State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Five Star Quality Care, Inc., or the Company, is unable to timely file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2013 due to the Company s management recently having discovered non-cash errors in the Company s historical accounting for income taxes in certain periods that resulted primarily from the accounting for the Company s deferred income taxes. The Company s management is currently evaluating its accounting for these items, and is working with the Audit Committee of the Company s Board of Directors and the Company s independent registered public accounting firm to determine what changes, if any, to the Company s historical or future accounting may be appropriate.

The Company expects to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2013 within the 5 calendar day extension period provided by Rule 12b-25.

At this time the Company cannot reasonably estimate if there is a significant change in results of operations from the corresponding period for the last fiscal year which will be reflected by the earnings statement to be included in the Quarterly Report on Form 10-Q for the quarter ended September 30, 2013 when filed.

## **Warning Concerning Forward Looking Statements**

This Notification of Late Filing may contain statements that constitute forward looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. Also, whenever the Company uses words such as believe, expect, anticipate, intend, plan, estimate or similar expressions, the Company is making forward looking statements. These forward looking statements are based upon the Company is present intent, beliefs or expectations, but forward looking statements are not guaranteed to occur and may not occur. Actual results may differ materially from those contained in or implied by these forward looking statements as a result of various factors. For example:

• This Notification of Late Filing states that the Company's evaluation of its accounting for income taxes for certain periods has not been completed and that the Company is working with its audit committee and its independent registered public accounting firm to complete these matters. These statements may imply that the Company will resolve these matters and be able to file its Quarterly Report on Form 10-Q by the required deadline, as extended. However, there can be no assurances this will occur. If the Company fails to file its Quarterly Report on Form 10-Q by the extended deadline, its ability to use its currently effective shelf Registration Statement on Form S-3 will be restricted and we may incur other negative effects.

For these reasons, among others, investors are cautioned not to place undue reliance upon forward looking statements in this Notification of Late Filing.
