**Item 8.01 Other Events**

On December 21, 2007, the Company reported that two of its French subsidiaries have entered into an agreement to purchase the 28 percent minority interest in LTR Industries S.A., the Company's reconstituted tobacco leaf business in France, owned by Société Nationale d'Exploitation Industrielle des Tabacs et Allumettes, S.A., a subsidiary of Altadis, SA. The transaction is expected to close by January 31, 2008. Upon closing of the transaction, Schweitzer-Mauduit affiliates in France will collectively own 100 percent of the outstanding shares of LTR Industries. The purchase price of 35 million euros (approximately \$50 million) will be funded through Schweitzer-Mauduit's existing credit facility.

The Company has maintained exclusive operational control of the LTR Industries production facility from its inception and therefore the representations, warranties and indemnities in the acquisition agreement were limited in nature and addressed primarily the quality of the seller's title to the shares being transferred. There are no material conditions to the closing of the transaction. LTR Industries' operating results have been included in the Company's consolidated financial reports since its inception. No impact on current operations is expected, including employment levels, as a result of this transaction.
