**PROXY STATEMENT**

**for**

**Annual Meeting of Shareholders**

**April 18, 2012**

The Board of Directors (the **Board**) of Innovative Solutions and Support, Inc. ( **ISS** or the **Company** ) is soliciting your proxy to vote your shares at the Company's 2012 annual meeting of shareholders (the **Annual Meeting** ). The Annual Meeting will be held on April 18, 2012 at 10:00 a.m., local time, at the Company's corporate offices at 720 Pennsylvania Drive, Exton, Pennsylvania. ISS intends to mail a Notice of Internet Availability of Proxy Materials (sometimes referred to as the **Notice** ), and to make this Proxy Statement available to its shareholders of record entitled to vote at the Annual Meeting, on or about January 27, 2012

**ABOUT THE MEETING**

**Your vote is important.**

In accordance with the rules and regulations adopted by the Securities and Exchange Commission ( **SEC** ), instead of mailing a printed copy of the proxy materials to each shareholder of record, the Company may now furnish proxy materials including this Proxy Statement, the proxy card, and the Company's Annual Report on Form 10-K for the year ended September 30, 2011 ( **Annual Report** ) to the Company's shareholders by providing access to such documents on the Internet. Shareholders will not receive printed copies of the proxy materials unless requested. Instead, the Notice will instruct shareholders as to how they may access and review all of the proxy materials. The Notice also instructs shareholders how to submit a proxy through the Internet. If you would like to receive a paper copy or e-mail copy of your proxy materials, you should follow the instructions for requesting such materials included in the Notice. ISS will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for any Internet access charges you may incur.

You may revoke this proxy at any time before it is voted by written notice to the Chief Financial Officer of the Company, by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed and delivered proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided or, if no directions are provided, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board. If you wish to give a proxy to someone other than

## Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than three, to whom you wish to give your proxy.

If you want to vote in person at the Annual Meeting and you hold shares of Company common stock in street name, you must obtain a proxy card from your broker and bring that proxy card to the Annual Meeting, together with a copy of a brokerage statement reflecting your common stock ownership as of the record date.

Table of Contents

**Who can vote?**

You can vote if, as of the close of business on January 20, 2012, you were a shareholder of record of the Company's common stock. On that date, 16,650,134 shares of ISS common stock were outstanding and entitled to vote. The Company does not have any other classes of voting stock outstanding other than ISS common stock. Each share of common stock is entitled to one vote, and there are no cumulative voting rights when voting for directors. A list of shareholders eligible to vote will be available at the offices of Innovative Solutions and Support, Inc., 720 Pennsylvania Drive, Exton, Pennsylvania 19341 beginning January 27, 2012. Shareholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

If you and other residents at your mailing address own shares of common stock in street name, your broker or bank may have notified you that your household will receive only one annual report and proxy statement, or one notice of internet availability of proxy materials, as applicable, for each company in which you hold stock through that broker or bank. This practice is known as house-holding. Unless you responded that you did not want to participate in house-holding, you were deemed to have consented to the process. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If you did not receive an individual copy of this year's proxy statement or annual report, ISS will send a copy to you if you address a written request to the Company's Chief Financial Officer, Ronald C. Albrecht, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

If you would like to receive your own set of the Company's future annual report and proxy statement, or if you share an address with another Company shareholder and together both of you would like to receive only a single set of the Company's annual disclosure documents, you should contact your broker or bank or you may contact the Company at the above address and phone number.

**What constitutes a quorum?**

The presence at the Annual Meeting, in person or by proxy, of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at the meeting shall constitute a quorum for the purpose of consideration and action on the matter. Abstentions from voting and broker non-votes will be counted toward a quorum. A broker non-vote occurs when the nominee holding a shareholder's shares does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the shareholder.

**What vote is required and what is the method of calculation?**

In accordance with the Company's Amended and Restated Bylaws, an affirmative vote of a majority of the votes properly cast at the Annual Meeting is required for approval of all matters. Abstentions or broker non-votes will not be counted for or against matters to be acted on at the Annual Meeting.

**What matters will be voted on?**

The Board does not intend to bring any other matters before the Annual Meeting except the matters listed in the notice, and the Board is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the Annual Meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

Table of Contents

**How do I vote by proxy?**

Most shareholders have three ways to vote by proxy: by telephone, by the Internet or by return of the proxy card. To vote by telephone or by the Internet, you must follow the instructions set forth on the Notice that you receive. To vote by mail, you must sign and date each proxy card you receive, mark the boxes indicating how you wish to vote and return the proxy card. Do not return the proxy card if you vote by the Internet or by telephone.

**Can I change my vote after I return my proxy card?**

Yes. You can change or revoke your proxy at any time before the Annual Meeting either by notifying the Company's Secretary and Chief Financial Officer in writing or by sending another executed proxy dated later than the first proxy card. Your attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares of common stock that you hold beneficially, you may change or revoke your proxy by submitting new voting instructions to your broker or nominee.

**Can I vote in person at the annual meeting instead of voting by proxy?**

Yes. However, the Company encourages you to vote by proxy to ensure that your shares of common stock are represented and voted. If you attend the Annual Meeting in person, you may then vote in person even though you returned your proxy card.

**Who pays for this proxy solicitation?**

The Company will pay all costs in connection with the Annual Meeting, including the cost of preparing, assembling and mailing the Notice, Proxy Statement and proxy card, as well as handling and tabulating the proxies returned. In addition to the use of mail, proxies may be solicited by directors, officers and employees of the Company, without additional compensation, in person or by telephone or other electronic means. The Company will reimburse brokerage houses and other nominees for their expenses in forwarding proxy material to beneficial owners of the Company's common stock.

**Who can help answer your questions?**

If you have questions about the Annual Meeting or would like additional copies of this Proxy Statement, you should contact the Company's Chief Financial Officer, Ronald C. Albrecht, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

**Annual Report**

On written request, ISS will provide, without charge, a copy of its Annual Report (including a list briefly describing the exhibits thereto), filed with the SEC, to any record holder or beneficial owner of its common stock on January 20, 2012, the record date, or to any person who subsequently becomes such a record holder or beneficial owner. Options granted under the 2009 Plan may be either incentive stock or nonqualified stock options, as determined by the Compensation Committee of the Board (the Compensation Committee).

The Board may amend, alter, suspend, discontinue or terminate the 2009 Plan without shareholder approval, provided that shareholder approval is required for any amendment which (i) would increase the number of shares subject to the 2009 Plan; (ii) would decrease

the price at which awards may be granted; or (iii) would require shareholder approval by law, regulation, or the rules of any stock exchange or automated quotation system.

### **1998 Stock Option Plan**

The Company's 1998 Plan was adopted in order to recognize the contributions made by the Company's employees, directors, consultants and advisors, to provide such persons with additional incentives to devote their efforts to the Company's future success and to improve the Company's ability to attract, retain and motivate individuals through the receipt of Company stock options. The maximum number of shares of the Company's common stock available under the 1998 Plan was 3,389,025 (after giving effect to stock splits). The 1998 Plan authorized the grant of incentive stock options (within the meaning of Section 422 of the Code) and non-qualified stock options, such options to vest and become exercisable as specified in separate written agreements between the Company and the option recipient. Unless otherwise specified in such agreement, all outstanding options become fully vested and exercisable upon a change in control. The 1998 Plan expired on November 13, 2008; therefore, no further options can be awarded under the plan.

Each non-employee director was eligible to receive an award of restricted stock on an annual basis, with such award vesting over the course of the fiscal year in equal installments. **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Based solely on a review of the forms the Company has received and on written representations from certain reporting persons that no such forms were required for them, the Company believes that, during fiscal year 2011, the officers, directors and 10% beneficial owners of the Company complied with all of the applicable Section 16(a) of the Exchange Act filing requirements.

**ELECTION OF DIRECTORS**

**(Item 1 on Proxy Card)**

#### **INDEPENDENCE**

The Board has determined in its business judgment that five (5) of the Company's six (6) directors are independent as defined in the applicable NASDAQ Stock Market, LLC (NASDAQ) listing standards, including that each member is free of any relationships that would interfere with his individual exercise of independent judgment. The following directors were determined to be independent: Glen R. Bressner, Winston J. Churchill, Robert A. Mionis, Robert E. Mittelstaedt, Jr. and Robert H. Rau (collectively, the Independent Directors).

#### **BOARD LEADERSHIP**

The Board does not have a formal policy on whether the roles of Chief Executive Officer and Chairman of the Board should be separate. Currently, Mr. Geoffrey S.M. Hedrick serves in both of these positions. The Board believes that it is in the best interests of the Company's shareholders to combine these offices as it promotes information flow between management and the Board, effective decision making and an alignment of corporate strategy. Mr. Glen R. Bressner, an independent director, serves as Vice Chairman of the Board and as presiding director during executive sessions of the independent directors. The Board believes that its structural features, including five independent, non-management directors on a board consisting of six directors, regular meetings of independent directors in executive session, an independent Vice Chairman of the Board and key committees consisting wholly of independent directors, provide for substantial independent oversight of the Company's management. However, the Board recognizes that, depending on future circumstances, other leadership models may become more appropriate. Accordingly, the Board will continue to review periodically its leadership structure.

#### **RISK OVERSIGHT**

## Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

The Company faces a number of risks, including technological and intellectual property risk, regulatory risk, credit risk, liquidity risk, reputational risk and risk from adverse fluctuations in interest rates. Management is responsible for the day-to-day management of risks faced by the Company, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board seeks to ensure that the risk management processes designed and implemented by management are adequate. The Board consults periodically with management regarding the Company's risks.

While the Board is ultimately responsible for risk oversight, the Company's board committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in its oversight of risk management in the areas of financial reporting and internal controls. The Compensation Committee assists the Board in oversight of risks related to the Company's compensation policies and programs. The Investment Committee assists the Board in oversight of the risks related to the Company's cash investments. The Nominating /Corporate Governance Committee assists the Board in oversight of risk associated with board organization, membership and structure, succession planning for directors and executive officers and corporate governance.

**COMMITTEES OF THE BOARD OF DIRECTORS**

The Board maintains four standing committees: Audit, Compensation, Investment and Nominating/Corporate Governance.

*Audit Committee.* The Audit Committee makes recommendations to the Board with respect to various auditing and accounting matters, including the selection and compensation of the Company's independent registered public accounting firm, the scope of the Company's annual audits, fees to be paid to the independent registered public accounting firm, the performance and independence of the Company's independent registered public accounting firm and the Company's accounting practices. The Audit Committee approves all services provided to the Company by the independent registered public accounting firm. The Audit Committee has established procedures for the receipt, retention and treatment, on a confidential basis, of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters. In addition, the Audit Committee has responsibility for, among other things, the planning and review of the Company's annual and periodic reports and accounts and the involvement of the Company's independent registered public accounting firm in that process. Messrs. Bressner (Chairman), Mionis and Rau are currently members of the Audit Committee. The Audit Committee is comprised solely of independent members, as independence for audit committee members is defined in the applicable NASDAQ listing standards. In addition, the Board has determined in its business judgment that each member of the Audit Committee is financially literate and that at least one of the Audit Committee members, Mr. Rau, is an audit committee financial expert, as defined by SEC rules and regulations. The Audit Committee has adopted a formal written charter that has been approved by the Board. The charter specifies the scope of the Audit Committee's responsibilities and procedures for carrying out such responsibilities. A copy of the charter is available on the Company's website, [www.innovative-ss.com](http://www.innovative-ss.com) under the heading Investor Relations. Please note that none of the information on the Company's website is incorporated by reference in this proxy statement.

*Compensation Committee.* The Compensation Committee of the Board is composed of two directors, Messrs. Mittelstaedt (Chairman) and Mionis, each of whom, in the judgment of the Board, was found to be independent as defined by the applicable NASDAQ listing standards. The Compensation Committee is responsible for setting and administering the policies that govern annual executive salaries, bonuses and stock ownership programs. The Compensation Committee evaluates annually the performance of the Company's Chief Executive Officer and determines or recommends to the full Board the annual base salary, bonus and equity-based compensation for the Chief Executive Officer. The Compensation Committee relies on the recommendations of the Chief Executive Officer, following the Chief Executive Officer's annual performance reviews of other executive officers, in setting annual salaries, bonuses and equity-based compensation for other executive officers.

The Compensation Committee is responsible for reviewing and overseeing the Company's benefit plans and stock option plans for employees, consultants, directors and other compensated individuals, including the Chief Executive Officer. The Compensation Committee has adopted a formal written charter that has been approved by the Board. The charter specifies the scope of the Compensation Committee's responsibilities and procedures for carrying out such responsibilities. A copy of the charter is available on the Company's website, [www.innovative-ss.com](http://www.innovative-ss.com) under the heading Investor Relations .

The Compensation Committee has not retained an outside consultant to advise it regarding the Company's compensation practices. Instead, the Compensation Committee independently determines the appropriate levels of compensation for executive officers taking into account, among other factors, the performance of such individuals (as determined in annual reviews conducted by the Compensation Committee or the Chief Executive Officer), the Company's financial performance, cost of living, prior compensation practices and recruitment and retention needs. The Compensation Committee relies on the recommendations of the Company's Chief Executive Officer in determining whether and how much of a discretionary bonus may be paid to the Company's employees (including executive officers) if the Company's financial performance exceeds the Board's expectations.

## Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

*Compensation Committee Interlocks and Insider Participation.* No member of the Compensation Committee is a former or current executive officer or employee of the Company. There are no compensation committee interlocks between the Company and any other entity involving the Company or such entity's executive officers or board members.

*Investment Committee.* The Investment Committee assists the Board in fulfilling its oversight responsibilities with respect to recommendations pertaining to the investment of excess capital, including with respect to the implementation of the Company's stock repurchase program. Messrs. Churchill (Chairman), Bressner and Rau are currently the members of the Investment Committee.

Table of Contents

*Nominating/Corporate Governance Committee.* The Company has a Nominating/Corporate Governance Committee, consisting of three non-employee directors. The Committee has adopted a formal written charter that has been approved by the Board. The charter specifies the scope of the Committee's responsibilities and procedures for carrying out such responsibilities. A copy of the charter is available on the Company's website, [www.innovative-ss.com](http://www.innovative-ss.com) under the heading "Investor Relations". The Nominating/Corporate Governance Committee members are Messrs. Mittelstaedt (Chairman), Churchill and Bressner, each of whom is independent, as that term is defined in the applicable NASDAQ listing standards.

The Nominating/Corporate Governance Committee functions include establishing the criteria for selecting candidates for nomination to the Board, seeking candidates who meet those criteria and making recommendations to the Board of nominees to fill vacancies on, or as additions to, the Board and to monitor the Company's corporate governance structure.

The Nominating/Corporate Governance Committee seeks director candidates based upon a number of qualifications and criteria, including their independence, knowledge, judgment, character, leadership skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths relative to the Company's business. In the case of potential independent director candidates, such eligibility criteria must be in accordance with SEC and NASDAQ rules. While the Nominating/Corporate Governance Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating/Corporate Governance and the Board believe that it is essential that the Board be able to draw on a wide variety of backgrounds and professional experience among its members. The Nominating/Corporate Governance Committee desires to maintain the Board's diversity through the consideration of factors such as education, skills and relevant professional experience. The Nominating/Corporate Governance Committee does not intend to nominate representational directors, but instead considers the entirety of each candidate's credentials in the context of these standards and the characteristics of the Board in its entirety.

The Nominating/Corporate Governance Committee will consider nominees for election to the Board that are recommended timely by shareholders, provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as such, accompany the recommendations. Such recommendations should be submitted in writing to the attention of Chairman, Nominating/Corporate Governance Committee, at the Company's address at 720 Pennsylvania Drive, Exton, PA, 19341, and should not include self-nominations. Section 3.10 of the Company's Amended and Restated Bylaws contains provisions setting forth the requirements applicable to a shareholder nomination for director. These requirements are summarized in this Proxy Statement under the caption "Shareholder Proposals for 2013 Annual Meeting And Other Matters."

Each of the current nominees for director listed under the caption "ELECTION OF DIRECTORS" is an existing director standing for re-election. In connection with the Annual Meeting, the Nominating/Corporate Governance Committee did not receive any recommendation for a candidate from any shareholder or group of shareholders owning more than 5% of the Company's common stock.

The Annual Meeting provides an opportunity each year for shareholders to ask questions of or otherwise communicate directly with members of the Company's Board on matters relevant to the Company. Each director is requested to attend in person the Annual Meeting. All six of the Company's then-serving directors attended the Company's 2011 Annual Meeting of Shareholders.

In addition, shareholders may communicate with the Board, or if applicable, to a specific individual director, by sending a written communication to the attention of the Board or such individual director at the following address: 720 Pennsylvania Drive, Exton, PA, 19341, (fax (610) 646-0150).

Copies of each written communication received at such address will be provided to the Board or to the specific individual director unless such communication is considered, in the reasonable judgment of the Corporate Secretary or other appropriate company officer, to be improper for submission to the intended recipient. Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to the Company or the Company's business or communications that relate to improper or irrelevant topics.

The Nominating/Corporate Governance Committee conducts an annual assessment of the size and composition of the Board and Committees and reviews with the Board the appropriate skills and characteristics required of Board members. The Nominating/Corporate Governance Committee has not yet relied upon third-party search firms to identify board candidates, but reserves the right to do so as required. To date the Nominating/Corporate Governance Committee has relied upon recommendations from a wide variety of its business contacts, including current executive officers, directors, community leaders and shareholders as a source for potential board candidates.

Neither the Nominating/Corporate Governance Committee nor the Company has engaged, or paid any fees to a search firm in connection with the nomination of the directors for election at the Annual Meeting covered by this Proxy Statement.

PUBLIC ACCOUNTING FIRM**

**(Item 2 on Proxy Card)**

The Audit Committee has retained Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the Deloitte Entities), as the independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ending September 30, 2012. Although action by the shareholders on this matter is not required, the Audit Committee and the Board believe it is appropriate to seek shareholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. If this appointment is not ratified by the shareholders, the Audit Committee may reconsider its selection.

One or more representatives of the Deloitte Entities are expected to attend the Annual Meeting. Representatives of the Deloitte Entities will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

**Principal Accountant Fees and Services**

Services provided by the Deloitte Entities in prior fiscal years have included an audit of the annual consolidated financial statements of the Company, an audit of the effectiveness of internal controls over financial reporting as required by the Sarbanes-Oxley Act of 2002 and other services related to filings made with the SEC. The aggregate fees billed by the Deloitte Entities in connection with services rendered during the fiscal years ended September 30, 2011 and 2010 were:

*Pre-Approved Policies and Procedures*

The Audit Committee's policy is to pre-approve the engagement of accountants to render all audit and tax-related services for the Company, as well as any changes to the terms of the engagement. The Audit Committee pre-approves all proposed non-audit related services to be provided by the Company's independent registered public accounting firm. The Audit Committee reviews the terms of the engagement and a description of the services along with a fee proposal for the engagement. If agreed to by the Audit Committee, the Audit Committee formally accepts the engagement letter and fee proposal. Any proposal by the Company's independent registered public accounting firm for non-audit services must be specific as to the particular services to be provided. Management and the independent registered public accounting firm must each confirm to the Committee that each proposed non-audit and non-audit related service is permissible under all applicable legal requirements. Requests can be submitted to the Audit Committee and approved in one of the following ways: by a request for approval of services at a meeting of the Audit Committee, or through a written request to the Audit Committee, which may be approved by a written consent by the Audit Committee or by a designated member of the Audit Committee. The Audit Committee approved all 2011 and 2010 fees paid to the independent registered public accounting firm.

Pursuant to the adoption of the revised Audit Committee Charter, the Board has adopted a policy which prohibits the Company from entering into non-audit related consulting agreements for financial information systems design and implementation, for certain other services considered to have an impact on independence and for all other services prohibited by the Sarbanes-Oxley Act of 2002 and new SEC regulations. The policy also contains procedures requiring Audit Committee pre-approval of all audit and permitted non-audit services provided by the Company's independent registered public accounting firm.

**The Board of Directors recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm.**

**REPORT OF THE AUDIT COMMITTEE**

*The following report of the Audit Committee will not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference. The following report shall not otherwise be deemed filed under such Acts.*

The Audit Committee assists the Board in its oversight of the financial reporting process. The Audit Committee operates pursuant to a charter. As set forth in the charter, management of the Company is responsible for the preparation, presentation and integrity of its financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the United States of America (GAAP) and for reviewing the Company's unaudited interim financial statements. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. However, the Committee will take the appropriate actions to set an overall corporate standard for quality financial reporting, sound business risk practices and ethical behavior.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and discusses with management the Company's disclosure controls and procedures.

**Compensation of Directors**

## Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

The Company's compensation program for non-employee directors consists of two elements of compensation: meeting fees and restricted stock awards. Each non-employee director is entitled to a fee of \$1,000 for each Board meeting attended and \$1,000 for each in-person committee meeting that is not held on the same day as a Board meeting. Historically, each non-employee director had also received an award of restricted stock pursuant to the Company's Restricted Plan for non-employee directors, which was approved by shareholders at the Company's February 26, 2004 Annual Meeting of Shareholders. In 2010, the last of the shares of common stock remaining to be issued under the Restricted Plan for non-employee directors were issued, and the balance of the awards to non-employee directors were made under the 2009 Plan. The Company continues to grant annual awards of restricted stock to non-employee directors under the 2009 Plan.

Since fiscal year 2005, the Company has granted to each non-employee director an annual award of restricted stock with a value of \$40,000 based on the closing price of the Company's common stock on the first business day of the fiscal year. The Company's common stock closed at \$4.61 per share on October 1, 2010 and accordingly, each non-employee director in the table below received a grant of 8,677 shares of restricted stock for 2011 fiscal year. Each restricted stock award vests quarterly during the fiscal year provided the director continues to serve on the Board through each applicable vesting date.

In addition, all directors are reimbursed for reasonable travel and lodging expenses actually incurred in connection with required attendance at Board meetings.

See also Note 3, under the heading *Share-Based Compensation*, to the Company's audited financial statements as filed in the Annual Report, which sets forth the material assumptions used in determining the compensation cost to the Company with respect to such awards. Because each director's restricted stock grant vests, if at all, during the fiscal year, none of the directors held any unvested restricted stock as of the close of the fiscal year. In addition, as of the close of the fiscal year, none of the non-employee directors held outstanding options to purchase stock of the Company.

**EXECUTIVE COMPENSATION**

**Compensation Discussion and Analysis**

**Objective of Compensation Policy**

The objective of the Company's compensation policy is to:

- attract and retain exceptional individuals as executive officers; and
- provide key executives with motivation to perform to the full extent of their abilities to maximize the performance of the Company and deliver enhanced value to the Company's shareholders.

**What the Company's Compensation Program is Designed to Reward**

Overall, the compensation program is designed to reward the contributions of each individual executive officer to shareholder value and to provide sufficient incentives to executive officers to ensure their dedication to the Company. As discussed further below, the Company seeks to achieve these goals by providing sufficient base salaries to compensate executives for their day-to-day performance of their duties and awarding

cash bonuses when the executive makes progress toward or attains the personal or corporate goals and objectives the Company. Also, from time to time, the Company grants equity-based awards when it believes that such equity awards will further align the interests of named executive officers with those of the Company's shareholders and provide an additional incentive to executive officers to contribute to the achievement of the Company's financial and strategic objectives.

## **General Compensation Policies**

### *Process for Setting Total Compensation*

Generally, upon hiring or promoting a named executive officer, the Compensation Committee sets base salary and other compensation on the basis of subjective factors, including experience, individual achievements, level of responsibility assumed at the Company and may also consider market compensation practices from time to time. Actual base salaries, cash bonuses, and equity-based awards for each named executive officer may be adjusted from year to year based upon each named executive officer's annual review and progress toward or attainment of personal and corporate goals and objectives, including Company financial performance, shareholder return and such other factors as the Compensation Committee deems appropriate and in the best interests of the Company's shareholders.

Each named executive officer's annual review is a subjective process whereby the Chief Executive Officer or Compensation Committee evaluates such named executive officer's contributions toward the development and execution of strategic plans, leadership skills and motivation and involvement in industry groups. The weight given such factors by the Compensation Committee may vary from one named executive officer to another.

The Compensation Committee seeks recommendations from the Chief Executive Officer regarding changes to or increases in elements of compensation for the other named executive officers. In addition, the Chief Executive Officer is responsible principally for reviewing each other named executive officer's performance and making recommendations for the Company's compensation package for such officers for the following fiscal year. The Compensation Committee independently reviews the performance of the Company's Chief Executive Officer. The Compensation Committee reviews the recommendations of the Chief Executive Officer carefully in light of his proximity to the other executives and knowledge of their contributions to and goals for continuing achievement with the Company.

The Company provides its shareholders with the opportunity to cast an advisory vote on executive compensation (a say-on-pay proposal ) once every three years. At the Company's annual meeting of shareholders held in 2011, a substantial majority of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms shareholders' support of the Company's approach to executive compensation, and did not change its approach in fiscal year 2011. The Compensation Committee will continue to consider the outcome of the subsequent say-on-pay votes when making future compensation decisions for the named executive officers.

**Elements of Compensation**

The Company's compensation program for named executive officers consists of the following elements of compensation, each described in greater depth below:

- Base Salaries;
- Annual Bonuses;
- Equity-based Compensation;
- Perquisites; and
- General Benefits.

*Base Salary*

The Company pays base salaries to named executive officers because the Company believes salaries are essential to recruiting and retaining qualified executives. In addition, because base salaries are subject to increase based on each named executive officer's performance for the Company, base salaries also create an incentive for named executive officers to make meaningful contributions to the Company's success. Base salaries are initially set by the Compensation Committee upon hiring or promoting a named executive officer, and may be incorporated into employment contracts entered into with the Company's named executive officers. Base salary levels are initially set based on the named executive officer's previous experience and employment, as well as the named executive officer's expected duties and obligations to the Company. Thereafter, the Compensation Committee may increase a named executive officer's base salary each year based on the results of each named executive officer's annual review (conducted by the Chief Executive Officer for each of the other named executive officers and by the Compensation Committee for the Chief Executive Officer) and based on the Compensation Committee's subjective assessment of the Company's overall performance over the preceding year.

The Compensation Committee determined that, based on the Company's financial condition, there would be no increases in the base salaries of the named executive officers during fiscal year 2011.

*Annual Bonus Compensation*

From time to time the Company may award annual bonuses, in its discretion, to the named executive officers and may agree, in hiring or promoting a named executive officer, to a target bonus opportunity, expressed as a percentage of base salary, to be paid if the Company determines that the Company's financial performance goals or other objectives are attained.

Except as may be agreed when hiring a new executive officer, historically, the Company has awarded discretionary bonuses only when the Company's financial performance has met or exceeded the Board's expectations or other significant milestones have been achieved. Because the Company's financial performance for fiscal year 2011 did not meet the Board's expectations, named executive officers did not receive discretionary bonuses in fiscal year 2011.

Because historically the Chief Executive Officer has determined whether and how much cash bonus to pay each named executive officer based on a discretionary review of Company financial performance, named executive officers' bonuses for prior fiscal years were not considered to be performance based under Section 162(m) of the Code. Accordingly, the Company would not have been entitled to deduct on its corporate tax return all of a named executive officer's base salary and bonus if the total amount of such base salary and bonus (and other compensation considered under Section 162(m) of the Code) exceeded \$1,000,000 in that fiscal year. However, the Company has not paid any annual discretionary bonuses that have resulted in the Company's loss of deduction, nor does the Company anticipate paying such bonuses to its named executive officers.

*Equity Compensation*

The Company awards equity-based compensation to named executive officers in order to provide a link between the long-term results achieved for its shareholders and the rewards provided to named executive officers, thereby ensuring that such officers have a continuing stake in the Company's long-term success. Equity-based compensation has been paid historically to named executive officers in the form of stock options. Such awards are made at the discretion of the Compensation Committee and are not timed or coordinated with the release of material, non-public information.

The Compensation Committee awarded 30,000 shares of common stock under the Company's 2009 Stock-Based Incentive Compensation Plan to Ronald C. Albrecht in fiscal year 2011 in recognition of his responsibilities as Chief Financial Officer. Accordingly, the compensation expense shown in the "Option Awards" column of the Summary Compensation Table, below, reflects the accounting expense associated with that option grant as well as option grants made in years prior to fiscal year 2011 to other named executive officers.

*Perquisites*

In fiscal year 2011, the Company provided certain personal benefits to the Chief Executive Officer, as summarized below. The aggregate incremental cost to the Company of the perquisites received by Mr. Hedrick is included in the Summary Compensation Table, below.

*Automobile.* A Company car was available to the Chief Executive Officer for business and personal purposes during fiscal year 2011. The Company covers the costs of car insurance, upkeep and maintenance of the Company car. The Company believes that use of the Company's automobile represents a valuable perquisite for the Chief Executive Officer which is appropriate considering his value to the Company and that such benefit can be provided by the Company for relatively minimal cost.

*Aircraft.* The Company has, with the approval of the Independent Directors, permitted the Company's Chief Executive Officer to use the Company's corporate aircraft for personal travel. The Company believes that use of the Company's aircraft represents a valuable perquisite for the Chief Executive Officer which is appropriate considering his value to the Company and that such benefit can be provided by the Company for relatively minimal cost.

*General Benefits*

The following are standard benefits offered to all eligible Company employees, including named executive officers.

*Retirement Benefits.* The Company maintains a tax-qualified 401(k) savings plan for all eligible employees, including the named executive officers, known as the IS&S 401K Plan (the "Savings Plan"). The Savings Plan is a voluntary contributory plan under which employees may elect to defer compensation for federal income tax purposes under Section 401(k) of the Code. The Company makes a matching contribution to the Savings Plan at one half of each participant's deferral rate limited to a maximum contribution of 2% of base salary and subject to limitations imposed by the Internal Revenue Service.

*Medical, Dental, Life Insurance and Disability Coverage.* Medical, dental, life insurance and disability coverage are available to all active eligible employees. The value of these benefits is not required to be included in the Summary Compensation Table because they are available to all eligible full-time employees.

*Other Paid Time-Off Benefits.* The Company provides vacation and other paid holidays to all employees, including the named executive officers.

#### **Change in Control Benefits**

Grants of Company stock options to named executive officers typically vest or become fully exercisable upon a change in control of the Company. The Company believes that such accelerated vesting is essential to maintaining the commitment and dedication of its key employees throughout a potential change in control.

#### **Stock Ownership/Retention Requirements**

The Company does not require its named executive officers to maintain a minimum ownership interest in the Company.

#### **Deductibility of Compensation**

Section 162(m) of the Code generally denies a federal income tax deduction for certain compensation exceeding \$1,000,000 paid to the Chief Executive Officer or any of the other named executive officers, excluding, among other things, certain performance-based compensation. Through September 30, 2011, this provision has not affected the Company's tax deductions. At the present time, the Compensation Committee believes that it is unlikely that the compensation paid to any of the Company's employees in a taxable year will exceed \$1,000,000.

**SHAREHOLDER PROPOSALS FOR 2013 ANNUAL MEETING  
AND OTHER MATTERS**

Shareholders wishing to submit proposals for inclusion in the proxy statement for the 2013 Annual Meeting of Shareholders must submit such proposals to the Company at 720 Pennsylvania Drive, Exton, PA 19341, Attention: Ronald C. Albrecht, on or before September 28, 2012. In order for the proposal to be included in the proxy statement, the shareholder submitting the proposal must meet certain eligibility standards and comply with the procedures established by the SEC as set forth in Rule 14a-8 of the Securities Exchange Act of 1934.

On May 21, 1998, the Securities and Exchange Commission adopted an amendment to Rule 14a-4, issued under the Exchange Act. The amendment to Rule 14a-4(c)(1) governs a company's use of discretionary proxy voting authority for a shareholder proposal which the shareholder has not sought to include in the proxy statement. The amendment provides that if a proponent of a proposal fails to notify a company at least 45 days prior to the month and day of mailing of the prior year's proxy statement (or any date specified in an advance notice provision), then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement. With respect to the Company's 2013 Annual Meeting of Shareholders, if the Company does not receive notice of a shareholder proposal, which the shareholder has not previously sought to include in the proxy statement, by December 13, 2012, the management proxies will be allowed to use their discretionary authority.

The Company's Amended and Restated Bylaws provide that a shareholder proposal (including a shareholder nomination of a director) must meet certain predetermined requirements in order to be considered at an annual meeting of the shareholders. In order to be considered, a shareholder's proposal must be made in writing and delivered to, or mailed and received at, the Company's principal executive offices not less than one hundred twenty (120) days nor more than one hundred fifty (150) days prior to the date that the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting of shareholders in the case of an annual meeting that is called for a date that is within thirty (30) days before or after the anniversary date of the immediately preceding annual meeting of shareholders. However, in the case of an annual meeting that is called for a date that is not within thirty (30) days before or after the anniversary date of the immediately preceding annual meeting, proposals must be received not later than the close of business on the tenth (10th) day following the day on which notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first. The notice to the Secretary must set forth certain information as specified in the Company's Amended and Restated Bylaws.

As of the date of this Proxy Statement, the Board knows of no other business which may properly be and is likely to be brought before the Annual Meeting. If a shareholder proposal that was excluded from this Proxy Statement in accordance with Rule 14a-8 of the Exchange Act or the Company's Amended and Restated Bylaws is properly brought before the Annual Meeting, it is intended that the proxy holders will use their discretionary authority to vote the proxies against said proposal. If any other matters should arise at the Annual Meeting, shares of common stock represented by proxies will be voted at the discretion of the proxy holders.
