#### INTRODUCTION TO UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

The unaudited pro forma consolidated balance sheet as of September 30, 2006, presents the consolidated financial position of Five Star as if the October 2006 private placement of \$126.5 million of our 3.75% convertible senior notes due 2026, or the convertible senior notes, had been completed as of September 30, 2006, as described in the notes thereto. The unaudited pro forma consolidated statement of operations for the nine months ended September 30, 2006, presents the consolidated results of operations of Five Star as if (1) our April 2006 offering of 11.5 million of our common shares, or the April 2006 equity offering; (2) the reduction in our management fees payable in respect of 10 Sunrise Senior Living Services, Inc., or SLS, management agreements that we terminated in June 2006; and (3) the October 2006 private placement of our convertible senior notes, had been completed as of January 1, 2006, as described in the notes thereto. This pro forma financial information does not give pro forma effect to other events subsequent to September 30, 2006, including, without limitation, (1) our commencement of the operations of two rehabilitation hospitals in October 2006, (2) HealthSouth Corporation s agreement in November 2006 to reimburse us for certain costs in connection with the transfer of the lease for the hospitals to us and (3) the seven SLS management agreements that we agreed with SLS in November 2006 to terminate.

These unaudited pro forma consolidated financial statements do not represent our consolidated financial condition or results of operations for any future date or period. Actual future results may be materially different from pro forma results. Differences could arise from many factors, including, but not limited to, those set forth under Risk factors and Warning concerning forward looking statements in our Annual Report on Form 10-K for the year ended December 31, 2005 and our Quarterly Reports on Form 10-Q for the quarters ended March 31 and September 30, 2006. These unaudited pro forma consolidated financial statements should be read in conjunction with our consolidated financial statements and the related management s discussion and analysis of financial condition and results of operations for the nine months ended September 30, 2006 included in our Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on November 9, 2006.
