**Item 1.01. Entry into a Material Definitive Agreement**

On February 24, 2012, Inland Western Retail Real Estate Trust, Inc. (the Company, we, or our ) amended and restated its existing credit agreement with a number of financial institutions, including KeyBank National Association and JPMorgan Chase Bank, N.A., affiliates of which acted as co-lead arrangers and joint book managers, to provide an unsecured credit facility in the aggregate amount of \$650,000,000, consisting of a \$350,000,000 unsecured revolving line of credit, subject to a borrowing base limitation, and a \$300,000,000 unsecured term loan (together, the Facility ). The Facility replaces our \$585,000,000 secured credit facility due to mature in February 2013, and we have the ability to increase the available borrowings under the Facility (the term and/or revolving portions) by up to \$200,000,000, for a total aggregate potential Facility size of \$850,000,000. The Facility contains customary representations, warranties and covenants, and events of default. If there has been no default under the Facility, we can make distributions to our stockholders as long as the ratio of distributions to funds from operations does not exceed 95%; provided, that regardless of whether there has been a default under the Facility, we may make such distributions to our stockholders as are required for the Company to maintain its status as a real estate investment trust under the U.S. income tax code. Loans under the Facility bear interest at a rate per annum equal to LIBOR plus a margin of between 1.75% and 2.50% or the alternative base rate plus a margin of between 0.75% and 1.50%, both based on our leverage ratio as calculated under the Facility. Interest on amounts outstanding under the Facility is payable monthly. We may pay outstanding principal amounts under the Facility at any time without penalty or premium and must pay such amounts if borrowing base values are below certain amounts. Any unpaid principal amounts are due and payable upon maturity of the Facility. The term loan portion of the Facility matures on February 24, 2016, and the revolving portion of the Facility matures on February 24, 2015, but each maturity date may be extended by the Company for one additional year as long as there is no existing default under the Facility, we are in compliance with all covenants under the Facility, and we pay an extension fee.
