Item 8.01 Other Events.

On May 24, 2007, Vista Gold Corp. (Vista) issued a press release reporting that its board of directors had determined the fair market value per share of Allied Nevada Gold Corp. (Allied Nevada) on May 10, 2007, the effective date of the previously announced plan of arrangement involving Vista, Allied Nevada and Carl and Janet Pescio (the Arrangement), was \$4.6265. Although this determination will not be binding on the U.S. Internal Revenue Service or the Canada Revenue Agency, it was necessary to, among other things, determine whether a deemed dividend arose for Canadian tax purposes in respect of the Arrangement. In light of this determination, Vista has concluded that no deemed dividend arose for Canadian tax purposes in respect of the Arrangement. Consequently, the shares of Allied Nevada withheld from certain shareholders of Vista at the closing of the Arrangement to satisfy potential withholding tax obligations if a deemed dividend for Canadian tax purposes arose, will be distributed to shareholders from whom they were withheld as soon as practicable.

As previously indicated in the management information and proxy circular of Vista dated October 11, 2006 (the Circular), Vista agreed to provide this information to its shareholders after the effective date of the Arrangement. For more information on this and other tax implications of the Arrangement, securityholders should review the Circular and consult with their own tax advisors.

The press release is furnished as Exhibit 99.1 and is attached hereto.
