**Private Placement**

## Edgar Filing: INTRUSION INC - Form 8-K

On September 26, 2007, we completed a private placement of unregistered securities (the Private Placement ) to one individual accredited investor at a purchase price equal to \$0.42 per share. The purchase price was determined by taking the average closing price for our common stock for the prior twenty trading days and multiplying this average by a factor of 110%. G. Ward Paxton, our Chairman, President and Chief Executive Officer purchased 1,190,476 shares for a total of \$500,000, increasing his beneficial ownership to 3,203,034 shares or 36.0% of our common stock.

We intend to use the proceeds from the Private Placement for general working capital purposes, including ongoing operating expenses, trade payables and the payment of dividends on our existing preferred stock. Our management will have broad discretion over how we use the net proceeds of this offering and could spend proceeds in ways with which stockholders do not agree. Pending deployment of the funds, we may invest the proceeds in ways that do not yield favorable returns.

We relied on Section 4(2) of the Securities Act of 1933 and Rule 506 of Regulation D as the basis for our exemption from registration for the issuance of the common stock.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Subscription Agreements, attached hereto as exhibits.

### **Item 8.01 Other Material Events**

On September 26, 2007, we issued a press release relating to the private placement, a copy of which is attached hereto as Exhibit 99.1 which is hereby incorporated by reference.
