BONSO ELECTRONICS REPORTS RECORD SALES AND IMPROVED EARNINGS FOR FIRST QUARTER

HONG KONG, August 15, 2003 - Bonso Electronics International Inc.
(NASDAQ:BNSO) today reported financial results for the first fiscal quarter,
ended 30 June 2003.

Quarterly revenues jumped 98% to \$20,045,000 over last year's \$10,118,000. Net
income increased 36% to \$708,000 or \$0.12 per share compared to \$522,000 and
\$0.09 per share for the same period last year.

"I am pleased to report our improved sales, which shows increases in almost all

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

aspects of our business" said Mr. Anthony So, Bonso Chairman, CEO and President.

The increase in sales is also attributable to Gram Precision's contribution to revenue, which because of the August 2002 acquisition date, did not contribute to Bonso's fiscal first quarter of 2003. Greater than 90% of the sales increase was from internal growth with the remainder from past acquisition activities.

Mr. So stated "Although our record sales show that the demand for our products and services remain strong with existing and new customers, we must continue to work on improving our gross profit margins which are not keeping up with the rate of sales growth."

ABOUT BONSO ELECTRONICS

Headquartered in Hong Kong, Bonso Electronics designs, develops, manufactures, assembles and markets a comprehensive line of telecommunications products, electronic scales and weighing instruments and health care products. Bonso products are manufactured in the People's Republic of China on behalf of customers primarily located in North America and Europe. Company services include product design and prototyping, production tooling, procurement of components, total quality management, and just-in-time delivery. For further information, visit the company's web site at <http://www.bonso.com>.
