**Item 1.01. Entry into a Material Definitive Agreement.**

On October 4, 2005, EPIX and its collaborative partner Schering AG executed an amendment to the Collaborative Research Agreement between the parties, dated as of May 26, 2003. The amendment, which takes effect as of September 30, 2005, modifies the definition of the field in the Collaborative Research Agreement.

The amendment also indicates that the parties intend to enter into a new collaborative research agreement by the end of 2005, which new agreement would replace the current Collaborative Research Agreement between the parties, and, further, that the parties intend to discuss the possible extension of the collaboration to include early stage development compounds resulting from the Agreement.

The terms and conditions of the amendment are incorporated herein by reference from the text of the amendment filed as Exhibit 99.1 hereto.

**Item 9.01. Financial Statements and Exhibits.**
