EXPLANATORY NOTE

This 10-Q/A is being filed to amend Gaiam's Consolidated Balance Sheet at September 30, 2005 and Note 2 Mergers and Acquisitions included in Gaiam's Notes to the Interim Condensed Consolidated Financial Statements. These changes were necessitated by a change in the accounting treatment of the GoodTimes Entertainment acquisition. Gaiam had reflected the transaction as a business combination in accordance with SFAS No. 141. Based on further review of the requirements of SFAS 141 and the related guidance in EITF 98-3, Gaiam has concluded that it is more appropriate to treat the transaction as an asset acquisition, rather than a business combination. Accordingly, the balance sheet and footnote have been revised to reflect this treatment. The remaining information remains unchanged.

2. Mergers and Acquisitions

In the third quarter of 2005, Gaiam acquired a media catalog business and its customer mailing list. The total consideration given for these assets was 60,000 shares of Class A common stock, valued at \$390 thousand. The customer mailing list was valued at approximately \$160 thousand, and the balance of the purchase price was allocated to goodwill. Management believes that this media catalog, which is already established in the marketplace, will augment our Internet marketing in the direct to consumer distribution of our own media titles and those purchased from GoodTimes Entertainment. The operating results of this catalog are included in the results of operations from August 1, 2005. These results were not significant to the overall consolidated Gaiam operations.

On August 4, 2005, Gaiam and its Chairman and Chief Executive Officer, Jirka Rysavy, entered into a series of agreements with Revolution Living, LLC; its founder, Steve Case, and Revolution Living's LIME Media (LIME) subsidiary to establish a multi-faceted strategic relationship. Under the terms of the Transaction Agreement, Gaiam acquired a minority interest in LIME for approximately \$7.5 million.

In September 2005, Gaiam acquired the majority of the assets held by GoodTimes Entertainment and certain of its affiliates. GoodTimes Entertainment's assets included entertainment programming and home video products distributed through various channels, including television, retailers and the Internet. The total purchase price consisted of the following (in thousands):

Cash	\$	34,405
Acquisition, legal and accounting costs		621
Total purchase price	\$	35,026

Of the total purchase price, Gaiam allocated \$25,368 to the acquired media titles and content, and \$9,658 to the tangible assets purchased, net of assumed liabilities. This allocation of the total purchase price of the assets acquired from GoodTimes Entertainment was based on their estimated fair values as of the date of acquisition. Adjustments to these estimates will be included in the allocation of the purchase price, if the adjustment is determined within the purchase price allocation period of up to twelve months.

Gaiam commenced distribution of titles and content acquired in this asset purchase on September 13, 2005, and the results of sales in both the direct to consumer and business segments are included in the consolidated financial statements of Gaiam from this date.
