PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of InsWeb Corporation, a Delaware corporation (InsWeb or the Company), for use at its annual meeting of stockholders to be held on July 24, 2006, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The date of this Proxy Statement is June 9, 2006, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

SOLICITATION AND VOTING OF PROXIES

The cost of soliciting proxies will be borne by InsWeb. In addition to soliciting stockholders by mail, InsWeb will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of InsWeb registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. InsWeb may use the services of its officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, InsWeb has retained American Stock Transfer & Trust Co., a registrar and transfer agent firm, for assistance in connection with the annual meeting at no additional cost except for reasonable out-of-pocket expenses.

On May 26, 2006, there were 4,089,594 shares of InsWeb s Common Stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of Common Stock held by him or her. InsWeb s bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum.

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a stockholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before the time it is exercised by delivering to the Secretary of InsWeb a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Board Meetings and Committees

During the year ended December 31, 2005, the Board of Directors of InsWeb held seven meetings. During that period, the Audit Committee of the Board held six meetings, the Compensation Committee of

the Board held five meetings, and the Nominating and Corporate Governance Committee of the Board held one meeting. All directors attended or participated in more than 75% of the total number of meetings of the Board and any of the committees of the Board on which such director served during that period.

Audit Committee. The current members of the Audit Committee are Messrs. Orr, Corroon and Puccinelli. Mr. Orr is chairman of the committee. The Board of Directors has determined that each of the members of the Audit Committee is independent for purposes of the Nasdaq Marketplace Rules as they apply to audit committee members. The Board of Directors has also determined that Mr. Orr is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission. The functions of the Audit Committee include overseeing the quality of our financial reports and other financial information, retention of independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangements and results of InsWeb's annual audit, reviewing our critical accounting policies and the adequacy of our accounting and financial controls, and reviewing the independence of InsWeb's accountants. For additional information concerning the Audit Committee, see Report of the Audit Committee and Principal Accounting Firm Fees below.

Compensation Committee. The current members of the Compensation Committee are Messrs. Chookaszian, Orr and Puccinelli. Mr. Chookaszian is chairman of the committee. The Compensation Committee reviews and determines the salary and bonus criteria of and stock option grants to all executive officers. For additional information about the Compensation Committee, see Report of the Compensation Committee on Executive Compensation and Executive Compensation and Other Matters below.

Nominating and Corporate Governance Committee. The current members of the Nominating and Corporate Governance Committee are Messrs. Chookaszian, Corroon, Orr and Puccinelli, each of whom is independent for purposes of the Nasdaq Marketplace Rules. Mr. Corroon is chairman of the committee. The functions of the Nominating and Corporate Governance Committee include selecting, evaluating and recommending to the Board qualified candidates for election or appointment to the Board, and recommending corporate governance principles, codes of conduct and compliance mechanisms applicable to the Company.

Director Nominations

The Nominating and Corporate Governance Committee is responsible for the selection, and recommendation to the Board, of nominees for election as director. When considering the nomination of directors for election at an annual meeting, the Nominating and Corporate Governance Committee reviews the needs of the Board of Directors for various skills, background, experience and expected contributions and the qualification standards established from time to time by the Nominating and Corporate Governance Committee. When reviewing potential nominees, including incumbents, the Nominating and Corporate Governance Committee considers the perceived needs of the Board of Directors, the candidate's relevant background, experience and skills and expected contributions to the Board of Directors. The Nominating and Corporate Governance Committee also seeks appropriate input from the Chief Executive Officer from time to time in assessing the needs of the Board of Directors for relevant background, experience and skills of its members.

The Nominating and Corporate Governance Committee's goal is to assemble a Board of Directors that brings to InsWeb a diversity of experience at policy-making levels in business and technology, and in areas that are relevant to InsWeb's activities. Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of our stockholders. They must have an inquisitive and objective outlook and mature judgment. They must also have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are and have been affiliated. Director candidates must have sufficient time

available in the judgment of the Nominating and Corporate Governance Committee to perform all Board and committee responsibilities that will be expected of them. Members of the Board of Directors are expected to rigorously prepare for, attend and participate in all meetings of the Board of Directors and applicable committees. Other than the foregoing, there are no specific minimum criteria for director nominees, although the Nominating and Corporate Governance Committee believes that it is preferable that at least one member of the Board of Directors should meet the criteria for an audit committee financial expert as defined by SEC rules. Under applicable Nasdaq listing requirements, at least a majority of the members of the Board of Directors must meet the definition of independent director set forth in such requirements. The Nominating and Corporate Governance Committee also believes it appropriate for one or more key members of InsWeb's management, including the Chief Executive Officer, to serve on the Board of Directors.

The Nominating and Corporate Governance Committee will consider candidates for director proposed by directors or management, and will evaluate any such candidates against the criteria and pursuant to the policies and procedures set forth above. If the Nominating and Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the Nominating and Corporate Governance Committee may engage, as appropriate, a third party search firm to assist in identifying qualified candidates. All incumbent directors and nominees will be required to submit a completed directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee will also consider candidates for director recommended by a stockholder, provided that any such recommendation is sent in writing to General Counsel, InsWeb Corporation, 11290 Pyrites Way, Suite 200, Gold River, CA 95670-4481, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders and contains the following information:

- the candidate's name, age, contact information and present principal occupation or employment; and
- a description of the candidate's qualifications, skills, background and business experience during at least the last five years, including his or her principal occupation and employment and the name and principal business of any company or other organization where the candidate has been employed or has served as a director.

The Nominating and Corporate Governance Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

In addition, stockholders may make direct nominations of directors for election at an annual meeting, provided the advance notice requirements set forth in our Bylaws have been met. Under our Bylaws, written notice of any such nomination, including certain information and representations specified in the Bylaws, must be delivered to our principal executive offices, addressed to the General Counsel, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been advanced by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be received not later than the close of business on the tenth day following the day on which the public announcement of the date of such meeting is first made.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires InsWeb's executive officers, directors and persons who beneficially own more than 10% of InsWeb's Common Stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish InsWeb with copies of all Section 16(a) forms filed by such persons.

Based on InsWeb's review of reports furnished to InsWeb and representations from certain reporting persons, InsWeb believes that reports of changes in ownership (Form 4) during the year ended December 31, 2005 were timely filed, except for the reporting of the annual grant of options to directors in July 2005 which were reported in August 2005.
