**Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Entry Sheet Arrangement of a Registrant**

On September 19, 2014, American Homes 4 Rent (the Registrant) completed its second securitization transaction, which involved the issuance and sale in a private offering of single-family rental pass-through certificates, bearing a fixed rate of interest for ten years, that represent beneficial ownership interests in a loan secured by a portfolio of 4,487 single-family residential properties sold to an affiliate from the Registrant's portfolio of single-family properties. Gross proceeds from the offering to third parties were \$487,650,000. The pass-through certificates sold to third-party investors have a duration-adjusted weighted average coupon rate of 4.418%.

The pass-through certificates sold to third-party investors have the following initial certificate balances and pass-through rates:

Class of Certificates	Initial Certificate Balance	Pass-Through Rate
Class A	\$313,970,000	3.786%
Class B	\$23,630,000	4.290%
Class C	\$32,635,000	4.705%
Class D	\$33,760,000	5.149%
Class E	\$83,655,000	6.231%
	\$487,650,000-Total	4.418% duration-adjusted weighted average rate

The interest rates on such certificates and classification are based on a credit assessment by various rating agencies of the credit quality of the offered certificates and the portfolio of 4,487 single-family residential properties securing the certificates and do not reflect any credit rating of the Registrant as an entity.

In addition to the pass-through certificates sold to third parties, an affiliate of the Registrant acquired Class F certificates in the amount of \$25,665,800. The affiliate's acquisition of the Class F certificates was funded by a loan, due no later than October 18, 2024, from the operating partnership of the Registrant. The Class F certificates are not entitled to any interest and have a ten-year term. To facilitate the purchase of the Class F certificates, the partners amended the partnership agreement of the Registrant's operating partnership, American Homes 4 Rent, L.P. A copy of the Eighth Amendment to the Agreement of Limited Partnership of American Homes 4 Rent, L.P. is attached as Exhibit 10.2.

As part of the securitization transaction, an indirect subsidiary of the Registrant entered into a loan agreement as described below. The loan was subsequently deposited into a trust in exchange for the pass-through certificates. The pass-through certificates represent the entire beneficial interest in the trust and the classes described in the table above were sold in a private offering through the placement agents retained for the transaction. Such certificates were offered and sold under Rule 144A and Regulation S under the Securities Act of 1933, as amended.

More detailed information about the loan is provided below. The description of the loan herein is qualified in its entirety by reference to the Loan Agreement, filed as Exhibit 10.1 hereto, which is incorporated herein by reference.

### *The Loan Agreement*

On September 19, 2014, AMH 2014-2 Borrower, LLC (the Borrower), a Delaware limited liability company and an indirect wholly-owned subsidiary of the Registrant, entered into a Loan Agreement dated as of September 19, 2014 (the Loan Agreement) with Goldman Sachs Mortgage Company, a New York limited partnership (Lender). Pursuant to the Loan Agreement, the Borrower borrowed \$513,315,800 (the Loan) from Lender. The Loan is a ten-year, fixed rate loan, composed of six fixed-rate components. Interest on the Loan is paid monthly together with the monthly amortization amount of one-twelfth of one percent of the outstanding principal balance of the Loan on September 19, 2014, subject to certain potential adjustments described in the Loan Agreement.

For purposes of computation of the interest accrued on the Loan, the Loan is divided into multiple components designated as Component A, Component B, Component C, Component D, Component E and Component F. The following table sets forth the initial principal amount of such component and the component spread added to the one-month LIBOR for each monthly interest period:

Component	Initial Principal Amount	Interest Rate
Component A	\$ 313,970,000	3.8945%
Component B	\$ 23,630,000	4.3985%
Component C	\$ 32,635,000	4.8135%
Component D	\$ 33,760,000	5.2575%
Component E	\$ 83,655,000	6.3395%
Component F	\$ 25,665,800	0.0005%

The Loan is secured by first priority mortgages on a portfolio of 4,487 single family residential properties (collectively, the Properties ) owned by Borrower. The maturity date of the Loan is October 9, 2024. The Loan Agreement requires that the Borrower comply with various affirmative and negative covenants that are customary for loans of this type, including limitations on indebtedness the Borrower can incur, limitations on sales and dispositions of Borrower s properties that secure the Loan and various restrictions on the use of cash generated by the operations of the properties owned by the Borrower while the Loan is outstanding.

The Loan proceeds were contributed to American Homes 4 Rent, L.P., a Delaware limited partnership and the Registrant s wholly owned operating partnership, and were used primarily to repay in full the Registrant s outstanding credit facility.

In the ordinary course of business, affiliates of the placement agents have performed, and may in the future from time to time perform, investment banking, advisory or other financial services for the Registrant and its subsidiaries for which such affiliates received or may receive customary fees and reimbursement of expenses.
