Dear Sutron Shareholder:

You are cordially invited to our Annual Meeting of Shareholders on Wednesday, June 1, 2005, beginning at 1:30 p.m., local time, at Sutron's corporate headquarters, 21300 Ridgetop Circle, Sterling, Virginia. The Annual Meeting of Shareholders was originally scheduled for May 20, 2005 at 1:30 p.m., local time. The meeting was postponed to allow the Company to send to its shareholders revised proxy materials containing information that was inadvertently omitted from the previously delivered proxy materials. The revised proxy materials do not include any new proposals.

The March 28, 2005 record date has not changed. Accordingly, shareholders of record at the close of business on March 28, 2005 are entitled to notice of and vote at the meeting. The enclosed notice of annual meeting sets forth the proposals that will be presented at the meeting, which are described in more detail in the enclosed proxy statement. The Board of Directors recommends that shareholders vote "FOR" these proposals.

Although shareholders are not required to complete and execute a new proxy card, a shareholder will be entitled to revoke its previously mailed proxy by (i) submitting a later dated proxy card; (ii) written request that is received by the Secretary of the Company prior to the meeting date, or (iii) voting in person at the meeting.

We look forward to seeing you there.

Very truly yours,

Raul S. McQuivey Chairman of the Board and
Chief Executive Officer

PROXY STATEMENT

The enclosed Proxy is solicited on behalf of the Board of Directors of Sutron Corporation (the "Company") for use at its Annual Meeting of Shareholders to be held on Wednesday, June 1, 2005 at 1:30 p.m., local time, and at any adjournments thereof. The purposes of the meeting are set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The meeting will be held at the principal executive offices of the Company, 21300 Ridgetop Circle, Sterling, Virginia 20166. The approximate date on which this Proxy Statement and the Proxy Card were first sent to shareholders of the Company is May 18, 2005.

After the enclosed Proxy Card is duly executed and returned, a shareholder may revoke the proxy at any time by written request that is received by the Secretary of the Company prior to the meeting or by voting in person at the meeting or by executing a later dated Proxy Card. The Proxy Card is in ballot form so that a specification may be made to vote for, or to withhold authority to vote for, the nominees for election as directors, or any of them, and to indicate whether the shareholder wishes to vote for or against, or abstain from voting upon the other proposal.

RECORD DATE AND VOTING RIGHTS

Shareholders of record at the close of business on Monday, March 28, 2005 are entitled to notice of and to vote at the meeting. On March 28, 2005, the Company had outstanding and entitled to vote 4,289,551 shares of Common Stock. Each share of Common Stock entitles the holder to one vote on each matter to be voted upon at the meeting.

The By-laws of the Company require that the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote at the Annual Meeting be present in person or represented by proxy in order for a quorum to exist for the transaction of business at that meeting. Abstentions and "broker non-votes" (which occur if a broker or other nominee does not have discretionary authority and has not received voting instructions from the beneficial owner with respect to the particular item) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Assuming that a quorum is present for the Annual Meeting, the five nominees for director who receive the highest number of votes cast will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

The appointment of the independent public accountants must be approved by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote thereon. For purposes of this Proposal, abstentions are counted for purposes of calculating shares entitled to vote but are not counted as shares voting and therefore have the effect of a vote against such proposal. For purposes of this Proposal, broker non-votes are not counted as shares entitled to vote and therefore have no effect with respect to such proposal.

Any Proxy Card which is returned by a Shareholder properly completed and which is not revoked will be voted at the Annual Meeting in the manner specified therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card (or their substitutes) will vote "FOR" the election of the Board of Directors' nominees and "FOR" the ratification of the appointment of Thompson, Greenspon & Co., P.C. as independent accountants, and in the proxy holders' discretion with regard to all other matters properly brought before the meeting. Any unmarked proxies, including those submitted by brokers (other than broker non-votes) or nominees will be voted in favor of the nominees for the Board of Directors and other proposals, as indicated in the accompanying proxy card. **We urge you to vote your shares without delay.**

The Company will bear the cost of preparing this Proxy Statement and the other costs of soliciting Proxies for the 2005 Annual Shareholders Meeting. In addition to solicitation by mail, solicitations may be made by personal interview or telephone by officers and employees of the Company, acting without additional compensation. Sutron anticipates that banks, brokerage houses, and other custodians, nominees, and fiduciaries will forward this material to beneficial owners of shares of Common Stock entitled to vote at the Annual Meeting, and such persons will be reimbursed by Sutron for the out-of-pocket expenses incurred by them.

ELECTION OF DIRECTORS

The nominees for directors are Dr. Raul S. McQuivey, Daniel W. Farrell, Robert F. Roberts, Jr., Andrew D. Lipman and Thomas R. Porter. Dr. McQuivey, Mr. Farrell and Mr. Roberts are presently Directors of the Company. Mr. Lipman and Mr. Porter are new nominees for Director. Mr. Roberts, Mr. Lipman and Mr. Porter are non-employees of the Company and are independent as defined by Nasdaq listing standards. If Mr. Lipman and Mr. Porter are elected, a majority of the Company's Board of Directors will be independent in accordance with Nasdaq listing standards. Sidney C. Hooper and Thomas N. Keefer, both Executive Officers of the Company, are not standing for re-election.

The Board of Directors of the Company recommends the election of the nominees to serve as directors of Sutron until the fiscal year 2006 Annual Meeting of Shareholders and until their successors have been duly elected and qualified or until the director's earlier death, resignation or removal. In the event that any nominees for directors should be unavailable to serve, which is not anticipated, the Board of Directors, in its discretion, may designate substitute nominees, in which event Proxies received by the Board of Directors will be voted for such substitute nominees.

The five nominees for director who receive the highest number of votes cast by the holders of shares entitled to vote in the election of Directors at the Annual Meeting will be elected. All duly submitted and unrevoked Proxy Cards will be voted "FOR" the nominees selected by the Board of Directors except where authorization to vote is withheld.

Mr. Porter is a Certified Public Accountant, an attorney, a Certified Forensic Financial Analyst and a Certified Valuation Analyst. He received a B.S. and a M.S. in Industrial Engineering from the Georgia Institute of Technology and a J.D. degree from the George Washington University.

BOARD AND COMMITTEE MEETINGS

During the year ended December 31, 2004, the Board of Directors held three meetings. Each director attended all of the meetings of the Board. Although the Board currently does not have a standing audit committee or nominating committee because the Board historically performed the functions customarily assigned to those committees, the Board intends to form such committees in 2005. The Board of Directors has determined that none of the current directors qualifies as an Audit Committee Financial Expert as defined under applicable law, and only Mr. Roberts met the standards of independence under Nasdaq listing standards. The compensation committee consisted of Dr. McQuivey and Mr. Roberts. They met twice during 2004.

As noted above, the Company currently does not have an Audit Committee and, accordingly, it also does not have an Audit Committee charter. The Board, however, expects to form an Audit Committee and adopt an Audit Committee charter in fiscal 2005. It is expected that the Audit Committee will consist of solely independent directors, as such term is defined in the Nasdaq listing standards, and, if elected, that Mr. Lipman, Mr. Roberts and Mr. Porter will be appointed as the members of the Audit Committee, with Mr. Porter serving as the chair of the Audit Committee. The Board of Directors has determined that Mr. Porter qualifies as an Audit Committee Financial Expert as defined applicable law. The Audit Committee's primary responsibilities will be to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company's financial and accounting personnel.

During fiscal year 2004, the Compensation Committee was comprised of Dr. McQuivey and Mr. Roberts, and only Mr. Roberts was independent as defined in the Nasdaq listing standards. The Compensation Committee does not have a charter but expects to adopt a charter in fiscal 2005. It is expected that the Compensation Committee will consist of solely independent directors, as such term is defined in Nasdaq listing standards, and, if elected, Mr. Lipman, Mr. Roberts and Mr. Porter will be appointed as members of the Compensation Committee, with Mr. Roberts serving as chair the Compensation Committee. The Compensation Committee approves goals related to executive compensation and adjusts compensation paid to the President and CEO of the Company and all executive officers, and administers the Company's incentive compensation plans, including cash bonus and stock option plans.

As noted above, the Company currently does not have a Nominating Committee and, accordingly, it also does not have a Nominating Committee charter. The Board, however, expects to form a Nominating Committee and adopt a Nominating Committee charter in fiscal 2005. It is expected that the Nominating Committee will consist of solely independent directors, as such term is defined in Nasdaq listing standards, and, if elected, that Mr. Lipman, Mr. Roberts and Mr. Porter will be appointed as the members of the Nominating Committee, with Mr. Lipman serving as the chair of the Nominating Committee. The Company did not engage a third party to assist in identifying and evaluating the individuals nominated for election as directors at this meeting. Historically, the Board has relied on recommendations from its members to identify nominee. Dr. McQuivey, Sutron's Chief Executive Officer, recommended Mr. Lipman as a nominee for director and Mr. Roberts, a non-management director, recommended Mr. Porter as a nominee for director.

In considering whether to nominate any particular candidate for election to the Board, the Board uses various criteria to evaluate each candidate, including an evaluation of each candidate's integrity, business acumen, knowledge of the Company's business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of the Company's shareholders. The Board does evaluate biographical information and interview selected candidates. The Board also considers whether a potential nominee would satisfy the Nasdaq listing standards for "independence" and the SEC's definition of "audit committee financial expert." The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

The Company does not have a formal policy with regard to the consideration of director candidates recommended by its shareholders; however shareholder recommendations relating to director nominees may be submitted in accordance with the procedures set forth below under the heading "Communicating with the Board of Directors".

COMMUNICATING WITH THE BOARD OF DIRECTORS

Shareholders who wish to send communications to the Board may do so by writing to the Secretary of the Company, Sutron Corporation, 21300 Ridgetop Circle, Sterling, Virginia 20166. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication." All such letters must identify the author as a shareholder and must include the shareholder's full name, address and a valid telephone number. The name of any specific intended Board recipient should be noted in the communication. The Secretary will forward any such correspondence to the intended recipients; however, prior to forwarding any such correspondence, the Secretary or his designee will review such correspondence, and in his or her discretion, may not forward communications that relate to ordinary business affairs, communications that are primarily commercial in nature, personal grievances or communications that relate to an improper or irrelevant topic or are otherwise inappropriate for the Board's consideration.

DIRECTOR ATTENDANCE AT ANNUAL MEETING OF SHAREHOLDERS

Although the Company does not have a policy with regard to Board members' attendance at the Company's annual meeting of shareholders, all directors are encouraged to attend the annual meeting. Four of the five members of the Board of Directors attended the 2004 Annual Meeting of Shareholders.

COMPENSATION OF DIRECTORS

The Company has no arrangement by which any of its officers are compensated for their services as directors and, therefore, Mr. Farrell and Dr. McQuivey did not and will not receive any additional remuneration for their services as directors. Mr. Roberts received compensation of \$1,000 for attending board meetings in fiscal 2004 and received a stock option totaling 10,000 shares that vested immediately upon grant. Independent director fees will be increased to \$1,500 per board meeting in fiscal 2005. The terms of any future stock option grants to the non-employee directors have not yet been determined for fiscal year 2005. Option agreements generally provide for immediate vesting of all unvested stock options in the event of a change in control of the Company.

CODE OF ETHICS

The Company has adopted a Code of Ethics that applies to all directors and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics is posted on the Company's website at www.sutron.com under investors relations.

EMPLOYMENT AGREEMENTS

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2003, the Company changed its banking relationship from M&T Bank to BB&T Bank. One aspect of the change was a reduction in the borrowing base amount due to the exclusion of inventory as collateral for borrowings. These notes were payable on April 12, 2004. Mr. Roberts note was repaid in April 2004 including interest in the amount of \$8,422. COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Under the securities laws of the United States, the Company's directors and its executive officers are required to report ownership of the company's Common Stock and any changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and the Company is required to disclose in this proxy statement any failure to file by these dates during 2004. Mr. Roberts was subject to the reporting requirement of Section 16(a) and was delinquent in filing two required reports on Form 4. Mr. McQuivey, Mr. Keefer and Mr. Hooper were delinquent in filing one required report on Form 4.

REPORT OF THE AUDIT COMMITTEE

As noted above, the Company did not have an Audit Committee in 2004 and, accordingly, it also did not have an Audit Committee charter. The Board, however, expects to form an Audit Committee and adopt an Audit Committee charter in fiscal 2005. It is expected that the Audit Committee will consist of solely independent directors, as such term is defined in Nasdaq listing standards, and, if elected, that Mr. Lipman, Mr. Roberts and Mr. Porter will be appointed as the members of the Audit Committee, with Mr. Porter serving as the chair of the Audit Committee. The Board of Directors has determined that Mr. Porter qualifies as an Audit Committee Financial Expert as defined by applicable law. The Audit Committee's primary responsibilities will be to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company's financial and accounting personnel.

In 2004, the Board oversaw the Company's financial reporting process. The Company's management has the primary responsibility for the financial statements and reporting process, which includes the Company's systems for internal control. Thompson, Greenspon & Co., the Company's independent auditors, is responsible for performing an independent audit of the Company's financial statements in accordance with standards established by the Public Company Accounting Oversight Board, expressing an opinion, based on its audit, as to the conformity of such financial statements with accounting principles generally accepted in the United States. In carrying out its oversight responsibilities, the Board met with management and reviewed with management the audited financial statements included in the Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004. The review included a discussion of the quality and acceptability of the Company's financial reporting and controls, including the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Board also reviewed with Thompson, Greenspon & Co. who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Board under generally accepted auditing standards and SAS (Statement on Auditing

Standards) 61 as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). In addition, the Board discussed with Thompson, Greenspon & Co. their independence from management and the Company, including the matters in their written disclosures required by the Independence Standards Board, including Standard No. 1, and received written disclosures required by that standard. The Board has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. The Board held a private session with the Company's independent auditors, Thompson, Greenspon & Co., at which candid discussions of financial management, accounting and internal controls took place.

In reliance on the reviews and discussions referred to above, the Board recommended that the audited financial statements be included in the Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Respectfully submitted by the Board of Directors.
