**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

Veeco Instruments Inc. ( Veeco or the Company ) announced that, on May 24, 2013, it received a letter from The NASDAQ Stock Market LLC ( NASDAQ ) notifying the Company that it has not regained compliance with NASDAQ Listing Rule 5250(c)(1) (the Rule ), the continued listing requirement to timely file all required periodic reports with the Securities and Exchange Commission (the SEC ), and, therefore, that its common stock would be subject to delisting unless the Company timely requests a hearing before a NASDAQ Listing Qualifications Panel (the Panel ).

Accordingly, the Company has requested a hearing before the Panel. At the hearing, the Company will present its plan for regaining compliance with the Rule, and request continued listing pending its return to compliance. The hearing request will result in an automatic stay of delisting until at least June 17, 2013. Concurrent with the hearing request, the Company has asked the Panel to extend the stay until the conclusion of the hearing process. The Panel has the discretion to grant the Company an extension of time within which to regain compliance with the Rule for a period not to exceed 360 days from the original due date for the first late filing, or November 4, 2013. There can be no assurance that the Panel will grant the Company's request for continued listing.

As previously reported, the Company is not in compliance with the Rule because it did not timely file its quarterly report on Form 10-Q for the quarter ended March 31, 2013, its annual report on Form 10-K for the year ended December 31, 2012 and its quarterly report on Form 10-Q for the quarter ended September 30, 2012 because the Company is reviewing the timing of the recognition of revenue and related expenses on the sale of certain of its products. The accounting review was announced on November 15, 2012. For information on the accounting review, please see the Form 12b-25 we filed on May 10, 2013. The Company continues to conduct the review and intends to file its Forms 10-Q and 10-K as soon as reasonably practicable after these accounting matters have been resolved.

A copy of the press release disclosing the Company's receipt of the NASDAQ notification letter is furnished as Exhibit 99.1 to this report.
