PROXY STATEMENT

This proxy statement contains information related to the Special Meeting of EYI, a Nevada corporation, to be held at the offices of Kirkpatrick & Lockhart Nicholson Graham LLP, 10100 Santa Monica Boulevard, Seventh Floor, Los Angeles, California 90062, on August 22, 2006, beginning at 9:30 a.m., Pacific Daylight Time, and at any postponements or adjournments thereof, for the purposes set forth herein. This proxy statement, the enclosed proxy, a copy of EYI's Annual Report to Stockholders for the fiscal year ended December 31, 2005 and a copy of EYI's Quarterly Report for the quarter ended March 31, 2006 are first being mailed on or about July 21, 2006, to all stockholders entitled to vote. EYI is making this proxy solicitation.

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

ABOUT THE MEETING

What is the purpose of the special meeting?

At EYI's Special Meeting, shareholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, which relates to an increase in the number of shares of authorized common stock, par value \$0.01, to 3,000,000,000 shares.

Who is entitled to vote?

Only shareholders of record on the close of business on the record date, July 20, 2006, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponements or adjournments of the meeting. The holders of common stock vote together as a single class.

See "Description of Securities."

Who can attend the special meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the Special Meeting. Seating, however, is limited. Admission to the meeting will be on a first-come, first-serve basis. Registration will begin at 9:00 a.m., and seating will begin at 9:15 a.m. Each shareholder may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, the shareholders held a total of 263,267,933 votes. As such, holders of at least 52,653,587 votes (i.e., 20% of our issued and outstanding common stock) must be present at the meeting, in person or by proxy, to obtain a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to EYI, then it will be voted as you direct. If you are a registered shareholder and attend the meeting, then you may deliver your completed proxy card in person or vote by ballot at the meeting. "Street name" shareholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, then your shares will be voted in accordance with the Board's recommendations.

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary of EYI either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of the Board of Directors. The Board's recommendation is set forth together with the description of such item in this proxy statement. In summary, the Board recommends a vote:

"FOR" the approval of increase in the number of shares of authorized common stock, par value \$0.01, from 1,000,000,000 to 3,000,000,000 shares (see page 6).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Approval of an Increase to the Number of Shares of Authorized Common Stock. For the approval of the Increase to the Number of Shares of Authorized Common Stock, the affirmative vote of the holders of a majority of the outstanding shares entitled to vote will be required for approval. A properly executed proxy marked "Abstain" with respect to such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum.

Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes," however, will be counted in determining whether there is a quorum.

PROPOSAL - INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

General Information

EYI's Board of Directors has authorized an amendment to EYI's Articles of Incorporation to increase the number of authorized shares of common stock from 1,000,000,000 to 3,000,000,000. As of July 5, 2006, there were 263,267,933, shares of common stock outstanding. The additional shares will be issuable for proper corporate purposes, such the issuance of common stock upon the exercise of outstanding options and warrants; conversion of outstanding convertible debentures; and for dividends or splits. Stockholder approval of the amendment to EYI's Certificate of Incorporation to increase the authorized shares of common stock will give EYI greater flexibility by permitting such stock to be issued

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

without the delay of obtaining stockholder approval. The Board of Directors believes it to be in the best interests of EYI to increase the number of authorized shares of common stock to ensure that adequate shares are available for issuance if such issuance becomes desirable.

Additional Information About The Vote

There are possible negative ramifications associated with authorizing additional shares of common stock. These include the following:

Dilution to the existing shareholders, including a decrease in our net income per share in future periods. This could cause the market price of our stock to decline.

The issuance of authorized but unissued stock could be used to deter a potential takeover of EYI that may otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with EYI's Board of Directors' desires. A takeover may be beneficial to independent shareholders because, among other reasons, a potential suitor may offer such shareholders a premium for their shares of stock compared to the then-existing market price. EYI does not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

The additional shares of common stock authorized would become part of EYI's existing class of common stock and would have the same rights and privileges as the shares of common stock presently outstanding. All outstanding shares of common stock will continue to have one vote per share. There are no preemptive rights with respect to EYI's common stock.

The Board of Directors of EYI has the authority to issue shares of preferred stock authorized in one or more series and to fix the powers, designations, rights, preferences and restrictions thereof, including liquidation preferences and rights as to dividends, conversion, voting and redemption, and the number of shares constituting each series, without any further vote or action by EYI's shareholders. The issuance of a series of preferred stock in certain circumstances, based on its terms, may delay or prevent a change in control of EYI, may discourage bids for the common stock at a premium over the market price of the common stock and may directly affect the market price of and the voting and other rights of holders of common stock. EYI currently has no plans to issue any further series of preferred stock.

If the amendment to our Articles of Incorporation is adopted, an amendment to the Articles of Incorporation of EYI shall be filed with the Nevada Secretary of State so that Section 3 shall be as follows:

"The total number of shares of capital stock that the Corporation is authorized to issue is 2,510,000,000, which are to be divided into two classes as follows: 3,000,000,000 shares of common stock, par value \$0.001 per share; and 10,000,000 shares of preferred stock, par value \$0.001 per share.

Vote Required For An Increase In Authorized Shares Of Common Stock

Approval of an amendment to EYI's Articles of Incorporation to increase the number of authorized shares of common stock will require that the holders of at least a majority of the outstanding shares entitled to vote thereon vote "FOR".

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

Recommendation Of The Board Of Directors

Our Board of Directors unanimously recommends a vote "FOR" the approval of an amendment to our Company's Articles of Incorporation to increase the number of authorized shares of common stock, \$0.001 par value, from 1,000,000,000 to 3,000,000,000 shares.

DESCRIPTION OF SECURITIES

The following description of our capital stock and certain provisions of our Articles of Incorporation and By-Laws is a summary. For additional information, please refer to our Articles of Incorporation, as amended, and By-Laws, as amended.

Common Stock

Our Articles of Incorporation authorize the issuance of 1,000,000,000 shares of common stock, \$0.001 par value per share. As of July 5, 2006, 263,267,933 shares of common stock were issued and outstanding. The following description is a summary of the capital stock of EYI Industries and contains the material terms of the capital stock. Additional information can be found in EYI Industries' Articles of Incorporation and Bylaws.

Each holder of our common stock is entitled to one vote per share of common stock standing in such holder's name on our records on each matter submitted to a vote of our stockholders, except as otherwise required by law. Holders of our common stock do not have cumulative voting rights so that the holders of more than 50% of the combined shares of our common stock voting for the election of directors may elect all of the directors if they choose to do so and, in that event, the holders of the remaining shares of our common stock will not be able to elect any members to our board of directors. Holders of our common stock are entitled to equal dividends and distributions, per share, when, as and if declared by our board of directors from funds legally available. Holders of our common stock do not have preemptive rights to subscribe for any of our securities nor are any shares of our common stock redeemable or convertible into any of our other securities. If we liquidate, dissolve or wind up our business or affairs, our assets will be divided up pro-rata on a share-for-share basis among the holders of our common stock after creditors and preferred shareholders, if any, are paid.

Preferred Stock

Our Articles of Incorporation authorize the issuance of 10,000,000 shares of preferred stock, \$0.001 par value per share, the designation and rights of which are to be determined by our Board of Directors. As of July 5, 2006, no shares of preferred stock were issued and outstanding.

Our Board of Directors has authority, without action by the shareholders, to issue all or any portion of the authorized but unissued preferred stock in one or more series and to determine the voting rights, preferences as to dividends and liquidation, conversion rights, and other rights of such series. We consider it desirable to have preferred stock available to provide increased flexibility in structuring possible future acquisitions and financing and in meeting corporate needs which may arise. If opportunities arise that would make desirable the issuance of preferred stock through either public offering or private placements, the provisions for preferred stock in our Articles of Incorporation would avoid the possible delay and expense of a shareholder's meeting, except as may be required by law or regulatory authorities. Issuance of the preferred stock could result, however, in a series of securities

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

outstanding that will have certain preferences with respect to dividends and liquidation over the common stock which would result in dilution of the income per share and net book value of the common stock. Issuance of additional common stock pursuant to any conversion right which may be attached to the terms of any series of preferred stock may also result in dilution of the net income per share and the net book value of the common stock. The specific terms of any series of preferred stock will depend primarily on market conditions, terms of a proposed acquisition or financing, and other factors existing at the time of issuance. Therefore, it is not possible at this time to determine in what respect a particular series of preferred stock will be superior to our common stock or any other series of preferred stock which we may issue. Our Board of Directors may issue additional preferred stock in future financing, but has no current plans to do so at this time.

The issuance of preferred stock could have the effect of making it more difficult for a third party to acquire a majority of our outstanding voting stock. We intend to furnish holders of our common stock annual reports containing audited financial statements and to make public quarterly reports containing unaudited financial information.

Disclosure Of SEC Position On Indemnification For Securities Act Liabilities

Our Articles of Incorporation, as well as our By-Laws provide for the indemnification of directors, officers, employees and agents of the corporation to the fullest extent provided by the corporate laws of the State of Nevada, as well as is described in the Articles of Incorporation and the By-Laws. These sections generally provide that the Company may indemnify any person who was or is a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative except for an action by or in right of the corporation by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation. Generally, no indemnification may be made where the person has been determined to be negligent or guilty of misconduct in the performance of his or her duties to the Company.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of EYI Industries, pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable.

Anti-Takeover Effects Of Provisions Of The Articles Of Incorporation Authorized And Unissued Stock

The authorized but unissued shares of our common and preferred stock are available for future issuance without our shareholders' approval. These additional shares may be utilized for a variety of corporate purposes including but not limited to future public or direct offerings to raise additional capital, corporate acquisitions and employee incentive plans.

On February 17, 2004, our board of directors approved the Stock Compensation Program (the "Plan"). The Plan became effective on March 30, 2004. Under the Plan, options to purchase up to 25,000,000 shares of our common stock may be granted to our employees, officers, directors, and eligible consultants of our company. The Plan provides that the option price be the fair market value of the stock at the date of grant as determined by the Board of Directors. Stock Compensation Program

On February 17, 2004, we established our Stock Compensation Program.

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

The purpose of the Plan is to advance the interests of our company and our stockholders by strengthening our ability to obtain and retain the services of the types of employees, consultants, officers and directors who will contribute to our long term success and to provide incentives which are linked directly to increases in stock value which will inure to the benefit of all our stockholders. The Plan is administered by our Board of Directors or by a committee of two or more non-employee directors appointed by the Board of Directors (the "Administrator"). Subject to the provisions of the Plan, the Administrator has full and final authority to grant the awards of stock options and to determine the terms and conditions of the awards and the number of shares to be issued pursuant thereto. Options granted under the Plan may be either "incentive stock options," which qualify for special tax treatment under the Internal Revenue Code of 1986, as amended, (the "Code"), nonqualified stock options or restricted shares.

All of our employees and members of our Board of Directors are eligible to be granted options. Individuals who have rendered or are expected to render advisory or consulting services to us are also eligible to receive options. The maximum number of shares of our common stock with respect to which options or rights may be granted under the Plan to any participant is 25,000,000 shares, subject to certain adjustments to prevent dilution.

The exact terms of the option granted are contained in an option agreement between us and the person to whom such option is granted. Eligible employees are not required to pay anything to receive options. The exercise price for incentive stock options must be no less than 70% of the fair market value of the common stock on the date of grant. The exercise price for nonqualified stock options is determined by the Administrator in its sole and complete discretion. An option holder may exercise options from time to time, subject to vesting. Options will vest immediately upon death or disability of a participant and upon certain change of control events.

The Administrator may amend the Plan at any time and in any manner, subject to the following: (1) no recipient of any award may, without his or her consent, be deprived thereof or of any of his or her rights thereunder or with respect thereto as a result of such amendment or termination; and (2) any outstanding incentive stock option that is modified, extended, renewed, or otherwise altered must be treated in accordance with Section 424(h) of the Code.

The Plan terminates on March 30, 2014 unless sooner terminated by action of the Board of Directors. All awards granted under the Plan expire ten years from the date of grant, or such shorter period as is determined by the Administrator. No option is exercisable by any person after such expiration. If an award expires, terminates or is canceled, the shares of our common stock not purchased thereunder may again be available for issuance under the Plan.

We filed a registration statement under the Securities Act of 1933, as amended, to register the 25,000,000 shares of our common stock reserved for issuance under the Plan on March 30, 2004.

Repricing of Options in 2004

Edgar Filing: EYI INDUSTRIES INC. - Form PRE 14A

to purchase 3,200,000 shares of our common stock granted in favor of of \$0.19. The option price was reduced to \$0.08 per share in order that the exercise price was more reflective of the then current trading price of our common stock and in order to provide a continuing performance incentive. The 6,400,000 options were cancelled on December 27, 2004 and 3,200,000 options were issued on December 27, 2004 to each of options have a \$0.08 exercise price and expire December 27, 2006.
