-

ITEM 1.01. Entry into a Material Definitive Agreement

On February 23, 2006, the Compensation Committee of the Board of Directors of Constellation Energy Group, Inc. (the Committee) approved the performance metrics that will be used to determine the amount of 2006 awards under Constellation Energy s annual incentive plans (collectively, the AIP) for approximately 150 employees (which includes each of the executive officers that will be named in Constellation Energy s 2006 annual meeting proxy statement (the Named Executive Officers), except Thomas Brooks, Chairman of Constellation Energy Commodities Group and Felix Dawson and George Persky, co-Chief Executive Officers of Constellation Energy Commodities Group. The aggregate maximum AIP award will be based on a combination of 2006 adjusted earnings per share and business unit and individual performance assessments. Mr. Brooks , Mr. Dawson s and Mr. Persky s 2006 awards will be based upon Constellation Energy, Constellation Energy Commodities Group and individual performance, subject to a maximum award of \$5 million.

The Committee also approved a long-term incentive award and retention program for 2006 that will be payable in cash. Grants under the program were made to approximately 150 employees, including each Named Executive Officer, and provide for cash payouts of 25% of the total award amount to be made upon the earlier of completion of Constellation Energy s merger with FPL Group, Inc. or March 1, 2007. The remainder of such award would be payable one year thereafter (or earlier upon an individual s employment being terminated without cause or, in the case of executive officers who are party to a change in control agreements, upon a resignation for good reason, as such term is defined in the change in control agreement). If the merger is terminated, payments under this program will be subject to the achievement of specified performance criteria. The terms of the foregoing grants to Constellation Energy s Named Executive Officers are consistent with the long-term incentive program guidelines filed as Exhibit 10 to this Form 8-K.

Finally, the Committee approved an amendment to Constellation s Executive Long-Term Incentive Plan (the Plan) to provide that certain grants made under the Plan after December 18, 2005, the date on which Constellation Energy entered into its merger agreement with FPL Group, will not vest or be cashed out when such merger is completed.
