE Board Committees Compensation Committee" above.

Setting Executive Compensation

Edgar Filing: Walker & Dunlop, Inc. - Form DEF 14A

The Compensation Committee evaluates compensation levels for each NEO. In reviewing compensation for 2015, the Compensation Committee reviewed and considered total compensation for each NEO, including reviews of reports that provide the value of: (1) historic and current elements of

Table of Contents

each NEO's compensation; and (2) equity awards granted to the NEO under our 2010 and 2015 Equity Incentive Plans.

Use of Peer Group and Survey Data

The Compensation Committee strives to set target opportunity compensation levels to be competitive with the market in which we compete for executive talent. We use compensation information from: (1) a "Peer Group" of publicly traded companies in specific industries in which we compete for executive talent; and (2) general industry companies with revenues comparable to ours through the use of pooled survey data. Towers Watson combined the data from the Peer Group with pooled survey data to create the market data reviewed by the Compensation Committee.

At the time 2015 compensation was determined, we did not have direct publicly traded peers. Therefore, the Peer Group was selected by the Compensation Committee with advice from Towers Watson, taking into consideration industry relevance, business operations, comparability of size in terms of revenue, net income, total assets, market capitalization and number of employees, business competitors and input from management. The Peer Group was not chosen on the basis of executive compensation levels. The 2015 Peer Group comprises the 14 companies below, with one deletion from and one addition to the 2014 Peer Group identified by strikethrough and underlining, respectively.

| | |
|--------------------------------|---|
| American Assets Trust, Inc. | Ladder Capital Corp. |
| American Capital, Ltd. | Marcus & Millichap, Inc. |
| Astoria Financial Corporation | NewStar Financial, Inc (deleted) |
| Dime Community Bancshares Inc. | PennyMac Financial Services, Inc |
| Encore Capital Group, Inc. | Redwood Trust, Inc. |
| HFF, Inc. | Washington Real Estate Investment Trust |
| Investors Bancorp Inc. | <u>WSFS Financial Corporation</u> (added) |
| Kennedy-Wilson Holdings, Inc. | |

Based on the analysis performed by Towers Watson described above, the Compensation Committee removed NewStar Financial Inc. from the 2015 Peer Group because its 2014 net income, total revenues and number of employees were significantly less than ours. Additionally, based on Towers Watson's analysis, the Compensation Committee added WSFS Financial Corporation to the 2015 Peer Group because, like us, its business operations focus on commercial real estate finance and its 2014 net income, total revenues, total assets, market capitalization and number of employees were comparable to ours.

Our Compensation Committee also used commercially available survey data provided to it by Towers Watson to identify market-median and other market elements related to our 2015 compensation program. This survey data included the Towers Watson 2015 Survey of Top Management Compensation, Towers Watson 2015 Financial Services Survey, Mercer 2015 Executive Compensation Database, and 2015 McLagan Commercial Real Estate Finance Survey. This survey data includes pooled compensation data from many companies and the findings are segregated by, for example, revenue level and number of employees. The survey data does not include target short-term incentive or target total cash data, instead, it includes only actual short-term incentive and actual total cash compensation data. The Compensation Committee does not know the identity of the constituent companies that make up the pooled survey data.

Consistent with prior practice, comparative market data is not used by the Compensation Committee to "benchmark" the amount of total compensation or any specific element of compensation for the NEOs. Instead, comparative market data has been and is expected to continue to be reviewed by the Compensation Committee as a general reference and guide to assist the Compensation Committee with its decisions related to executive compensation.

2015 Elements of Compensation

Our compensation program for our NEOs consists of the following elements, each of which satisfies one or more of our alignment, performance and retention objectives:

| Compensation Element | Objectives | Key Features |
|---|---|--|
| Base Salary | Provides a stable annual income at a level consistent with individual contributions. | Adjustments are considered annually based on individual performance, level of pay relative to the market, internal pay equity, and retention issues. |
| Short-Term Cash Bonus and Annual Cash Incentive | Rewards Company and individual performance. | Provides for payouts of up to 200% of the NEO's base salary if an annual revenue achievement threshold is met. |
| | Aligns NEOs' interests with those of our stockholders by promoting the achievement of targeted financial results. | Payouts are based upon a combination of Company performance and individual performance. |

Mix of Total Direct Compensation

The chart below shows the relative amounts that we targeted for each element of total direct compensation for 2015, which is comprised of base salary, target annual cash incentive and target long-term equity awards (based on 2015 target levels). As shown below, total compensation for executives emphasizes variable performance-based pay.

Fixed vs. Variable Pay Opportunity of Total Pay For Our NEOs

Base Salary

Base salaries are set primarily by the NEOs' employment agreements. The Compensation Committee considers additional factors to determine whether to increase base salaries beyond the

amounts required by the employment agreements. The Compensation Committee consults with the CEO with respect to the recommended base salaries for the other NEOs and takes into consideration market data provided by the Compensation Committee's compensation consultant, as previously described under " Setting Executive Compensation Use of Peer Group and Survey Data." In setting individual base salaries, consideration is given to factors such as: (1) the performance of the Company; (2) the individual performance of each NEO, taking into account the recommendation of the CEO with respect to the performance and contribution of individuals and the individual performance measures under the annual cash incentive program; (3) the NEO's scope of responsibility in relation to other NEOs and key members of senior management within the Company and internal pay equity; and (4) any retention issues. The Compensation Committee did not increase any NEO's salary in 2015.

Base salary for each of our NEOs in 2015 and 2014 was as follows:

| Name | Base Salary (\$) | | % Change |
|----------------------|------------------|---------|----------|
| | 2015 | 2014 | |
| William M. Walker | 750,000 | 750,000 | 0 |
| Stephen P. Theobald | 400,000 | 400,000 | 0 |
| Howard W. Smith, III | 500,000 | 500,000 | 0 |
| Richard M. Lucas | 400,000 | 400,000 | 0 |
| Richard C. Warner | 400,000 | 400,000 | 0 |

Base salaries affect other elements of total compensation, including annual cash incentive, long-term equity compensation, and retirement benefits. In setting base salaries for the NEOs, the Compensation Committee considers the impact on other elements of total direct compensation.

Annual Cash Incentive Award

In March 2015, the Compensation Committee established the 2015 annual cash incentive plan. Under the 2015 annual cash incentive plan, the Compensation Committee established as a prerequisite to the funding of the incentive plan that the Company achieve a minimum of \$275 million of total revenues for the fiscal year ended December 31, 2015. If that performance objective was achieved or exceeded, the NEOs were then eligible to receive an award of up to 200% of base salary, based on pre-determined Company and individual performance goals that the Compensation Committee established in March 2015, as described below. The Company achieved total revenues of \$468.2 million in 2015, and as a result, each NEO was eligible to receive an annual cash incentive award of up to 200% of his base salary, subject to achievement of his individual performance goals, as determined by the Compensation Committee. The following tables set forth for each NEO the weight assigned to each performance goal, the performance needed to achieve each performance goal, the actual performance achieved in 2015 as determined by the Compensation Committee and the corresponding payouts approved by the Compensation Committee.

The Compensation Committee chose the performance goals to focus the NEOs on the key operating metrics considered most important in driving Company results and stockholder value. Individual metrics were assigned based on each NEO's ability to drive performance. For each NEO, achievement of applicable performance criteria at the threshold, target or maximum levels results in bonuses of up to 50%, 100% and 200%, respectively, of such NEO's base salary, subject to the exercise of negative discretion by the Compensation Committee. The threshold, target and maximum levels are based on the NEO's employment agreement requirements, as well as his position and responsibilities, applicable market data, and our overall compensation philosophy, which emphasizes performance-based compensation. The Compensation Committee deemed that the performance levels would be sufficiently challenging to merit payout, and in particular that the maximum performance levels would require significant stretch performance compared to past years, such that maximum payout would only be achieved for truly outstanding results.

Table of Contents

The percentage weight amounts attributable to the Adjusted EBITDA, Return on Equity and Diluted Earnings Per Share performance goals were interpolated on a straight line basis if achievement of the performance goals fell between the specified goals for the threshold and target levels or between the target and maximum levels. The aggregate weighting for the performance goals provides for up to 110 percent achievement of the maximum payout under the annual cash incentive plan.

Discretionary Bonus

As noted above in " Executive Summary Overview of 2015 Performance and Pay for Performance," 2015 was a record year for the Company in many respects, culminating in a 64.25% TSR. The TSR significantly exceeded that of all of the companies in the 2015 Peer Group, as set forth in the chart below (for more information on our 2015 Peer Group, see " Setting Executive Compensation Use of Peer Group and Summary Data"). As a result, in addition to the annual cash

incentive bonus, the Compensation Committee determined to award a discretionary bonus of \$200,000 to each NEO to recognize his leadership and contribution to making 2015 such an extraordinary year.

2015 Peer Group Total Shareholder Return (TSR)*

* Cumulative stock price appreciation plus reinvestment of dividends on the ex-dividend date.

The following table sets forth the total cash bonuses, comprised of the 2015 annual cash incentive bonus and the 2015 discretionary bonus, awarded to each of our NEOs.

Equity Awards

The equity awards granted to our NEOs in 2015 consisted of an annual equity award that includes restricted stock and non-qualified stock options. Annualized target award levels for the NEOs for 2015 were 100% of base salary for the annual restricted stock and non-qualified stock option award. The Compensation Committee determined not to grant to the NEOs a long-term performance share award in 2015, as it had done in 2013 and 2014, because it believed the prior performance share awards were sufficient to drive management's performance in 2015. The Compensation Committee will determine whether to grant the NEOs and senior management a new multi-year performance award in 2016.

Annual Equity Award

The annual equity award for Messrs. Walker and Smith for 2015 was comprised of 20% restricted stock and 80% options (based on the fair value of each on the date of the grant), and for Messrs. Lucas, Theobald and Warner was comprised of 75% restricted stock and 25% options (based on the fair value of each on the date of grant). The Compensation Committee placed a greater weighting on non-qualified stock options than restricted stock for Messrs. Walker and Smith to seek to maximize the Company's ability to deduct their compensation for U.S. federal income tax purposes. The non-qualified stock options and restricted stock granted to the NEOs in 2015 vest ratably on each anniversary date of grant over a three-year period. The Compensation Committee determined to use a three-year vesting period because it believes such duration promotes long-term alignment with stockholders and longer-term decision making that provides an effective balance to the shorter-term incentive measures used in setting annual cash incentive awards.

Table of Contents

Restricted Stock Awards. The Compensation Committee granted our NEOs a total of 68,781 shares of restricted stock. In addition to serving as a retention tool, restricted stock further aligns the interests of the NEOs with our stockholders through the promotion of significant share ownership. Each NEO's 2015 restricted stock award is detailed below.

Stock Option Awards. The Compensation Committee granted our NEOs a total of 220,339 non-qualified stock options. The exercise price of non-qualified stock options is the closing price of our common stock on the NYSE on the date of grant. Non-qualified stock option grants vest ratably over three years and expire ten years after grant. In addition to serving as a retention tool, non-qualified stock options further align the interests of executives with our stockholders through long-term stock value creation. Each NEO's 2015 grant of non-qualified stock options is detailed below.

| Name | Number of Shares of Restricted Stock Granted(1) | Number of Options Granted(1) |
|----------------------|--|---|
| William M. Walker | 8,971 | 101,695 |

| Howard W. Smith, III | 5,981 | 67,797 |

| Richard C. Warner | 17,983 | 16,949 |

(1)

Shares of restricted stock and the non-qualified stock options vest in one-third increments on each of February 15, 2016, 2017 and 2018, subject to the NEO's continued employment with the Company on the applicable vesting date.

2014-2016 Performance Share Plan

In March 2014, the Compensation Committee approved a performance-based long-term equity incentive award for the Company's NEOs and senior management. These awards, denoted as performance share units, vest in the form of shares of common stock if certain pre-established performance goals (tied to aggregate total revenues and average adjusted diluted earnings per share) underlying the award are met over the course of a three-year performance period.

The performance share units vest based on the achievement of average adjusted diluted earnings per share (70% weighting) and aggregate total revenues (30% weighting) over the 2014-2016 performance period. The Compensation Committee has the discretion to adjust the number of performance share units downward for any reason.

2013-2015 Performance Share Plan

In March 2013, the Compensation Committee approved a performance-based long-term equity incentive award for the Company's NEOs and senior management. The Compensation Committee certified in February 2016 that performance was below the threshold amount for both performance goals, and therefore no shares were earned by the NEOs.

Management Deferred Stock Unit Purchase Plan

The Management Deferred Stock Unit Purchase Plan (the "MSPP") supports the Company's existing stock ownership goals for the NEOs and further aligns the interests of plan participants, including the NEOs, with our stockholders by providing a means for deferral of annual cash incentive compensation by eligible employees into deferred stock units that are settled in shares of the Company's common stock upon payout. In connection with the MSPP, participants who acquire

Table of Contents

deferred stock units are generally granted a matching deferred stock unit or restricted stock unit award equal to 50% of the deferred stock units acquired in the MSPP, which matching award vests fully on March 15 of the third calendar year following the grant date. The matching awards are reflected in the 2015 Summary Compensation Table below. See the "2015 Nonqualified Deferred Compensation" table and related narrative below for additional information concerning the MSPP and the related matching component.

Employment Agreements

The compensation packages described above reflect, in part, the employment agreements that we entered into with each of our NEOs. The employment agreements with our NEOs also include severance provisions. See "COMPENSATION OF DIRECTORS AND OFFICERS Employment and Separation Agreements" and "COMPENSATION OF DIRECTORS AND OFFICERS Potential Payments Upon Termination" for a description of the specific terms of these agreements.

Compensation Policies

We do not currently have any formal policies regarding long-term versus currently-paid compensation, but believe that both elements are necessary for achieving our compensation objectives. Currently paid compensation provides financial stability for each of our NEOs and immediate reward for superior Company and individual performance, while long-term compensation rewards achievement of strategic long-term objectives and contributes towards overall stockholder value.

Clawback Policy

If we are required to prepare an accounting restatement, then awards under our 2015 Equity Incentive Plan are subject to mandatory forfeiture if the amount earned or vesting of the award is explicitly based on the achievement of pre-established performance goals that are later determined, as a result of the accounting restatement, not to have been achieved. We also have the right to recover awards made to participants under the 2015 Equity Incentive Plan in case of a financial restatement as a result of their knowing or gross negligence or failure to prevent misconduct or to the extent provided by clawback policies that we may adopt in the future.

Prohibition on Hedging

Our insider trading policy prohibits our directors and all employees, including our NEOs, from hedging their economic interest in the Company's stock through short-sales, trading in puts or calls, or the use of other derivative instruments.

Prohibition on Pledging

Our insider trading policy also prohibits our non-employee directors and all employees, including our NEOs, from pledging Company securities to secure margin or other loans. This prohibition means our non-employee directors and employees may not hold our securities in margin accounts.

Stock Ownership Guidelines for NEOs

Our Board has adopted stock ownership guidelines for our NEOs, which are intended to further align their interests with the interests of our stockholders. Under the guidelines, each NEO must hold an ownership stake in the Company that is significant in comparison to their base salary. The amount required to be retained varies depending on the NEO's position, as follows:

Chief Executive Officer and President: five times base salary; and

Chief Credit Officer, Chief Financial Officer and General Counsel: three times base salary.

Table of Contents

Stock ownership for the purpose of these guidelines includes stock currently held by the NEO and restricted stock. Messrs. Walker, Lucas, Smith and Warner are required to achieve the ownership requirements by April 1, 2017, and Mr. Theobald is required to achieve the ownership requirements by April 1, 2018. As of December 31, 2015, each NEO was in compliance with the stock ownership guidelines.

Tax Treatment of NEO Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the tax deductibility of compensation paid by a public company to its chief executive officer and certain other highly compensated executive officers (excluding the chief financial officer) to \$1 million in the year the compensation becomes taxable to the executive. There is an exception to the limit on deductibility for performance-based compensation that meets certain requirements. While we consider the impact of this and other tax rules when developing and implementing our executive compensation programs, we also believe that it is important to preserve flexibility in administering compensation programs in a manner designed to promote varying corporate goals. Accordingly, we have not adopted a policy that all compensation must qualify as deductible under Section 162(m) or any other tax rule.

"Say on Pay" Results

At our 2014 annual meeting, we submitted to stockholders an advisory resolution to approve our executive compensation program (a "say on pay" vote). Our stockholders overwhelmingly supported our say on pay vote with approximately 83 percent of the votes cast in favor and less than one percent cast against. We carefully consider stockholder feedback on all matters, including our executive compensation. In 2015, the Compensation Committee considered the results of the 2014 say on pay vote, and determined that no specific changes to our executive compensation program were warranted.

At our 2011 annual meeting, our stockholders approved holding a say on pay vote every three years, and our Board subsequently determined that triennial say on pay votes were appropriate for us. Although we are not required to hold a say on pay vote until the 2017 annual meeting, we have determined to hold the say on pay vote at this annual meeting (Proposal 3). Additionally, we also have determined to include a vote on the frequency of the say on pay vote at this annual meeting (Proposal 4).

Compensation Policies and Practices as they Relate to Risk Management

Management reports regularly to the Compensation Committee on our executive and employee compensation and benefit programs. The Compensation Committee engaged Towers Watson to perform a compensation risk assessment for the NEOs and our loan originators for 2015, and to advise the Compensation Committee on the findings of the assessment. Our Senior Vice President, Human Resources also reported on the compensation structure and benefit programs and risks associated with such structure and programs for all of our other employees. The Compensation Committee considered the findings of these reports and determined that the NEO and other employee compensation and benefit programs do not pose any material risks to us and therefore are not reasonably likely to have a material adverse effect on us. With respect to the NEO compensation programs, the Compensation Committee found that they continue to be well-balanced between fixed and variable compensation, cash and equity and short-term and long-term incentives, take into account both qualitative and quantitative performance factors, reflect an appropriate mix of compensative instruments, are well-aligned with stockholder interests and have elements that discourage the NEOs from taking unnecessary or excessive risks. With the assistance of Pay Governance, the Compensation Committee continues to review all of the Company's executive compensation programs as they relate to risk management.

Employment and Separation Agreements

On October 27, 2010, we entered into employment agreements with each of Messrs. Walker, Smith, Lucas and Warner, which were each subsequently amended on December 14, 2012. Each employment agreement had an initial three-year term, which was measured from December 13, 2010, and automatically extends for a series of additional one-year terms at the end of the expiration of the then- current term, unless either party gives 60 days' prior notice that the term will not be extended. These employment agreements provide for the following:

For Mr. Walker, an initial base salary of \$500,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Walker's salary to \$750,000, effective January 1, 2013. Mr. Walker's target bonus for 2015 was \$750,000.

For Mr. Smith, an initial base salary of \$400,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Smith's salary to \$500,000, effective January 1, 2013. Mr. Smith's target bonus for 2015 was \$500,000.

For Mr. Lucas, an initial base salary of \$250,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Lucas' salary to \$400,000, effective January 1, 2013. Mr. Lucas' target bonus for 2015 was \$400,000.

For Mr. Warner, an initial base salary of \$300,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Warner's salary to \$400,000, effective January 1, 2013. Mr. Warner's target bonus for 2015 was \$400,000.

In addition, on March 3, 2013, we entered into an employment agreement with Mr. Theobald. His employment agreement has an initial three-year term, measured from April 1, 2013, which will be automatically extended for additional one-year terms, beginning at the end of the expiration of the current term, unless either party gives 60 days' prior notice that the term will not be extended. Mr. Theobald's employment agreement provides for an initial base salary of \$350,000, a target annual bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. Effective February 16, 2014, the Compensation Committee approved an increase of Mr. Theobald's salary to \$400,000. As a result of the salary increase, Mr. Theobald's target bonus for 2015 was \$400,000.

Additionally, each NEO employment agreement also contains customary non-competition and non-solicitation covenants that apply during the term and for up to 12 months after the termination of each executive's employment with us. For information concerning the termination-related terms of the NEOs' employment agreements, see " Potential Payments Upon Termination" below.

Edgar Filing: Walker & Dunlop, Inc. - Form DEF 14A

These options were granted pursuant to our 2010 Equity Incentive Plan, as amended, which has been amended and restated as the 2015 Equity Incentive Plan, and vest ratably on each anniversary of the date of grant over a three-year period, conditioned upon the executive's continued employment with the Company on the applicable vesting date.

(2)

Based on the closing stock price of our common stock on December 31, 2015 of \$28.81 per share.

(3)

Represents performance share units under our 2013-15 performance share plan and our 2014-2016 performance share plan. The number of units reported for the 2013-2015 performance share plan is based on the threshold level of performance. In February 2016, the Compensation Committee certified that performance under the 2013-2015 performance share plan was below the threshold amount for the applicable performance goals, and therefore no shares were earned by the NEOs under the 2013-2015 performance share plan. The number of units reported for the 2014-2016 performance share plan is based on the maximum level of performance.

All of the amounts shown in this column were included as compensation in the 2015 Summary Compensation Table for 2015.
- (2) Earnings represent a change in the value of our common stock underlying an NEO's deferred stock units. None of the amounts in this column have been included in the 2015 Summary Compensation Table because the earnings are not preferential or above-market.
- (3) Total aggregate balance calculated as the sum of the number of purchased deferred stock units held as of December 31, 2015, multiplied by \$28.81, the closing stock price of our common stock on December 31, 2015, plus the amount of executive contributions for 2015. The following amounts included in this column have been reported in the 2015 Summary Compensation Table for 2015 or a prior fiscal year: Mr. Walker \$974,969, Mr. Theobald \$399,971, Mr. Smith \$1,019,964, Mr. Lucas \$549,970 and Mr. Warner \$0.

Management Deferred Stock Unit Purchase Plan (MSPP)

Under the MSPP eligible employees may voluntarily elect to purchase shares of the Company's common stock with up to 100% of their annual cash incentive award on a specified date each calendar year (the "Election Date"). On the date that the annual cash incentive award is paid (the "Award Date"), the portion of the bonus that is deferred will be used to purchase deferred stock units at the fair market value of the

Company's common stock on such date. These deferred stock units granted

Table of Contents

under the MSPP are fully vested and non-forfeitable on the date of purchase. With respect to each deferred stock unit granted under the MSPP, the Company will issue to the participant one share of the Company's common stock on the date elected by the participant, which will be either (i) January 31 of the year immediately following the participant's separation from the Company (the "Termination Date Election"); (ii) the first to occur of (A) March 15 of the third calendar year after the Award Date, and (B) January 31 of the year immediately following the participant's separation from the Company (the "Vesting Date Election"); or (iii) the first to occur of (A) January 31 of the fifth or tenth, as elected by the participant, calendar year after the Award Date, and (B) January 31 of the year immediately following the participant's separation from the Company (the "Deferred Distribution Date Election"). In connection with the MSPP, participants who acquire deferred stock units are generally granted a matching deferred stock unit or restricted stock unit award equal to 50% of the deferred stock units acquired in the MSPP, which matching award vests fully on March 15 of the third calendar year following the grant date.

In the event of a change in control of the Company, if the deferred stock units purchased under the MSPP and the deferred stock units and restricted stock units granted under the matching component of the MSPP are not assumed or continued, shares of the Company's common stock underlying the deferred stock units purchased under the MSPP and the deferred stock units and restricted stock units granted under the matching component of the MSPP will be delivered immediately prior to the change in control. In the event of a change in control of the Company, the deferred stock units and restricted stock units granted under the matching component of the MSPP will become 100% vested (i) if such units are not assumed or (ii) if such units are assumed and the participant is terminated without cause or for good reason (as such terms are defined in the Management Deferred Stock Unit Purchase Matching Program) within 24 months following the change in control of the Company.

Potential Payments Upon Termination or a Change in Control

Regardless of the reason for any termination of employment, each NEO is entitled to receive the following benefits upon termination: (a) payment of any unpaid portion of such executive's base salary through the effective date of termination, (b) reimbursement for any outstanding reasonable business expenses, (c) continued insurance benefits to the extent required by law, (d) payment of any vested but unpaid rights as may be required independent of the employment agreement, and (e) except in the case of termination by the company for cause, any bonus or incentive compensation that had been accrued through the effective date of termination but not paid, provided, however, that in the event of a termination without cause, a resignation for good reason or retirement, a pro rata incentive compensation will be paid only to the extent performance goals for the year are achieved.

In addition to the benefits described above in subparagraphs (a)-(e), each NEO is entitled to receive a severance payment if we terminate his employment without cause or the executive resigns for good reason. The severance payment is equal to (i) continued payment by the company of the executive's base salary, as in effect as of the executive's last day of employment, for a period of 12 months, (ii) continued payment for life and health insurance coverage for 12 months, to the same extent the company paid for such coverage immediately prior to termination, (iii) two times the average annual bonus earned by the executive over the preceding two years (or if the executive has not been employed for two years, payments equal to two times the target bonus for the year of termination), and (iv) vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive. If the continued payment of health insurance coverage would result in violations of certain tax or other statutes or regulations, then we will instead pay the NEO a fully taxable cash payment each month equal to the insurance premiums plus an additional amount necessary to cover any additional taxes owed by the NEO (such additional amount, the "Indemnity Amount"). The foregoing benefits are conditioned upon the executive's execution of a general release of

Table of Contents

claims and compliance with the terms of the employment agreement. In addition, pursuant to the terms of each NEO's performance share unit award agreements, upon such termination of employment, the NEO will vest in a pro rata portion of his performance share units (based on the number of days in the performance period prior to termination) to the extent the applicable performance goals are otherwise satisfied.

If the NEO's employment terminates due to death or disability, in addition to the benefits described above in subparagraphs (a)-(e), the executive or his estate, as applicable, is entitled to receive (i) vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive and (ii) payment of the pro rata share of any performance bonus to which such executive would have been entitled for the year of death or termination of employment. In addition, pursuant to the terms of each NEO's performance share unit award agreements, upon such termination of employment, the NEO will vest in his target number of performance share units, and pursuant to the terms of the matching component under the MSPP, the deferred stock units and restricted stock units granted thereunder will become 100% vested.

If the NEO's employment terminates due to retirement, in addition to the benefits described above in subparagraphs (a)-(e), the executive is entitled to receive vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive. The NEO will not vest in any performance share units upon such a termination of employment.

While none of the employment agreements includes severance provisions that are tied to changes in control, pursuant to the 2010 Equity Incentive Plan and the award agreements governing the NEO's outstanding equity awards thereunder, upon a change in control of the Company, (i) the NEO's outstanding, unvested options and restricted stock will fully vest (A) if the equity awards are not assumed or (B) if the equity awards are assumed and the NEO's employment is terminated without cause or for good reason within 12 months following the change in control, and (ii) the NEO will vest in a number of performance share units equal to the greater of (A) a pro rata portion of his performance share units to the extent the applicable performance goals are otherwise satisfied and (B) his target number of performance share units. In addition, the deferred stock units and restricted stock units granted under the matching component of the MSPP will become 100% vested (i) if such units are not assumed or (ii) if such units are assumed and the participant is terminated without cause or for good reason (as such terms are defined in the matching component of the MSPP) within 24 months following the change in control of the Company.

Neither the employment agreements nor the equity award agreements provide for any excise or other tax gross-up other than the potential for payment of the Indemnity Amount discussed above.

The table below summarizes the potential cash payments and estimated equivalent cash value of benefits that will be generally owed to our NEOs under the terms of their employment agreements and equity award agreements described above in connection with the occurrence of the following various scenarios as of December 31, 2015. Amounts shown do not include (a) payment of any unpaid portion of such executive's base salary through the effective date of termination, (b) reimbursement for any outstanding reasonable business expense, (c) continued insurance benefits to the extent required by law, (d) payment of any vested but unpaid rights as may be required independent of the employment

Table of Contents

2015 compensation for our non-employee directors consisted of the following:

an annual base cash retainer of \$60,000; and

an annual award of \$60,000 of shares of restricted stock (rounded down the nearest whole share) under our 2015 Equity Incentive Plan granted on the date of the 2015 annual meeting of stockholders, which vests on the one-year anniversary of the date of grant, subject to the director's continued service on our Board.

In addition, our compensation program for non-employee directors provided for the following additional annual cash retainers:

Audit Committee: Chairman \$25,000; Member \$10,000;

Compensation Committee: Chairman \$25,000; Member \$10,000;

Nominating and Corporate Governance Committee: Chairman \$15,000; Member \$5,000; and

the Lead Director receives an additional annual cash retainer of \$20,000.

Stock Ownership Guidelines for our Non-Employee Directors

Our Board has adopted stock ownership guidelines for our non-employee directors. Under those guidelines, our non-employee directors, are required to own stock equal to three times the annual base cash retainer. Stock ownership for the purpose of these guidelines includes stock and restricted stock, but does not include shares underlying vested or unvested stock options. Non-employee directors are required to achieve the ownership threshold by the later of April 1, 2017 or the five year anniversary of the director joining our Board.

Equity Compensation Plan Information

The table below sets forth information as of the end of our 2015 fiscal year for (i) all equity compensation plans approved by our stockholders, and (ii) all equity compensation plans not approved by our stockholders. See note 12 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2015 for a description of our 2015 Equity Incentive Plan, which amended and restated our 2010 Equity Incentive Plan. See " Management Deferred Stock Unit Purchase Plan" on page 40 above for a description of our Management Deferred Stock Unit Purchase Plan.

In February 2016, the Compensation Committee certified that performance under the 2013-2015 performance share plan was below threshold, and therefore no shares were earned or issued under the 2013-2015 performance share plan.
- (4) Restricted and deferred stock units under the Management Stock Purchase Plan and performance share units under the 2013-2015 and 2014-2016 performance share plans have no exercise price and were not factored into the calculation of the weighted average exercise price. This column represents the weighted average exercise price of 1,106,352 options outstanding under the 2015 Equity Incentive Plan.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee currently consists of Cynthia Hallenbeck, Michael Malone, John Rice (Chairman) and Dana Schmaltz. None of our current committee members is or was an officer or employee, or former officer or employee, of ours. No interlocking relationship exists or existed between members of the Compensation Committee or the Board, and the board of directors or compensation or similar committees of any other company.

Proposal 3: Advisory Vote on Executive Compensation

We are presenting this proposal, commonly known as a "say on pay" proposal pursuant to Section 14A of the Exchange Act, to provide stockholders the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as described in this proxy statement.

We believe our executive compensation policies and procedures are centered on pay-for-performance principles and are closely aligned with the long-term interests of our stockholders. As described under the heading "COMPENSATION DISCUSSION AND ANALYSIS," our executive compensation program is designed to attract and retain outstanding executives, to reward them for superior performance and to ensure that compensation provided to them remains competitive. We seek to align the interests of our executives and stockholders by tying compensation to the achievement of key financial and operating objectives that we believe enhance stockholder value over the long term and by encouraging executive share ownership so that a portion of each executive's compensation is tied directly to stockholder value.

For these reasons, we are asking our stockholders to vote "FOR" the following resolution:

"RESOLVED, that the stockholders hereby approve the compensation of the NEOs, as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related narrative executive compensation disclosure contained in this proxy statement."

While the vote on this resolution is advisory in nature and therefore will not bind us to take any particular action, our Compensation Committee and Board intend to carefully consider the stockholder vote resulting from the proposal in making future decisions regarding the compensation of our named executive officers.

Table of Contents

Vote Required

The affirmative vote of a majority of the votes cast at the annual meeting with respect to the matter is required to endorse (on a non-binding advisory basis) the compensation of the NEOs. For purposes of the vote on this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL.

Proposal 4: Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation

We are presenting this proposal to provide stockholders the opportunity to cast a non-binding advisory vote on how frequently a "say on pay" proposal (similar to Proposal Three) should be included in our proxy statement. This non-binding advisory vote is commonly referred to as a "say on frequency" vote. As a stockholder, you may vote for one of the following choices, as indicated on the proxy card: to hold the advisory vote on executive compensation every one, two or three years, or to abstain from voting.

After careful consideration of this proposal, our Board has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for the Company, and therefore our Board recommends that you vote for a one-year interval for the advisory vote on executive compensation.

In formulating its recommendation, our Board considered that an annual advisory vote on executive compensation will allow our stockholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year and enhance and reinforce accountability for our compensation practices.

While this vote is advisory in nature and therefore will not bind us to adopt any particular frequency, our Board of Directors and Compensation Committee intend to carefully consider the stockholder vote resulting from the proposal and to continue to evaluate the options for how frequently we hold "say on pay" votes.

Vote Required

Stockholders are not voting to approve or disapprove the recommendation of our Board that the non-binding advisory vote on the compensation of our named executive officers be held every year. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected (on a non-binding advisory basis) by the stockholders. For purposes of this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE "ONE YEAR" ALTERNATIVE SET OUT IN THE PROXY CARD.

Table of Contents**VOTING SECURITIES OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of March 14, 2016, certain information regarding the beneficial ownership of our common stock by:

each person known to us to be the beneficial owner of more than 5% of our common stock;

each NEO;

each of our directors; and

all of our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC, and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes for each executive officer and director options that are currently exercisable or exercisable within 60 days of March 14, 2016. Each director, officer or 5% or more stockholder, as the case may be, furnished us with information with respect to beneficial ownership. Except as otherwise indicated, we believe that the beneficial owners of common stock listed below, based on the information each of them has given to us, have sole investment and voting power with respect to their shares, except where community property laws may apply. We have based our calculations of the percentage of beneficial ownership of 31,007,100 shares of common stock outstanding as of March 14, 2016.

Unless otherwise noted below, the address of the persons and entities listed on the table is c/o Walker & Dunlop, Inc., 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities, or Reporting Persons, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. The Reporting Persons are required by SEC regulations to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC. Based on the review of filings made with the SEC and representations made by the Reporting Persons, we believe that each Reporting Person complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2015, except that on December 30, 2015, Mr. Smith filed a Form 4 disclosing the sale of shares of our stock indirectly beneficially owned by him that occurred on July 31, 2015.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transaction Policies

Our Board has adopted a written policy regarding the approval of any "related person transaction," which is any transaction or series of transactions in which we or any of our subsidiaries is (or are to be) a participant, the amount involved exceeds \$100,000, and a "related person" (as defined under SEC rules) has a direct or indirect material interest; provided, however, that approval is not required for competitive bidding and similar transactions that are not deemed to be related party transactions under Item 404(a) of Regulation S-K of the Securities Act of 1933, as amended (the "Securities Act"). Under the policy, a related person would need to promptly disclose to our compliance officer any related person transaction and all material facts about the transaction. Our compliance officer would then assess and promptly communicate that information to the Audit Committee of our Board. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee which will evaluate all options available, including ratification, revision or termination of such transaction, and will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. Our policy provides that any director who may be interested in a related person transaction should recuse himself or herself from any consideration of such related person transaction.

2010 Registration Rights Agreement

In December 2010, in connection with our initial public offering, we completed formation transactions through which Walker & Dunlop, LLC became our wholly owned subsidiary. In connection with such formation transactions, we entered into a registration rights agreement with regard to shares of our common stock issued to former direct and indirect equity holders of Walker & Dunlop, LLC, which we refer to collectively as the 2010 registrable shares. Among the parties to such registration rights agreement, which we refer to as the 2010 registration rights agreement, were Column Guaranteed LLC ("Column"), three of our NEOs, Messrs. Walker, Smith and Warner, our then Executive Vice President, Chief Financial Officer & Treasurer, Deborah Wilson and certain employees and non-employees, together with their permitted assignees and transferees, we refer to collectively as holders of 2010 registrable shares.

Pursuant to the 2010 registration rights agreement, we granted to holders of 2010 registrable shares demand registration rights, subject to certain limitations, to have such shares registered for resale on a registration statement that must remain effective for the shorter of: (a) two (2) years from its date of effectiveness, (b) the period ending on the date on which all of the 2010 registrable shares covered by such registration are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (c) the date on which the parties to the 2010 registration rights agreement complete the sale of all of the 2010 registrable shares. We also granted to holders of 2010 registrable shares holding a number of 2010 registrable shares equal to at least ten percent (10%) of the total number of shares of our common stock issued in the formation transactions described above demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2010 registrable shares through an underwritten public offering.

In addition to demand registration rights, we also granted to holders of 2010 registrable shares tag-along (or "piggy-back") rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account.

Table of Contents

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2010 registration rights agreement, subject to certain limitations, to postpone the filing of a registration statement and from time to time to require holders of 2010 registrable shares not to sell under a registration statement or to suspend the effectiveness of such registration statement. We will bear all of the costs and expenses incident to our registration obligations under the 2010 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2010 registrable shares. We have also agreed, subject to certain limitations, to indemnify holders of 2010 registrable shares against specified liabilities, including certain potential liabilities arising under the Securities Act.

As of March 11, 2016, there are 2,238,188 shares of our common stock that are registrable under the 2010 registration rights agreement, substantially all of which are owned directly or indirectly by Messrs. Walker and Smith.

Amendment of 2010 Registration Rights Agreement

In connection with our acquisition of CWCapital and the 2012 registration rights agreement described below, the Company, CWFS and certain of the signatories to the 2010 registration rights agreement, which we refer to collectively as the current holders, entered into a letter agreement pursuant to which CWFS and the current holders agreed, among other things: (i) to *pro rata* cutbacks with respect to their respective piggy-back registration rights under the 2012 registration rights agreement and the 2010 registration rights agreement, respectively, if requested by a managing underwriter in order to reduce the amount of shares to be included in offerings for our own account or offerings of 2012 registrable shares or 2010 registrable shares, as applicable, (ii) that whichever of them requests an underwritten offering of 2012 registrable shares or 2010 registrable shares, as applicable, will also have the right to select the managing underwriters for such offering, (iii) to reduce the threshold at which Column has the right to request registration of 2010 registrable shares for sale through an underwritten public offering to five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWCapital described below and (iv) for the Company to include the 2010 registrable shares of the current holders in the registration statement to be filed in connection with the 2012 registration rights agreement.

2012 Registration Rights Agreement

In September 2012, in connection with our acquisition of CWCapital, we entered into a registration rights agreement, which we refer to as the 2012 registration rights agreement, with CWFS, the former owner of CWCapital, with regard to shares of our common stock issued to CWFS, which we refer to collectively as the 2012 registrable shares.

Pursuant to the 2012 registration rights agreement, we agreed to register for resale all of the 2012 registrable shares held by CWFS, which, together with its permitted transferees or assigns, we refer to collectively as holders of 2012 registrable shares, on a shelf registration statement filed with the SEC no later than 30 days after the closing date of our acquisition of CWCapital. We also granted to holders of 2012 registrable shares piggy-back rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account or for the account of one or more other stockholders of the Company. In either case, we agreed to use our reasonable best efforts to maintain the effectiveness of the relevant registration statement until the earlier of (i) the date on which all 2012 registrable shares covered by such registration statement are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (ii) the date on which holders of 2012 registrable shares consummate the sale of all 2012 registrable shares registered under such registration statement.

We also granted to holders of 2012 registrable shares holding a number of 2012 registrable shares equal to at least five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWCapital demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2012 registrable shares through an underwritten public offering.

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2012 registration rights agreement, subject to certain limitations, to postpone the filing of a registration statement and from time to time to require holders not to sell under a registration statement or to suspend the effectiveness thereof. We will bear all of the costs and expenses incident to our registration obligations under the 2012 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2012 registrable shares. We have also agreed, subject to certain limitations, to indemnify holders of 2012 registrable shares against specified liabilities, including certain potential liabilities arising under the Securities Act.

Affiliates of Fortress sold 2 million shares of our common stock in a registered offering in November 2014. In connection therewith, we paid \$205 thousand in Fortress' legal expenses. Affiliates of Fortress sold the remaining 8,246,534 shares of our common stock in a registered offering in March 2015, in which we repurchased 3 million shares through the underwriter of the offering for an aggregate purchase price of \$46.8 million. We paid \$127 thousand in Fortress' legal expenses in connection with the March 2015 registered offering. There are no remaining shares of our common stock that are registrable under the 2012 registration rights agreement.

Column Indemnification Agreements

On February 17, 2010, Capital Funding Group, Inc. ("Capital Funding") filed a lawsuit in the Circuit Court for Montgomery County, Maryland (the "Circuit Court") against Walker & Dunlop, LLC, our wholly owned operating subsidiary, for alleged breach of contract, unjust enrichment and unfair competition arising out of an alleged agreement that Capital Funding had with Column to refinance a large portfolio of senior healthcare facilities located throughout the United States (the "Golden Living Facilities"). On November 17, 2010, Capital Funding filed an amended complaint adding Credit Suisse Securities (USA) LLC ("Credit Suisse") and its affiliates Column and Column Financial, Inc. as defendants. In December 2010, Column assumed the defense of the Company pursuant to an indemnification agreement.

Capital Funding alleges that a contract existed between it and Column (and its affiliates) whereby Capital Funding allegedly had the right to perform the HUD refinancing for the Golden Living Facilities and according to which Capital Funding provided certain alleged proprietary information to Column and its affiliates relating to the refinancing of the Golden Living Facilities on a confidential basis. Capital Funding further alleges that Walker & Dunlop, LLC, as the alleged successor by merger to Column, is bound by Column's alleged agreement with Capital Funding, and breached the agreement by taking for itself the opportunity to perform the HUD refinancing for the Golden Living Facilities.

Capital Funding further claims that Column and its affiliates and Walker & Dunlop, LLC breached the contract, were unjustly enriched, and committed unfair competition by using Capital Funding's alleged proprietary information for certain allegedly unauthorized purposes. Capital Funding also asserts a separate unfair competition claim against Walker & Dunlop, LLC in which it alleges that Walker & Dunlop, LLC is improperly "taking credit" on its website for certain work actually performed by Capital Funding. Capital Funding sought damages in excess of \$30.0 million on each of the three claims, and an unspecified amount of damages on a separate claim for unfair competition against

Walker & Dunlop, LLC. Capital Funding also sought injunctive relief in connection with its unjust enrichment and unfair competition claims.

Pursuant to an agreement, dated January 30, 2009 (the "Column Transaction Agreement"), among Column, Walker & Dunlop, LLC, W&D, Inc. and Green Park Financial Limited Partnership, Column generally agreed to indemnify Walker & Dunlop, LLC against liability arising from Column's conduct prior to Column's transfer of the assets to Walker & Dunlop, LLC. However, pursuant to the Column Transaction Agreement, Column's indemnification obligation arises only after Column receives a claim notice following the resolution of the litigation that specifies the amount of Walker & Dunlop, LLC's claim.

To provide for greater certainty regarding Column's indemnification obligations before the resolution of this litigation and to cap our total loss exposure, we secured a further agreement from Column in November 2010 confirming that it will indemnify us for any liabilities that arise as a result of this litigation. As part of this further indemnification agreement, in the event Column is required to pay us for any liabilities under the Capital Funding litigation that it otherwise would not have been obligated to pay under the Column Transaction Agreement, we will indemnify Column for an amount up to \$3.0 million. Also as part of this further indemnification agreement, William Walker, our Chairman and Chief Executive Officer, and Mallory Walker, former Chairman and current stockholder, in their individual capacities, agreed that if Column is required to indemnify us under this agreement and otherwise would not have been obligated to pay such amounts under the Column Transaction Agreement, Messrs. William Walker and Mallory Walker will pay any such amounts in excess of \$3.0 million but equal to or less than \$6.0 million. As a result of this agreement, we will have no liability or other obligation for any damage amounts in excess of \$3.0 million arising out of this litigation. Although Column assumed defense of the case for all defendants, and has paid applicable counsel fees, as a result of the indemnification claim procedures described above, we could be required to bear the significant costs of the litigation and any adverse judgment unless and until we are able to prevail on our indemnification claim. We believe that we will fully prevail on our indemnification claims against Column, and that we ultimately will incur no material loss as a result of this litigation, although there can be no assurance that this will be the case.

On July 19, 2011, the Circuit Court issued an order granting the defendants' motion to dismiss the case, without prejudice. After the initial case was dismissed without prejudice, Capital Funding filed an amended complaint. In November 2011, the Circuit Court rejected the defendant's motion to dismiss the amended complaint. Capital Funding filed a Second Amended Complaint that did not alter the claims at issue but revised their alleged damages. Defendants moved for summary judgment on all claims, including two counts of breach of contract, two counts of promissory estoppel, two counts of unjust enrichment, and two counts of unfair competition. On April 30, 2013, the Circuit Court granted the motion as to the promissory estoppel counts and one count of unjust enrichment. The Circuit Court denied the motion as to all remaining claims.

A two-week jury trial was held in July 2013. In the course of the trial, all but two of Capital Funding's claims were dismissed. The jury awarded Capital Funding (i) a \$1.8 million judgment against all defendants on Capital Funding's breach of contract claim and (ii) a \$10.4 million judgment against Credit Suisse, Column's parent, on Capital Funding's unjust enrichment claim. Because the two claims arise from the same facts, Capital Funding agreed it may only collect on one of the judgments; following the verdict, Capital Funding "elected" to collect the \$10.4 million judgment against Credit Suisse. The defendants filed a post judgment motion to reduce or set aside the judgment. On January 31, 2014 the Circuit Court vacated the \$10.4 million unjust enrichment judgment and awarded Capital Funding the \$1.8 million breach of contract judgment. On February 10, 2014, Capital Funding filed a motion with the Circuit Court seeking a new trial. On March 13, 2014, the Circuit Court denied Capital Funding's motion for a new trial. Capital Funding filed an appeal with Maryland's Court of Special Appeals. Following briefing, the Court of Special Appeals heard oral arguments on

December 10, 2014. On December 17, 2015, the Court of Special Appeals issued its opinion affirming the decision of the Circuit Court. Capital Funding did not seek reconsideration or further appeal of the decision of the Court of Special Appeals, and the time to do so has passed. Credit Suisse has paid Capital Funding the amount of the judgment entered by the Circuit Court, and the litigation has concluded.

CMBS Partnership

In 2014, we began to offer a Commercial Mortgage Backed Securities ("CMBS") lending program ("CMBS Program") through a partnership with an affiliate of Fortress, in which we owned a minority interest ("CMBS Partnership"). In January 2016, we purchased Fortress' entire interest in the Partnership, and therefore own 100 percent of the CMBS Partnership. Affiliates of Fortress managed funds which collectively constituted our largest stockholder group until the completion of their secondary offering in March 2015. While operating in the structure of the CMBS Partnership, the CMBS Program offered financing for all commercial property types throughout the United States. The loans in the CMBS Program were selected and funded by the CMBS Partnership and underwritten by us. We received fees for servicing the loans. The CMBS Partnership assumed the full risk of loss on the loans while it holds the loans. We accounted for our minority ownership interest in the CMBS Partnership using the equity method of accounting. Five loans with an aggregate principal balance of \$95.9 million were originated through the CMBS Program from January 2015 through March 2015.

Servicing Fees

Between January 2015 and March 2015, when affiliates of Fortress sold the remaining shares of our common stock in a registered offering, Walker & Dunlop, LLC was the loan subservicer for 4 loans serviced by CWCAPITAL Asset Management LLC ("CWCAM"), an affiliate of Fortress, pursuant to a subservicing agreement between Walker & Dunlop, LLC and CWCAM. Between January 2015 and March 2015, we received aggregate servicing fees under this agreement of \$4 thousand.

Between January 2015 and March 2015, Walker & Dunlop, LLC was the servicer of a portfolio of 429 Fannie Mae secondary risk loans. In connection with that portfolio of loans, Walker & Dunlop, LLC was party to a sub-special servicing agreement with CWCAM pursuant to which we paid CWCAM fees for performing special servicing services for mortgage loans in the portfolio. Between January 2015 and March 2015, CWCAM performed special servicing services for 3 loans under the special servicing agreement. Between January 2015 and March 2015, we paid CWCAM aggregate fees of \$4 thousand.

Family Relationship

During 2015, Michelle Warner, the spouse of Mr. Warner, was employed by Walker & Dunlop, LLC, our operating subsidiary, as Executive Vice President & FHA Group Head. Ms. Warner received aggregate compensation of \$1,325,914, consisting of salary, annual cash bonus, restricted stock and a matching contribution to her 401(k) plan. Her compensation is consistent with our overall compensation principles based on her many years of experience, performance and position.

CoStar Information Subscriptions

Andrew C. Florance, one of our Directors, is the president and chief executive officer and a member of the board of directors of CoStar. CoStar is a provider of commercial real estate information and analytic services. In 2015, we paid \$545 thousand in fees for various CoStar subscription services. We use each of these subscriptions to analyze commercial real estate property, markets and assets in connection with our lending, loan servicing and asset management activities.
