**Item 1.01 Entry into a Material Definitive Agreement.**

On September 12, 2008, Hertz Vehicle Financing LLC ( "HVF" ), a bankruptcy-remote special purpose entity wholly-owned by The Hertz Corporation ( "THC" ), an indirect wholly-owned subsidiary of Hertz Global Holdings, Inc. (the "Company" ), completed the closing of a new variable funding note facility referred to as the Series 2008-1 Variable Funding Rental Car Asset Backed Notes (the "Series 2008-1 Notes" ). The aggregate principal amount of such facility is not to exceed \$825,000,000 and such facility is available to HVF on a revolving basis. The Series 2008-1 Notes were not funded on the closing date.

The Series 2008-1 Notes are secured primarily by, among other things, a pledge in (i) collateral owned by HVF, including substantially all of the U.S. car rental fleet that THC uses in its daily rental operations, a portion of which is subject to repurchase programs with vehicle manufacturers, (ii) the related manufacturer receivables, (iii) all rights of HVF under a lease agreement between THC and HVF relating to such U.S. car rental fleet, and (iv) all monies on deposit from time to time in certain collection and cash collateral accounts and all proceeds thereof. The assets of HVF, including the U.S. car rental fleet owned by HVF, will not be available to satisfy the claims of THC or the Company's general creditors.

The expected final maturity date of the Series 2008-1 Notes is August 15, 2010 and the legal final maturity date of the Series 2008-1 Notes is August 15, 2011. The Series 2008-1 Notes bear interest at variable rates partially based upon their rating. The Series 2008-1 Notes are currently rated "A" by Standard & Poor's Ratings Services and "A2" by Moody's Investors Service and based on these ratings the borrowing spread is approximately 150 basis points higher than HVF's existing variable funding notes.

Pursuant to a note purchase agreement, HVF sold the Series 2008-1 Notes to each of Deutsche Bank AG, New York Branch, Nantucket Funding Corp. LLC, (an affiliate of Deutsche Bank AG, New York Branch), Sheffield Receivables Corporation (an affiliate of Barclays Bank PLC), and Merrill Lynch Mortgage Capital Inc. The Series 2008-1 Notes were issued pursuant to a series supplement to HVF's indenture (the "Indenture" ) with The Bank of New York Mellon Trust Company, N.A., as trustee.

The Series 2008-1 Notes are subject to events of default and amortization events that are customary in nature for U.S. rental car asset-backed securitizations of this type, including non-payment of principal or interest, violation of covenants, material inaccuracy of representations or warranties, failure to maintain certain enhancement levels and insolvency or certain bankruptcy events. The occurrence of an amortization event or event of default could result in the acceleration of principal of the Series 2008-1 Notes and the liquidation of vehicles in the U.S. car rental fleet.

HVF is subject to numerous restrictive covenants under the Indenture and related agreements, including restrictive covenants with respect to liens, indebtedness, benefit plans, mergers, disposition of assets, acquisition of assets, dividends, officers compensation, investments,

agreements, the types of business it may conduct and other customary covenants for a bankruptcy-remote special purpose entity.

Certain of the purchasers of the Series 2008-1 Notes, the administrative agent and the trustee, and their respective affiliates, have performed and may in the future perform, various investment banking, commercial banking, and other financial advisory services for the Company and its subsidiaries for which they have received and will receive, customary fees and expenses, and such parties are also participants in other credit facilities of the Company and its subsidiaries.
