- (f) The Reporting Person is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Person acquired beneficial ownership of 35,334,040 of the Shares by acquiring 1,060,000 shares of the Issuer's Series A Preferred Stock ("Series A Stock") on August 13, 2001 in connection with the Issuer's private placement on that date of an aggregate of 2,575,000 shares of its Series A Stock for a purchase price of \$1.00 per share of Series A Stock (the Financing). Each share of Series A Stock is convertible into 33.334 Shares.

On October 30, 2001, the Reporting Person acquired beneficial ownership of an additional 422,140 shares of Series A Stock, a portion of which were issued by the Issuer in satisfaction of certain dividend requirements, and the balance of which were issued by the Issuer as a result of the Issuer's failure to meet certain financial targets during the quarter ended September 30, 2001, all pursuant to the terms of the Series A Preferred Stock Purchase Agreement dated as of August 13, 2001 among the Issuer and the purchasers named therein.

Item 4. Purpose of the Transaction

The Reporting Person holds the Shares as reported herein for the purpose of investment. Except as described herein, the Reporting Person has not formulated any plans or proposals which relate to or would result in:

Edgar Filing: TANISYS TECHNOLOGY INC - Form SC 13D/A

- (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) any change in the present board of directors of the Issuer, including any plans or proposals to change the number of term of directors or to fill any existing vacancies on the board;
- (e) any material change in the present capitalization or dividend policy of the Issuer;
- (f) any other material change in the Issuer's business or corporate structure;
- (g) changes in the Issuer's charter or bylaws or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or
- (j) any action similar to any of those enumerated above.

In connection with the Financing, the Issuer issued 2,575,000 shares of its Series A Stock for \$1.00 per share. Each share of Series A Stock is initially convertible into 33.334 shares of common stock. The holders of the Series A Stock will be entitled to a cumulative annual dividend of 15%, which, at the option of the holders of the Series A Stock, may be paid in cash or in additional shares of Series A Stock. The holders of the Series A Stock will have a liquidation preference in the event of any liquidation, sale, merger or similar event, and have registration rights and other customary rights. The Issuer has also agreed to make payments to the holders of the Series A stock, to the extent its cash flow meets certain levels, until the holders have received the amount of their investment in the Series A Stock; has granted a security interest in all of its assets to secure its obligation to make these payments; and has agreed to issue additional shares of Series A Stock equal to 50% of the then fully diluted common stock to the holders if the Issuer fails to return the amount of their investment, plus the mandatory dividends, by July 15, 2003. The Issuer has also agreed to issue, at up to six different times, additional shares of Series A Stock to the investors equal to 25% of the then fully diluted common stock if the Issuer fails to meet any of certain financial targets, beginning with the quarter ending Sept. 30, 2001. If the

Edgar Filing: TANISYS TECHNOLOGY INC - Form SC 13D/A

slowdown in the worldwide semiconductor industry continues for an extended period of time, the Issuer may not meet one or more of the specified financial targets, thus triggering the issuance of additional shares of Series A Stock. At the Issuer's Annual Meeting of Stockholders, the shareholders will vote on a proposal to authorize additional common stock necessary to facilitate the conversion of the Series A Stock. The holders of the Series A Stock will be entitled to vote with the holders of the common stock at the special meeting, and will control sufficient votes to approve the proposal. In connection with the transaction described above, two members of the Board of Directors of the Issuer resigned, and New Century Equity Holdings Corp., a Delaware corporation, (New Century) appointed two directors to the Board. Subject to certain requirements, New Century will have the right to appoint a third member to Issuer's five-member Board of Directors.

The Reporting Person reserves the right to (i) modify his present intentions and formulate plans or proposals to take any one or more of the actions referred to in paragraph (a) through (j) above and (ii) to increase or decrease his respective holdings of Common Stock through open market purchases, privately negotiated transactions or otherwise.

Item 5. Interest in Securities of the Issuer

(a) As set forth herein, the Reporting Person beneficially owns 49,405,655 Shares, which represent 67.2% of the outstanding Shares, based upon the number of Shares outstanding as of the most recent practicable date.

(b) As set forth herein, the Reporting Person has sole voting and dispositive power over the 49,405,655 Shares that he beneficially owns. The Reporting Person does not share voting or dispositive power over any Shares.
