**EXPLANATORY NOTE**

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-3 (Registration Number 333-167837) (the "Registration Statement") is being filed for the purpose of (i) removing Mimosa Systems, Inc. ("Mimosa"), Stratify, Inc. ("Stratify") and Iron Mountain Government Services Incorporated ("Government Services") as subsidiary guarantor registrants from the Registration Statement and (ii) reflecting the name change of subsidiary guarantor registrant Iron Mountain Global, Inc. ("Global Inc.") to Iron Mountain Global Holdings, LLC ("Global LLC").

On June 2, 2011, Iron Mountain Incorporated ("IMI") completed the sale (the "Digital Sale") of its online backup and recovery, digital archiving and eDiscovery solutions businesses of its digital business to Autonomy Corporation plc ("Autonomy"), pursuant to a purchase and sale agreement dated as of May 15, 2011, among IMI, certain subsidiaries of IMI and Autonomy. As a result of the Digital Sale, Mimosa and Stratify are no longer subsidiaries of IMI and will not issue any subsidiary guarantees in connection with any offering of IMI's securities pursuant to the Registration Statement.

Effective December 23, 2010, Global Inc. completed its conversion from a Delaware corporation to a Delaware limited liability company and changed its name to Iron Mountain Global Holdings, LLC. Global LLC continues to be a subsidiary of IMI and will continue to issue subsidiary guarantees in connection with any offering of IMI's securities pursuant to the Registration Statement.

Effective September 30, 2010, Government Services was merged into co-registrant Iron Mountain Information Management, Inc. ("IMIM"), with IMIM being the surviving entity. IMIM continues to be a subsidiary guarantor registrant. As a result of the merger, Government Services is no longer a subsidiary of IMI and will not issue any subsidiary guarantees in connection with any offering of IMI's securities pursuant to the Registration Statement.

No changes or additions are being made hereby to the base prospectus that already forms a part of the Registration Statement. Accordingly, such base prospectus is being omitted from this filing.

All such amounts will be borne by Iron Mountain Incorporated, or Iron Mountain or the Company.

Registration Fee Under Securities Act of 1933	\$	*
Legal Fees and Expenses	\$	75,000
Accounting Fees and Expenses	\$	20,000
Miscellaneous Fees and Expenses	\$	5,000
Total:	\$	100,000

\* In accordance with Rule 456(b) and 457(r) under the Securities Act of 1933, as amended, or the Securities Act, we are deferring payment of the registration fee for the securities offered hereby.

**Item 15. *Indemnification of Directors and Officers***

We are a Delaware corporation. Section 102 of the Delaware General Corporation Law, or the DGCL, permits a corporation to include a provision in its certificate of incorporation eliminating or limiting the personal liability of a director to a corporation or its stockholders for monetary damages for certain breaches of the director's fiduciary duty, except (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) the payment of unlawful dividends or unlawful stock repurchases or redemptions or (iv) transactions from which the director received an improper personal benefit. Our certificate of incorporation eliminates the liability of directors to the fullest extent permissible under Delaware law.

Section 145 of the DGCL, or Section 145, authorizes a corporation to indemnify its directors, officers, employees and agents against certain liabilities (including attorney's fees, judgments, fines and expenses) they may incur in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, or a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. Section 145 also provides that such persons have a right to indemnification against

expenses where they have been successful on the merits or otherwise in defense of such actions. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 145 empowers the corporation to purchase and maintain insurance on behalf of any directors, officers, employees and agent, against any liability asserted against such person and incurred by such person in any such capacity, whether or not the corporation would have the power to indemnify such person against such liability under Section 145.

Section 145 provides that the indemnification provided thereby is not exclusive of any other indemnification rights that may exist under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise.

Article 12 of the Company's bylaws provides indemnification to directors and officers for all actions taken by them and for all failures to take action to the fullest extent permitted by Delaware law against all expense, liability and loss reasonably incurred or suffered by them in connection with any threatened, pending or completed action, suit or proceeding (including, without limitation, an action, suit or proceeding by or in the right of the Company), whether civil, criminal, administrative or investigative. Article 12 also permits the Company, by action of its board of directors, to indemnify employees and other agents of the Company to the same extent as directors and officers. Amendments, repeals or modifications of Article 12 can only be prospective and no such change may reduce the limitations of director's liability or limit indemnification or advancement of expenses unless adopted by the unanimous vote of all of the directors then serving or the affirmative vote of the holders of a majority of the outstanding shares of stock of the Company entitled to vote in elections of directors. Article 12 further permits the Company to maintain insurance, at its expense, for the benefit of any person on behalf of whom insurance is permitted to be purchased by Delaware law against any such expenses, liability or loss.

Reference is made to our bylaws filed as Exhibit 3.1 to our Current Report on Form 8-K filed with the Securities and Exchange Commission, or the SEC, on March 5, 2010. Reference is also made to our Amended and Restated Certificate of Incorporation, as amended, filed as Exhibit 3.1 to our Annual Report on Form 10-K for the year ended December 31, 2006.

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

Edgar Filing: STRATIFY INC - Form POSASR

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
  
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining any liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus

## Edgar Filing: STRATIFY INC - Form POSASR

that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(c) Insofar as indemnification for liabilities arising under the Securities Act of may be permitted to directors, officers and controlling persons of the registrants pursuant to the provisions described under Item 15 of this registration statement, or otherwise, the registrants have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or

controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
