This report on Form 6-K, dated January 20, 2005, is specifically incorporated by reference into North American Palladium's registration statement on Form S-8 (File No. 333-13766), which was originally filed with the Securities and Exchange Commission (the SEC) in July 2001 and registration statement on F-10 (File No. 333-114261), which was originally filed with the SEC on April 7, 2004.

Certain statements included in this report on 6K are forward-looking statements which are made pursuant to the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. They include estimates and statements that describe the Company’s future plans, objectives and goals, including words to the effect that the Company or management expects a stated condition or result to occur. When used herein, words such as “estimate”, “expect”, “intend”, “budget”, “plan”, “projection” and other similar expressions are intended to identify forward-looking statements. In particular statements relating to estimated future metal prices, cash flows, expenses, capital costs, ore production, mine life, financing, construction and commissioning are forward-looking statements. Such forward-looking statements involve inherent risks and uncertainties and are subject to factors, many of which are beyond our control, which may cause actual results or performance to differ materially from those currently anticipated in such statements. Important factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements include among others metal price volatility, changes in the US/CDN dollar exchange rate, economic and political events affecting metal supply and demand, fluctuations in ore grade, ore tonnes milled, geological, technical, mining or processing problems, future profitability and production, availability of financing on acceptable terms and unexpected problems during the development, construction and start-up phases of the underground mine or the commissioning of the new secondary crusher. For a more comprehensive review of risk factors, please refer to the Company’s most recent Annual Report under “Management’s Discussion and Analysis of Financial Results” and Annual Information Form under “Risk Factors” on file with the U.S. Securities and Exchange Commission and Canada provincial securities regulatory authorities. The Company disclaims any obligation to update or revise any forward-looking statements whether as a result of new information, events or otherwise. Readers are cautioned not to put undue reliance on these forward-looking statements. For additional information on the Company’s mineral reserves and resources, see the Company’s most recent Annual Information Form.
