Explanatory Note

On February 9, 2010, The Coca-Cola Company (the Registrant) issued a press release announcing its preliminary financial results for its fourth quarter and fiscal year ended December 31, 2009 and furnished the press release on a Current Report on Form 8-K (the Initial Form 8-K). Subsequently, the Registrant concluded that it had misclassified \$2,130 million of bank time deposits with maturities in excess of three months but less than one year as cash and cash equivalents. This Amendment No. 1 on Form 8-K/A (this Form 8-K/A) to the Initial Form 8-K is being furnished to revise the Condensed Consolidated Balance Sheets and Condensed Consolidated Statements of Cash Flows included in Exhibit 99.1 to the Initial Form 8-K to reflect the appropriate classification of these bank time deposits.

The revised Condensed Consolidated Balance Sheets included in Exhibit 99.2 to this Form 8-K/A reflect the following changes in the Current Assets section (i) a reduction of \$2,130 million in the line item Cash and cash equivalents at December 31, 2009, (ii) the addition of the line item Short-term investments (\$2,130 million at December 31, 2009 and zero at December 31, 2008), and (iii) the addition of the line item Total Cash, Cash Equivalents and Short-Term Investments (\$9,151 million at December 31, 2009 and \$4,701 million at December 31, 2008). The revised Condensed Consolidated Statements of Cash Flows included in Exhibit 99.2 to this Form 8-K/A reflect the following changes for the year ended December 31, 2009 (i) in the Investing Activities section, an increase of \$2,130 million in the line item Purchases of other investments and a corresponding increase in the line item Net cash used in investing activities and (ii) in the Cash and Cash Equivalents section, a decrease of \$2,130 million in the line item Net increase during the year and a corresponding decrease in the line item Balance at end of year.

The revisions in this Form 8-K/A do not affect (i) the text of the press release or (ii) the Condensed Consolidated Statements of Income, the Operating Segments table or the Reconciliation of GAAP and non-GAAP Financial Measures tables included in the press release. The Registrant will revise the press release posted on its website at [www.thecoca-colacompany.com](http://www.thecoca-colacompany.com) to reflect the appropriate classification of the bank time deposits.
