**Item 1.01. Entry into a Material Definitive Agreement.**

On December 7, 2017, NRG Energy, Inc. ( *NRG* ) completed the sale of \$870 million aggregate principal amount of 5.75% senior notes due 2028 (the *Senior Notes* ) pursuant to the terms of the purchase agreement, dated November 30, 2017 (the *Purchase Agreement* ), among NRG, the guarantors named therein, and the initial purchasers named therein (the *Initial Purchasers* ). The Senior Notes were issued under a base indenture, dated May 23, 2016 (the *Base Indenture* ), between NRG and Delaware Trust Company (as successor in interest to Law Debenture Trust Company of New York), as trustee (the *Trustee* ), as supplemented by a supplemental indenture, dated December 7, 2017 (the *Supplemental Indenture* and together with the Base Indenture, the *Indenture* ) among NRG, the guarantors named therein and the Trustee. The Indenture and the form of Senior Note, which is attached as an exhibit to the Supplemental Indenture, provides, among other things, that the Senior Notes will be senior unsecured obligations of NRG. Interest is payable on the Senior Notes on January 15 and July 15 of each year beginning on July 15, 2018 until their maturity date of January 15, 2028.

At any time prior to January 15, 2021, NRG may redeem up to 35% of the Senior Notes at a redemption price of 105.750% of the principal amount of the Senior Notes redeemed, plus accrued and unpaid interest to the redemption date, in an amount equal to the net cash proceeds of one or more equity offerings, so long as the redemption occurs within 180 days of completing such equity offering and at least 65% of the aggregate principal amount of the Senior Notes remains outstanding after such redemption.

In addition, at any time prior to January 15, 2023, NRG may redeem all or a portion of the Senior Notes for cash at a redemption price equal to 100% of the principal amount of the Senior Notes redeemed, plus an applicable make-whole premium and accrued and unpaid interest to the redemption date. On and after January 15, 2023, NRG may redeem all or a portion of the Senior Notes at redemption prices set forth in the Indenture, plus accrued and unpaid interest to the redemption date.

The terms of the Indenture, among other things, limit the ability of NRG and certain of its subsidiaries to create liens on assets and consolidate, merge or transfer all or substantially all of its assets and the assets of its subsidiaries.

The Indenture provides for customary events of default, which include (subject in certain cases to customary grace and cure periods), among others: nonpayment of principal or interest; breach of other agreements in the Indenture; defaults in failure to pay certain other indebtedness; the rendering of judgments to pay certain amounts of money against NRG and its subsidiaries; the failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs and is not cured within the time periods specified in the Indenture, the Trustee or the holders of at least 25% in principal amount of the then outstanding series of Senior Notes may declare all the Senior Notes of such series to be due and payable immediately.

The Senior Notes were sold to the Initial Purchasers for resale to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the *Securities Act* ), and to persons outside the United States under Regulation S of the Securities Act. Pursuant to the terms of the registration rights agreement, dated December 7, 2017 (the *Registration Rights Agreement* ), among NRG, the guarantors named therein, and the Initial Purchasers, NRG has agreed to offer to exchange substantially identical senior notes that have been registered under the Securities Act for the Senior Notes, or, in certain circumstances, to register resales of the Senior Notes.

The Senior Notes were issued in a transaction exempt from registration under the Securities Act or any state securities laws. Therefore, Senior Notes may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and any applicable state securities laws. This Form 8-K and the Exhibits hereto do not constitute an offer to sell any securities or
