## **Section 8 - Other Events**

### **Item 8.01 Other Events.**

Tornado Gold International Corp., a Nevada corporation, today announced that, effective August 23, 2006, we acquired from Golden Cycle Gold Corporation, or Golden Cycle, its Illipah gold prospect in White Pine County, Nevada. More specifically, we acquired from Golden Cycle all of its right, title, and interest in Golden Cycle's Illipah gold prospect. It is an exploration property situated in eastern Nevada at the southern extension of the Carlin Trend (T 18N, R 58E) and consists of 191 unpatented federal Bureau of Land Management lode mining claims, approximately 3,820 acres.

We tendered \$50,000 to Golden Cycle on or about August 23, 2006. We also agreed to tender \$50,000 and to issue 50,000 restricted shares of our common stock within 90 thereafter, an additional 100,000 restricted shares of our common stock within an additional 90 days, and an additional 200,000 restricted shares of our common stock by August 23, 2007. We will assume Golden Cycle's obligations in an underlying exploration and mining lease agreement on the claims, and granted to Golden Cycle a production royalty of two percent of net smelter returns on all rents and mineral production from the property. We also obligated ourselves to pay \$48,006.50 for (A) United States Department of the Interior Bureau of Land Management mining claim maintenance fees, (B) annual maintenance and filing fees to White Pine County, Nevada, and (C) advanced minimum royalty payments to Carl Pescio, one of our directors, and Janet Pescio under an August 31, 2001, agreement between the Pescios and Golden Cycle. We have agreed to register all of such shares for re-sale within 60 days of the closing date (as defined in the Definitive Agreement) but not later than 150 days after August 23, 2006. We also agreed to use our best efforts to cause it to be declared effective as soon as practicable thereafter, but within 120 days after the closing date and no later than 210 days after August 23, 2006.

We have the option, exercisable at any time prior to commercial production on any of the Illipah claims, to reduce the Golden Cycle production royalties from two percent to one percent by paying Golden Cycle one million dollars in cash or in gold bullion priced as of the August 24, 2006 closing price of gold on the New York Commodity Exchange. We also agreed to undertake an exploration program on the Illipah property and related area of interest, and incur exploration and development expenditures of at least \$750,000 within two years, of which \$250,000 is to be expended during the first year of the agreement.

A copy of the form of Letter Agreement between the registrant and Golden Cycle Gold Corporation, entered on or about August 23, 2006, is attached as Exhibit 10.1 and is incorporated herein by reference. The press release attached as Exhibit 99.1 is incorporated herein by reference.
