Item 3.03~~Material~~ Modification to Rights of Security Holders.

The information set forth under Item 5.03 of this Current Report on Form 8-K is hereby incorporated in this Item 3.03 by reference.

Section 5 – Corporate Governance and Management

Item 5.03~~Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.~~

The Certificate of Amendment (the “Amendment”) of Perma-Fix Environmental Services, Inc.’s (the “Company”) Restated Certificate of Incorporation, substantially in the form approved by the stockholders at the 2013 Annual Meeting of the Stockholders held on September 12, 2013, became effective as of 12:01 a.m. on October 15, 2013 (the “Effective Date”). The Amendment provides for the 1-for-5 reverse stock split of the Company’s common stock to be effective as of the Effective Date. The Certificate of Amendment is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The combination of, and reduction in, the number of shares of the Company’s outstanding common stock as a result of the reverse stock split occurred automatically at 12:01 a.m. on the Effective Date, without any further action on the part of the Company’s stockholders and without regard to the date that stock certificates representing the pre-reverse stock split outstanding shares of the Company’s common stock, are physically surrendered for certificates representing the post-reverse stock split shares of the common stock. The authorized number of shares of the Company’s common stock will not change as a result of the reverse stock split. Beginning on the Effective Date, the Company’s common stock will begin trading on The NASDAQ Capital Market on a post-reverse stock split adjusted basis with the new CUSIP number of 714157 203.

No fractional shares of the Company’s common stock will be issued as a result of the reverse stock split. Instead, stockholders who would otherwise be entitled to receive a fractional share of the Company’s common stock as a result of the reverse stock split will receive a cash payment in lieu of such fractional share determined on the basis of the closing price of the Company’s common stock on The NASDAQ Capital Market on October 14, 2013, the last business day before the Effective Date. The number of shares of common stock that can be purchased under the outstanding options, rights and warrants to purchase the Company’s common stock were automatically decreased by a factor of five and the respective exercise prices of the options, rights and warrants were automatically increased by a factor of five on the Effective Date.

The reverse stock split was instituted in an effort to regain compliance with the \$1.00 per share minimum bid price requirement for continued listing on The Nasdaq Capital Market.

On October 14, 2013, the Company issued a press release announcing that the 1-for-5 reverse stock split of the Company’s common stock would be effective at 12:01 a.m. EST on October 15, 2013. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
