Item 1.01 Entry into a Material Definitive Agreement.

Amendment of Five Year Credit Agreement

On June 13, 2008, Agilent Technologies, Inc. (Agilent) entered into a Second Amendment (the Second Amendment) to the Five Year Credit Agreement (the Credit Agreement) among Agilent, certain lenders party thereto (the Lenders) and JPMorgan Chase Bank, N.A., as administration agent.

The Second Amendment amends the Credit Agreement to provide that the acceleration to July 16, 2008 by Merrill Lynch Capital Services, Inc. (Merrill) of the obligation of Agilent Technologies World Trade, Inc. to repurchase 15,000 Class A Preferred Shares of Agilent Technologies (Cayco) Limited, a indirect wholly-owned subsidiary of Agilent, at a repurchase price of \$1.5 billion (the World Trade Repurchase Obligation) will not constitute an event of default prior to July 11, 2008. On or after July 11, 2008, the existence of the accelerated World Trade Repurchase Obligation will constitute an event of default, unless either (1) Merrill shall have extended the repurchase date of the World Trade Repurchase Obligation beyond July 16, 2008 (or definitive agreements providing for such extension have been executed), or (2) Agilent shall have entered into definitive principal documentation with one or more counterparties regarding a transaction which would satisfy the World Trade Repurchase Obligation on or prior to its due date on July 16, 2008. In the event that the World Trade Repurchase Obligation is extended beyond July 16, 2008, an event of default will occur on the earlier of (A) the third business day prior to the date on which the World Trade Repurchase Obligation is due, and (B) November 16, 2008.

Prior to the effectiveness of the Second Amendment, an event of default would be deemed to exist under the Credit Agreement on June 16, 2008 if the World Trade Repurchase Obligation was not satisfied prior to that date.

If a default were to occur under the Credit Agreement, the Lenders could require Agilent to immediately repay any outstanding debt and refuse to lend additional amounts until such default were cured.

The World Trade Obligation relates to the Master Repurchase Agreement and related Confirmation dated November 16, 2007 between World Trade and a counterparty, which amended the original agreement dated January 27, 2006. World Trade sold the Purchased Securities to the counterparty for a total price of \$1.5 billion, the amount of the aggregate liquidation preference. World Trade would have been obligated to repurchase the Class A Preferred Shares from the counterparty on January 27, 2011 for 100% of their aggregate liquidation preference, subject to Merrill s right to accelerate that repurchase by written notice to Agilent to a repurchase date to occur no earlier than 120 days from the date of any notice. However, Merrill gave World Trade an acceleration notice on March 18, 2008.

A copy of the Second Amendment is filed herewith as Exhibit 10.3 and is incorporated herein by reference. The foregoing description is qualified in its entirety by reference to the full text of the agreement.
