Registration Statement on Form S-3ASR  
  
Filed June 6, 2006  
  
File No. 333-134798

Ladies and Gentlemen:

Pursuant to Rule 477(a) of the Securities Act of 1933, as amended (the "Securities Act"), Station Casinos, Inc. (the "Company") hereby applies for the withdrawal of the above-referenced Registration Statement with all exhibits thereto. No securities were sold in connection with the Registration Statement.

The Company is withdrawing the Registration Statement because forms of trust indentures were not filed as exhibits to the Registration Statement at the time of the Registration Statement's effectiveness, as required by the Securities and Exchange Commission's (the "Commission") automatic shelf procedure. Under the Trust Indenture Act of 1939, an indenture covering securities to be sold pursuant to a registration statement may only be qualified when that registration statement becomes effective, and not at the time of any post-effective amendment to that registration statement. As a result of this omission, an indenture covering debt securities of the Company to be sold under the Registration Statement would not be qualified under the Trust Indenture Act of 1939.

Accordingly, the Company hereby respectfully requests that an order granting the withdrawal of the Registration Statement be issued by the Commission as soon as reasonably possible.

Edgar Filing: STATION CASINOS INC - Form RW

The Company intends to refile a replacement registration statement on Form S-3ASR with the appropriate exhibits.
