Item 1.01 Entry Into A Definitive Material Agreement

On August 3, 2005, VoIP, Inc. (the "Company") and WQN, Inc. ("WQN") executed an Asset Purchase Agreement (the "Asset Purchase Agreement"), pursuant to which, among other things, VoIP Acquisition Company ("Acquisition Sub"), a wholly-owned subsidiary of the Company, will purchase (the "Asset Purchase") substantially all of the assets of WQN relating to WQN's "voice over internet protocol" business (the "Assets"). A copy of the Asset Purchase Agreement is filed as Exhibit 2.1 hereto. A copy of the press release regarding the execution of the Asset Purchase Agreement is filed as Exhibit 99.1 hereto.

The Asset Purchase Agreement

General

Pursuant to the Asset Purchase Agreement, Acquisition Sub will purchase the Assets for a purchase price consisting of (1) a Convertible Promissory Note, in the principal amount of \$3,700,000 (the "Purchase Note"), (2) 1,250,000

shares of the Company's restricted common stock, par value \$0.001 per share (the "Common Stock") and (3) a warrant (the "Purchase Warrant") to purchase 5,000,000 shares of Common Stock. In addition, the Asset Purchase Agreement provides that, in the event that the accounts payable of WQN transferred to the Company in the Asset Purchase exceed the accounts receivable transferred to the Company in the Asset Purchase, WQN will pay the Company the difference. If WQN is required to pay such difference, the Company will issue additional shares of Common Stock at the rate of one share per dollar of such excess, up to 500,000 shares.

The Company and WQN made customary representations, warranties and covenants in the Asset Purchase Agreement and consummation of the Asset Purchase is subject to customary conditions, including the approval of the Asset Purchase Agreement and the Asset Purchase by the stockholders of WQN.

The Asset Purchase Agreement provides certain registration rights to WQN covering the shares of Common Stock to be issued to WQN pursuant to the Asset Purchase Agreement.

### The Purchase Note

Upon the closing of the Asset Purchase, the Company will issue the Purchase Note to WQN. The Purchase Note, in the principal amount of \$3,700,000, will accrue interest at the rate of 6% per annum. The aggregate outstanding principal amount of the Purchase Note, together with interest due thereon, is convertible (a) into shares of preferred stock, if the Company files a Certificate of Designation establishing a series of preferred stock, or (b) into shares of Common Stock, if the Company does not file a Certificate of Designation establishing a series of preferred stock. If the Purchase Note is converted into shares of preferred stock, the number of shares of preferred stock into which the Purchase Note shall be converted shall be equal to (i) the sum of (x) the principal amount due under the Purchase Note, and (y) the amount of accrued but unpaid interest thereon, (ii) divided by ten (10) (the "Conversion Amount"). If the Purchase Note is converted into Common Stock, the number of shares of Common Stock into which the Purchase Note shall be converted shall be equal to the product of (A) the Conversion Amount, and (B) 9.43 (subject to adjustment pursuant to the terms of the Asset Purchase Agreement). The Purchase Note will automatically convert into preferred stock at such time as a series of preferred stock is established by the Company. The date upon which amounts under the Purchase Note are due may be accelerated upon the occurrence of certain standard events of default, and in such circumstances, the Purchase Note will accrue interest at the rate of 12% per annum until paid.

### Purchase Warrant

As part of the purchase price for the Assets, upon the closing of the Asset Purchase, the Company will issue to WQN the Purchase Warrant, exercisable for 5,000,000 shares of Common Stock, at an exercise price of \$0.001 per share. The Purchase Warrant will expire on August 1, 2010.

The foregoing description of the Asset Purchase and the Asset Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Asset Purchase Agreement. Other than in respect of the Asset Purchase Agreement and as noted under "The Bridge Note and Bridge Warrant" and "The Security Agreement," below, there is no material relationship between the Company or its affiliates and WQN.

The Asset Purchase Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other

factual information about the Company or WQN. The Asset Purchase Agreement contains representations and warranties each of the Company and WQN made to the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Asset Purchase Agreement. The disclosure schedules contain information that modifies, qualifies and/or creates exceptions to the representations and warranties set forth in the Asset Purchase Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.

### The Bridge Note and Bridge Warrant

Concurrently with the execution of the Asset Purchase Agreement, on August 3, 2005, WQN advanced to the Company \$1,000,000, pursuant to a promissory note (the "Bridge Note"). The Bridge Note will accrue interest at the rate of 6% per annum and is due and payable on August 1, 2006. The date upon which amounts under the Bridge Note are due may be accelerated upon the occurrence of certain standard events of default, and in such circumstances, the Bridge Note will accrue interest at the rate of 12% per annum until paid. In connection with the Bridge Note, the Company issued to WQN a warrant (the "Bridge Warrant") to purchase 625,000 shares of Common Stock, at an exercise price of \$1.37 per share.

If the Asset Purchase fails to close due to the termination of the Asset Purchase Agreement by WQN, the Bridge Note will mature in 12 months. If WQN or the Company terminate the Asset Purchase Agreement under certain circumstances, the Bridge Note will be repayable, at the option of the Company, in Common Stock at the rate of \$0.80 per share. If the Asset Purchase closes, the Bridge Note and Bridge Warrant will be cancelled and replaced by the WQN's receipt of the cash portion of the Assets. Copies of the Bridge Note and the Bridge Warrant are filed as Exhibits 10.1 and 10.2 hereto.

### Security Agreement

The Bridge Note is, and the Purchase Note will be, secured by certain assets of the Company pursuant to the security agreement (the "Security Agreement"), dated August 3, 2005, between the Company and WQN. The security interest of WQN under the Security Agreement is subordinate to certain other lenders of the Company. A copy of the Security Agreement is filed as Exhibit 10.3 hereto.

### Agreements with Lender

In connection with the Asset Purchase and the issuance of the Bridge Note and Bridge Warrant, the Company and its subsidiaries entered into certain agreements with Cedar Boulevard Lease Funding, Inc (the "Lender"). These include (1) a Consent, Waiver and Acknowledgment, filed as Exhibit 10.4 hereto, (2) a Third Amendment to Subordinated Loan and Security Agreement, filed as Exhibit 10.5 hereto, (3) a Security Agreement, filed as Exhibit 10.6 hereto, and (4) a Guaranty, filed as Exhibit 10.7 hereto.
