*Relating to Preliminary Prospectus Dated June 16, 2014*

*Free Writing Prospectus*

This free writing prospectus relates to the initial public offering of the shares of common stock of The Michaels Companies, Inc. (the **Company**) and should be read together with the preliminary prospectus dated June 16, 2014 (the **Preliminary Prospectus**), included in Amendment No. 4 to the Registration Statement on Form S-1 (Registration No. 333-193000) relating to such offering. On June 19, 2014, the Company filed Amendment No. 5 to the Registration Statement ( **Amendment No. 5** ), which may be accessed through the following link: <http://www.sec.gov/Archives/edgar/data/1593936/000104746914005737/0001047469-14-005737-index.htm>.

The following information is set forth in Amendment No. 5 and updates and supersedes the information contained in the Preliminary Prospectus. You should read Amendment No. 5 carefully before deciding whether to invest in the Company's common stock.

The Company has amended the final bullet point Prospectus summary Our business strategy Summary risk factors section of the Preliminary Prospectus in Amendment No. 5 to read as follows:

- Investment funds affiliated with the Sponsors (as defined below) will own approximately 80% of the outstanding shares of our Common Stock upon the consummation of this offering and as a result will have the ability to control the outcome of matters submitted for stockholder approval, including the ability to direct the election of all of the members of our Board of Directors, and they may have interests that differ from those of our other stockholders.

The Company has amended page 39 of the Preliminary Prospectus under the caption Dilution, in Amendment No. 5 to read as follows:

The following table summarizes, on an as adjusted basis as of May 3, 2014, the total number of shares of our Common Stock purchased from us, the total cash consideration paid to us and the average price per share of our Common Stock paid by (i) our existing stockholders and (ii) the new investors purchasing shares of our Common Stock in this offering.

|                          | Shares of our<br>Common Stock purchased |             | Total consideration     |             | Average price<br>per share<br>of our<br>Common Stock |

| New investors            | 27,777,778                              | 14%         | \$ 500,000,000          | 22%         | \$ 18.00   |
| <b>Total</b>             | <b>203,103,839</b>                      | <b>100%</b> | <b>\$ 2,271,683,292</b> | <b>100%</b> | <b>\$ 11.18</b>                                      |

---

(1) Total consideration excludes the return of cumulative dividends paid to existing stockholders of \$782 million.

If the underwriters were to fully exercise the underwriters' option to purchase additional shares of our Common Stock from the selling stockholders, the percentage of shares of our Common Stock held by existing stockholders would be approximately 84%, and the percentage of shares of our Common Stock held by new investors would be approximately 16%.

The table above does not reflect 6,298,885.8 vested options outstanding as of May 3, 2014 under our 2014 Omnibus Plan with a weighted-average exercise price of approximately \$8.07 per share; 691,870.6 shares of common stock pursuant to outstanding and unvested restricted stock awards under our 2014 Omnibus Plan; and shares underlying awards granted after May 3, 2014 (if any) under our 2014 Omnibus Plan. To the extent that we grant options or other equity awards to our employees or directors in the future, and those options or other equity awards are exercised or become vested or other issuances of shares of our Common Stock are made, there will be further dilution to new investors.
