To be held on May 13, 2004**

This proxy statement provides information that you should read before you vote on the proposals that will be presented to you at the 2004 annual meeting of Sinclair Broadcast Group, Inc. (Sinclair). The 2004 annual meeting will be held on May 13, 2004 at Sinclair's corporate office, 10706 Beaver Dam Road, Hunt Valley, MD 21030 at 10 a.m. local time.

This proxy statement provides detailed information about the annual meeting, the proposals you will be asked to vote on at the annual meeting and other relevant information. The board of directors of Sinclair is soliciting these proxies.

At the annual meeting, you will be asked to vote on the following proposals:

1. Elect eight directors, each for a one-year term;
2. Ratify the appointment of the firm of Ernst & Young LLP as independent auditors of Sinclair for the year ending December 31, 2004; and
3. Such other matters as may properly come before the meeting.

The Board of Directors recommends that the stockholders vote to elect the Board's nominees for director and to ratify the appointment of Ernst & Young LLP.

On or about April 9, 2004, we began mailing this proxy statement to people who, according to our records, owned common shares or beneficial interests in Sinclair as of the close of business on March 18, 2004. We have mailed with the proxy statement a copy of Sinclair's annual report to stockholders for the year ended December 31, 2003.

INFORMATION ABOUT THE 2004 ANNUAL MEETING AND VOTING

The Annual Meeting

The annual meeting will be held on May 13, 2004 at Sinclair's corporate office, 10706 Beaver Dam Road, Hunt Valley, MD 21030 at 10 a.m. local time.

This Proxy Solicitation

We are sending you this proxy statement because Sinclair's board of directors is seeking a proxy to vote your shares at the annual meeting. This proxy statement is intended to assist you in deciding how to vote your shares.

Sinclair is paying the cost of requesting these proxies. Sinclair's directors, officers and employees may request proxies in person or by telephone, mail, telecopy or letter. Sinclair will reimburse brokers and other nominees their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of our common shares.

Voting Your Shares

You may vote your shares at the annual meeting either in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. Ballots for voting in person will be available at the annual meeting. To vote by proxy, you must complete and return the enclosed proxy card in time for it to be received by us before the annual meeting. By completing and returning the proxy card, you will be directing the persons designated on the proxy card to vote your shares at the annual meeting in accordance with the instructions you give on the proxy card.

If you hold your shares with a broker and you do not tell your broker how to vote, your broker has the authority to vote on both proposals. Abstentions and broker non-votes (where a broker or nominee is not permitted to exercise discretionary authority to vote on a matter) are not counted as votes cast on any matter to which they relate, but are counted in determining the presence of a quorum.

If you decide to vote by proxy, your proxy card will be valid only if you sign, date and return it before the annual meeting scheduled to be held on May 13, 2004.

If you complete the proxy card, except for the voting instructions, then your shares will be voted FOR each of the director nominees identified on the proxy card, and FOR ratification of the selection of Ernst & Young LLP as the independent auditors of Sinclair for the 2004 year.

We have described in this proxy statement all the proposals that we expect will be made at the annual meeting. If a stockholder or we properly present any other proposal at the meeting, we will use your proxy to vote your shares on the proposal in our best judgment.

Revoking Your Proxy

If you decide to change your vote, you may revoke your proxy at any time before it is voted. You may revoke your proxy one of three ways:

You may notify the Secretary of Sinclair in writing that you wish to revoke your proxy, at the following address: Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland, 21030, Attention: J. Duncan Smith, Vice President and Secretary. We must receive your notice before the time of the annual meeting.

You may submit a proxy dated later than your original proxy.

You may attend the annual meeting and vote. Merely attending the annual meeting will not by itself revoke a proxy; you must obtain a ballot and vote your shares to revoke the proxy.

Vote Required for Approval

Shares Entitled to Vote. On March 18, 2004 (the record date), the following shares were issued and outstanding and had the votes indicated:

46,027,408 shares of class A common stock, each of which is entitled to one vote on each of the proposals,
and

40,023,250 shares of class B common stock, each of which is entitled to ten votes on each of the proposals.

Quorum. A majority of the outstanding shares of common stock entitled to vote, or a quorum, must be present at the annual meeting in order to transact business. A quorum will be present if 223,129,955 votes are represented at the annual meeting, either in person (by the stockholders) or by proxy. If a quorum is not present, a vote cannot occur. In deciding whether a quorum is present, abstentions and broker non-votes will be counted as shares that are represented at the annual meeting.

Votes Required. The votes required on each of the proposals are as follows:

Proposal 1: Election of Eight Directors	The eight nominees for director who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee.
Proposal 2: Ratification of Selection of Independent Auditors	The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the selection of independent auditors. If you abstain from voting, your abstention will not count as a vote cast for or against the proposal.

Additional Information

We are mailing our annual report to stockholders for the year ended December 31, 2003, including consolidated financial statements, to all stockholders entitled to vote at the annual meeting together with this proxy statement. The annual report does not constitute a part of the proxy solicitation material. The annual report tells you how to get additional information about Sinclair.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees for election to the board of directors are:

David D. Smith

Frederick G. Smith

J. Duncan Smith

Robert E. Smith

Daniel C. Keith

Martin R. Leader

Lawrence E. McCanna

Basil A. Thomas

Each director will be elected to serve for a one-year term, unless he resigns or is removed before his term expires, or until his replacement is elected and qualified. Each of the nominees listed above is currently a member of the board of directors and each of them has consented to serve as a director if elected. More detailed information about each of the nominees is available in the section of this proxy statement titled "Directors and Executive Officers," which begins on page 9.

If any of the nominees cannot serve for any reason (which is not anticipated), the board of directors may designate a substitute nominee or nominees. If a substitute is nominated, we will vote all valid proxies for the election of the substitute nominee or nominees. Alternatively, the board of directors may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the board.

The amended and restated certificate of incorporation provides that Sinclair's business shall be managed by a board of directors of not less than three and not more than thirteen directors with the number of directors to be fixed by the board of directors from time to time. The board of directors has presently established the size of the board at eight members. Proxies for the annual meeting may not be voted for more than eight nominees.

Messrs. David, Frederick, Duncan and Robert Smith (collectively, the controlling stockholders) are brothers and have entered into a stockholders agreement pursuant to which they have agreed to vote for each other as candidates for election to the board of directors until June 12, 2005.

The board of directors recommends a vote for each of the nominees to the board of directors.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

The audit committee of the board of directors has selected Ernst & Young LLP as Sinclair's independent auditors for 2004. If the stockholders do not ratify the appointment of Ernst & Young LLP, the audit committee will reevaluate the engagement of the independent auditors. Even if the appointment is ratified, the audit committee in its discretion may nevertheless appoint another firm of independent auditors at any time during the year if the audit committee determines that such a change would be in the best interests of the stockholders and Sinclair.

A representative of Ernst & Young LLP is expected to attend the annual meeting. The Ernst & Young representative will have the opportunity to make a statement if he or she desires to do so and will be able to respond to appropriate questions from stockholders. Additional information regarding fees paid to Ernst & Young LLP is available in the section of this proxy statement titled "Audit Committee, Audit Fees and Auditor Independence."

Pursuant to a recommendation by the audit committee of the board of directors and approval by the board of directors, effective May 17, 2002, we dismissed Arthur Andersen LLP as our independent public accountants and we engaged Ernst & Young LLP to serve as our independent auditors for the year ending December 31, 2002.

Arthur Andersen's reports on Sinclair's consolidated financial statements for the years ended December 31, 2001 and December 31, 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000 and through May 17, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on Sinclair's consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

Sinclair provided Arthur Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16 to Sinclair's Current Report on Form 8-K filed May 17, 2002 is a copy of Arthur Andersen's letter, dated May 17, 2002, stating its agreement with such statements.

During the years ended December 31, 2001 and 2000, and through the date of Arthur Andersen's dismissal, Sinclair did not consult Ernst & Young with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Sinclair's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The board of directors recommends a vote for ratification of the appointment of Ernst & Young LLP.

Meetings of the Board of Directors and Standing Committees

In 2003, the board of directors held a total of four meetings in which two unanimous consents were executed. Additionally, the board signed ten informal actions during the same year. Each director attended all meetings of the board of directors and all committees of the board of directors on which he served. All directors attended the Annual Meeting held on August 7, 2003, with the exception of Robert E. Smith, who participated telephonically. It is the board's policy that the directors should attend our annual meeting of stockholders, absent exceptional cause.

The board of directors currently consists of eight members. The board has determined that Messrs. McCanna, Keith and Leader meet the independence criteria under rule 4200 of the Nasdaq rules. The committees of the board of directors include an audit committee and a joint compensation and stock option committee.

Controlled Company Determination. The Company has determined that it is a "Controlled Company" for purposes of the Nasdaq listing requirements. A "Controlled Company" is a company of which more than 50% of the voting power is held by an individual, a group or another company. Certain Nasdaq requirements do not apply to a Controlled Company, including requirements that: (1) a majority of its board of directors must be comprised of independent directors as defined in Nasdaq's rules; and (2) the compensation of officers and the nomination of directors be determined in accordance with specific rules, generally requiring determinations by committees comprised solely of independent directors or in meetings at which only the independent directors are present. The Company's board of directors has determined that it is a "Controlled Company" because of the Class B common stock ownership of the Smith brothers and related facts, including the stockholders agreement mentioned above, the family relationship of the Smith brothers and the fact that the Smith brothers have been executive officers and/or directors of the Company at all times since it became public in 1995. Currently, David D. Smith, Frederick G. Smith and J. Duncan Smith are both executive officers and directors of the Company and Robert E. Smith is a director of the Company. The Smith brothers have filed a Schedule 13D, as amended, disclosing that they may be deemed to be acting as a group.

Audit Committee. The audit committee formally met seven times during the year ended December 31, 2003. The audit committee is governed by a written charter approved by the board of directors. A copy of this charter is included as Appendix 1. The report of the audit committee describes the scope of authority of the committee and may be found on page A-1.

The members of the audit committee are Messrs. Thomas, McCanna, Keith and Leader. Messrs. McCanna, Keith and Leader meet the independence criteria established by Nasdaq and the SEC. The board of directors has determined that all audit committee members are financially literate under the current listing standards of the Nasdaq and that Lawrence E. McCanna qualifies as an audit committee financial expert as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002.

Nasdaq rules adopted during 2003 require that audit committees have at least three directors and that all directors be independent, as defined by Nasdaq and SEC rules.

Notwithstanding the foregoing, one director who (1) is not independent as defined in the Nasdaq rules; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a family member of such officer or employee, may be appointed to the audit committee, if the board, under exceptional and limited circumstances, determines that membership on the audit committee by the individual is required by the best interests of the company and its stockholders, and the board discloses, in the next annual proxy statement subsequent to such, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the audit committee.

Pursuant to the Nasdaq rules governing director independence, Basil A. Thomas is not deemed to be independent because of Mr. Thomas's relationship to our outside counsel. Mr. Thomas is of counsel to Thomas & Libowitz, P.A. and the father of Steven A. Thomas, a partner and founder of Thomas & Libowitz, P.A., which serves as our outside counsel. During 2003, Sinclair paid Thomas & Libowitz, P.A. approximately \$350,000 in fees and expenses for legal services.

Notwithstanding Mr. Thomas's failure to meet Nasdaq's current independence criteria, the board of directors has determined that it is in the best interests of Sinclair and its stockholders that Mr. Thomas serve on both the board and the audit committee. This determination is based on the personal knowledge that the board has with respect to Mr. Thomas's financial abilities, knowledge and integrity, based in large part on his past services as a Director of Sinclair since 1993 and a member of the audit committee since 1996.

Joint Compensation and Stock Option Committee. Nasdaq listing requirements require that compensation of executive officers be determined, or recommended to the board of directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors. As a controlled company, however, we are not subject to this listing requirement and, as a result, the board of directors has determined that notwithstanding Mr. Thomas's failure to meet Nasdaq's current independence criteria, it is in the best interest of Sinclair and its stockholders that Mr. Thomas serve on the joint compensation and stock option committee. The other members of the joint compensation and stock option committee are Messrs. McCanna, Keith, and Leader, all of whom meet the independence criteria established by Nasdaq listing requirements and the SEC. This committee is charged with the responsibility for setting executive compensation, reviewing certain compensation programs and making recommendations to the board of directors in the interval between meetings. The joint compensation and stock option committee formally met ten times during the year ended December 31, 2003.

Nominating Committee. The board does not have a standing nominating committee and there is no formal nominating committee charter, although the board has adopted a resolution addressing the director nominations process. Instead, the directors who are determined to be independent under the Nasdaq rules perform the functions of a nominating committee. The board believes it is appropriate not to maintain a standing nominating committee primarily because the relatively small number of independent directors on the Board makes it unnecessary to separate the nominating function into a committee structure.

The Company's independent directors are responsible for identifying and recommending nominees to the Board of Directors for membership on the Board. The independent directors' primary responsibilities in recommending nominees are to: (1) establish criteria for the selection of new directors to become members of the Board, which criteria shall be approved by the board; (2) lead the search for and identify individuals qualified to become members of the Board and conduct the necessary and appropriate inquiries into the backgrounds and qualifications of possible nominees; (3) consider questions of independence and possible conflicts of interest of members of the Board and executive officers, and whether a candidate has special interests or a specific agenda that would impair his or her ability to effectively represent the interest of all stockholders; (4) consider recommendations for director nominees from current directors and executive officers, stockholders and other parties they deem appropriate; (5) have the authority to retain and terminate a search firm to identify director candidates at the Company's expense; (6) determine each proposed nominee's qualifications for service on the Board; (7) consult with the CEO and Chairman of the Board during the process of identifying director nominees; (8) identify and recommend annually, or as vacancies or newly created positions occur, director nominees for approval by the Board of Directors; and (9) review the composition and size of the Board in order to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as a director of the Company.

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

The independent directors will consider nominees proposed by stockholders. Although there is no formal policy regarding stockholder nominees, the board of directors believes that stockholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on an assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the board at that time. To recommend a prospective nominee for consideration, stockholders should submit the candidate's name, contact information, biographical material and qualifications in

writing to Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030.

Stockholder Communication with the Board. Stockholders and other parties interested in communicating directly with the Board, any Board committee or any director, may do so by writing to Sinclair Board of Directors, c/o Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030. Under the process adopted by the Board, letters received by the Company and addressed to members of the Board are reviewed by the Corporate Secretary of the Company who will regularly forward a summary and copies of all such correspondence to the Board.

Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the chairman of the audit committee and handled in accordance with procedures established by the audit committee with respect to such matters.

However, stockholder communications that constitute advertising or promotion of a product or service or relate to improper or irrelevant topics will not be forwarded to the Board, any Board committee or any director.

Compensation and Stock Option Committee Report on Executive Compensation

The Compensation and Stock Option Committee of the Board of Directors consists entirely of non-employee directors: Daniel C. Keith, Martin R. Leader, Lawrence E. McCanna and Basil A. Thomas. The Committee determines all compensation paid or awarded to our executive officers. Basil A. Thomas abstained from voting on the compensation for the Chief Executive Officer.

Compensation Decisions in 2003. In making its compensation decisions for 2003, the Committee considered the Company's operating performance, cash flow, pursuit of growth opportunities, and achievement of business and operating objectives, all in light of adverse economic conditions. In addition, the Committee considered management's recommendations for individual compensation awards.

While the Committee considered individual and Company performance factors in making individual compensation decisions, the Committee applied its own business judgment in making final determinations.

Executive officers' compensation is comprised of three components:

base salary

cash bonus

stock options

Base Salary. The Committee establishes base salaries for executive officers (including the Chief Executive Officer) after considering a variety of factors that make up value and usefulness to Sinclair, including the individual's knowledge, experience, accomplishments, level of responsibility, and typical compensation levels for individuals with similar credentials.

Cash Bonus. The Committee may determine to award cash bonuses for any year on a discretionary or on a contractual basis. The Committee's review of cash bonuses for 2003 was based on its knowledge of Sinclair, communication with executives throughout the year, and review of each executive officer's individual performance. No relative ranking of these various factors was applied.

Stock Options. The Committee believes achievement of Sinclair's business goals may be fostered by a stock option program that is tailored to employees who significantly enhance the value of the company. Options are awarded on

recommendations from management based on pre-approved performance guidelines for certain designated employees. For senior executives, the Committee takes into consideration recommendations of management, where appropriate, and such other factors which, in the judgment of the Committee, are important. During the year ended December 31, 2003, the Committee granted employees options to purchase 428,500 shares of Class A Common Stock. Named executive officers received options totaling 135,000 shares of Class A Common Stock.

Chief Executive Officer's Compensation. As one of our largest stockholders, David D. Smith's financial well-being is directly tied to the performance of Sinclair. Under his leadership, the Company restructured its debt, instituted both the direct mail initiative and the News Central format, as well as various other programs with skill and vision to the benefit of the Company and its stockholders. For his services as Sinclair's President, Chief Executive Officer, and Chairman of the Board, David D. Smith's base salary for 2003 was \$1,000,000 and he was granted options to purchase 200,000 shares of Class A Common Stock under the Company's Long-Term Incentive Plan. Mr. Smith did not receive a cash bonus for 2003. For 2004, the Committee determined to maintain Mr. Smith's base salary at \$1,000,000.

Comparative Stock Performance

The following line graph compares the yearly percentage change in the cumulative total stockholder return on our class A common stock with the cumulative total return of the Nasdaq Stock Market Index and the cumulative total return of the Nasdaq Telecommunications Stock Market Index (an index containing performance data of radio, telephone, telegraph, television, and cable television companies) from December 31, 1998 through December 31, 2003. The performance graph assumes that an investment of \$100 was made in the class A common stock and in each Index on December 31, 1998, and that all dividends were reinvested. Total stockholder return is measured by dividing total dividends (assuming dividend reinvestment) plus share price change for a period by the share price at the beginning of the measurement period.

Certain Relationships and Related Transactions

During the year ended December 31, 2003, we engaged in the following transactions with the following persons:

directors, nominees for election as directors, or executive officers;

beneficial owners of 5% or more of our common stock;

immediate family members of any of the above; and

entities in which the above persons have substantial interests.

Gerstell Development LP, an entity wholly owned by the controlling stockholders, was formed in April 1993 to acquire certain of our personal and real property interests in Pennsylvania. In a transaction that was completed in September 1993, Gerstell Development LP acquired the WPGH office/studio, transmitter and tower site for an aggregate purchase price of \$2.2 million. The purchase price was financed in part by a \$2.1 million note from Gerstell Development LP bearing interest at 6.18% with principal payments beginning on November 1, 1994 and a final maturity date of October 1, 2013. As of December 31, 2003, the balance outstanding was approximately \$1.4 million. The note was paid in full in February 2004.

On September 30, 1990, we issued certain notes (the founders' notes) maturing on October 31, 2005, payable to the late Julian S. Smith and Carolyn C. Smith, former majority owners of Sinclair and the parents of the controlling stockholders. The founders' notes, which were issued in consideration for stock redemptions equal to 72.65% of the then outstanding stock of Sinclair, had original principal amounts of \$7.5 million and \$6.7 million, respectively. The founders' notes include stated interest rates of 8.75%, which were payable annually from October 1990 until October 1992, then payable monthly commencing April 1993 to December 1996, and then semi-annually thereafter until maturity. The effective interest rate approximates 9.4%. The founders' notes are secured by security interests in substantially all of Sinclair's assets and subsidiaries, and are personally guaranteed by the controlling stockholders.

Principal and interest payments on the founders' notes are payable, in various amounts, each April and October, beginning October 1991 until October 2005, with a balloon payment due at maturity in the amount of \$1.5 million. Additionally, monthly interest payments commenced April 1993 and continued until December 1996. The Carolyn C. Smith note was fully paid as of December 31, 2002. Principal and interest paid on the Julian S. Smith note was \$1.5 million for the year ended December 31, 2003. At December 31, 2003, \$3.1 million of the Julian S. Smith note remained outstanding.

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

Cunningham Broadcasting Corporation (Cunningham, formerly GlenCairn) is a corporation owned by Carolyn C. Smith, the mother of the controlling stockholders (10%), and certain trusts established by Carolyn C. Smith for the benefit of her grandchildren (the Cunningham Trusts) (90%).

The 90% equity interest in Cunningham owned by the Cunningham Trusts is held through non-voting common stock. The 10% equity interest in Cunningham owned by Carolyn C. Smith is held through the ownership of all the issued and outstanding voting stock of Cunningham. Mrs. Smith is Vice-President of Cunningham.

Concurrently with our initial public offering, we acquired options from certain stockholders of Cunningham that grant us the right to acquire, subject to applicable FCC rules and regulations, 100% of the capital stock of Cunningham. The Cunningham option exercise price is based on a formula that provides a 10% annual return to Cunningham. Cunningham is the owner-operator and FCC licensee of WNUV-TV in Baltimore, WRGT-TV in Dayton, WVAH-TV in Charleston, WV, WTAT-TV in Charleston, SC, WBSC-TV in Asheville/Greenville and Spartanburg and WTTE-TV in Columbus. We have entered into five-year LMA agreements (with five-year renewal terms at the Company's option) with Cunningham pursuant to which we provide programming to Cunningham for airing on WNUV-TV, WRGT-TV, WVAH-TV, WTAT-TV, WBSC-TV and WTTE-TV. During the year ended December 31, 2003, we made payments of \$4.7 million to Cunningham under these LMA agreements.

In January 1999, we entered into a Local Marketing Agreement with Bay Television, Inc., which owns the television station WTTA-TV in Tampa, FL. The controlling stockholders own a substantial portion of the equity of

Bay Television, Inc. The Local Marketing Agreement provides that we deliver television programming to Bay Television, Inc., which broadcasts the programming in return for a monthly fee to Bay Television, Inc. of \$143,500. We must also make an annual payment equal to 50% of the annual broadcast cash flow, as defined in the Local Marketing Agreement, of the station, which is in excess of \$1.7 million. The additional payment is reduced by 50% of the broadcast cash flow, as defined in the Local Marketing Agreement that was below zero in prior calendar years. During 2003, we made payments of approximately \$1.7 million related to the Local Marketing Agreement. No payment was made in 2003 related to the broadcast cash flow that exceeded \$1.7 million for the year ended December 31, 2003 as it was offset by the negative broadcast cash flow of prior years.

From time to time, we enter into charter arrangements to lease aircraft owned by controlling stockholders, David D. Smith and Frederick G. Smith. During the year ended December 31, 2003, we incurred expenses of approximately \$200,000 related to these arrangements.

In 1997, we entered into a lease transaction with Cunningham Communications, Inc. (CCI), a corporation wholly owned by the controlling stockholders, to lease space on broadcast towers from CCI. In January 1991, we entered into a ten-year capital lease with Keyser Investment Group (KIG), a corporation wholly owned by the controlling stockholders, pursuant to which we lease an administrative facility and studios for station WBFF. Additionally, in June 1991, we entered into a one-year renewable lease with KIG pursuant to which we lease parking facilities at the administrative facility. In June 1999, Sinclair entered into a ten-year capital lease with Beaver Dam, LLC, a corporation wholly owned by three of the controlling stockholders, pursuant to which Sinclair leases office space for its corporate headquarters. Lease payments made to these entities were \$4.1 million for the year ended December 31, 2003.

On December 30, 2002, we invested \$20 million in Summa Holdings, Ltd. (Summa), resulting in a 17.5% equity interest. Summa is a holding company, which owns automobile dealerships and a leasing company. David D. Smith, our President and Chief Executive Officer, has a controlling interest in Summa and is a member of the Board of Directors. We sold advertising time to Summa on WBFF-TV and WNUV-TV and received payments totaling \$0.4 million during the twelve months ended December 31, 2003. We purchased a total of \$0.2 million in vehicles and related vehicle services from Summa during the twelve months ended December 31, 2003. Summa leases certain dealership properties from a partnership in which David D. Smith has a 50% ownership interest. Summa made lease payments to this partnership of \$6.3 million for the year ended December 31, 2003. Aggregate future minimum lease payments due to the partnership are \$50.0 million through 2013.

In August 1999, Allegiance Capital Limited Partnership (Allegiance) was established as a small business investment company. Sinclair, the controlling stockholders and our Chief Financial Officer and Executive Vice President are the limited partners. C. Wayne Davis and Steven A. Thomas have ownership interests in Allegiance Capital Management Corporation (ACMC) and are members of the law firm of Thomas and Libowitz, P.A., outside counsel to Sinclair. ACMC, as the general partner, controls all decision making, investing, and management of operations in exchange for a monthly management fee based on actual expenses incurred which currently averages approximately \$35,600 paid by the limited partners. We, along with the other limited partners, have committed to investing up to a combined total of \$15.0 million of which \$7.5 million was invested as of December 31, 2003.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors, officers (including our chief executive officer, chief financial officer, chief accounting officer and corporate controller and any person performing similar functions) and employees. We have made the Code of Business Conduct and Ethics available on our website at www.sbgi.net. Any waiver or amendment of the Code for executive officers or directors of the Company must be promptly disclosed as required by law or stock exchange regulations.

AUDIT COMMITTEE, AUDIT FEES AND AUDITOR INDEPENDENCE

Report of the Audit Committee

The audit committee assists the Board of Directors in its oversight of financial reporting practices and the quality and integrity of the financial reports of Sinclair, including compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of Sinclair's internal audit function. The audit committee is also responsible for the appointment of Sinclair's independent auditors, which appointment may be ratified by the stockholders. The audit committee is also responsible for reviewing compliance with Sinclair's ethics policy and has established procedures for the receipt, retention and treatment of complaints received by Sinclair regarding accounting controls or auditing matters and the confidential, anonymous submission by employees of Sinclair of concerns regarding questionable accounting or auditing matters. The audit committee operates under a formal written charter that has been adopted by the Board of Directors, and reviewed by the audit committee on an annual basis.

The audit committee has received from Sinclair's independent auditors, Ernst & Young LLP (E&Y), written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, regarding E&Y's independence, including a detailed statement of the relationship between E&Y and Sinclair that might bear on E&Y's independence, and has discussed with E&Y its independence. The audit committee has discussed whether the provision of non-audit services by E&Y is compatible with maintaining E&Y's independence. E&Y has stated that it believes that it is in full compliance with all of the independence standards established under generally accepted auditing standards and the rules of the SEC. The audit committee concurs, and has approved all non-audit services provided by E&Y in 2003. The audit committee also has discussed with E&Y the matters required to be discussed by Statements on Auditing Standards No. 61, Communication with Audit Committees and No. 90, Audit Committee Communications, including the selection of and changes in Sinclair's significant accounting policies, the basis for management's accounting estimates, E&Y's conclusions regarding the reasonableness of those estimates, and the disclosures included in the financial statements.

The audit committee met with management and representatives of E&Y in connection with its review of Sinclair's audited financial statements for the year ended December 31, 2003. Based on such review and discussion, and based on the audit committee's reviews and discussions with E&Y regarding its independence and the matters required to be discussed under statement on Auditing Standards No. 61 and No. 90, the audit committee recommended to the Board of Directors that the audited financial statements be included in Sinclair's Annual Report on Form 10-K and the Board has approved that recommendation.

The audit committee has reviewed and discussed the fees paid to E&Y during the last year for audit and non-audit services, which are set forth in the proxy statement under Disclosure of Fees Charged by Independent Auditors, and has determined that the provision of the non-audit services are compatible with E&Y's independence.

Fees paid to Ernst & Young LLP for the calendar year 2002 audit of our annual financial statements and the reviews of the financial statements included in the 2002 Forms 10-Q were \$883,938. In addition, payments to our former auditor, Arthur Andersen LLP, totaled \$212,923 for 2002.

Fees include benefit plan audits, accounting consultations, offering assistance, SEC consulting and comfort letters totaling \$38,442 paid to Ernst & Young LLP for the year ended December 31, 2003. Audit related services for the year ended December 31, 2002 totaling \$40,410 were paid to Ernst & Young LLP.

All Other Fees. None.

All audit related services, tax services and other services were pre-approved by the Audit Committee, which concluded that the provision of such services by E&Y was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's policy provides for pre-approval of audit, audit-related and tax services specifically described by the Committee on an annual basis. The policy authorizes the Committee to delegate to the Audit Committee Chairman pre-approval authority with respect to permitted services.

AUDIT COMMITTEE CHARTER

AS OF FEBRUARY 2004

I. Purpose

The primary functions of the Audit Committee are to oversee the:

- (i) systems of internal and disclosure controls regarding the finance, accounting, legal issues, regulatory compliance and ethical behavior;
- (ii) accounting and financial reporting and disclosure processes and the audits of the Company's financial statements;
- (iii) financial statement and other financial information provided to the public or reporting agency; and
- (iv) performance of the Company's Internal Audit Department and independent auditors. Consistent with these functions, the Committee will encourage continuous improvement of, and foster adherence to, the Company's policies, procedures and practices at all levels.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of Management and the independent auditors.

II. Organization

The Audit Committee shall be comprised of three or more directors as determined by the Board of Directors, each of whom shall satisfy the independence requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended, and Rule 10A-3(b)(1) thereunder and the independence and financial literacy requirements of NASD Rule 4350(d)(2)(A), and at least one of whom shall satisfy the expertise and experience requirements of Item 401(h) of Regulation S-K and NASD Rule 4350(d)(2)(A)(iv).

Notwithstanding the foregoing, one director who (1) is not independent as defined in the Nasdaq rules; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a family member of such officer or employee, may be appointed to the audit committee, if the board, under exceptional and limited circumstances, determines that membership on the audit committee by the individual is required by the best interests of the company and its stockholders, and the board discloses, in the next annual proxy statement subsequent to such, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the audit committee.

Committee members should be appointed by the Board at the annual organizational meeting of the Board of Directors. Members shall serve until their successors shall be duly appointed and qualified. The Committee's chairperson shall be designated by the full Board or, if it does not do so, the Committee members shall elect a chairperson by vote of a majority of the full Committee. The Committee may form and delegate authority to subcommittees when appropriate.

III. Meetings

The Audit Committee shall meet, at a minimum, four times per year on a quarterly basis, or more frequently as circumstances require. The Committee shall require members of Management, the Internal Audit Department, the independent auditors and others to attend meetings and to provide pertinent information, as necessary. As part of its job to foster open communications, the Committee can meet in separate executive sessions during each of its four regularly scheduled meetings. They should meet

separately with Management, the head of the Internal Audit Department and the Company's independent auditors to discuss any matters that the Committee (or any of these groups) believes should be discussed privately as they consider necessary.

IV. Responsibilities and Duties

In recognition of the fact that the Company's independent auditors are ultimately accountable to the Audit Committee, the Committee shall have the sole authority and responsibility to select, evaluate, and, where appropriate, replace the independent auditors or nominate the independent auditors for stockholder approval. The Committee shall approve in advance all audit engagement fees and terms and all non-audit engagements with the independent auditors. The Committee shall consult with Management but shall not delegate these responsibilities.

To fulfill its responsibilities and duties, the Audit Committee shall:

With respect to the independent auditors:

(i) Have sole authority to appoint, determine funding for and oversee the work of the independent auditors (including resolution of disagreements between Management and the independent auditors regarding financial reporting) for the purpose of preparing its audit report or related work.

(iii) Have the sole authority to review in advance, and grant any appropriate pre-approvals of, (a) all auditing services to be provided by the independent auditors, (b) all non-audit services to be provided by the independent auditors, and (c) in connection therewith to approve all fees and other terms of engagement.

(iv) The Committee shall also review and approve disclosures required to be included in Securities and Exchange Commission periodic reports filed under Section 13(a) of the Securities Exchange Act of 1934 with respect to non-audit services.

(v) Review the performance of the Company's independent auditors during quarterly meetings.

(vi) On an annual basis, review and discuss with the auditors all relationships they have with the Company in order to evaluate their independence. The Committee: (i) shall ensure that the auditors submit to the

Committee on an annual basis a written statement (as required by the Independent Standards Board Standards No. 1) detailing all relationships and services that may impact their objectivity and independence; (ii) shall discuss with the independent auditors any disclosed relationship or services that may impact the objectivity and independence of the auditors; and (iii) shall satisfy itself as to the auditors' independence.

(vii) At least annually, obtain and review an annual report from the auditors describing (i) the auditors' internal quality control procedures and (ii) whether any material issues have been raised by the most recent internal quality control review, peer review, governmental or professional authority review. Obtain the corrective action steps being taken to deal with any such issues.

(viii) Confirm that the lead audit partner, or the lead audit partner responsible for reviewing the audit, for the Company's independent auditors has not performed audit services for the Company for each of the five previous fiscal years.

(ix) Review all reports required to be submitted by the independent auditors to the Committee under Section 10A of the Securities Exchange Act of 1934 and Item 2-07 of Regulation S-X thereunder.

(x) Review, based on upon the recommendation of the auditors and the Internal Audit Department, the scope and plan of the work to be done by the auditors for each fiscal year.

With respect to financial statements:

- (i) Review and discuss with Management, the Internal Audit Department and the auditors the Company's quarterly financial statements (including disclosures made in Management's Discussion and Analysis of Financial Condition and Results of Operations) and the auditors' review of the quarterly financial statements prior to submission to stockholders, and governmental body, any stock exchange or the public.

- (iii) Discuss with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, relating to the conduct of the audit.
- (iv) Recommend to the Board of Directors that the Company's quarterly statements and annual audited financial statements be included in the Company's Form 10-Q and 10-K, respectively, as required to be filed with the Securities and Exchange Commission.
- (v) Prepare the report required by the Securities and Exchange Commission to be included in the Company's annual proxy statement and any other Committee reports required by NASDAQ.

Periodic and Annual Reviews:

- (i) Periodically review separately with Management, the auditors and the Internal Audit Department (i) any significant disagreement between Management and the auditors or the Internal Audit Department in connection with the preparation of the financial statements, (ii) any difficulties encountered during the course of the audit (including restrictions on the scope of work or access to required information), and (iii) Management's response to each.
- (ii) Periodically meet separately with the auditors and obtain, (i) their judgments about the quality, appropriateness and acceptability of the Company's accounting principles and financial disclosure practices, as applied in its financial reporting and (ii) the completeness and accuracy of the Company's financial statements.

(iii) Consider and approve, if appropriate, significant changes to the Company's accounting principles and financial disclosure practices as suggested by the auditors, Management or Internal Audit Department. Review with the auditors, Management and the Internal Audit Department, at appropriate intervals the extent to which any changes or improvements in accounting of financial practices, as approved by the Committee, have been implemented.

(iv) Review with Management, auditors, Internal Audit and legal counsel any legal, regulatory or compliance matters that could have a significant impact on the Company's financial statements, including significant changes in accounting standards or rules as promulgated by the Financial Accounting Standards Board, the Securities and Exchange Commission or other regulatory authorities with relevant jurisdiction.

(v) Obtain and review an annual report from Management relating to the accounting principles used in preparation of the Company's financial statements (including those policies for which Management is required to exercise discretion or judgments regarding the implementation thereof).

Discussions with Management:

(i) Review and discuss with Management, the Company's earnings/press releases (including the use of pro-forma or adjusted non-GAAP information) as well as financial information and earnings guidance provided to analysts and rating agencies.

(ii) Review and discuss with Management, all material, off-balance sheet transactions, arrangements, obligations (including contingent obligations) and other relationships of the Company with unconsolidated entities or other persons, that may have a material current or future effect on financial condition, changes in financial condition, results of operations, liquidity, capital resources, or capital reserves.

(iii) Inquire about the application of the Company's accounting policies on a consistent basis from period to period, and the compatibility of these accounting policies with generally accepted accounting principles, and the Company's provisions for future occurrences which may have a material impact on the financial statements of the Company.
