SCHNITZER STEEL INDUSTRIES, INC. VOTING TRUST AND BUY-SELL AGREEMENT

VOTING TRUST PROVISIONS. Pursuant to the terms of the Schnitzer Steel Industries, Inc. 2001 Restated Voting Trust and Buy-Sell Agreement dated March 26, 2001 (the Schnitzer Trust Agreement), the beneficial owners of over 80% of the outstanding shares of Class B Common Stock have made their shares subject to the terms of the Schnitzer Steel Industries, Inc. Voting Trust (the Schnitzer Trust). The Schnitzer Trust is divided into four separate groups, one for each branch of the Schnitzer family. Carol S. Lewis, Dori Schnitzer, Gary Schnitzer, and Rita S. Philip are the four trustees of the Schnitzer Trust and each is also the separate trustee for his or her separate family group. Pursuant to the Schnitzer Trust Agreement, the trustees as a group have the power to vote the shares subject to the Schnitzer Trust and, in determining how the trust shares will be voted, each trustee separately has the number of votes equal to the number of shares held in trust for his or her family group. Any action by the trustees requires the approval of the trustees with votes equal to at least 52.5% of the total number of shares subject to the Schnitzer Trust. Before voting with respect to the following actions, each trustee is required to obtain the approval of holders of a majority of the voting trust certificates held by his or her family group: (a) any merger or consolidation of the Company with any other corporation, (b) the sale of all or substantially all the Company's assets or any other sale of assets requiring approval of the Company's shareholders, (c) any reorganization of the Company requiring approval of the Company's shareholders, (d) any partial liquidation or dissolution requiring approval of the Company's shareholders, and (e) dissolution of the Company. The Schnitzer Trust will terminate on March 26, 2011 unless terminated prior thereto by agreement of the holders of trust certificates representing two-thirds of the shares held in trust for each family group.

PROVISIONS RESTRICTING TRANSFER. The trustees are prohibited from selling or encumbering any shares held in the Schnitzer Trust. The Schnitzer Trust Agreement contains transfer restrictions binding on both holders of voting trust certificates and holders of shares of Class B Common Stock distributed from the Schnitzer Trust, unless such restrictions are waived by the trustees. The Schnitzer Trust Agreement prohibits shareholders who are subject thereto from selling or otherwise transferring their voting trust certificates or their shares of Class B Common Stock except to other persons in their family group or to entities controlled by such persons. Such transfers are also restricted by the Company's Restated Articles of Incorporation. A holder of voting trust certificates is permitted to sell or make a charitable gift of the shares of Class B Common Stock represented by his or her certificates by first directing the trustees

to convert the shares into Class A Common Stock, which will then be distributed

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

to the holder free from restrictions under the agreement. Similarly, a holder of Class B Common Stock subject to the transfer restrictions is permitted to sell or make a charitable gift of the holder's Class B Common Stock by first converting the shares into Class A Common Stock, which will then be free from restrictions under the agreement. However, before causing any shares to be converted for sale, a holder must offer the shares (or the voting trust certificates representing the shares) to the other voting trust certificate holders who may purchase the shares at the current market price for the Class A Common Stock or exchange shares of Class A Common Stock owned by them for the Class B Common Stock proposed to be converted.

BOARD OF DIRECTORS INDEPENDENCE, COMMITTEES AND NOMINATIONS

The Board of Directors has determined that Robert Ball, William Furman and Ralph Shaw are "independent directors" as defined in Nasdaq rules, and has not determined that any other director qualifies as an independent director. Although the Nasdaq rules generally require Nasdaq-listed companies to have a

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

board of directors comprised of a majority of independent directors, a "controlled company" is exempt from this requirement. The Schnitzer family members who are parties to the Schnitzer Trust are a group of shareholders who collectively hold more than 50% of the voting power of the Company and, accordingly, the Company is an exempt controlled company. The independent directors hold regularly scheduled meetings at which only independent directors are present.

The Company's Board of Directors has a Compensation Committee, an Audit Committee and a Nominating and Corporate Governance Committee. Robert Ball, William Furman, and Ralph Shaw, the three directors who have been determined to be independent directors, are the three members of all three of these committees. The Board of Directors has also determined that each of these directors meets all additional independence and financial literacy requirements for Audit Committee membership under Nasdaq rules, and has determined that Mr. Shaw is an "audit committee financial expert" as defined in regulations adopted by the Securities and Exchange Commission.

5

The principal functions of the Audit Committee are to oversee the accounting and financial reporting processes of the Company and the audits of its financial statements, to appoint, compensate, retain and oversee the independent auditors, to review and approve all audit and non-audit services performed by the independent auditors, and to discuss the results of the audit with the independent auditors. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as Exhibit A to this proxy statement.

The Compensation Committee administers the Company's 1993 Stock Incentive Plan and makes recommendations to the Board of Directors regarding compensation for executive officers of the Company.

The Nominating and Corporate Governance Committee identifies, selects and recommends individuals qualified to become Board members, and develops and recommends corporate governance guidelines. The Nominating and Corporate Governance Committee has a written charter, a copy of which is posted on the Company's website at www.schnitzersteel.com. The charter provides that for so long as the Schnitzer Trust holds shares with a majority of the votes in the election of directors, the Committee will recommend for nomination as directors all Schnitzer family representatives requested by the trustees of the Schnitzer Trust. The Committee will otherwise identify potential director candidates through a variety of means, including recommendations from members of the Committee or the Board, suggestions from Company management, and shareholder recommendations. The Committee also may, in its discretion, engage director search firms to identify candidates. Shareholders may recommend director candidates for consideration by the Nominating and Corporate Governance Committee by submitting a written recommendation to the committee, c/o Ilene Dobrow Davidson, Secretary, Schnitzer Steel Industries, Inc., P.O. Box 10047, Portland, Oregon 97296-0047. The recommendation should include the candidate's name, age, qualifications (including principal occupation and employment history), and written consent to be named as a nominee in the Company's proxy statement and to serve as a director, if elected. In assessing potential candidates, the Committee considers the composition of the Board as a whole and the character, background and professional experience of each potential candidate. In its evaluation of potential candidates, the Committee considers the following factors: qualification as an "independent director;" character, integrity and mature judgment; accomplishments and reputation in the business community; knowledge of the Company's industry or other industries relevant to the Company's business; specific skills such as financial expertise needed by the Board; inquisitive and objective perspective; commitment and ability to

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

devote time and effort to Board responsibilities; and diversity of viewpoints and experience. In considering recommendations regarding the re-nomination of incumbent directors, the Committee also takes into account the performance of such persons as directors, including the number of meetings attended and the level and quality of participation, as well as the value of continuity and knowledge of the Company gained through Board service. The Nominating and Corporate Governance Committee meets to discuss and consider the qualifications of each potential new director candidate, whether recommended by shareholders or identified by other means, and determines by majority vote whether to recommend such candidate to the Board of Directors. The final decision to either elect a candidate to fill a vacancy between Annual Meetings or include a candidate on the slate of nominees proposed at an Annual Meeting is made by the Board of Directors.

Shareholders desiring to communicate directly with the Board of Directors, or with any individual director, may do so in writing addressed to the intended recipient or recipients, c/o Ilene Dobrow Davidson, Secretary, Schnitzer Steel Industries, Inc., P.O. Box 10047, Portland, Oregon 97296-0047. All such communications will be reviewed and forwarded to the designated recipient or recipients in a timely manner.

During fiscal 2004, the Board of Directors held 5 meetings, the Audit Committee held 12 meetings and the Compensation Committee held 6 meetings. Each director attended at least 75% of the aggregate number of meetings of the Board and of committees of the Board on which they served. The Company encourages all directors to attend each annual meeting of shareholders, and nine out of ten directors attended the 2004 Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

DEFINED BENEFIT RETIREMENT PLANS

PENSION RETIREMENT PLAN. The Company's Pension Retirement Plan (the Plan) is a defined benefit plan qualified under Section 401(a) of the Internal Revenue Code of 1986 (the Code). All employees (except certain union and on-call employees) of the Company and certain other Schnitzer Group companies are eligible to participate in the Plan after meeting certain service requirements. Generally, pension benefits become fully vested after five years of service and are paid in monthly installments beginning when the employee retires at age 65. Annual benefits equal 2% of qualifying compensation for each Plan year of service after August 31, 1986. Upon their retirement, assuming retirement at age 60 (except age 65 for Gary Schnitzer) and no increase in annual compensation from current levels, Robert W. Philip, Gary Schnitzer, Barry A. Rosen and Jay Robinovitz would receive annual benefits for life of \$61,000, \$70,000, \$57,000 and \$62,000, respectively.

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

SUPPLEMENTAL EXECUTIVE RETIREMENT BONUS PLAN. The Supplemental Executive Retirement Bonus Plan (the Supplemental Plan) was adopted to provide a competitive level of retirement income for key executives selected by the Board of Directors. The Supplemental Plan establishes an annual target benefit for each participant based on continuous years of service (up to a maximum of 25 years) and the average of the participant's five highest consecutive calendar years of compensation, with certain limitations on bonuses to be included, with the target benefit subject to an inflation-adjusted limit equal to \$217,715 in 2004. The target benefit is reduced by 100% of primary social security benefits and the Company-paid portion of all benefits payable under the Company's qualified retirement plans to determine the actual benefit payable under the Supplemental Plan. The actual benefit shall be paid as a straight life annuity or in other actuarially equivalent forms. Benefits are payable under the plan only to participants who terminate employment after age 55 with 10 credited years of service or after age 60. The following table shows the estimated annual target benefits under the Supplemental Plan, before the reductions based on social security and Company-paid retirement benefits, for executives who retire at age 60 (the normal retirement age under the Supplemental Plan) with various levels of pay and service, based on the 2004 value for the inflation-adjusted cap.

Highest Consecutive Five-Year Average Qualifying Compensation	Credited Years of Service			
	10	15	20	25
\$200,000	\$52,000	\$78,000	\$104,000	\$130,000
\$250,000	\$65,000	\$97,500	\$130,000	\$162,500
\$300,000	\$78,000	\$117,000	\$156,000	\$195,000

\$400,000	\$87,086	\$130,629	\$174,172	\$217,715

As of December 31, 2003, Robert W. Philip, Gary Schnitzer and Barry A. Rosen had, 33, 40 and 23 years of service, respectively, and highest consecutive five-year average qualifying compensation of \$807,000, \$382,000 and \$399,000, respectively. The retirement benefits in the above table do not include benefits payable to Mr. Schnitzer, Mr. Philip and Mr. Rosen under the supplemental executive retirement plan of Schnitzer Investment Corp. in recognition of services provided to other Schnitzer Group companies.

EMPLOYMENT AGREEMENTS

In fiscal 2004, Barry A. Rosen advised the Company of his intention to retire as of August 31, 2004. To induce Mr. Rosen to remain as Chief Financial Officer of the Company for a transition period, the Company entered into an Employment Agreement with Mr. Rosen in August 2004. Under this agreement, Mr. Rosen agreed to continue as the Company's Chief Financial Officer at least through June 2, 2005, and for up to an additional three months thereafter if requested by the Company. Mr. Rosen will receive his base salary during the remainder of his employment, but will not participate in the Company's EVA Bonus Plan for fiscal 2005 and did not receive a stock option grant along with other officers in October 2004. In lieu of receiving the balance of his EVA bonus bank after his retirement and after giving effect to fiscal 2005 EVA results as provided in the EVA Bonus Plan, the agreement provided for the

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

payout of his \$299,220 EVA bonus bank on November 30, 2004. The agreement also provided for the payment to Mr. Rosen of a \$280,000 retention bonus on November 30, 2004. If Mr. Rosen remains employed through June 2, 2005, or if his employment is terminated by the Company without cause before that date, all of his unvested stock options will accelerate and become fully exercisable.

DIRECTOR COMPENSATION

Directors who are not employees of Schnitzer Group companies receive an annual fee of \$20,000 plus \$1,200 for attending each Board meeting or committee meeting held other than on the same day as a Board meeting and are reimbursed for expenses incurred attending Board and committee meetings. Committee chairs receive an annual retainer of \$3,500. In 2004, the directors began participation in the Company's 1993 Stock Incentive Plan. Each non-employee director was granted an option for 4,500 shares, with an exercise price of \$27.96 per share, in August 2004. These options will vest 20% annually over five years and have a term of ten years. The Company intends to make similar annual stock option grants in the future. The option exercise price will be based upon the closing price of the Company's Class A shares on the date of grant. Directors may also elect to receive annual compensation in stock options in lieu of cash compensation based on the Black-Scholes option pricing model as a basis for exchange.

CERTAIN TRANSACTIONS

The Company is part of the Schnitzer Group of companies, all of which are controlled by members of the Schnitzer family. Other companies in the group include: Schnitzer Investment Corp. (SIC), engaged in the real estate business; Liberty Shipping Group LLC (LSGLLC) and its manager LSGGP LLC (LSGGP), engaged in the ocean shipping business; and Island Equipment Company, Inc. (IECO), engaged in various businesses in Guam and other South Pacific islands.

The Company leases certain properties used in its business from SIC. These properties and certain lease terms are set forth in the following table:

PROPERTY	ANNUAL RENT	EXPIRATION OF LEASES
Corporate Headquarters	\$ 385,000	2014
Metals Recycling Operations:		
Portland facility and marine terminal	1,834,000	2063
Total	\$2,219,000	

The lease for the Portland metals recycling operation (the "Portland Metals Recycling Lease") was signed in 1988. In accordance with the amended lease terms, the rent payable under the lease was adjusted on September 1, 2003 to \$1,834,000 per year and is scheduled to adjust every five years thereafter. The adjustment made on September 1, 2003 was based on an analysis of market rates performed by independent experts and consultations with independent counsel and was approved by the Company's independent directors. In 2018 and every fifteen years thereafter, adjustments to appraised fair market rent for the leased property will likewise be made, but only if such adjustment results in an increase in rent. Intervening rate adjustments will be based on the average of the percentage increases or decreases in two inflation indexes over the five years prior to the applicable adjustment date.

The Company provides management and administrative services to, and in some

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

cases receives services from, SIC, LSGLLC, LSGGP, and IECO pursuant to a Second Amended Shared Services Agreement, as amended as of September 1, 1994. The agreement provides that all service providing employees, except executive officers, are charged out at rates based on the actual hourly compensation expense to the Company for such employees (including fringe benefits and bonuses) plus an hourly charge for reimbursement of space costs associated with such employees, all increased by 15% as a margin for additional overhead and to cover capital employed. The Company independently determines the salaries to pay its executive officers, and the other companies reimburse the Company fully for salaries and related benefits the other companies decide to pay, plus the hourly space charge and the 15% margin. Under the agreement, the Company independently determines the amount of bonus to pay to each of its employees, and the other companies

11

reimburse the Company fully for any bonuses the other companies decide to pay. The agreement also provides for the monthly payment by these related parties to the Company of amounts intended to reimburse the Company for their proportionate use of the Company's telephone and computer systems. Net charges by the Company to the related parties under the agreement in fiscal 2004 totaled \$0.6 million.

Pursuant to a policy adopted by the Board of Directors, all transactions with other Schnitzer Group companies require the approval of a majority of the independent directors or must be within guidelines previously established by them.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the Committee) is composed of three outside directors. The Committee is responsible for developing and making recommendations to the Board with respect to the Company's compensation policies and the levels of compensation to be paid to executive officers. In addition, the Committee has sole responsibility for the administration of, and the grant of stock options and other awards under, the Company's 1993 Stock Incentive Plan, as amended.

The objectives of the Company's executive compensation program are to attract and retain highly qualified executives, and to motivate them to maximize shareholder returns by achieving both short-term and long-term strategic Company goals. The three basic components of the executive compensation program are base salary, annual bonus dependent on corporate financial performance and stock option grants.

BASE SALARY

The Company's salary revisions generally become effective in June of each year. For purposes of determining the executive officers' salaries effective June 2004, the Committee considered the improvement in the Company's results in relation to the Company's peers, the metals recycling and steel industries in general, economic conditions and executive performance.

ANNUAL BONUSES

During fiscal 2001, the Company adopted the Schnitzer Steel Industries, Inc. Economic Value Added Bonus Plan (the Plan). The Plan provides for cash awards based on Company performance measured by Economic Value Added (EVA(R)). EVA is a measure of adjusted operating profit after deductions for income taxes and the estimated weighted average cost of the Company's debt and equity capital. The EVA bonus plan is based on three key concepts: 1) an individual's target bonus,

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

2) a bonus multiple based on the calculated variance from expected EVA, which is based upon the prior year's actual EVA plus a pre-determined improvement factor and 3) an individual's bonus bank. Target bonuses are stated as a percentage of the annual salary for each executive officer. The target bonuses for the executive officers were developed in part from recommendations of the consultants engaged to assist the Company in implementing the Plan. The expected EVA improvement from year to year is a fixed amount that is adjusted only when significant changes in the Company's capital structure or business occur or during periodic plan recalibrations. The executive officers' bonus declarations under the Plan will be greater than their stated target bonuses if the Company's EVA exceeds the predetermined EVA, i.e., the prior year's EVA plus the expected EVA improvement. Likewise, bonus declarations will be lower than the target, and can be negative, if the Company's EVA results are less than the expected EVA. Positive bonus declarations are limited to 300% of target, and negative bonus declarations are limited to 100% of target, except that these limits do not apply to executives of the Company's steel manufacturing subsidiary. Under the Plan, bonus declarations for individuals are credited to their bonus banks. The bonus actually paid to an individual for a fiscal year is equal to the amount of the bonus bank balance, up to the target bonus for that fiscal year, plus one-third of the bonus bank balance in excess of the target bonus. If the bonus bank balance is negative, up to 50% of any positive bonus declaration is applied to reduce the negative balance, with the remainder of the positive bonus declaration being paid currently. Bonuses may be based on the performance of specified EVA centers and/or the consolidated EVA results of the Company. The EVA centers represent various geographic areas or divisions within the Company. While the EVA bonuses for certain executive officers are based solely on the consolidated EVA results of the Company, other officers' bonuses are based partially on the results of the EVA center for which they have primary responsibility and partially on the consolidated EVA results of the Company.

12

The Committee believes that EVA provides the best operating performance measure of shareholder returns in excess of the cost of capital.

The bonus amounts paid to the Chief Executive Officer and the other Named Executive Officers under the Plan for fiscal 2004 are shown in the Summary Compensation Table.

STOCK OPTIONS

The stock option program is the Company's principal long-term incentive plan for executive officers. The objectives of the stock option program are to align executive and shareholder long-term interests by creating a strong and direct link between executive compensation and shareholder return, and to create incentives for executives to remain with the Company for the long term. Options are awarded with an exercise price equal to the market price of Class A Common Stock on the date of grant and typically have a term of 10 years.

The Committee has implemented an annual option grant program. Annual awards to the top five executive officers are normally made based on grant guidelines expressed as a percentage of salary. Option grants to executives related to fiscal 2004 performance did not occur until October 2004 and therefore fell in fiscal 2005.

Section 162(m) of the Internal Revenue Code of 1986 limits to \$1,000,000 per person the amount that the Company may deduct for compensation paid to any of its most highly compensated officers in any year. In the past, the levels of salary and bonus paid by the Company have not exceeded this limit. In 2003 and 2004, due to the Company's exceptional financial performance, the salary and

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

bonus paid to Mr. Philip exceeded \$1,000,000. To address future deductibility of bonus compensation under Section 162(m), the Board of Directors has adopted, and submitted to the shareholders for approval, the Executive Annual Bonus Plan. See "Approval of Executive Annual Bonus Plan." Under IRS regulations, the \$1,000,000 cap on deductibility will not apply to compensation received through the exercise of a nonqualified stock option that meets certain requirements. This option exercise compensation is equal to the excess of the market price at the time of exercise over the option price and, unless limited by Section 162(m), is generally deductible by the Company. It is the Company's current policy generally to grant options that meet the requirements of the IRS regulations.

13

CHIEF EXECUTIVE OFFICER COMPENSATION

Mr. Philip was paid a base salary of \$575,000 in fiscal 2004, reflecting an increase of approximately 4% over fiscal 2003. When setting the base salary, the Committee took into account the following:

- o Comparison of base salaries, perquisites and incentives for Chief Executive Officers of peer companies,
- o The Company's improving financial performance,
- o The assessment by the Committee of Mr. Philip's individual performance and contributions, and
- o Current economic conditions.

The Committee believes that Mr. Philip's annual base salary falls within the competitive range of salaries for similar positions at similar companies.

Mr. Philip's participation in the EVA-based bonus plan for the last fiscal year was tied to the Company's achievement of pre-established EVA target levels. The Company's fiscal 2004 EVA performance was significantly higher than the pre-established target resulting in a payout of \$1,138,214.

APPROVAL OF EXECUTIVE ANNUAL BONUS PLAN

Section 162(m) of the Internal Revenue Code of 1986 limits to \$1,000,000 per person the amount that the Company may deduct for compensation paid to any of its five most highly compensated officers in any year. Section 162(m), however, exempts from this deductibility limit compensation that qualifies as "performance-based compensation" as defined in regulations. In the past, the levels of salary and bonus paid by the Company have not exceeded the \$1,000,000 limit. In 2003 and 2004, due to the Company's exceptional financial performance, the salary and bonus paid to the Company's Chief Executive Officer exceeded \$1,000,000, and the excess was not deductible.

To address the issue of deductibility of executive compensation, the Board of Directors has adopted the Executive Annual Bonus Plan (the "Plan") and submitted the Plan to the shareholders for approval. The purpose of the Plan is to enable the Company to qualify annual bonuses it pays as "performance-based compensation" that will be fully deductible by the Company notwithstanding the \$1,000,000 limit of Section 162(m). The Plan does not replace the Company's existing Economic Value Added Bonus Plan (the "EVA Plan"), but instead is intended to be a shareholder-approved vehicle under which bonuses paid to Plan participants pursuant to the specific terms of the EVA Plan or other future bonus programs may qualify as fully deductible "performance-based compensation."

The following summary of the Plan is qualified in its entirety by reference to the terms of the Plan, a copy of which is attached as Exhibit B to this proxy

statement.

15

DESCRIPTION OF THE PLAN

ADMINISTRATION. The establishment of performance goals and related bonus opportunities under the Plan and all other decisions regarding the administration of the Plan will be made by the Compensation Committee of the Board of Directors (the "Committee"), which shall be comprised solely of two or more "outside directors" as that term is defined in regulations under Section 162(m).

PLAN PARTICIPANTS. Initially, the sole participant in the Plan will be the Company's Chief Executive Officer (the "CEO"), as he is the only Company employee whose total salary and bonus has exceeded, or even approached, \$1,000,000. The Committee may designate any other executive officer of the Company as a Plan participant for any fiscal year at the time of establishment of performance goals for that year. The Company currently has six executive officers, including the CEO. Executive officers and other employees who are not Plan participants will continue to be eligible to receive annual bonuses under the EVA Plan or other arrangements, but those bonuses will not qualify as "performance-based compensation" under Section 162(m).

PERFORMANCE GOALS AND BONUS OPPORTUNITIES. To make an award under the Plan, the Committee shall, no later than 90 days after the beginning of a fiscal year of the Company, establish for each participant the performance goals for the year and the amount, or the formula for determining the amount, of cash bonus to be paid or accrued for the participant based on achievement of the performance goals for the year. The performance goals shall be one or more targeted levels of performance of the Company or any subsidiary, division or other unit of the Company with respect to one or more of the following objective measures: economic value added (adjusted operating income after taxes less a capital charge), earnings, earnings per share, stock price increase, total shareholder return (stock price increase plus dividends), return on equity, return on assets, return on capital, revenues, gross margin, operating income, inventories, inventory turns, cash flows or any of the foregoing before the effect of acquisitions, divestitures, accounting changes, and restructuring and special charges (determined according to criteria established by the Committee).

CERTIFICATION OF BONUSSES. Following the conclusion of any fiscal year, prior to the payment of any cash bonuses under the Plan with respect to that year, the Committee shall certify in writing the attainment of the performance goals for the year and the calculation of the bonus amounts. No bonus shall be paid or accrued if the related performance goal is not met.

MAXIMUM BONUS. The maximum cash bonus that may be paid or accrued for any participant with respect to performance of the Company in any fiscal year shall be \$2,500,000.

AMENDMENT AND TERMINATION. The Plan may be amended or terminated by the Board of Directors at any time except to the extent that an amendment requires shareholder approval to maintain the qualification of Plan awards as performance-based compensation. Unless reapproved by the shareholders, the Plan will terminate at the first meeting of shareholders of the Company in 2010.

EVA PLAN AND PREVIOUSLY ESTABLISHED PERFORMANCE GOALS

Since 2001, the EVA Plan has been the Company's annual bonus program for executive officers and other management employees. Economic value added ("EVA") is a measure of adjusted operating profit after deductions for income taxes and

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

the estimated weighted average cost of the Company's debt and equity capital. Under the EVA Plan, a target bonus declaration stated as a percentage of annual salary is established for each executive officer each year. Based on the Company's EVA performance for the year, a bonus declaration is calculated which for most executives may range from up to 300% of target to as low as negative 100% of target. The bonus declaration is then credited to the executive's bonus bank under the EVA Plan, with the actual bonus payment for the year being paid from the bonus bank in an amount up to 100% of the target bonus plus one-third of any remaining balance of the bonus bank. The balance, if any, in the bonus bank is carried forward to the next year.

As described above, the sole initial participant in the Plan is Robert W. Philip, the Company's CEO. EVA performance targets and a target bonus declaration have been established for Mr. Philip for fiscal 2005. In addition, after payment of his fiscal 2004 bonus, Mr. Philip had \$1,135,701 in his bonus bank as a result of bonus declarations in 2004 and prior years. The Company has not determined whether the bonus declarations for Mr. Philip in 2005

16

and prior years have been established and administered in a manner that will permit those amounts to qualify as fully deductible "performance-based compensation." However, shareholder approval of the Plan is intended to enable the Company to fully deduct amounts subsequently paid to Mr. Philip from his existing bonus bank and fiscal 2005 bonus declaration to the fullest extent those amounts otherwise meet the requirements for qualification as "performance-based compensation." If the shareholders do not approve the Plan, these amounts will not be paid.

EVA performance targets and target bonus declarations have also been established for the Company's other executive officers for fiscal 2005. The actual amounts to be paid under those awards cannot be determined at this time, as such amounts are dependent upon the Company's performance for the current fiscal year. The following table shows the bonus declaration and actual bonus payment for fiscal 2004 for each Named Executive Officer and for all current executive officers as a group:

NAME AND POSITION	FY 2004 EVA BONUS DECLARATION	FY 2004 EVA BONUS PAID
Robert W. Philip Chairman, Chief Executive Officer and President	\$1,711,092	\$1,138,214

INDEPENDENT AUDITORS

The Audit Committee has selected PricewaterhouseCoopers LLP as independent auditors for the Company for the fiscal year ending August 31, 2005. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting. Such representative will have the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions.

Aggregate fees billed by the Company's principal accountants, PricewaterhouseCoopers LLP, for audit services related to the most recent two fiscal years, and for other professional services billed in the most recent two fiscal years, were as follows:

	Fiscal 2004	Fiscal 2003

Audit-Related Fees (2)	68,906	52,671
Tax Fees (3)	148,550	71,679
All Other Fees	16,400	--
	-----	-----
Total	\$ 586,056	\$ 421,600

- (1) Comprised of the audit of the Company's annual financial statements and reviews of the Company's quarterly financial statements, as well as consents related to and reviews of other documents filed with the Securities and Exchange Commission.
- (2) Comprised of acquisition due diligence and consultations regarding internal controls and financial accounting and reporting, including services related to the Company's compliance with the Sarbanes-Oxley Act of 2002.
- (3) Comprised of services for tax compliance, tax return preparation, tax advice and tax planning.

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by the Company's independent accountants must be approved in advance by the Audit Committee to assure that such services do not impair the accountants' independence from the Company. Accordingly, the Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy (the "Policy") which sets forth the procedures and the conditions pursuant to which services to be performed by the independent accountants are to be pre-approved. Pursuant to the Policy,

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

certain services described in detail in the Policy may be pre-approved on an annual basis together with pre-approved maximum fee levels for such services. The services eligible for annual pre-approval consist of services that would be included under the categories of Audit Fees, Audit-Related Fees and Tax Fees in the above table as well as services for limited review of actuarial reports and calculations. If not pre-approved on an annual basis, proposed services must otherwise be separately approved prior to being performed by the independent accountants. In addition, any services that receive annual pre-approval but exceed the pre-approved maximum fee level also will require separate approval by the Audit Committee prior to being performed. The Audit Committee may delegate authority to pre-approve audit and non-audit services to any member of the Audit Committee, but may not delegate such authority to management.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and persons who own more than 10% of the outstanding Common Stock of the Company, to file with the Securities and Exchange Commission reports of changes in ownership of the Common Stock of the Company held by such persons. Officers, directors and greater than 10% shareholders are also required to furnish the Company with copies of all forms they file under this regulation. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and representations that no other reports were required, during fiscal 2004 all of its officers, directors and 10% shareholders complied with all applicable Section 16(a) filing requirements, except that the following individuals filed the indicated number of late reports and total number of late transactions: Kenneth and Deborah Novack - two late reports with three late transactions; Dori Schnitzer - one late report with thirteen late transactions; Laura Freidman - one late report with one late transaction; Gilbert Schnitzer - two late reports with three late transactions; Danielle Nye - one late report with one late transaction; David Easley - one late report with

DISCRETIONARY AUTHORITY

Although the Notice of Annual Meeting of Shareholders provides for transaction of any other business that properly comes before the meeting, the Board of Directors has no knowledge of any matters to be presented at the meeting other than the matters described in this Proxy Statement. The enclosed proxy, however, gives discretionary authority to the proxy holders to vote in accordance with their judgment if any other matters are presented.

SCHNITZER STEEL INDUSTRIES, INC.
EXECUTIVE ANNUAL BONUS PLAN

1. Purpose. Schnitzer Steel Industries, Inc. (the "Company") hereby establishes the Schnitzer Steel Industries, Inc. Executive Annual Bonus Plan (the "Plan") with the intent of qualifying compensation paid under the Plan as "performance-based compensation" within the meaning of Section 162(m) of the Internal Revenue Code of 1986 ("Section 162(m)") and the regulations promulgated thereunder. The Plan shall be interpreted in a manner consistent with the foregoing intent.

2. Administration. The Plan shall be administered by the Compensation Committee (the "Committee") of the Board of Directors of the Company, which shall be comprised solely of two or more "outside directors" as defined in regulations promulgated under Section 162(m). The Committee may adopt guidelines to implement and administer the Plan.

3. Plan Participants. The participants in the Plan (the "Participants") shall be the Chief Executive Officer (the "CEO") of the Company and such other executive officers of the Company as may be designated in writing by the Committee at the time of the establishment of Performance Goals for any fiscal year. Other executives and employees of the Company may receive bonuses on terms similar to the terms of bonuses paid to Participants under the Plan, but those bonuses shall not be covered by the Plan and, therefore, shall not qualify as performance-based compensation under Section 162(m).

4. Performance Goals.

(a) To make an award under the Plan, the Committee shall, no later than 90 days after the beginning of a fiscal year of the Company, establish in writing the objectives ("Performance Goals") that must be satisfied by the Company or any subsidiary, division or other unit of the Company ("Business Unit") during such year as a condition to the payment or accrual of a cash bonus for each Participant based on performance in that year. The Committee shall also establish (i) the amounts, or the formula for determining the amounts, of cash bonuses to be paid or accrued based on achievement of the Performance Goals, and (ii) the timing of payment and any other conditions to payment of such amounts. In establishing any Performance Goals, the Committee may, in its sole discretion, reserve the right to reduce the resulting cash bonuses prior to payment on such terms as determined by the Committee.

Edgar Filing: SCHNITZER STEEL INDUSTRIES INC - Form DEF 14A

(b) The Performance Goals for each fiscal year shall be one or more targeted levels of performance with respect to one or more of the following objective measures with respect to the Company or any Business Unit: economic value added (adjusted operating income after taxes less a capital charge), earnings, earnings per share, stock price increase, total shareholder return (stock price increase plus dividends), return on equity, return on assets, return on capital, revenues, gross margin, operating income, inventories, inventory turns, cash flows or any of the foregoing before the effect of acquisitions, divestitures, accounting changes, and restructuring and special charges (determined according to criteria established by the Committee).

5. Computation of Bonus. Following the conclusion of any fiscal year, prior to the payment of any cash bonuses under the Plan with respect to that year, the Committee shall certify in writing the attainment of the Performance Goals for the year and the calculation of the bonus amounts. No bonus shall be paid or accrued if the related Performance Goal is not met.

6. Maximum Bonus. The maximum cash bonus that may be paid or accrued for any Participant with respect to performance of the Company in any fiscal year shall be \$2,500,000.

7. Effect of Plan on Previously Established Performance Goals. The Plan shall be submitted for approval by the Company's shareholders at the Annual Meeting of Shareholders held in 2005. If the Plan is approved by the shareholders at that meeting, the Plan shall apply to cash bonuses paid to the CEO after the date of that meeting as a result of achievement of Performance Goals previously established for fiscal 2005 and prior years, provided that the establishment and administration of those bonuses was and is otherwise in accordance with the

25

terms of the Plan and the regulations under Section 162(m). If the Plan is not approved by the shareholders at that meeting, then any unpaid bonuses resulting from previously established Performance Goals shall not be paid.

8. Amendment and Termination of Plan. The Board may at any time amend or terminate the Plan, except that no amendment will be effective without approval by the Company's shareholders if such approval is necessary to qualify amounts payable hereunder as performance-based compensation under Section 162(m). Unless it is re-approved by the shareholders, the Plan shall terminate on the date of the first shareholder meeting that occurs in the fifth year after the year of initial approval. No termination of the Plan shall affect Performance Goals and related awards established by the Committee prior to such termination.

9. No Right of Continued Employment. Nothing in the Plan or any award pursuant to the Plan shall confer upon any person any right to be continued in the employment of the Company or any subsidiary.

10. Governing Law. The Plan shall be construed in accordance with and governed by the laws of the State of Oregon.
