**Description**

99.1 Earnings Release dated August 1, 2017 and supplemental information

The exhibit filed with this report contains measures of financial or operating performance that are not specifically defined by generally accepted accounting principles ("GAAP") in the United States, including funds from operations ("FFO"), FFO per share, comparable FFO per share, comparable earnings per share, funds available for distribution, net operating income ("NOI"), portfolio NOI, and comparable property NOI. FFO and NOI are performance measures that are standard in the REIT business. We believe FFO and NOI provide investors with additional information concerning our operating performance and a basis to compare our performance with the performance of other REITs. We also use these measures internally to monitor the operating performance of our portfolio. Our computation of these non-GAAP measures may not be the same as similar measures reported by other REITs.

These non-GAAP financial measures should not be considered as alternatives to net income as a measure of our operating performance or to cash flows computed in accordance with GAAP as a measure of liquidity nor are they indicative of cash flows from operating and financial activities.

Reconciliations of each of these non-GAAP measures to the most-directly comparable GAAP measure are included in the exhibit.

The information in this report and the exhibit filed herewith is being furnished, not filed, for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and pursuant to Items 2.02 and 7.01 of Form 8-K, will not be incorporated by reference into any filing under the Securities Act of 1933, as amended.

**SIGNATURES**
