ITEM 1.01. Entry into a Material Definitive Agreement.

Equity Line of Credit. Effective November 28, 2005, we entered into an  
-----  
Investment Agreement, which is an equity line of credit ("ELOC"), with Dutchess Private Equities Fund, LP ("Dutchess"). The maximum amount of money that the ELOC may provide to us over a 36 month period of time is \$10,000,000. Over 36 months, commencing at such time as the registration statement is effective, we may periodically deliver new issue registered shares of our common stock to Dutchess who then delivers cash to us based on a fluctuating price per share of our common stock. We are not obligated to request the entire \$10,000,000. The actual aggregate number of shares that we may issue pursuant to the Investment Agreement is not determinable as it is based on the market price of our common stock from time to time and how much funding we desire from time to time. We have reserved 50 million shares for this transaction which we will register in the near future pursuant to a ELOC's Registration Rights Agreement. The 50

million shares of stock represents the number of shares at a price of \$0.20 per share needed to fund \$10 million.

We can commence drawing down on the ELOC at such time as the registration statement is effective. Since only the Commission can order a registration statement effective, we do not know when or if the registration statement will become effective. For an equal amount of funding from time to time pursuant to the ELOC, the number of shares we would issue to Dutchess would be greater during times of our stock price being low, and conversely so during times when our stock price is high. Pursuant to the ELOC, we are subject to penalties if we fail to deliver stock to Dutchess after we request a draw down from the ELOC. We have engaged USEuro Securities to act as our placement agent in connection with the ELOC.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Direct Financial Obligation. Pursuant to the ELOC, we are subject to late fees if we fail to deliver stock to Dutchess after requesting a draw down from the ELOC. These late fees vary based on the number of undelivered shares, if any.

ITEM 9.01. Financial Statements And Exhibits.
