Item 4.02

Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) On August 31, 2009, Imperial Industries, Inc. (the Company) concluded that the unaudited consolidated balance sheet as of June 30, 2009 as contained in the Company s Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2009 (the Original Form 10-Q) and the amendment No. 1 to Form 10-Q for the quarterly period ended June 30, 2009 should no longer be relied upon because of errors in such financial statements.

The unaudited consolidated balance sheet as of June 30, 2009 contained in the Original Form 10-Q had classified certain of the Company s liabilities as long-term liabilities related to assets held for sale which should have been classified as current liabilities related to assets held for sale. In addition, the note payable line of credit balance was classified as a separate component of current liabilities and should have been classified within current liabilities related to assets held for sale. The consolidated balance sheet as of December 31, 2008 was also reclassified to conform to the presentation of the Note payable-line of credit balance within liabilities related to assets held for sale in the unaudited consolidated balance sheet as of June 30, 2009.

The Company will file Amendment No. 2 to Form 10-Q reflecting the reclassification adjustments noted above, modifying Item 4-Controls and Procedures, revising the signature page, re-filing the certifications, updating Note 23 and inclusion of a second amendment to the forbearance agreement dated August 28, 2009 as Exhibit 10.15.

The Company s audit committee discussed with the Company s independent accountant the matters disclosed in the filing pursuant to this Item 4.02(a).
